Notes to the Abbreviated Accounts for the Period 2 November 2011 to 31 December 2012

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

At 31 December 2012, the company made a loss of £117,192 in its first period of trading and its total liabilities exceeded its assets by £117,182. The directors and shareholder have indicated that they will continue to support financially the company's operations and financial support is available from its associated company

Due to the continuing availability of financial support from the directors, its shareholder and associated company, they consider it is appropriate to prepare the financial statements on the going concern basis which assumes that the company will continue in operational existence for the foreseeable future.

Accounting convention

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

Turnover

Turnover represents net invoiced sales of goods, excluding value added tax.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.
