Aletheia Academies Trust (Previously Aletheia Anglican Academies Trust) **(A company limited by guarantee)**

Trustees' Report **For the Year Ended 31 August 2022**

The Trustees present their annual report together with the financial statements and auditor's report of the Academy Trust for the year 1 September 2021 to 31 August 2022. The annual report serves the purposes of both a Trustees' report, and a directors' report under company law.

Following further expansion during the year with three more academies joining, the Academy Trust now operates 10 primary academies and 1 all-through academy in North West Kent:

Cliffe Woods Primary School (joined 1 January 2022)
 Halling Primary School (joined 1 January 2022)
 Holy Trinity Church of England Primary School
 Horton Kirby Church of England Primary School
 Rosherville Church of England Primary School
 Sedley's Church of England Primary School (joined 1 June 2022)
 Shorne Church of England Primary School
 St Botolph's Church of England Primary School
 St George's Church of England School (all-through)
 Stone St. Mary's Church of England Primary School
 Sutton-at-Hone Church of England Primary School

The Academy Trust has a combined pupil capacity of 4,860* and had a roll of 4,682 in the October 2021 school census.

*Pupil capacity is based on open year groups

STRUCTURE, GOVERNANCE AND MANAGEMENT

Constitution

The Academy Trust is a company limited by guarantee (registration number 07801612) and an exempt charity, and its memorandum and articles of association are the primary governing documents of the Trust.

The Trustees of Aletheia Academies Trust are also the directors for the purposes of company law. Details of the Trustees who served during the year are included in the Reference and Administrative Details on page 1.

Members' Liability

Each member of the Academy Trust undertakes to contribute to the assets of the company in the event of it being wound up while they are a member, or within one year after they cease to be a member, such amount as may be required, not exceeding £10, for the debts and liabilities contracted before they ceased to be a member.

Trustees' Indemnities

The Academy Trust maintains Trustees' and officers' liability insurance which gives appropriate cover for any legal action brought against its Trustees. The Academy Trust has also granted indemnities to each of its Trustees and other officers to the extent permitted by law. Qualifying third party indemnity provisions (as defined by section 234 of the Companies Act 2006) were in force during the period and remain in force, in relation to certain losses and liabilities which the Trustees or other officers may incur to third parties in the course of acting as Trustees or officers of the Academy Trust.

Details of the insurance cover are provided in note 14 to the financial statements.

Method of Recruitment and Appointment or Election of Trustees

Potential new Trustees are identified by the Board (ensuring that their skills and experience are complementary to those of existing Trustees) and recommended to Members. The Members appoint a minimum of 5 Trustees. The Chief Executive Officer is treated for all purposes as being a Trustee.

In circumstances where each academy does not have on its Local Governing Body at least 2 Governors who are parents of pupils attending it (elected by parents of pupils currently registered in it, or, if not filled by elections, appointed by the Trustees), there shall be a minimum of 2 parent Trustees appointed by the Members.

Policies and procedures adopted for the induction and training of Trustees

During the year under review the full Board of Trustees met 5 times and as a sub-committee on 6 occasions. There were a minimum of 3 full Local Governing Body meetings held at each Academy plus various committee meetings.

Aletheia Academies Trust (Previously Aletheia Anglican Academies Trust) **(A company limited by guarantee)**

Trustees' Report **For the Year Ended 31 August 2022**

The training and induction provided for new Trustees depends on their previous experience. Where necessary, the induction process will provide training on charity, educational, legal, safeguarding and financial matters. All new Trustees are welcome to visit the academies and to meet with staff and students. All Trustees are provided with copies of policies, procedures, minutes, accounts, budgets, plans and other documents that they will need to undertake their role as Trustees. As there are normally no more than one or two new Trustees a year, induction tends to be done informally and is tailored specifically to the individual.

Organisational Structure

There is a clear organisational structure to control the way in which the Trust is run. The governance structure consists of three levels: the Members, the Trustees, and the Local Governors (including Headteachers and Heads of School) at each Academy. The management structure consists of the Management Board (Senior Management Team) and senior leadership teams at each Academy. The aim of the organisational structure is to devolve responsibility and encourage involvement in decision-making at all levels.

The Trustees make decisions about the strategic direction of the Trust; hold the executive to account for the performance of academies and their pupils and staff; oversee the Trust's financial performance. They provide direction to the Local Governing Bodies, which are responsible for performance of the individual academies and the use of their budgets.

The Management Board comprises the CEO/Accounting Officer, all Head Teachers & Heads of School, Senior Improvement Officers, Chief Finance Officer and Operations Officer. In addition, a HR Director has been employed to commence on 1 September 2022. These managers control the Academy Trust at an operational level, implementing the policies laid down by the Trustees or (at a single-academy level) by Governors, and reporting back to them. Individual Budget Holders within the Management Board are responsible for the authorisation of spending up to a level delegated to them within agreed budgets and the appointment of staff, although Appointment Boards for senior posts in the Trust Central Team must include Trustee representation, and for posts in Academy Senior Leadership Teams must always contain Governor representation. Some spending control is devolved to Members of individual Academy Senior Leadership Teams, with limits above which a member of the Management Board must countersign.

The Local Governing Bodies and the Head Teachers or Heads of School control the academies on a day-to-day basis.

Arrangements for setting pay and remuneration of key management personnel

The key management personnel of the Academy Trust comprise the Senior Management Team as disclosed on page 1.

The CEO is a trustee, but only receives remuneration in respect of services he provides under his contract of employment, and not in respect of his role as a Trustee. Specific disclosures concerning his remuneration are included in note 13.

All details of setting pay and remuneration of key management personnel are set out in the Pay Policy and Staff Performance Management Policy which are reviewed annually by the Board of Trustees.

Remuneration of key management personnel is set at an individual level. CEO remuneration is reviewed by a panel of Trustees. Head Teacher and Head of School remuneration is reviewed annually by the CEO and Chair of the relevant Local Governing Body. The remuneration of other key management staff is reviewed by the CEO.

Where possible, the Trustees have taken external professional advice which includes benchmarking, market trends and advice on structuring of incentives. Senior management salaries are linked to pay spines, enabling Trustees to delegate to the CEO approval of individual remuneration at an appropriate level. As such, salaries are linked to factors such as length of service and experience. Total remuneration packages include employer pension contribution rates at specific approved rates.

The Board always bears in mind the charitable status of the Academy Trust and it recognises the fact that the Trust receives funding under a funding agreement with the Secretary of State for Education. It therefore ensures the remuneration paid to senior management personnel never exceeds a reasonable amount that provides value for money to the Trust. The performance of senior management personnel is reviewed on a regular basis to ensure continuing value for money.

Total remuneration paid to senior management personnel is set out in note 12(e).

Trade union facility time

There is no Member of staff, either part- or full-time, that is paid for being a Union representative.

Related Parties and other Connected Charities and Organisations

The Academy Trust is not linked with any sponsors. However, it continues to have close involvement with the Rochester Diocesan Board of Education, who hold title of the footprint of the land as detailed in the Accounting Policies. Some of our academies have a PTA organisation (see note 35).

Aletheia Academies Trust (Previously Aletheia Anglican Academies Trust) **(A company limited by guarantee)**

Trustees' Report **For the Year Ended 31 August 2022**

Engagement with employees (including disabled persons)

The Academy Trust keeps employees in touch and up to date with matters that concern them via email and regular staff briefings and training sessions. Trust wide Staff Voice meetings recommenced in Autumn 2021 following postponement due to Covid-19. All employees have an individual workplace email account which proved crucial for communication in recent times (Covid-19).

There are Trust-wide CPD groups and support networks such as the Deputy Headteacher Group and Finance Forum.

Employees are consulted on matters that concern them, such as the revision of the Performance Management Policy. Performance management encourages employees to do their best for the Trust and its pupils.

By adhering to the Trust Single Equality Scheme, individuals who are or may become disabled are not adversely treated with regard to applications for employment, training, career development and promotion.

OBJECTIVES, STRATEGIES AND ACTIVITIES

Objects and Aims

In accordance with the Articles of Association the charitable company has adopted a 'Scheme of Government' approved by the Secretary of State for Education.

Aletheia schools welcome those of all faiths and none and are proud of the inclusive nature and diversity of each cohort. Aletheia schools are motivated by Christian values to serve our communities by improving the life chances of local children. Our schools seek to embody the experience of community, where gifts are shared, where the emphasis is on what can be contributed and where each is given according to need. At the heart of the Aletheia vision are the belief in educational excellence and the belief that Aletheia is called to serve pupils, staff, parents and the local community by providing places where children and young people develop and thrive intellectually, socially, culturally and spiritually.

Aletheia will deliver its vision by:

- Developing a Trust for all ages /phases of education, with member schools working in partnership and learning from each other.
- Promoting an ethos based on a belief in the value and potential of every student to achieve excellence academically and in their wider studies and become fully the best person they can be.
- Pursuing educational excellence, so that outcomes for all learners are as good as they can be.
- Creating strong leadership at all levels that impacts effectively on academy performance.
- Providing a sustainable model to support a self-improving school system.

Objectives, Strategies and Activities

The main objectives of the Academy Trust during the year ended 31 August 2022 are summarised below:

- To embed our values, ethos and ideas about wellbeing.
- To ensure high quality staffing throughout our community.
- To achieve consistency and accountability in all practice.
- To create sustainability (staff and students, physical environment, financially)
- To maximise outcomes for ALL of our students

The Academy Trust's main strategy is to provide access to the best possible teaching facilities and staff. The main activities include:

- Tuition and learning opportunities for all students to maximise individual academic progress
- Training opportunities for all staff
- A programme of sporting and after-school activities for all students
- A programme of collective worship and worship-based activities
- Sourcing careers education and guidance to help students obtain employment or move on to higher education.

Public Benefit

The Aletheia Academies Trust strives to promote and support the advancement of education within the North West Kent area. The academies provide an extensive programme of educational and recreational activity - all designed to contribute to the overall education of our students in academic and practical subjects such as music, the arts and sport. For example, the academies collaborate to provide mathematics, languages and physical education support.

Aletheia Academies Trust (Previously Aletheia Anglican Academies Trust)
(A company limited by guarantee)

Trustees' Report
For the Year Ended 31 August 2022

Wherever possible, the academies aim to contribute to the benefit of the wider public, by making available their premises to third parties for the provision of educational and other opportunities. These include, for example, various sports lettings including use of the swimming pool at Sutton-at-Hone CEP and the MUGA (Multi Use Games Area) at Saint George's.

In setting our objectives and planning our activities the Trustees have carefully considered the Charity Commission's general guidance on public benefit. The Trustees believe that the Academy Trust's aims, together with the activities outlined above, are demonstrably to the public benefit.

STRATEGIC REPORT

Achievement and Performance

Due to the period of school closure caused by Covid-19, 2019/20 and 2020/21 Secondary school results were centre-assessed grades benchmarked to the assessment of the previous year.

Secondary results:

GCSE	2022	2021
Basics 4+	72%	71%
Basics 5+	46%	40%
Attainment 8	44.4	46.89
Progress 8	+0.07	-
EBacc	19%	21.2%
A Level	2022	2021
3 A*-E	60.2%	54%
2 A*-E	91.8%	93%
1 A*-E	99%	100%
Value Added	-	-

Due to the period of school closure caused by Covid-19, no results were published for Primary attainment in 2019/20 and 2020/21. A reminder of previously reported Primary performance is provided below.

Primary data averages:

	2021/22 School (National)	<u>2018/19 School (National)</u>
EYFS	73.1% (71.8%)	
KS1 Phonics Screening	76% (75%)	84.8% (81.9%)
KS1 Reported Data: Expected Standard Reading	76% (67%)	74.0% (74.9%)
KS1 Reported Data: Expected Standard Writing	67% (58%)	72.6% (69.2%)
KS1 Reported Data: Expected Standard Maths	78% (68%)	77.5% (75.6%)
KS2 Reported Data: Combined Expected	70% (59%)	70.0% (65.0%)

Aletheia Academies Trust (Previously Aletheia Anglican Academies Trust)
(A company limited by guarantee)

Trustees' Report
For the Year Ended 31 August 2022

Key Performance Indicators

The trustees consider that the following are key performance indicators (KPIs) for the Academy Trust are monitor them on a regular basis:

	Unit	2022	2021
Student Numbers: Comparison with Published Admission Numbers (PAN = 4,860)	Pupil	4,696	3,793
Financial stability (revenue fund balances)	£	3,445,000	2,853,000
% of total spend on staff pay	%	80.0	81.5
% of total spend on teaching staff pay	%	51.5	54.9
% of total spend on curriculum support staff pay	%	14.7	13.2
% of total spend on non-curriculum support staff pay	%	13.8	13.4
Pupil - teacher ratio (Primary)	Pupil	22.4	22.0
Pupil - teacher ratio (Secondary)	Pupil	15.7	15.3
Average teacher cost (including on-costs)	£	53,413	50,765
Teacher contact ratio		0.74	0.78
Average class size (Primary)		28.1	27.3

Going Concern

The Board of Trustees has reviewed the ESFA good practice factsheet on Going Concern and has a reasonable expectation that the Trust has adequate resources to continue in operational existence for the foreseeable future. For this reason, it continues to adopt the going-concern basis in preparing the financial statements. Further details regarding the adoption of the going-concern basis can be found in the Statement of Accounting Policies.

Financial review

Most of the Academy Trust's recurrent income is received in the form of grants from the Education and Skills Funding Agency ("ESFA"), the use of which is restricted to particular purposes. The grants received from the ESFA during the year ended 31 August 2022 and the associated expenditure are shown as restricted funds in the Statement of Financial Activities ("SoFA").

Total income for the year, as shown by the SoFA, amounted to £31.88m, an increase on the £20.42m in the prior year. These totals include capital funding of £1.93m and £1.90m respectively. They also include balances transferred into the Academy Trust for three academies (2021: one academy) which joined during the year, reflected as a donation on the SoFA and in note 3:

- As explained in note 28, Sedley's Church of England Primary School converted to academy status and joined the Academy Trust on 1 June 2022. At this point in time Sedley's held revenue funds of £109k and these were transferred into the Academy Trust and are reflected as a donation on the SoFA and note 3.
- Cliffe Woods Primary and Halling Primary Schools (previously forming the Cliffe Woods Academy Trust) joined the Academy Trust on 1 January 2022. At this point in time the combined revenue funds held were £355k and these were transferred into the Academy Trust and are reflected as a donation on the SoFA and note 3.

The expansion of the Academy Trust in each year therefore makes it difficult to compare headline figures directly.

The day-to-day running of the Academy Trust's academies is funded by revenue income. Revenue income for the year amounted to £23.81m compared to £18.97m in the prior year. The increase is partly attributable to income for the three joining academies and partly due to general funding increases. Most of this revenue income is detailed in note 4, funding for educational operations, which shows that much of the increase relates to the rise of £4.24m in core General Annual Grant funding. There has also been a significant rise in other government grant income, and the Academy Trust received a further £215k of specific Covid-19 funding from the DfE to help with its continued response to the pandemic.

The SoFA shows total expenditure for the year of £27.75m leaving net income for the year of £4.13m.

Aletheia Academies Trust (Previously Aletheia Anglican Academies Trust)
(A company limited by guarantee)

Trustees' Report
For the Year Ended 31 August 2022

The overall movement in funds for the year, after actuarial gains on the Local Government Pension Scheme of £11.5m, was an increase of £15.6m (2021: decrease of £5.1m).

The transfers in, movement on the pension fund and capital transactions through the restricted fixed asset fund all mean that the movement in funds does not represent any form of operational result. The table below has therefore been included to reconcile firstly to the movement in revenue funds during the year, and then to the operational surplus of £374k (2021: £1.02m):

	2022 (£000s)	2021 (£000s)
Overall net movement in funds for the year per SOFA	15,634	(5,151)
(Increase) / decrease attributable to fixed asset fund	(6,993)	3,094
Inherited LGPS balances	1,661	786
LGPS actuarial loss / (gain)	(11,509)	1,022
LGPS service and interest costs	1,799	1,101
Movement on revenue funds during the year	592	852
Less: revenue funds transferred in with joining academies	(464)	(245)
Add: Transfers from revenue to capital to fund fixed asset additions and Salix loan repayments	437	417
Less: Transfer from capital to revenue to correct revenue : capital split in joining academies	(191)	-
Operational surplus on revenue funds before transfers to capital	374	1,024

During 2021/22 the Academy Trust chose to invest £437k of revenue funding on capital expenditure, and this is shown as part of the transfer into the restricted fixed asset fund on the SoFA. The table above therefore also shows the operational result prior to making this transfer between funds and an additional correction of £191k required to reduce the capital funds of the two joining academies.

At 31 August 2022, the net book value of fixed assets was £8.87m and movements in tangible fixed assets are shown in note 16 to the financial statements. As explained in accounting policy 1.7 the land and buildings occupied by the Academy Trust's academies are generally not included on the Balance Sheet since they are occupied under the terms of a Church Supplemental Agreement with the freehold owners. This does not apply to two of the joiner schools, Cliffe Woods and Halling, since these are not church schools, and are occupied under a long term lease agreement with Kent County Council. The land and buildings for these two schools are reflected on the Balance Sheet, with the buildings element depreciated to write off the carrying value over the term of the lease.

During the year, the assets were used almost exclusively for providing education and the associated support services to the pupils of the academies, the only exceptions to this being letting of the premises to local community groups and other affiliated organisations.

Financial position

The Academy Trust held the following funds at 31 August 2022:

- restricted fixed asset funds of £9.88m (2021: £2.89m) which represents the net book value of fixed assets held on the balance sheet, together with any unspent capital grant funding. This fund also tracks the associated Salix loan.
- restricted revenue income reserves of £1.32m (2021: £1.50m) which are detailed in note 21 and relate to unspent government grant monies relating to core funding.
- completely 'free' unrestricted reserves of £2.13m (2021: £1.35m) which the trustees are free to spend as they see fit in accordance with the Academy Trust's charitable objects.
- a pension reserve deficit of £1.7m (2021: £9.7m) in respect of the Local Government Pension Scheme (LGPS). The LGPS is a defined benefit multi-employer pension scheme and the Academy Trust's share of the overall deficit in the scheme is calculated each year by the appointed actuary and carried on the Balance Sheet in accordance with accounting rules. The pension deficit has reduced significantly during the year as a result of a change in actuarial assumptions which have created a large actuarial gain; this is explained in more detail in note 3 and in pension note 31.

This deficit on the LGPS pension reserve is not a concern since it does not mean that an immediate liability crystallises. The pension deficit can be described as an accounting deficit which has no direct effect on the employer contribution rate paid by the school, which is determined using longer-term funding assumptions. These contribution rates are reviewed every three years in consultation with the scheme's administrators.

Aletheia Academies Trust (Previously Aletheia Anglican Academies Trust)
(A company limited by guarantee)

Trustees' Report
For the Year Ended 31 August 2022

Reserves Policy

The Trustees have reviewed the financial statements of the Trust. This review encompassed the nature of income and expenditure streams, the need to match them with commitments and the nature of reserves. The level of reserves will be kept under review by the Trustees. The Trustees will always try to match income with expenditure in the current year (set and manage a balanced budget), will only carry forward reserves that it considers necessary and will have a clear plan for how it will be used to benefit the pupils. With this in mind, Trustees introduced a Reserves Policy as at 1 January 2022 to ensure individual academy reserves do not exceed 12% of total income by September 2024.

Investment Policy

The Trustees did not adopt an investment policy as the level of free reserves was not considered large enough to enable long term investment after providing a contingency to deal with unexpected emergencies such as urgent maintenance. This will continue to be reviewed by Trustees. The Chief Finance Officer will continue to review cash flows and investment options with the Relationship Manager from Lloyds Bank.

Principal Risks and Uncertainties

Nick Thomas, Operations Officer, is responsible for the maintenance of the Trust Risk Register and reporting to Trustees and Key Management. The main risks that the Academy Trust is exposed to are summarised below. For each of these risks the probability, impact and seriousness have been considered together with appropriate action and management plans:

- *Reputational* - this covers risks to its performance in delivering the curriculum.
- *Operational* - there are two principal operational risks and uncertainties relating to the Trust.

The future level of funding of primary and secondary education is uncertain in the current economic climate. The Trustees also set prudent budgets to enable the academies to react to changes in funding levels, if necessary.

The finances of the academies are highly sensitive to the number of pupils who are enrolled each year. The Trustees and principals are confident that the examination successes, enhanced reputations of their academies and the local need for places will enable them to attract an increased number of pupils. Projected pupil numbers and the associated financial implications are closely monitored by Trustees and Academy staff.

STREAMLINED ENERGY AND CARBON REPORTING

UK Greenhouse gas emissions and energy use data	period 1 September 2021 to 31 August 2022	period 1 September 2021 to 31 August 2021

Aletheia Academies Trust (Previously Aletheia Anglican Academies Trust)
(A company limited by guarantee)

Trustees' Report
For the Year Ended 31 August 2022

Quantification and Reporting Methodology:

We have followed the 2019 HM Government Environmental Reporting Guidelines. We have also used the GHG Reporting Protocol – Corporate Standard and have used the 2020 UK Government's Conversion Factors for Company Reporting.

Intensity measurement

The chosen intensity measurement ratio is total gross emissions in metric tonnes CO₂e per pupil, the recommended ratio for the sector.

Measures taken to improve energy efficiency

We have increased video conferencing technology for staff meetings, to reduce the need for travel between sites.

FUNDRAISING

The Trust does not get involved in any formal professional fundraising. Where relevant, Trustees will adopt the 6 principles of fundraising recommended by the Charity Commission as per their publication "Charity fundraising: a Guide to Trustee Duties (CC20)". The 6 principles are:

- Planning effectively
- Supervising fundraisers
- Protecting reputation, money & other assets
- Identifying and ensuring compliance with the laws or regulations that apply to fundraising within a school
- Identifying and following any recognized standards applicable to fundraising within a school
- Being open and accountable

The Academy Trust does not use any external fundraisers. All fundraising undertaken during the year was monitored by the Trustees.

PLANS FOR FUTURE PERIODS

The Aletheia Academies Trust will continue to strive to maintain, and where necessary improve, the levels of attainment and progress of its students at all Key Stages.

The Trustees are committed to a policy of measured expansion within North West Kent and neighbouring areas as encouraged by the government's multi Academy Trust programme. In autumn 2015, the Trust achieved accreditation as an Academy sponsor to enable it to support local academies requiring improvement, following the necessary due diligence process.

The all-through provision at Saint George's continues to be over-subscribed. Cliffe Woods Primary and Halling Primary (previously forming the Cliffe Woods Academy Trust) joined the trust on 1st January 2022. Sedley's CE Primary School, Southfleet converted to academy status on 1 June 2022 and joined the Trust. Our new All- through Free School to be sited within the new Ebbsfleet Garden City Development is due to open in September 2024. Rosherville CEP is due to be relocated to a new-build school in 2024, increasing its capacity from 0.6FE to 2.0FE. Work is in progress for one converting primary school to join the Trust during 2023/24. Trustees and key members of the Senior Management Team have reviewed the organisational structure (Trust Central Services Team) to reflect the growth of the Trust.

FUNDS HELD AS CUSTODIAN TRUSTEE ON BEHALF OF OTHERS

The Academy Trust distributes 16-19 bursary funds to the students as an agent for the ESFA. Details, including any amounts not dispersed by the financial year end, are disclosed in note 34 to the financial statements.

As a School Direct provider, the Trust is also in receipt of funding on behalf of other schools in the local area, as well as trainee teachers. The Trust is responsible for ensuring that these funds are distributed appropriately and within the agreed timescale.

Aletheia Academies Trust (Previously Aletheia Anglican Academies Trust)
(A company limited by guarantee)

Trustees' Report
For the Year Ended 31 August 2022

AUDITORS

In so far as the Trustees are aware:

- there is no relevant audit information of which the charitable company's auditor is unaware;
- the Trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information.

The auditors, UHY Hacker Young, have indicated their willingness to continue in office, and the audit process will be reviewed in detail and their re-appointment will be considered following the forthcoming Annual General Meeting.

The Trustees' report, incorporating a strategic report, was approved by order of the Board of Trustees, as the company directors, and signed on the Board's behalf by:

Date: 22 December 2022

Aletheia Academies Trust (Previously Anglican Academies Trust)
(A company limited by guarantee)

Governance Statement
For the Year Ended 31 August 2022

Scope of Responsibility

As Trustees, we acknowledge we have overall responsibility for ensuring that Aletheia Academies Trust has an effective and appropriate system of control, financial and otherwise. However, such a system is designed to manage rather than eliminate the risk of failure to achieve business objectives and can provide only reasonable and not absolute assurance against material misstatement or loss.

As Trustees, we have reviewed and taken account of the guidance in DfE's Governance Handbook and competency framework for governance.

The Board of Trustees has delegated the day-to-day responsibility to the Chief Executive Officer, as Accounting Officer, for ensuring financial controls conform with the requirements of both propriety and good financial management and in accordance with the requirements and responsibilities assigned to it in the funding agreement between Aletheia Academies Trust and the Secretary of State for Education. The Accounting Officer is also responsible for reporting to the Board of Trustees any material weaknesses or breakdowns in internal control.

Governance

The information on governance included here supplements that described in the Trustees' Report and in the Statement of Trustees' Responsibilities. The full Board of Trustees has formally met 4 times plus 3 Audit Committees and 3 Standards Committees during the year. Attendance during the year at meetings of the Board of Trustees was as follows:

Trustee	Full Board Meetings attended	Out of a possible
J Barker-Platt	4	4
S Carey	4	4
R Hicks	4	4
J Holt	4	4
W Johnson	3	4
J King	2	4
H Overton	4	4
A Smith	4	4
M Till	4	4
A Sharman	4	4

During the year, the responsibilities of the Board of Trustees included those of the Audit, Risk & Finance Committee. Finance is a fixed agenda item at all Board of Trustee meetings.

The Academy Trust Handbook requires the full Board to meet at least three times per annum and recommends six meetings. Although the full Board of Trustees has met fewer than six times, effective oversight has been maintained via the sub-committee meetings and the monitoring of monthly management information.

The Board reviews its effectiveness annually. The Trust worked with a School Resource Management Adviser in Term 6 which focused on the following

- Trust's use of Integrated Curriculum Financial Planning
- Recommendations to the Trust
- Benchmarking and analysis of key metrics
- Financial health and use of resources
- Financial governance of the Trust
- Pension liabilities in respect of Holy Trinity CE Primary School (re matter noted by auditors in 2020/21 accounts)

Governance reviews

A new Trustee, Ajay Sharman, STEM Learning Regional Network Lead, was appointed in September 2021 and agreed to be a member of the Standards Committee. It was necessary for Jo Barker-Platt to resign from the Board as at 31st August 2022 as she commenced employment with the Trust on 1st September 2022.

Aletheia Academies Trust (Previously Anglican Academies Trust)

(A company limited by guarantee)

Governance Statement

For the Year Ended 31 August 2022

The Audit, Risk & Finance Committee is also a sub-committee of the main Board of Trustees. Its purpose is:

- To maintain an oversight of the Academy Trust's governance, risk management, internal control and value for money framework.
- To report its findings annually to the Trust Board and the Accounting Officer as a critical element of the Academy Trust's annual reporting requirements.
- The Audit Committee has no executive powers or operational responsibilities/duties.

Attendance at Audit, Risk & Finance Committee meetings in the year was as follows:

<u>Trustee</u>	<u>Meetings attended</u>	<u>Out of a possible</u>
J Barker-Platt	3	3
S Carey	3	3
R Hicks	3	3
J Holt	2	3
W Johnson	3	3
M Till	3	3

Conflicts of Interest

Conflicts of Interest are checked regularly by way of an annual statement from each trustee as well as confirmation at each Full Board and Committee meeting. Were there to be any conflict of interest declared the individual would not be able to take part in the agenda item discussion or voting. This would be documented by the Clerk to Trustees.

Review of value for money

As Accounting Officer, the Chief Executive Officer has responsibility for ensuring that the Academy Trust delivers good value in the use of public resources. The Accounting Officer understands that value for money refers to the educational and wider societal outcomes achieved in return for the taxpayer resources received.

The Accounting Officer considers how the Academy Trust's use of its resources has provided good value for money during each academic year, and reports to the Board of Trustees where value for money can be improved, including the use of benchmarking data where appropriate. The Accounting Officer for the Academy Trust has delivered improved value for money during the year by employing an Operations Officer to focus upon the consolidation of procurement across the Trust.

Targeted Improvement: Staffing structures and timetables are regularly reviewed to ensure that staff are efficiently deployed and educational standards continue to improve. Resources were targeted to enhance provision to literacy, numeracy and EAL support. Individual student progress is monitored throughout the academic year to ensure that all students are quickly and accurately assessed and appropriate interventions and support are targeted to achieve the best outcome.

Collaboration: Links with other local Church Schools continue to grow since the forming of the Aletheia Anglican Academies Trust (MAT) in December 2014. This has enhanced the sharing of experts for the delivery of good practice (e.g. School improvement / primary physical education provision / financial management / IT support and estates compliance) and enabled cost savings through economies of scale through shared administration and procurement costs (e.g. Energy / Insurance / HR & payroll / staff recruitment / financial services / IT and reprographics).

Better Purchasing: Procurement decisions are carefully considered by local Governors at regular governing body meetings. Expiring contracts and the replacement/renewal of equipment are considered and the best value long term options assessed prior to quotes being obtained (e.g. contract cleaning). Proposals/quotes are compared to ensure that goods and services are secured in the most economic, efficient and effective way. There is a tender process for major works e.g. buildings and boiler replacement projects. Professional advice is sought when necessary (e.g. major building works, human resources and legal). The School Resource Management Adviser reported in July 2022 that *'the trust has made changes to several services and contracts that have resulted in reduced expenditure, improved efficiencies, and better value, the key changes are listed below:*

- *Changes to MIS (Management Information Software) provider*
- *Review and change of many facilities led contracts and services from academy to trust wide*
- *Centralisation of some support staff roles or tasks*
- *Fixing electricity and gas costs up to 2023 and 2024 respectively have and will provide savings'*

Aletheia Academies Trust (Previously Anglican Academies Trust)
(A company limited by guarantee)

Governance Statement
For the Year Ended 31 August 2022

Financial Governance and Management: Financial governance and oversight is robust. Each Academy produces a 3-year benchmarked budget plan and controls are in place for all levels of management to be provided with regular budget monitoring reports. This ensures that resources are managed effectively to meet the objectives of the Academy Trust. Termly Internal Control reports further inform local Governors and Trustees that the necessary controls are in place. Significant spending proposals are costed and presented to the Management Board, Senior Leadership Teams and the Local Governing Bodies for consideration and challenge.

The Purpose of the System of Internal Control

The system of internal control is designed to manage risk to a reasonable level rather than to eliminate all risk of failure to achieve policies, aims and objectives. It can, therefore, only provide reasonable and not absolute assurance of effectiveness. The system of internal control is based on an on-going process designed to identify and prioritise the risks to the achievement of Academy Trust policies, aims and objectives, to evaluate the likelihood of those risks being realised and the impact should they be realised, and to manage them efficiently, effectively and economically. A new internal control auditor (McCabe Ford Williams) was employed in December 2020 and three internal control audits were reported in 2021/22

Capacity to Handle Risk

The Board of Trustees has reviewed the key risks to which the Academy Trust is exposed, together with the operating, financial and compliance controls that have been implemented to mitigate those risks. The Board of Trustees is of the view that there is a formal on-going process for identifying, evaluating and managing the Academy Trust's significant risks that has been in place for the year to 31 August 2022 and up to the date of approval of the annual report and financial statements. This process is regularly reviewed by the Board of Trustees.

The Risk and Control Framework

The Academy Trust's system of internal financial control is based on a framework of regular management information and administrative procedures including the segregation of duties and a system of delegation and accountability. In particular, it includes:

- comprehensive budgeting and monitoring systems with an annual budget and monthly financial reports which are reviewed and agreed by the Board of Trustees;
- regular reviews by the Trustees of reports which indicate financial performance against the forecasts and of major purchase plans, capital works and expenditure programmes;
- setting targets to measure financial and other performance;
- clearly defined purchasing (asset purchase or capital investment) guidelines;
- delegation of authority and segregation of duties; and
- identification and management of risks.

The Board of Trustees has considered the need for a specific internal audit function and appointed McCabe Ford Williams.

The internal auditor's role includes giving advice on financial matters and performing a range of checks on the Academy Trust's financial systems. The internal auditor is employed to report 3 times per annum on the operation of the systems of control and on the discharge of the Board of Trustees' financial responsibilities. 2021/22 internal auditor checks focused on (i) standard internal control review checks (ii) Review of the Trust's compliance with the Academy Trust Handbook (iii) Review of census information and processes and progress of 2020/21 management letter actions

Standard internal control checks included:

- testing of month end controls and management reporting;
- review of Companies House and Get Information About Schools websites;
- payroll testing;
- bank and petty cash reconciliations;
- income;
- control codes – VAT, payroll, loans, debtors and creditors; and
- purchasing procedures including tenders.

No high risks items were identified and no material issues/concerns arose from the internal auditor's work.

Governance Statement
For the Year Ended 31 August 2022

Review of Effectiveness

As Accounting Officer, the Chief Executive Officer has responsibility for reviewing the effectiveness of the system of internal control.

During the year in question the review has been informed by:

- the work of the internal auditor;
- the work of the external auditors;
- the work of the executive managers within the Academy Trust who have responsibility for the development and maintenance of the internal control framework.

The Accounting Officer has been advised of the implications of the result of their review of the system of internal control and a plan to address weaknesses and ensure continuous improvement of the system is in place.

Statement on Regularity, Propriety and Compliance

As accounting officer of Aletheia Academies Trust I have considered my responsibility to notify the Academy Trust Board of Trustees and the Education and Skills Funding Agency (ESFA) of material irregularity, impropriety and non-compliance with terms and conditions of all funding received by the Academy Trust, under the funding agreement in place between the Academy Trust and the Secretary of State for Education. As part of my consideration I have had due regard to the requirements of the Academy Trust Handbook 2021.

I confirm that I and the Academy Trust Board of Trustees are able to identify any material irregular or improper use of all funds by the Academy Trust, or material non-compliance with the terms and conditions of funding under the Academy Trust's funding agreement and the Academy Trust Handbook 2021.

I confirm that no instances of material irregularity, impropriety or funding non-compliance have been discovered to date. If any instances are identified after the date of this statement, these will be notified to the Board of Trustees and ESFA.

Aletheia Academies Trust**(A company limited by guarantee)****Statement of Trustees' responsibilities
For the Year Ended 31 August 2022**

The Trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for preparing the Trustees' report and the financial statements in accordance with the Academies Accounts Direction published by the Education and Skills Funding Agency, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

Company law requires the Trustees to prepare financial statements for each financial year. Under company law, the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP 2019 and the Academies Accounts Direction 2021 to 2022;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees are responsible for ensuring that in its conduct and operation the charitable company applies financial and other controls, which conform with the requirements both of propriety and of good financial management. They are also responsible for ensuring grants received from ESFA/DfE have been applied for the purposes intended.

The Trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Independent Auditors' Report on the financial statements to the Members of Aletheia Academies Trust

Opinion

We have audited the financial statements of Aletheia Academies Trust (the 'academy trust') for the year ended 31 August 2022 which comprise the Statement of financial activities, the Balance sheet, the Statement of cash flows and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland', the Charities SORP 2019 and the Academies Accounts Direction 2021 to 2022 issued by the Education and Skills Funding Agency.

In our opinion the financial statements:

- give a true and fair view of the state of the Academy Trust's affairs as at 31 August 2022 and of its incoming resources and application of resources, including its income and expenditure for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006, the Charities SORP 2019 and the Academies Accounts Direction 2021 to 2022 issued by the Education and Skills Funding Agency.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the Academy Trust in accordance with the ethical requirements that are relevant to our audit of the financial statements in the United Kingdom, including the Financial Reporting Council's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the Trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Academy Trust's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Trustees with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the Annual report other than the financial statements and our Auditors' report thereon. The Trustees are responsible for the other information contained within the Annual report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinion on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Trustees' Report including the Strategic Report for the financial year for which the financial statements are prepared is consistent with the financial statements.
- the Trustees' Report and the Strategic Report have been prepared in accordance with applicable legal requirements.

Aletheia Academies Trust
(A company limited by guarantee)

Independent Auditors' Report on the financial statements to the Members of Aletheia Academies Trust (continued)

Matters on which we are required to report by exception

In the light of our knowledge and understanding of the Academy Trust and its environment obtained in the course of the audit, we have not identified material misstatements in the Trustees' Report including the Strategic Report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of Trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the Statement of trustees' responsibilities, the Trustees (who are also the directors of the Academy Trust for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees are responsible for assessing the Academy Trust's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the Academy Trust or to cease operations, or have no realistic alternative but to do so.

Auditors' responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

How the audit was considered capable of detecting irregularities including fraud

Our approach to identifying and assessing the risks of material misstatement in respect of irregularities, including fraud and non-compliance with laws and regulations, was as follows:

- we identified the laws and regulations applicable to the Academy Trust through discussions with management, and from our commercial knowledge and experience of the academy and wider education sector;
- we focused on specific laws and regulations which we considered may have a direct material effect on the accounts or the operations of the Academy Trust, including the Academy Trust Handbook, Annual Accounts Direction, Charity SORP and the Companies Act 2006;
- we assessed the extent of compliance with the laws and regulations identified above through making enquiries of management and inspecting correspondence; and
- identified laws and regulations were communicated within the audit team and the team remained alert to instances of non-compliance throughout the audit.

We assessed the susceptibility of the Academy Trust's accounts to material misstatement, including obtaining an understanding of how fraud might occur, by:

- making enquiries of management as to where they considered there was susceptibility to fraud, their knowledge of actual, suspected and alleged fraud; and
- considering the internal controls in place to mitigate risks of fraud and non-compliance with laws and regulations.

To address the risk of fraud through management bias and override of controls, we:

Aletheia Academies Trust
(A company limited by guarantee)

Independent Auditors' Report on the financial statements to the Members of Aletheia Academies Trust (continued)

- performed analytical procedures to identify any unusual or unexpected relationships;
- tested journal entries to identify unusual transactions;
- assessed whether judgements and assumptions made in determining the accounting estimates set out in the accounting policies were indicative of potential bias; and
- investigated the rationale behind significant or unusual transactions.

In response to the risk of irregularities and non-compliance with laws and regulations, we designed procedures which included, but were not limited to:

- agreeing financial statement disclosures to underlying supporting documentation;
- reading minutes of meetings of those charged with governance; and
- enquiring of management and representatives of Trustees as to actual and potential litigation and claims.

Because of the inherent limitations of an audit, there is a risk that we will not detect all irregularities, including those leading to a material misstatement in the financial statements or non-compliance with regulation. This risk increases the more that compliance with a law or regulation is removed from the events and transactions reflected in the financial statements, as we will be less likely to become aware of instances of non-compliance. The risk is also greater regarding irregularities occurring due to fraud rather than error, as fraud involves intentional concealment, forgery, collusion, omission or misrepresentation.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our Auditors' report.

Use of our report

This report is made solely to the Academy Trust's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Academy Trust's members those matters we are required to state to them in an Auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Academy Trust and its members, as a body, for our audit work, for this report, or for the opinions we have formed.

Aletheia Academies Trust
(A company limited by guarantee)

Independent Reporting Accountant's Assurance Report on Regularity to Aletheia Academies Trust and the Education and Skills Funding Agency

In accordance with the terms of our engagement letter dated 29 September 2020 and further to the requirements of the Education and Skills Funding Agency (ESFA) as included in the Academies Accounts Direction 2021 to 2022, we have carried out an engagement to obtain limited assurance about whether the expenditure disbursed and income received by Aletheia Academies Trust during the year 1 September 2021 to 31 August 2022 have been applied to the purposes identified by Parliament and the financial transactions conform to the authorities which govern them.

This report is made solely to Aletheia Academies Trust and ESFA in accordance with the terms of our engagement letter. Our work has been undertaken so that we might state to Aletheia Academies Trust and ESFA those matters we are required to state in a report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than Aletheia Academies Trust and ESFA, for our work, for this report, or for the conclusion we have formed.

Respective responsibilities of Aletheia Academies Trust's accounting officer and the reporting accountant

The accounting officer is responsible, under the requirements of Aletheia Academies Trust's funding agreement with the Secretary of State for Education dated 10 November 2014 and the Academy Trust Handbook, extant from 1 September 2021, for ensuring that expenditure disbursed and income received is applied for the purposes intended by Parliament and the financial transactions conform to the authorities which govern them.

Our responsibilities for this engagement are established in the United Kingdom by our profession's ethical guidance and are to obtain limited assurance and report in accordance with our engagement letter and the requirements of the Academies Accounts Direction 2021 to 2022. We report to you whether anything has come to our attention in carrying out our work which suggests that in all material respects, expenditure disbursed and income received during the year 1 September 2021 to 31 August 2022 have not been applied to purposes intended by Parliament or that the financial transactions do not conform to the authorities which govern them.

Approach

We conducted our engagement in accordance with the Framework and Guide for External Auditors and Reporting Accountant of Academy Trusts issued by ESFA. We performed a limited assurance engagement as defined in our engagement letter.

The objective of a limited assurance engagement is to perform such procedures as to obtain information and explanations in order to provide us with sufficient appropriate evidence to express a negative conclusion on regularity.

A limited assurance engagement is more limited in scope than a reasonable assurance engagement and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in a reasonable assurance engagement. Accordingly, we do not express a positive opinion.

Our engagement includes examination, on a test basis, of evidence relevant to the regularity and propriety of the Academy Trust's income and expenditure.

We conducted our work in accordance with Technical Release TECH 08/12 AAF issued by the Institute of Chartered Accountants In England and Wales. In accordance with that Technical Release we have carried out the procedures we consider necessary to arrive at our conclusion. Other than those procedures undertaken for the purposes of our audit of the financial statements of Aletheia Academies Trust for the year ended 31 August 2022 which provide evidence on regularity, our work was limited to only those additional procedures necessary to provide limited assurance.

The work undertaken to draw to our conclusion included:

- an assessment of the risk of material irregularity and impropriety across all of the Academy Trust's activities;
- further testing and review of the areas identified through the risk assessment including enquiry, identification of control processes and examination of supporting evidence across all areas identified as well as additional verification work where considered necessary; and
- consideration of evidence obtained through the work detailed above and the work completed as part of our financial statements audit in order to support the regularity conclusion.

Aletheia Academies Trust
(A company limited by guarantee)

Independent Reporting Accountant's Assurance Report on Regularity to Aletheia Academies Trust and the Education & Skills Funding Agency (continued)

Conclusion

In the course of our work, nothing has come to our attention which suggest in all material respects the expenditure disbursed and income received during the year 1 September 2021 to 31 August 2022 has not been applied to purposes intended by Parliament and the financial transactions do not conform to the authorities which govern them.

Aletheia Academies Trust
(A company limited by guarantee)

Notes to the Financial Statements
For the Year Ended 31 August 2022

1. Accounting policies

A summary of the principal accounting policies adopted (which have been applied consistently, except where noted), judgments and key sources of estimation uncertainty, is set out below.

1.1 Basis of preparation of financial statements

The financial statements of the Academy Trust, which is a public benefit entity under FRS 102, have been prepared under the historic cost convention in accordance with the Financial Reporting Standard Applicable in the UK and Republic of Ireland (FRS 102), the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)), the Academies Accounts Direction 2021 to 2022 issued by ESFA, the Charities Act 2011 and the Companies Act 2006.

Aletheia Academies Trust meets the definition of a public benefit entity under FRS 102.

1.2 Going concern

The Trustees assess whether the use of going concern is appropriate i.e. whether there are any material uncertainties related to events or conditions that may cast significant doubt on the ability of the Academy Trust to continue as a going concern. The Trustees make this assessment in respect of a period of at least one year from the date of authorisation for issue of the financial statements and have concluded that the Academy Trust has adequate resources to continue in operational existence for the foreseeable future and there are no material uncertainties about the Academy Trust's ability to continue as a going concern, thus they continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Income

All income is recognised when the Academy Trust has entitlement to the funds, the receipt is probable and the amount can be measured reliably.

• **Grants**

Grants are included in the Statement of financial activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the Balance sheet. Where income is received in advance of meeting any performance-related conditions there is not unconditional entitlement to the income and its recognition is deferred and included in creditors as deferred income until the performance-related conditions are met. Where entitlement occurs before income is received, the income is accrued.

General Annual Grant is recognised in full in the Statement of financial activities in the year for which it is receivable and any abatement in respect of the year is deducted from income and recognised as a liability.

Capital grants are recognised in full when there is an unconditional entitlement to the grant. Unspent amounts of capital grants are reflected in the Balance sheet in the restricted fixed asset fund. Capital grants are recognised when there is entitlement and are not deferred over the life of the asset on which they are expended.

• **Donations**

Donations are recognised on a receivable basis (where there are no performance-related conditions) where the receipt is probable and the amount can be reliably measured.

• **Other income**

Other income, including the hire of facilities, is recognised in the year it is receivable and to the extent the Academy Trust has provided the goods or services.

• **Transfer on conversion**

Where assets and liabilities are received by the Academy Trust on conversion to an academy, the transferred assets are measured at fair value and recognised in the Balance sheet at the point when the risks and rewards of ownership pass to the Academy Trust. An equal amount of income is recognised as a transfer on conversion within 'Income from Donations and Capital Grants' to the net assets received.

Aletheia Academies Trust
(A company limited by guarantee)

Notes to the Financial Statements
For the Year Ended 31 August 2022

1. Accounting policies (continued)

1.3 Income (continued)

• **Transfer of existing academies into the Academy Trust**

Where assets and liabilities are received on the transfer of an existing academy into the Academy Trust, the transferred assets are measured at fair value and recognised in the Balance sheet at the point when the risks and rewards of ownership pass to the Academy Trust. An equal amount of income is recognised for the transfer of an existing academy into the Academy Trust within 'Income from Donations and Capital Grants' to the net assets acquired.

• **Donated fixed assets (excluding transfers on conversion or into the Academy Trust)**

Where the donated good is a fixed asset it is measured at fair value, unless it is impractical to measure this reliably, in which case the cost of the item to the donor should be used. The gain is recognised as 'Income from Donations and Capital Grants' and a corresponding amount is included in the appropriate fixed asset category and depreciated over the useful economic life in accordance with the Academy Trust's accounting policies. During 2021/22 the Academy Trust received ICT equipment from the Government under the free laptop and tablet scheme which has been accounted for this way.

1.4 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably.

• **Expenditure on raising funds**

This includes all expenditure incurred by the Academy Trust to raise funds for its charitable purposes and includes costs of all fundraising activities events and non-charitable trading.

• **Charitable activities**

These are costs incurred on the Academy Trust's educational operations, including support costs and costs relating to the governance of the Academy Trust apportioned to charitable activities.

• **Grants payable**

These are charged in the year when the offer is made except in those cases where the offer is conditional, such grants being recognised as expenditure when the conditions attaching are fulfilled. Grants offered subject to conditions which have not been met at the year end are noted as a commitment, but not accrued as expenditure.

Where relevant, expenditure is inclusive of irrecoverable VAT.

1.5 Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the Academy Trust; this is normally upon notification of the interest paid or payable by the institution with whom the funds are deposited.

1.6 Taxation

The Academy Trust is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes.

Accordingly, the Academy Trust is potentially exempt from taxation in respect of income or capital gains received within categories covered by Part 11, chapter 3 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

Aletheia Academies Trust
(A company limited by guarantee)

Notes to the Financial Statements
For the Year Ended 31 August 2022

1. Accounting policies (continued)

1.7 Tangible fixed assets

Assets costing £5,000 or more are capitalised as tangible fixed assets and are carried at cost, net of depreciation and any provision for impairment.

Where tangible fixed assets have been acquired with the aid of specific grants, either from the government or from the private sector, they are included in the Balance sheet at cost and depreciated over their expected useful economic life. Where there are specific conditions attached to the funding requiring the continued use of the asset, the related grants are credited to a restricted fixed asset fund in the Statement of financial activities and carried forward in the Balance sheet. Depreciation on the relevant assets is charged directly to the restricted fixed asset fund in the Statement of financial activities. Where tangible fixed assets have been acquired with unrestricted funds, depreciation on such assets is charged to the unrestricted fund.

The Rochester Diocesan Board of Education own the legal title of the sites where much of the Academy Trust's land and buildings are situated. The trust therefore occupies these school properties under the terms of a church Supplemental Agreement with the freehold owners. In considering the accounting treatment for these properties, the trustee have considered the provisions of the Academies Accounts Direction (AAD). The AAD clarifies that where a supplemental agreement is in place then the trust does not have full rights or control, such that any asset should not be recognised on the balance sheet.

Per the AAD the rolling right to occupy the buildings could be recognised in the financial statements via a notional donation (since the trust pays no actual rent) with a corresponding notional rent expense for its use of the premises. The value of the donation would be the amount that the Academy Trust would otherwise have had to pay to secure premises, however since the trustees feel that this cannot be reliably measured, and in accordance with the AAD, no donation or rental expense have been recognised.

Depreciation is provided on all tangible fixed assets other than freehold land and assets under construction, at rates calculated to write off the cost of each asset on a straight-line basis over its expected useful life, as follows:

Depreciation is provided on the following bases:

Long-term leasehold property	- 125 years
Furniture & equipment	- 10-20 years
Computer equipment	- 3 years

A review for impairment of a fixed asset is carried out if events or changes in circumstances indicate that the carrying value of any fixed asset may not be recoverable. Shortfalls between the carrying value of fixed assets and their recoverable amounts are recognised as impairments. Impairment losses are recognised in the Statement of financial activities.

1.8 Financial instruments

The Academy Trust only holds basic financial instruments as defined in FRS 102. The financial assets and financial liabilities of the Academy Trust and their measurement bases are as follows:

Financial assets - trade and other debtors are basic financial instruments and are debt instruments measured at amortised cost as detailed in note 17. Prepayments are not financial instruments.

Cash at bank is classified as a basic financial instrument and is measured at face value.

Financial liabilities - trade creditors, accruals and other creditors are financial instruments, and are measured at amortised cost as detailed in notes 18 and 19. Taxation and social security are not included in the financial instruments disclosure definition. Deferred income is not deemed to be a financial liability, as the cash settlement has already taken place and there is an obligation to deliver services rather than cash or another financial instrument.

Aletheia Academies Trust
(A company limited by guarantee)

Notes to the Financial Statements
For the Year Ended 31 August 2022

1. Accounting policies (continued)

1.9 Operating leases

Rentals paid under operating leases are charged to the Statement of financial activities on a straight line basis over the lease term.

1.10 Pensions

Retirement benefits to employees of the Academy Trust are provided by the Teachers' Pension Scheme ("TPS") and the Local Government Pension Scheme ("LGPS"). These are defined benefit schemes.

The TPS is an unfunded scheme and contributions are calculated so as to spread the cost of pensions over employees' working lives with the Academy Trust in such a way that the pension cost is a substantially level percentage of current and future pensionable payroll. The contributions are determined by the Government Actuary on the basis of quadrennial valuations using a prospective unit credit method. TPS is an unfunded multi-employer scheme with no underlying assets to assign between employers. Consequently, the TPS is treated as a defined contribution scheme for accounting purposes and the contributions recognised in the period to which they relate.

The LGPS is a funded multi-employer scheme and the assets are held separately from those of the Academy Trust in separate trustee administered funds. Pension scheme assets are measured at fair value and liabilities are measured on an actuarial basis using the projected unit credit method and discounted at a rate equivalent to the current rate of return on a high quality corporate bond of equivalent term and currency to the liabilities. The actuarial valuations are obtained at least triennially and are updated at each Balance sheet date. The amounts charged to operating surplus are the current service costs and the costs of scheme introductions, benefit changes, settlements and curtailments. They are included as part of staff costs as incurred. Net interest on the net defined benefit liability/asset is also recognised in the Statement of financial activities and comprises the interest cost on the defined benefit obligation and interest income on the scheme assets, calculated by multiplying the fair value of the scheme assets at the beginning of the period by the rate used to discount the benefit obligations. The difference between the interest income on the scheme assets and the actual return on the scheme assets is recognised in other recognised gains and losses.

Actuarial gains and losses are recognised immediately in other recognised gains and losses.

1.11 Conversion to an academy trust

The conversion from a state maintained school to an Academy Trust involved the transfer of identifiable assets and liabilities and the operation of the school for £NIL consideration. The substance of the transfer is that of a gift and it has been accounted for on that basis as set out below.

The assets and liabilities transferred on conversion from Sedley's Church of England Primary School to the Academy Trust have been valued at their fair value. The fair value has been derived based on that of equivalent items. The amounts have been recognised under the appropriate Balance sheet categories, with a corresponding amount recognised in Income from Donations and Capital Grants in the Statement of financial activities and analysed under unrestricted funds, restricted general funds and restricted fixed asset funds.

Further details of the transaction are set out in note 28.

1.12 Agency arrangements

The Academy Trust acts as an agent in distributing 16-19 bursary funds from ESFA. Payments received from ESFA and subsequent disbursements to students are excluded from the statement of financial activities as the Academy Trust does not have control over the charitable application of the funds. The Academy Trust can use up to 5% of the allocation towards its own administration costs and this is recognised in the statement of financial activities. The funds received and paid and any balances held are disclosed in note 34.

Aletheia Academies Trust
(A company limited by guarantee)

Notes to the Financial Statements
For the Year Ended 31 August 2022

1. Accounting policies (continued)

1.13 Fund accounting

Unrestricted income funds represent those resources which may be used towards meeting any of the charitable objects of the Academy Trust at the discretion of the Trustees.

Restricted fixed asset funds are resources which are to be applied to specific capital purposes imposed by the funders where the asset acquired or created is held for a specific purpose.

Restricted general funds comprise all other restricted funds received with restrictions imposed by the funder/donor and include grants from the Department for Education Group.

Investment income, gains and losses are allocated to the appropriate fund.

2. Critical accounting estimates and areas of judgment

Estimates and judgments are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Critical accounting estimates and assumptions:

The Academy Trust makes estimates and assumptions concerning the future. The resulting accounting estimates and assumptions will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

The present value of the Local Government Pension Scheme defined benefit liability depends on a number of factors that are determined on an actuarial basis using a variety of assumptions. The assumptions used in determining the net cost or income for pensions include the discount rate. Any changes in these assumptions, which are disclosed in note 31, will impact the carrying amount of the pension liability. Furthermore a roll forward approach which projects results from the latest full actuarial valuation performed at 31 March 2019 has been used by the actuary in valuing the pensions liability at 31 August 2022. Any differences between the figures derived from the roll forward approach and a full actuarial valuation would impact on the carrying amount of the pension liability.

We consider that there has been one key area of judgement in respect of the actuarial assumptions made leading to the closing pension scheme liability:

The ultimate responsibility for setting the assumptions is that of the Academy Trust, as the employer, however each year the LGPS actuary proposes a standard set of assumptions as part of the valuation exercise, using their expert opinion, and which comply with the accounting requirements. The Academy Trust has, in practice with most employers, adopted the recommended actuarial assumptions following further consultation with its auditors to ensure these assumptions are reasonable and in line with those adopted by other academy trusts.

The key assumption is the discount rate, which is the estimated rate of long-term investment returns. This year the discount rate used of 4.3% is considerably higher than the rate of 1.7% used in 2021. Since a higher discount rate means assets will grow more rapidly in the future, this results in lower current liabilities. This is the key driver for the reduction in the carried LGPS deficit from £9.704m to £1.655m during the year.

Notes to the Financial Statements
For the Year Ended 31 August 2022

7. Expenditure

	Staff Costs	Premises	Other	Total	<i>As restated</i>
	2022	2022	2022	2022	<i>Total</i>
	£000	£000	£000	£000	<i>2021</i>
					<i>£000</i>
Expenditure on fundraising trading activities:					
Direct costs	-	-	46	46	28
Educational operations:					
Direct costs	15,922	-	2,057	17,979	13,980
Allocated support costs	4,577	1,500	1,490	7,567	5,251
	<u>20,499</u>	<u>1,500</u>	<u>3,593</u>	<u>25,592</u>	<u>19,259</u>
<i>Analysis of 2021 total as restated</i>	<u>15,732</u>	<u>1,135</u>	<u>2,392</u>	<u>19,259</u>	

8. Analysis of grants

	Grants to	Total	<i>Total</i>
	Institutions	funds	<i>funds</i>
	2022	2022	<i>2021</i>
	£000	£000	<i>£000</i>
Improvements to diocesan property occupied by the Academy Trust	2,159	2,159	5,285
<i>Analysis of 2021 total</i>	<u>5,285</u>	<u>5,285</u>	

The costs for both years represent works completed on the Academy Trust's school buildings during the year. As noted in accounting policy 1.7 the buildings are not reflected on the balance sheet, and so, in accordance with the Academies Accounts Direction, associated improvements are treated as an expense for the year as a grant to the Diocese which owns the building.

The improvements during 2021/22 include:

Completion of a new teaching and learning block and refurbishment of existing classrooms at Saint George's School, funded jointly from the DfE Condition Improvement Fund (CIF) and Local Authority Capital (Kent County Council Expansion Funding).

Completion of a new heating and air conditioning system at Horton Kirby CEP funded from the Public Sector Decarbonisation Scheme.

Various condition and health and safety improvements across the Trust, including roofing projects at several academies and windows replacements.

Notes to the Financial Statements
For the Year Ended 31 August 2022

11. Net income/(expenditure)

Net income/(expenditure) for the year includes:

	2022	<i>2021</i>
	£000	<i>£000</i>
Operating lease rentals	46	36
Depreciation of tangible fixed assets	288	171
Fees paid to auditors for:		
- audit	20	17
- other services	10	8
	<u> </u>	<u> </u>

12. Staff

a. Staff costs

Staff costs during the year were as follows:

	2022	<i>2021</i>
	£000	<i>£000</i>
Wages and salaries	14,149	11,085
Social security costs	1,315	977
Pension costs	4,849	3,480
	<u>20,313</u>	<u>15,542</u>
Agency staff costs	174	190
Staff restructuring costs	12	-
	<u>20,499</u>	<u>15,732</u>

Staff restructuring costs comprise:

	2022	<i>2021</i>
	£000	<i>£000</i>
Redundancy payments	2	-
Severance payment to 1 employee (contractual)	10	-
	<u>12</u>	<u>-</u>

Aletheia Academies Trust
(A company limited by guarantee)

Notes to the Financial Statements
For the Year Ended 31 August 2022

12. Staff (continued)

b. Staff numbers

The average number of persons employed by the Academy Trust during the year was as follows:

	2022	<i>2021</i>
	No.	<i>No.</i>
Management	27	18
Teachers	226	189
Administration and support	341	252
	<u>594</u>	<u>459</u>

The average headcount expressed as full-time equivalents was:

	2022	<i>2021</i>
	No.	<i>No.</i>
Management	25	16
Teachers	200	177
Administration and support	223	170
	<u>448</u>	<u>363</u>

c. Higher paid staff

The number of employees whose employee benefits (excluding employer pension costs) exceeded £60,000 was:

	2022	<i>2021</i>
	No.	<i>No.</i>
In the band £60,001 - £70,000	5	3
In the band £70,001 - £80,000	7	5
In the band £80,001 - £90,000	1	1
In the band £160,001 - £170,000	1	1
	<u>14</u>	<u>10</u>

d. Key management personnel

The key management personnel of the Academy Trust comprise the Trustees and the senior management team as listed on page 1. The total amount of employee benefits (including employer pension contributions and employer national insurance contributions) received by key management personnel for their services to the Academy Trust was £1.579m (2021 - £1.198m). The increase is predominantly attributable to the expansion of the trust and senior management team in the year.

Aletheia Academies Trust
(A company limited by guarantee)

Notes to the Financial Statements
For the Year Ended 31 August 2022

13. Trustees' remuneration and expenses

One trustee, being the CEO, has been paid remuneration and received pension benefits from his employment with the Academy Trust. He only receives remuneration in respect of services provided undertaking his role under a contract of employment, and are not remunerated for serving as trustee. The value of this remuneration and pension benefits was as follows:

		2022	2021
		£000	£000
Mr. S. Carey, CEO and Accounting Officer	Remuneration	165 - 170	160 - 165
	Pension contributions paid	35 - 40	35 - 40

During the year ended 31 August 2022, no expenses were reimbursed or paid directly to any Trustee (2021 - £Nil).

14. Trustees' and Officers' insurance

The Academy Trust has opted into the Department for Education's risk protection arrangement (RPA), an alternative to insurance where UK government funds cover losses that arise. This scheme protects Trustees and officers from claims arising from negligent acts, errors or omissions occurring whilst on academy business, and provides cover up to £10,000,000. It is not possible to quantify the Trustees and officers indemnity element from the overall cost of the RPA scheme membership.

Aletheia Academies Trust
(A company limited by guarantee)

Notes to the Financial Statements
For the Year Ended 31 August 2022

15. Central services

The Academy Trust has provided the following central services to its academies during the year:

- School improvement service
- Staffing support – CEO/Executive Headteacher, School Improvement Officers, CEO PA, IT Team, Media Team, Operations Officer, Chief Finance Officer and Central Finance Team, Data Technician
- ICT provision
- Data support
- Staff recruitment packages
- HR and payroll
- Premises compliance overview
- Capital project support
- Centralised procurement service
- Staff training and apprenticeships
- In-year internal controls and annual external audits
- Rochester Diocese SLA
- Administrative expenses
- Policy review
- Governance support

The Academy Trust charges for these services on the following basis:

Primary - 5.75% of General Annual Grant (GAG) funding.

Secondary - 5.75% of General Annual Grant (GAG) funding.

The actual amounts charged during the year were as follows:

	2022	<i>2021</i>
	£000	<i>£000</i>
St George's Church of England School	366	289
St Botolph's Church of England Primary School	108	128
Shorne Church of England Primary School	50	65
Horton Kirby Church of England Primary School	63	75
Stone St Mary's Church of England Primary School	152	143
Sutton-at-Hone Church of England Primary School	98	119
Rosherville Church of England Primary School	40	74
Holy Trinity Church of England Primary School	100	91
Cliffe Woods Primary School	63	-
Halling Primary School	59	-
Sedley's Church of England Primary School	7	-
Total	1,106	<i>984</i>

For the Year Ended 31 August 2022

18. Creditors: Amounts falling due within one year

	2022	<i>2021</i>
	£000	<i>£000</i>
Other loans	13	6
Trade creditors	154	408
Other taxation and social security	343	230
Other creditors	433	319
Accruals and deferred income	918	606
	<u>1,861</u>	<u>1,569</u>
	2022	<i>2021</i>
	£000	<i>£000</i>
Deferred income at 1 September 2021	260	212
Resources deferred during the year	422	260
Amounts released from previous periods	(260)	(212)
	<u>422</u>	<u>260</u>

At the balance sheet date the Academy Trust was holding funds received in advance of the 2022/23 academic year for ESFA UIFSM, school trips and catering income.

19. Creditors: Amounts falling due after more than one year

	2022	<i>2021</i>
	£000	<i>£000</i>
Other loans	63	17

The other loans balance above and in note 18 comprises: interest free Salix loan funding from the DfE of £53k in respect of five capital projects; an interest free nursery loan (Halling Primary School) of £23k.

20. Prior year adjustments

A prior year adjustment has been made in respect of the Local Government Pension Scheme defined benefit obligation. The actuarial report for the year ended 31 August 2021 did not include the movement in respect of Holy Trinity Church of England Primary School. The impact of the prior year adjustment is an increase in the defined benefit pension scheme liability of £878k. Resources expended of have increased by £92k and donations within incoming resources have decreased by £786k.

Notes to the Financial Statements
For the Year Ended 31 August 2022

21. Statement of funds (continued)

The specific purposes for which the funds are to be applied are as follows:

General Annual Grant ("GAG") must be used for the normal running costs of the Academy Trust.

The other DfE/ESFA grants is used to track non-GAG grant money received from the DfE/ESFA and connected bodies, and include Pupil Premium, Universal Infant Free School Meals, Teachers' Pay and Teachers' Pension grant income.

The other government grants fund is used to track grants provided by government departments, including the Local authority.

Covid Catch-up premium relates to additional funding provided by the DfE to support children and young people to catch up on missed learning caused by coronavirus (Covid-19). This has been spent in a variety ways, as outlined in note 4.

Other Covid funding relates to Covid mass-testing grants, provided by the DfE to support schools with the costs associated with the coronavirus National Testing Programme and Summer School funding for the delivery of the programme of activities in the school summer holidays.

The pensions reserve is a restricted fund to account for the liability arising under The Local Government Pension Scheme.

The restricted fixed asset funds are carried forward to meet the specific costs of fixed asset projects and to cover the depreciation charges that will be required on these projects going forward and the current fixed assets held. The total transfer to the fund of £246k represents capital expenditure funded by revenue reserves and the movement in the Salix loan balance.

Under the funding agreement with the Secretary of State, the Academy Trust was not subject to a limit on the amount of GAG it could carry forward at 31 August 2022.

Debt due after 1 year	(17)	-	(46)	(63)
	<u>5,138</u>	<u>(509)</u>	<u>(61)</u>	<u>4,568</u>

28. Transfer in on conversion to academy status

On 1 June 2022 Sedley's Church of England Primary School converted to academy status under the Academies Act 2010 and all the operations and assets and liabilities were transferred to Aletheia Academies Trust from Kent County Council for £NIL consideration.

The transfer has been accounted for as a combination that is in substance a gift. The assets and liabilities transferred were valued at their fair value and recognised in the Balance sheet under the appropriate heading with a corresponding net amount recognised as a net gain in the Statement of financial activities as Income from Donations and Capital Grants - transfer from local authority on conversion.

The following table sets out the fair values of the identifiable assets and liabilities transferred and an analysis of their recognition in the Statement of financial activities.

	Unrestricted funds £000	Restricted funds £000	Total funds £000
Current assets			
Cash - representing budget surplus on LA funds	109	-	109
Non-current liabilities			
LGPS pension scheme liability	-	(33)	(33)
Net assets/(liabilities)	<u>109</u>	<u>(33)</u>	<u>76</u>

The land and buildings of Sedley's Church of England Primary School are occupied under a licence, so have therefore not been inherited on conversion by Aletheia Academies Trust.

Aletheia Academies Trust**(A company limited by guarantee)****Notes to the Financial Statements
For the Year Ended 31 August 2022****29. Contingent liabilities**

The Academy Trust has inherited a contingent liability in respect of term time only workers' annual leave within Medway schools (Cliffe Woods and Halling). This relates to trade unions encouraging their members to collectively make claims against Medway based education employers regarding the calculation of term time only workers' annual leave, following settlements made in other local authorities. The schools adopt the National Joint Council (NJC) pay scales.

Medway Council are negotiating a settlement on behalf of educational establishments based in Medway but have confirmed that there will be no reimbursement of costs. As the details were unknown at year end, an adjustment at each academy has been applied to fix a cost in the 2021/22 accounts, based on the Kent settlement for similar sized schools charged and reimbursed earlier in 2022.

30. Capital commitments

	2022	2021
	£000	£000
Contracted for but not provided in these financial statements		
Purchase, construction or development of property	224	1,689

31. Pension commitments

The Academy Trust's employees belong to two principal pension schemes: the Teachers' Pension Scheme England and Wales (TPS) for academic and related staff; and the Local Government Pension Scheme (LGPS) for non-teaching staff, which is managed by Kent County Council. Both are multi-employer defined benefit schemes.

The latest actuarial valuation of the TPS related to the period ended 31 March 2016 and of the LGPS 31 March 2019.

Contributions amounting to £375,000 were payable to the schemes at 31 August 2022 (2021 - £253,000) and are included within creditors.

Teachers' Pension Scheme

The Teachers' Pension Scheme (TPS) is a statutory, contributory, defined benefit scheme, governed by the Teachers' Pension Scheme Regulations 2014. Membership is automatic for full-time teachers in academies. All teachers have the option to opt-out of the TPS following enrolment.

The TPS is an unfunded scheme to which both the member and employer makes contributions, as a percentage of salary - these contributions are credited to the Exchequer. Retirement and other pension benefits are paid by public funds provided by Parliament.

Aletheia Academies Trust
(A company limited by guarantee)

Notes to the Financial Statements
For the Year Ended 31 August 2022

31. Pension commitments (continued)

Valuation of the Teachers' Pension Scheme

The Government Actuary, using normal actuarial principles, conducts a formal actuarial review of the TPS in accordance with the Public Service Pensions (Valuations and Employer Cost Cap) Directions 2014 published by HM Treasury every 4 years. The aim of the review is to specify the level of future contributions. Actuarial scheme valuations are dependent on assumptions about the value of future costs, design of benefits and many other factors. The latest actuarial valuation of the TPS was carried out as at 31 March 2016. The valuation report was published by the Department for Education on 5 March 2019. The key elements of the valuation and subsequent consultation are:

- employer contribution rates set at 23.68% of pensionable pay (including a 0.08% administration levy)
- total scheme liabilities (pensions currently in payment and the estimated cost of future benefits) for service to the effective date of £218,100 million and notional assets (estimated future contributions together with the notional investments held at the valuation date) of £196,100 million, giving a notional past service deficit of £22,000 million
- the SCAPE rate, set by HMT, is used to determine the notional investment return. The current SCAPE rate is 2.4% above the rate of CPI, assumed real rate of return is 2.4% in excess of prices and 2% in excess of earnings. The rate of real earnings growth is assumed to be 2.2%. The assumed nominal rate of return including earnings growth is 4.45%.

The next valuation result is due to be implemented from 1 April 2024.

The employer's pension costs paid to TPS in the year amounted to £2,091,000 (2021 - £1,696,000).

A copy of the valuation report and supporting documentation is on the Teachers' Pensions website (<https://www.teacherspensions.co.uk/news/employers/2019/04/teachers-pensions-valuation-report.aspx>).

Under the definitions set out in FRS 102, the TPS is an unfunded multi-employer pension scheme. The Academy Trust has accounted for its contributions to the scheme as if it were a defined contribution scheme. The Academy Trust has set out above the information available on the scheme.

Local Government Pension Scheme

The LGPS is a funded defined benefit pension scheme, with the assets held in separate trustee-administered funds. The total contribution made for the year ended 31 August 2022 was £1,216,000 (2021 - £877,000), of which employer's contributions totalled £959,000 (2021 - £683,000) and employees' contributions totalled £257,000 (2021 - £194,000). The agreed contribution rates for future years are 22.5 per cent for employers and 5.5 to 12.5 per cent for employees.

As described in note 28 the LGPS obligation relates to the employees of the Academy Trust, who were the employees transferred as part of the conversion from the maintained school and new employees who were eligible to, and did, join the Scheme in the year. The obligation in respect of employees who transferred on conversion represents their cumulative service at both the predecessor school and the Academy Trust at the balance sheet date.

Parliament has agreed, at the request of the Secretary of State for Education, to a guarantee that, in the event of academy closure, outstanding Local Government Pension Scheme liabilities would be met by the Department for Education. The guarantee came into force on 18 July 2013.

Principal actuarial assumptions

	2022 %	2021 %
Rate of increase in salaries	3.95	3.90
Rate of increase for pensions in payment/inflation	2.95	2.90
Discount rate for scheme liabilities	4.25	1.65
Inflation assumption (CPI)	2.95	2.90

The current mortality assumptions include sufficient allowance for future improvements in mortality rates. The assumed life expectations on retirement age 65 are:

For the Year Ended 31 August 2022

32. Operating lease commitments

At 31 August 2022 the Academy Trust had commitments to make future minimum lease payments under non-cancellable operating leases as follows:

	2022	<i>2021</i>
	£000	<i>£000</i>
Not later than 1 year	41	33
Later than 1 year and not later than 5 years	33	36
	<u>74</u>	<u>69</u>

33. Members' liability

Each member of the Academy Trust undertakes to contribute to the assets of the company in the event of it being wound up while he/she is a member, or within one year after he/she ceases to be a member, such amount as may be required, not exceeding £NIL for the debts and liabilities contracted before he/she ceases to be a member.

34. Agency arrangements

The Academy Trust distributes 16-19 bursary funds to students as an agent for ESFA. In the accounting period ending 31 August 2021 the academy trust received £12k and disbursed £17k from the fund. An amount of £5k is included in other creditors relating to undistributed funds that is repayable to ESFA. Comparatives for the accounting period ending 31 August 2021 are £10k received, £10k disbursed and £12k included in other creditors.

For the Year Ended 31 August 2022

35. Related party transactions

Owing to the nature of the Academy Trust and the composition of the Board of Trustees being drawn from local public and private sector organisations, transactions may take place with organisations in which the trustees have an interest. All transactions involving such organisations are conducted in accordance with the requirements of the Academy Trust Handbook, including notifying the ESFA of all transactions made on or after 1 April 2019 and obtaining their approval where required, and with the Academy Trust's financial regulations and normal procurement procedures relating to connected and related party transactions.

The following related party transactions took place during the year:

Expenditure related party transactions:

(1) Diocese of Rochester

The Rochester Diocesan Board of Education is a member of the Academy Trust. During the year the Academy Trust incurred a total cost of £4,608 (2021 - £8,734) in transactions with the Diocese of Rochester. The costs this year relate to payments under a service level agreement for training and other education matters which the trustees consider that only the Diocese of Rochester could provide.

(2) Employment of close family members:

Under FRS 102 the close family of members or trustees of the Academy Trust, or of key management personnel, are deemed to be related parties.

During the year the following close family members of such individuals were employed by the trust and paid a salary under an employment contract for their individual roles:

L. Sisterson, the partner of the CEO, Mr. S. Carey, is employed as a teacher.
 J. Chitty, the daughter of the Headteacher of one of the trust's academies, was employed as a teaching assistant.
 L. Pollard, the spouse of the Headteacher of one of the trust's academies, was employed as an assistant headteacher
 N. Seath, the daughter of the CFO, Mr. T. Seath, is employed as a finance apprentice.
 S. Till, the son of a Trustee, Mr. M. Till, is employed as a teacher in one of the trust's academies.

In each case the relevant connected individual had no involvement in the appointment of their close family member and the Board of Directors are comfortable that each salary provides value for money and is not at a preferential rate.

Income related party transactions:

The PTFAs made donations to the following schools:

St. George's - £Nil (2021 - £747)
 Shorne - £450 (2021 - £5,852)
 Horton Kirby - £4,581 (2021 - £1,227)
 St Botolph's - £2,503 (2021 - £Nil)
 Sutton-at-Hone - £7,000 (2021 - £Nil)
 Halling - £3,535 (2021 - £Nil)
 Sedley's - £400 (2021 - £Nil)
 Cliffe Woods - £5,650 (2021 - £Nil)
 Holy Trinity - £85 (2021 - £Nil)
