The company was dormant (within the meaning of Section 480 of the Companies Act 2006) throughout the year ended 31 October 2016. Other accounting policies

The financial statements have been prepared under the going concern basis which assumes that the company will continue in operational existence for the foreseeable future. The validity of this assumption depends upon the continuing support of the company's director.

If the company were unable to continue in operational existence for the foreseeable future, adjustments would have to be made to reduce the balance sheet values of the assets to their recoverable amounts and to provide for further liabilities that might arise. The director believes that it is appropriate for the financial statements to be prepared on the going concern basis.

The company was under the control of Mr M J Bird throughout the current and previous year. Mr M J Bird is the managing director and majority shareholder.

The company owed Mr M J Bird £4,846 (2015: £4,846)
