Directors' Responsibilities Statement

The Directors are required to prepare Financial Statements for each financial year which give a true and fair view of the state of affairs of the Company and of the surplus or deficit of the Company for that period. In preparing these Financial Statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed in the Financial Statements; and
- prepare the Financial Statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The Directors confirm that they have complied with the above requirements.

The Directors are responsible for keeping adequate accounting records to show and explain the company's transactions and to disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the Financial Statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention of fraud and other irregularities.

This report has been prepared in accordance with the small companies regime of the Companies Act 2006.

By order of the Board
