Objectives and Activities

To act as a resource for young people living in Sefton and surrounding areas by providing advice and assistance and organising programmes of physical, educational and other activities, in particular but not exclusively the delivery of Duke of Edinburgh's award, as a means of:

- (a) advancing in life and helping young people by developing their skills, capacities and capabilities to enable them to participate in society as independent, mature and responsible individuals;
- (b) advancing education;
- (c) relieving unemployment;
- (d) providing recreational and leisure time activity in the interests of social welfare for people living in the area of benefit who have need by reason of their youth, age, infirmity or disability, poverty or social and economic circumstances with a view to improving the conditions of life of such persons.

In setting our objectives and planning our activities the trustees have given careful consideration to the Charity Commission's guidance on public benefit.

Achievements and Performance

We have continued to work with young people as the pandemic still dominates our community and the people in it. We have used the Outdoor skills of our staff to meet our Objectives of working with over 350 young people on multiple events. We have also work on a secondary objective of working with over 100 vulnerable adults. We are fortunate, that our speciality is working and promoting the outdoors, whilst also ensuring that people, both young and old improve their physical, mental health, and gain new skills. Our highlights have been ensuring that all people benefit from our local outdoor facilities, and we enable them to gain the confidence to go out and plan their own events ensuring that they have some independence and continuity ensuring that they can sustain their interests without our intensive support, our input can be more long arm and facilitative, which makes the service we provide easier to operate and sustain.

We have also been able to broaden our service by introducing family days for people in the area with eh support of the funding obtained from the Canal and river Trust.

We are now observing with qualitive evidence that young people are not generally as fit and have lower stamina that pre pandemic, and feel that the service, activities, and skills that we provide will be more in demand in 2022. We look forward to meeting that challenge.

Financial Review

During the 12 months ended 31 December 2021 the charity had income of £99,752 (2020: £44,567) and expenditure of £71,403 (2020: £29,822). There was a surplus during the period of £28,349 (2020: Surplus of £14,745). At 31 December 2021 assets exceeded liabilities by £39,767. Liabilities included a loan of £10,000 from Jean Riding, a trustee.

The reserves policy is to hold unrestricted reserves equal to at least at least 6 months' expenditure.

A loan was used to purchase kit and equipment to allow young people to go on expedition. The terms of the loan are open, payment is due when the charity is prepared, and Trustees agree it can be paid back in instalments or in a whole, it is not repayable on demand.

We are sponsored by a BNI Chapter in Hillside Southport so we will be using those links to increase the number of courses such as First Aid 1-3 Day (Adult and Paediatric), Food Hygiene Level 2 and Mental Health Level 1 and 2. We can provide businesses with a level of corporate social responsibility as our profit from courses goes back into Award Solutions to make Award Solutions Sustainable

Appointment of trustees

As set out in the Articles of Association the trustees are elected by members of the charitable company attending the Annual General Meeting. The longest service one third of trustees retires each year and is able to offer themselves for re-election.

Organisation

The board of trustees administers the charity.

Related parties and co-operation with other organisations

Any connection between a trustee or senior manager of the charity and any client or supplier is disclosed to the full board of trustees in the same way as any other contractual relationship with a related party. In the current year no such related party transactions were reported.

Risk Management

The trustees have a risk managment strategy which comprises:

- * an annual review of the principal risks and uncertainties that the charity faces;
- * the establishment of policies, systems and procedures to mitigate those risks identified in the annual review; and
- * the implementation of procedures designed to minimise or manage any potential impact on the charity should those risks materialise.

This work has identified that financial sustainability is the major financial risk for both the charity and its subsidiary. A key element in the management of financial risk is a regular review of available liquid funds to settle debts as they fall due, regular liaison with the bank and active management of trade debtors and creditors balances to ensure sufficient working capital by the charity.

Attention has also been focused on non-financial risks arising from fire, health and safety of clients, food hygiene. These risks are managed by ensuring accreditation is up to date, having robust policies and procedures in place, and regular awareness training for staff working in these operational areas.
