TO ALL CREDITORS,

1 Introduction

- 1.1 Keane Property (Vanners) Limited, ("Vanners"), was placed into liquidation on 7 January 2014 by the Guildford County Court under the reference 268 of 2013 on the petition of Lynn Gibson as the Supervisor of the failed Company Voluntary Arrangement, ("CVA"). At the same hearing, the Court appointed Lynn Gibson of Gibson Hewitt, 5 Park Court, Pyrford Road, West Byfleet, Surrey KT14 6SD as Liquidator of Vanners.
- 1.2 The registered office of Vanners was changed to 5 Park Court, Pyrford Road, West Byfleet, Surrey KT14 6SD and its registered number is 7663699.
- 1.3 Vanners was a SPV property development company developing the 1st floor of a 2 level block of flats above shops at Vanners Parade, Byfleet, Surrey. The business traded under the name Keane Property (Vanners) Limited.
- 1.4 Keane Property (Vanners) Uppers Limited, ("Uppers"), was a sister company to Vanners which had been incorporated to develop the 2nd floor at Vanners Parade when Vanners entered into a CVA in October 2012. To facilitate this arrangement, Vanners granted Uppers a long lease on the 2nd floor of Vanners parade at the same time. Uppers was wound up in the High Court of Justice Birmingham District on 2 December 2013. The former liquidator, Lynn Gibson, was appointed Liquidator of Uppers by the Secretary of State on 21 January 2014 due to the relationship between those two companies and the consequential efficiencies arising from them having a common liquidator.
- 1.5 A schedule of my receipts and payments for the entire period is attached at Appendix A with a comparative to the Official Receiver's, ("OR's), Estimated Statement of Affairs, ("S of A"), figures.
- 1.6 I would refer creditors to my prior years' reports for details of all matters undertaken in those periods.
- 1.7 On 24 December 2019, Gibson Hewitt was acquired by Turpin Barker Armstrong.
 - On 14 January 2020, an order in the High Court of Justice under the reference CR-2020-000172, ("the Order"), effected a block transfer of cases from Lynn Gibson of Gibson Hewitt to Martin Charles Armstrong and Andrew Richard Bailey of Turpin Barker Armstrong, 5 Park Court, Pyrford Road, West Byfleet, Surrey KT14 6SD. Accordingly, Martin Charles Armstrong and Andrew Richard Bailey are now the Joint Office Holders in respect of this insolvency appointment and are hereafter referred to as "The Replacement Joint Office Holders". The Replacement Joint Office Holders are authorised to act either jointly or separately by the Order. Furthermore, under the Order

Lynn Gibson of 5 Park Court, Pyrford Road, West Byfleet, Surrey KT14 6SD was removed from office as the Office Holder in respect of this insolvency appointment with effect from 14 January 2020.

As required under the Order, the Replacement Joint Office Holders are required to bring the following to your attention:

- There shall be liberty to each creditor of the insolvency estate, (or member in respect of an MVL), to apply to vary or discharge the Order insofar as it relates the estate of which they are a member or creditor, as the case may be, within 56 days of them being given notice of the Order by way of advertisement in the London Gazette. Such applications shall not affect the transfer of the block transfer cases until Ordered by the court.
- In the case of Liquidations where no Liquidation Committees or Creditors' Committees
 have been appointed; to the extent that such information as aforesaid has not already been
 provided as part of the report, it is open to any creditor to apply to court for an Order that
 the Replacement Joint Office Holders do provide an account of the administration of the
 estate, including a summary receipts and payments, and a statement that they have
 reconciled the accounts.
- If the replacement Joint Office Holders have been required to provide the information referred to in the above paragraph, whether by way of liquidation committee or by court order on the application of any creditor(s), the costs of the Replacement Joint Office Holders of so complying will, unless there are good reasons to the contrary, be paid as an expense of the winding up, administration or bankruptcy as the case may be.
- In the case of Liquidations, each creditor is hereby notified of his right under regulation 11(2) of the Insolvency Regulations 1994 to require the Replacement Joint Office Holders to supply a statement of receipts and payments free of charge.
- 1.8 Statutory information in relation to Vanners is attached at Appendix D

1.9 Administration (including statutory reporting)

The Liquidator is required to meet a considerable number of statutory and regulatory obligations. Whilst many of these tasks do not have a direct benefit in enhancing realisations for the insolvent estate, they assist in the efficient and compliant progressing of the liquidation, which ensures that the Liquidators and their staff carry out their work to high professional standards.

Material administrative tasks carried out in the review period include:

- Maintaining case files, which must include records to show and explain the administration and any decisions made by the Liquidator that materially affect the administration:
- Monitoring and maintaining an adequate statutory bond;
- Conducting periodic case reviews to ensure that the liquidation is progressing efficiently, effectively and in line with the statutory requirements;
- Issuing an annual progress report to creditors and members;
- Maintaining and updating the estate cash book and bank accounts, including regular bank reconciliations and processing receipts and payments;

2 Realisation of Assets

2.1 Assets realised in prior years

The majority of the assets of Vanners were realised in the first two years of the liquidation. I would refer creditors to the prior reports for full details on those realisations.

2.2 Claims against the former Director of Vanners

Barry Lewis, ("BL"), the director of Vanners, was declared bankrupt on 18 March 2014. Our investigations of Vanners' accounts and records identified the following claims which were formally lodged with Trustee in Bankruptcy of Barry Lewis ("the Trustee").

Director's loan account ("DLA")	£ 10,113.04
Misfeasance re granting security	£ 50,249.00
Misfeasance re prior CVA	£450,000.00
Total Claim in bankruptcy	£510,362.04

In the review period the following events occurred in relation to this claim:

- i) The Trustee rejected both the £50,249 and £450,000 misfeasance claims.
- ii) The £10,113 element of the claim relating to the DLA was admitted to rank for dividend
- iii) Legal advice was taken regarding a formal appeal in court against the Trustee's decision to reject the two misfeasance claims. Solicitors advised that to pursue the misfeasance claims we would have to bring formal claims for misfeasance in court. The legal costs associated with such claims were estimated at in excess of £20,000. Furthermore, the lawyers advised the likelihood of success was not high. Accordingly an

analysis of the cost/benefits precluded the continuation of these misfeasance claims. iv) A litigation funding company was consulted to ascertain whether they wished to acquire or fund the misfeasance claims. This company did not make an offer in respect of these claims.

- v) The Trustee declared and paid two dividends to unsecured creditors of BL's bankruptcy being 10p/£ and then a second dividend of 8p/£. These dividends received total £1,820 to date.
- vi) Enquiries have been made about the prospects for future dividends from the BL bankruptcy. The Trustee estimated that a third and final dividend is anticipated, most likely during 2020. Given the admitted claim is only £10,113, any final dividend from the bankruptcy would not give rise to sufficient funds to pay a dividend to the creditors of this liquidation.

3 Investigations

Statutory Report Company Directors Disqualification Act

3.1 As you may be aware, in a compulsory liquidation the duty to investigate the company's affairs is the responsibility of the OR. There is no requirement on the Liquidator to submit a report or return on the directors' conduct to the department for Business Innovation and Skills, however, where appropriate the liquidator brings matters to the OR's attention.

I can confirm that the investigations gave rise to matters which were reported to the OR. However, I am unable to confirm whether or not the OR submitted a report to the Secretary of State for BIS in relation to the potential disqualification of the director.

Creditors should refer to my prior reports for details of my further investigations.

4 Creditors

4.1 Secured Creditors

Peter Burton holds a fixed charge over Vanners' land and buildings. The indebtedness of Vanners to Mr Burton as at the date of the liquidation was agreed at £565,945. Payments totalling £3,144 have been made to the secured creditor and no more payments under the terms of the security are anticipated.

4.2 Preferential Creditors

Vanners had no preferential creditors.

4.3 *Unsecured creditors*

Unsecured creditors in the preceding CVA totalled £838,519 representing 39 creditors' claims. To date 9 unsecured claims totalling £242,858 have been received.

The prior years' reports stated the dividend prospects of unsecured creditors were dependent on the quantum of funds realised from the Bankruptcy of Barry Lewis as set out in paragraph 2.2 above. Since this claim is no longer expected to result in a material realisation to the liquidation, no dividend to unsecured creditors is expected. Therefore, I do not therefore propose to admit creditors' claims.

5 Liquidators' Remuneration

- 5.1 On 13 February 2014, the general body of creditors approved that the basis of the Liquidator's remuneration be fixed by reference to the time properly spent by her and her staff in managing the Liquidation.
- 5.2 The cumulative time costs for the whole period from the date of appointment in relation to general liquidation matters are £54,145. This represents 267 hours at an average rate of £202 per hour. The time costs in the 12 month period to 6 January 2020 are £6,922 representing 26 hours at an average rate of £266 per hour.
- 5.3 The time costs incurred in this 12 month reporting period primarily relate to the following activities:
 - -statutory reporting
 - -partner case reviews
 - -liaison with the Trustee of Barry Lewis concerning the liquidator's claim in the bankruptcy and obtaining legal advice on the same.
- 5.4 Attached as Appendix B is a Time Analysis which provides details of these activity costs incurred by staff grade during this period in respect of the costs fixed by reference to time properly spent by me in managing the Liquidation. To date, no costs have been drawn on account of these time costs.

- No fee estimate was provided to creditors at the time of the resolution to approve the basis of the Liquidator's remuneration as this liquidation pre-dated that requirement. Assuming a 3rd and final dividend is paid by the Trustee in Bankruptcy of Barry Lewis within the next 12 months, I do not anticipate incurring significant further time costs.
- 5.3 The secured creditor, Peter Burton, has also agreed that the Liquidator should be paid a fixed fee of £26,000 plus disbursements and VAT for realising and distributing the assets falling under his security. This fee and associated disbursements have been drawn in full.
- 5.4 The time costs for the period from the date of appointment in relation to matters falling under Peter Burton's security are £82,619. This represents 335 hours at an average rate of £247 per hour. The time costs in the 12 month period to 6 January 2020 are £225 representing 0.75 hours at an average rate of £300 per hour. Attached as Appendix B is a Time Analysis which provides details of these activity costs incurred by staff grade during this period.
- 5.5 A copy of the SIP 9 creditors' guide to liquidators' fees is available upon request or can be downloaded from: http://www.icaew.com/en/technical/insolvency/creditors-guides
 Attached as Appendix C is additional information in relation to this firm's policy on staffing, the use of subcontractors, disbursements and details of our current charge-out rates by staff grade.

6 Creditors' rights

An unsecured creditor may, with the permission of the court or with the concurrence of 5% in value of the unsecured creditors (including the creditor in question) request further details of the Liquidator's fees and expenses within 21 days of receipt of this report. Any secured creditor may request the same details in the same time limit.

An unsecured creditor may, with the permission of the court or with the concurrence of 10% in value of the creditors (including the creditor in question), apply to court to challenge the amount and/or basis of the Liquidator's fees and the amount of any proposed expenses or expenses already incurred, within 8 weeks of receipt of this report. Any secured creditor may make a similar application to court within the same time limit.

7 Next Report

- 7.1 The only matter which remains to be concluded in this liquidation is the realisation of any final dividend from the bankruptcy of Barry Lewis.
- 7.2 No dividend to the unsecured creditors of this liquidation is anticipated.
- 7.3 I am required to provide a further report on the progress of the liquidation within two months of the end of the next anniversary of the liquidation, unless I have concluded matters prior to this, in which case I will write to all creditors with my final progress report.

Yours faithfully

Andrew Bailey Joint Liquidator

Staff allocation and the use of subcontractors

Our general approach to resourcing our assignments is to allocate staff with the skills and experience to meet the specific requirements of the case. The constitution of the case team will usually consist of a Partner, Manager, Administrator and Assistant. The exact constitution of the case team will depend on the anticipated size and complexity of the assignment and on larger, more complex cases, several staff at all grades may be allocated to meet the demands of the case.

We have not utilised the services of any subcontractors in this case

Professional advisors

On this assignment we have used the professional advisors listed below. We have also indicated alongside, the basis of our fee arrangement with them, which is subject to review on a regular basis.
