Borden Grammar School Trust
(A company limited by guarantee)

Trustees' report
For the year ended 31 August 2017

The trustees present their annual report and auditors' report of the academy trust for the year ended 31 August 2017.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Constitution

The academy trust was incorporated on 28 October 2011 as a company limited by guarantee and an exempt charity. The academy trust's memorandum and articles of association are the primary governing documents of the academy trust.

The trustees act as the directors of the academy trust for the purposes of company law.

Details of the trustees who served throughout the year except as noted are included in the Reference and Administrative Details on page 1.

Members' liability

Each member of the academy trust undertakes to contribute to the assets of the academy trust in the event of it being wound up whilst they are a member, or within one year after they cease to be a member, such amount as may be required, not exceeding £10, for the debts and liabilities contracted before they ceased to be a member.

Trustees' indemnities

The academy trust maintains trustees, governors' and officers' liability insurance which gives appropriate cover for any legal action brought against its trustees and governors. The academy trust has also granted indemnities to each of its trustees and other officers to the extent permitted by law. Qualifying third party indemnity provisions (as defined by section 234 of the Companies Act 2006) were in force during the period and remain in force, in relation to certain losses and liabilities which the trustees or other officers may incur to third parties in the course of acting as trustees or officers of the academy trust.

Details of the insurance cover are provided in note 11 to the financial statements.

Principal activities

The academy trust took over the operation of Borden Grammar School on the school's conversion to academy status on 1 January 2012. Since then the academy trust's principal object and activity has been to manage the school's provision of education to pupils between the ages of 11 and 18.

Method of recruitment and appointment or election of trustees

Under the terms of its Articles, the academy trust shall have the following trustees:

- Up to sixteen trustees, appointed by the members;
- Up to one LA trustee, appointed by the LA;
- Any staff trustees, provided that the number of trustees who are employees of the academy trust does not exceed one third of the total number of trustees;
- A minimum of two parent trustees, elected by the parents of registered pupils at the academy;
- The Headteacher;
- Any additional trustees, appointed by the Secretary of State as he thinks fit;
- Any further trustees, appointed by the Secretary of State as he thinks fit.

A trustee's term of office is four years (excluding the Headteacher) but a governor is eligible for re-election subject to remaining eligible to be a particular type of trustee.

The trustees shall each school year, at their first meeting in that year, elect a chairman and a vice-chairman from among their number. A trustee who is employed by the academy trust shall not be eligible for election as chairman or vice-chairman.

The trustees who were in office at 31 August 2017 and served throughout the year, except where shown, are listed on page 1.

Policies and procedures adopted for the induction and training of trustees

During the year under review the Full Governing Body met five times and there were seventeen committee meetings. The training and induction provided for new trustees will depend on their existing experience. Where necessary induction will provide training on charity and educational legal and financial matters. All new trustees will be given a tour of the academy and the chance to meet with staff and students. All trustees are provided with copies of policies, procedures, minutes, accounts, budgets, plans and other documents that they will need to undertake their role as trustees. As changes to the governing body are infrequent induction tends to be done informally and is tailored specifically to the individual.

Borden Grammar School Trust
(A company limited by guarantee)

Trustees' report (continued)
For the year ended 31 August 2017

Organisation structure

The organisational structure consists of three levels: the trustees/directors, the Senior Leadership Team and the Middle Management Team. The aim of the management structure is to devolve responsibility and encourage involvement in decision making at all levels.

The trustees are responsible for setting general policy, adopting an annual plan and budget, monitoring the academy by the use of budgets and making major decisions about the direction of the academy, capital expenditure and senior staff appointments.

The Senior Leadership Team comprises the Headteacher, one Deputy Headteacher, three Assistant Headteachers and a Bursar. These managers control the academy at an executive level implementing the policies laid down by the trustees and reporting back to them. As a group the Senior Leadership Team are responsible for the authorisation of spending within agreed budgets and the appointment of staff, though appointment boards for posts in the Senior Leadership Team always contain at least one trustee. Some spending control is devolved to members of the Middle Management Team.

The Middle Management Team includes Head of Department, Pastoral and Learning Leaders (Heads of Year) and the Additional Educational Needs Co-ordinator. Along with the Senior Leadership Team these managers are responsible for the day to day operation of the academy, in particular organising the teaching staff, facilities and students.

Arrangements for setting pay and remuneration of key management personnel

Details of the arrangements for setting the academy's pay and remuneration are set out in the school policies for firstly Pay, and secondly Appraisal. These policies detail the procedures for applying to go through threshold and/or pay progression, which is not automatic. The processes apply equally to the leadership group, teaching staff and support staff.

Risk management

The trustees have assessed the major risks to which the academy is exposed, in particular those relating to the specific teaching, provision of facilities and other operational areas of the academy, and its finances. The trustees have implemented a number of systems to assess risks that the school faces, especially in the operational areas (e.g. in relation to teaching, health and safety, bullying and school trips) and in relation to the control of finance. They have introduced systems, including operational procedures (e.g. vetting of new staff and visitors, supervision of school grounds) and internal financial controls (see below) in order to minimise risk. Where significant financial risk still remains they have ensured they have adequate insurance cover. The academy has an effective system of internal financial controls and this is explained in more detail in the following statement.

Connected organisations, including related parties

Borden Grammar School Voluntary Fund is a separately registered charity, registration no 1098112. Its principal objects are the provision of items, services and facilities for the school by the making of grants to the school and individuals.

Borden Sport Limited is a non-profit making company limited by guarantee, registration number 03859564. It provides sporting facilities for the school and the local community. Some of the trustees of the academy are directors of Borden Sport Limited.

The land on which sports pitches and a clubhouse are situated is leased by Borden Grammar School Trust to Borden Sport Limited. The Borden Grammar School Trust referred to here is a separate trust which happens to have the same name as the academy trust, and this trust holds the freehold interest in the main school site, subject to the academy's trust's rights to occupation. It also occasionally provides funds to the school for the payment of scholarships, prizes and other matters.

There is also a Parents & Friends Association, also established as a separately registered charity, registration number 800823, which organises various fundraising events to provide facilities for the pupils of Borden Grammar School.

OBJECTIVES AND ACTIVITIES

Objects and aims

The academy trust took over the operation of Borden Grammar School on the school's conversion to academy status on 1 January 2012. Since then the academy trust's principal object and activity has been to manage the school's provision of education to pupils between the ages of 11 and 18.

Objective, strategies and activities

The main objectives of the academy trust during the year ended 31 August 2017 are summarised below:

- to ensure that every child enjoys the same high quality education in terms of resourcing, tuition and care;
- to raise the standard of educational achievement of all pupils;
- to improve the effectiveness of the academy by keeping the curriculum and organisational structure under continual review;
- to provide value for money for the funds expended;
- to comply with all appropriate statutory and curriculum requirements;
- to conduct the academy's business in accordance with the highest standards of integrity, probity and openness.

Borden Grammar School Trust
(A company limited by guarantee)

Trustees' report (continued)
For the year ended 31 August 2017

The academy trust's main strategy is encompassed in its mission statement which is to provide a challenging, inspiring and caring environment which encourages our students to achieve their personal aspirations in academic, sporting and cultural spheres and enables them to thrive socially and academically.

To this end the activities provided include:

- tuition and learning opportunities for all students to attain appropriate academic qualifications;
- training opportunities for all staff, and especially teaching staff;
- a programme of sporting and after school leisure activities for all students;
- a system of after school clubs and some weekend activities; and
- a careers advisory service to help students obtain employment or move on to higher education.

Public benefit

Borden Grammar School is a state funded Grammar School and strives to promote and support the advancement of education within the Swale area. The school provides an extensive programme of educational and recreational activity - all designed to contribute to the overall education of our students in areas such as academic distinction, music, the arts and sport.

Wherever possible the school also aims to contribute to the benefit of the wider public, through the provision of incidental educational and other activities. The students and staff are regularly involved in charitable activities, such as sponsored events and fundraising events and some profit made from school productions is donated to a charity agreed upon by the students via the School Council. Over the year the contributions that benefit the local community included the following:

- Curriculum support to Primary Schools via Middle Leader support and the Aim Higher Club;
- Regular letting of sports facilities to organisations such as Park Tavern FC;
- Regular letting of school facilities to 5th Sittingbourne Scout Group, The Dog Training Company and the Kent Stage Academy;
- Ad hoc letting of facilities to organisations for fundraising events;
- Letting of facilities for annual events organised by Kent Stage Academy, Sittingbourne Scout Group and Sittingbourne in Bloom;
- Letting to the Parents and Friends Association for their annual Boot Fair;
- BGS Theatre Group, which includes students from Borden Grammar as well as other local schools, using school facilities for public performances.

The trustees have considered the impact of the public benefit requirement including the guidance issued by the Charity Commission and confirm compliance with this duty through the above, together with the provision of education which the trustees is demonstrably to the public benefit.

STRATEGIC REPORT

Achievements and performance

The trustees were pleased with the main academic achievement in the period, which can be summarised as follows:

- 91% of GCSE students achieved 5 or more A*-C grades inc. English & Mathematics at grade 4;
- 95% of GCSE students achieved a standard pass in English (grade 4);
- 94% of GCSE students achieved a standard pass in Maths (grade 4);
- 86% of GCSE students achieved a strong pass in English (grade 5);
- 78% of GCSE students achieved a strong pass in Maths (grade 5);
- 52 students out of 120 who took examinations gained 5 or more A/A* or 7-9 grades;
- Over 40% of GCSE grades were at grades 7-9 or A*/A;
- Over 68% of students achieved the EBacc standard pass;
- 98% of Year 13 achieved two A Level passes or more;
- 57% of Y12 external exams were at A-B grades.

Going concern

After making appropriate enquiries, the trustees have a reasonable expectation that the Academy trust has adequate resources to continue in operational existence for the foreseeable future. For this reason it continues to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the Statement of Accounting Policies.

Borden Grammar School Trust
(A company limited by guarantee)

Trustees' report (continued)
For the year ended 31 August 2017

Key financial performance indicators

The trustees consider that the following are key performance indicators for the academy:

- Percentage of income received from ESFA spent on teaching staff;
- Percentage of income received from ESFA spent on total staff costs;
- Percentage of staff costs over total revenue expenditure;
- Pupils numbers (leading directly to ESFA funding level); and
- General financial stability - aim for income to match or exceed expenditure each year.

The trustees ensure sound financial management is achieved by regularly reviewing the academy's budget position and comparing academy results with available benchmarking data. They are satisfied that results for all key performance indicators listed have been as expected during the period.

In recent years Borden has improved its financial position and general financial stability by attracting stronger student numbers into the school in both year 7 and year 12. Significantly the overall size of the school since the current Headteacher was appointed has increased from 770 in 2013 to 840 in 2017. Of particular interest for the long term viability of the school is the growth in numbers of students entering the school in Year 7 as they are likely to be a Borden student for 5-7 years. The current KS3 contains 390 students compared to 345 in 2013. The sixth form numbers are stable at present and show an increase of over 30 students compared to 2013. This reflects improvement in GCSE outcomes over the past 4 years that have enabled more students to access a Level 3 education. Moreover it reflects the fact that Ofsted has twice judged the school to be "Good" in November 2013 & 2016 respectively. Moreover the change in examination assessment system at KS4 has seen outcomes in students that confirm students are progressing in-line with expectations.

Financial review

Most of the academy trust's recurrent income is obtained from the ESFA in the form of grants, the use of which is restricted to particular purposes. The grants received from the ESFA during the year ended 31 August 2017 and the associated expenditure are shown as restricted funds in the Statement of Financial Activities ("SoFA"). Core grant income has been supplemented by capital funding, and also other income such as catering, and 6th Form partnership income. Total income for the year was £4.01m which compares to £3.92m in the previous year. The small increase in income is mainly due to a rise in core General Annual Grant (GAG) funding and other DfE/ESFA grants.

The incoming resources for the year have not been sufficient to cover total resources expended of £4.2m, resulting in net expenditure for the year of £243k, as shown on the Statement of Financial Activities ("SoFA"). This includes a net reduction of £170k on restricted fixed asset funds, arising due to a depreciation charge of £204k, a non-cash movement which writes off the cost of capitalised assets over their useful lives, notably the school buildings.

The SoFA also shows net expenditure on restricted funds; this overall deficit largely arises due to non-cash FRS 102 pension costs of £121k which form part of the overall movement in the Local Government Pension Scheme (LGPS) liability.

The revenue result for the year is therefore difficult to see on the face of the SoFA. On restricted revenue funds there was a small deficit for the year of £15k, but with a surplus of £63k on unrestricted funds the overall result on revenue funds for the year was a surplus of £48k.

As explained in the accounting policies section of the financial statements, the LGPS is a funded defined benefit pension scheme and a provision for estimated pension liabilities is included in the academy trust's Balance Sheet. Part of the movement each year relates to actuarial gains or losses due to changes in the underlying assumptions used by the actuary, and this year there was a substantial actuarial gain of £845k, which brings the overall movement in funds during the year to a net increase of £602k. This actuarial gain partially reverses the actuarial losses in recent years, and is in line with the movements seen by most academies after the triennial revaluation of the LGPS to 31 March 2016. This year the actuary who has calculated the movement in the deficit has advised that academies, in general, have seen their deficits reduce this year.

At 31 August 2017, the net book value of fixed assets was £9.75m and movements in tangible fixed assets are shown in note 12 to the financial statements. During the year the assets were used almost exclusively for providing education and the associated support services to the pupils of the academy, the only exceptions to this being limited letting of the premises to local community groups.

Financial position

The academy trust held fund balances at 31 August 2017 of £8.85m. These funds comprise restricted fixed asset funds of £9.8m, revenue funds of £249k and a pension fund showing a deficit of £1.16m.

The pension reserve is the only fund in deficit, and the reduction in the liability in the year has been explained in the financial review above. This deficit does not mean that an immediate liability crystallises. The accounting deficit has no direct effect on the employer contribution rate paid by the school, which is determined using longer-term funding assumptions.

Borden Grammar School Trust
(A company limited by guarantee)

Trustees' report (continued)
For the year ended 31 August 2017

Financial and risk management objectives and policies

The academy trust uses various financial instruments including cash and various items such as trade debtors and trade creditors that arise directly from its operations. The main purpose of these financial instruments is to maintain cash flow for the academy trust's operations.

The existence of these financial instruments exposes the academy trust to a number of financial risks which are described in more detail below. The main risks arising from the trust's financial instruments are liquidity risk and cash flow interest rate risk.

- *Liquidity risk* - the trust manages its cash resources, including sufficient working capital, so that all its operating needs are met without the need for short-term borrowing. Trustees review the amount of surplus cash and invest as appropriate so as to maximise interest income.
- *Interest rate risk* - the trust earns interest on cash deposits and with interest rates currently low, the directors will take appropriate action to ensure they maximise the income from these deposits.
- *Credit risk* is managed through regular contact with funders. Liquidity and cash flow risks are managed through the appropriate and carefully managed use of financial instruments with our principal bankers.

Reserves policy

The trustees review the reserve levels of the academy annually. This review encompasses the nature of income and expenditure streams, the need to match income with commitments and the nature of the reserves.

PRINCIPAL RISK AND UNCERTAINTIES

The main risks that the academy is exposed to is summarised below. For each of these risks the probability, impact and seriousness have been considered together with appropriate action and avoidance plans:

- *Strategic and Reputational* - This covers unfavourable Ofsted reports, risk of uncontrollable events and insufficient demand for academy service, competition from other schools with similar objects and little scope for differentiation. It also includes the capacity of existing buildings to deliver teaching and learning to students. The school is very close to maximum capacity and this may be a real issue linked to possible increases in 6th form pupils.
- *Finance risk* - The risk of the academy not operating within its budget and running a deficit. Risks linked to income not increasing at the same rate of inflation (especially for 6th form pupils) over the coming years. There are also risks in connection with the deficit on the Local Government Pension Scheme, although the trustees are comfortable with the current level of employer contributions the academy is required to pay.

EQUAL OPPORTUNITIES

The trustees recognise that equal opportunities should be an integral part of good practice within the workplace. The academy trust aims to establish equal opportunity in all areas of its activities including creating a working environment in which the contribution and needs of all people are fully valued.

DISABLED PERSONS

Ramps and disabled toilets are installed and door widths are adequate to enable wheelchair access to all the ground floor areas of the academy trust buildings. Improvements to classrooms have been made by purchasing contrasting tables and chairs to support visually impaired students. The policy of the academy trust is to support recruitment and retention of students and employees with disabilities. The academy does this by adapting the physical environment, by making support resources available and through training and career development.

PLANS FOR FUTURE PERIODS

The trustees' main plans for future periods are:

- To successfully implement the new GCSE specifications across subject areas with regards to the performance all students by securing 40% of grades at grade 7 or better and 85% of grades at grade 5 or better.
- To improve progress made by students by the end of Year 13 so that over 45% of all results are at A*-B grades.
- To use the greater financial flexibility gained from academy status to modernise and update significant areas of pupils' learning environment.

Borden Grammar School Trust
(A company limited by guarantee)

Trustees' report (continued)
For the year ended 31 August 2017

DISCLOSURE OF INFORMATION TO AUDITORS

In so far as the trustees are aware:

- there is no relevant audit information of which the company's auditor is unaware; and
- the trustees have taken all the steps they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information.

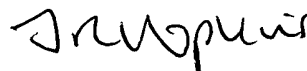

AUDITORS

The auditors, UHY Hacker Young, have indicated their willingness to remain in office, and the audit process will be reviewed in detail and re-appointment of the auditors will be considered following the forthcoming Annual General Meeting.

This report, incorporating the Strategic report, was approved by order of the Board of Trustees on 17 November 2017 and signed on the Board of Trustees' behalf by:

Mr G Wetherell
Chair of Trustees

Mr J Hopkins
Headteacher and Accounting Officer, Ex-Officio

Borden Grammar School Trust
(A company limited by guarantee)

Governance Statement

Scope of Responsibility

As trustees, we acknowledge we have overall responsibility for ensuring that Borden Grammar School Trust has an effective and appropriate system of control, financial and otherwise. However such a system is designed to manage rather than eliminate the risk of failure to achieve business objectives, and can provide only reasonable and not absolute assurance against material misstatement or loss.

The board of trustees has delegated the day-to-day responsibility to the Headteacher, as Accounting Officer, for ensuring financial controls conform with the requirements of both propriety and good financial management and in accordance with the requirements and responsibilities assigned to it in the funding agreement between Borden Grammar School Trust and the Secretary of State for Education. They are also responsible for reporting to the board of trustees any material weaknesses or breakdowns in internal control.

Governance

The information on governance included here supplements that described in the Trustees' report and in the Statement of Trustees' responsibilities. The board of trustees has formally met 4 times during the year. Attendance during the year at meetings of the board of trustees was as follows. *(note that the Finance meeting on 26th June was extended to the Full Governing Body in order to approve the budget forecast for 2017 – 18):*

Trustee	Meetings attended	Out of a possible
Mr Gerry Wetherell, Chair of Governors	4	5
Mr P Bromwich	5	5
Mrs B Casbolt	4	5
Mr C Browne	5	5
Mr C Easton	5	5
Mrs H Hendry	5	5
Mrs Y Herbert	5	5
Mr T Hewett, Staff Trustee	5	5
Mr J Hopkins, Headteacher, Accounting Officer	5	5
Mrs S Mendoza	4	5
Ms V Meacham	4	5
Mrs M Johnson	3	5
Mrs M Brooker, Staff Trustee	3	5
Mrs E Carter, Staff Trustee	4	5
Mr M Stewart	3	5

Ofsted met with key trustees as part of their November 2016 Inspection. Ofsted's evaluation of the work of the governors helped to inform a judgment that the school 'continues to be good' and the strength of leadership is recognized throughout the report.

Secondly, the trustees have taken steps to ensure that the capacity of the governors to uphold standards in the school through careful succession planning is in place. This has been reflected in the distribution of governors across sub-committees and within the leadership of governor sub-committees. In addition governors have been particularly active in securing and listening to student voice within governor visits to inform their views of the school and the effectiveness of both teaching and pastoral care. In turn this has informed how the Standards Committee reviews the quality of teaching and learning and the priorities for the School Improvement Plan in 2017-18.

Borden Grammar School Trust
(A company limited by guarantee)

Governance Statement (continued)

The Finance & Resources Committee is a sub-committee of the main board of trustees. Its purpose is to effectively plan and monitor the financial resources of the academy. The Finance and Resources Committee's remit also includes the functions of an audit committee.

Attendance at Finance & Resources Committee meetings in the year was as follows (*note that the meeting on 26th June was extended to the Full Governing Body in order to approve the budget forecast for 2017 – 18*):

Trustee	Meetings attended	Out of a possible
Mr P Bromwich	5	5
Mr J Hopkins, Headteacher/Accounting Officer	5	5
Mr G Wetherell, Chair of Trustees	4	5
Mr C Browne	5	5
Mr T Hewett	5	5
Mrs E Carter	5	5
Ms V Meacham	4	5
Mrs Y Herbert	4	5

The Purpose of the System of Internal Control

The system of internal control is designed to manage risk to a reasonable level rather than to eliminate all risk of failure to achieve policies, aims and objectives; it can therefore only provide reasonable and not absolute assurance of effectiveness. The system of internal control is based on an ongoing process designed to identify and prioritise the risks to the achievement of academy policies, aims and objectives, to evaluate the likelihood of those risks being realised and the impact should they be realised, and to manage them efficiently, effectively and economically. The system of internal control has been in place in Borden Grammar School Trust for the year 1 September 2016 to 31 August 2017 and up to the date of approval of the annual report and financial statements.

Capacity to Handle Risk

The board of trustees has reviewed the key risks to which the academy is exposed together with the operating, financial and compliance controls that have been implemented to mitigate those risks. The board of trustees is of the view that there is a formal ongoing process for identifying, evaluating and managing the academy's significant risks, that has been in place for the year 1 September 2016 to 31 August 2017 and up to the date of approval of the annual report and financial statements. This process is regularly reviewed by the board of trustees.

The Risk and Control Framework

The academy's system of internal financial control is based on a framework of regular management information and administrative procedures including the segregation of duties and a system of delegation and accountability. In particular, it includes:

- comprehensive budgeting and monitoring systems with an annual budget and periodic financial reports which are reviewed and agreed by the board of trustees;
- regular reviews by the Finance & Resources Committee of reports which indicate financial performance against the forecasts and of major purchase plans, capital works and expenditure programmes;
- setting targets to measure financial and other performance;
- clearly defined purchasing (asset purchase or capital investment) guidelines;
- delegation of authority and segregation of duties; and
- identification and management of risks.

The board of trustees has considered the need for a specific internal audit function and has decided not to appoint an internal auditor. However, the Trustees have appointed UHY Hacker Young, the external auditors, to perform additional checks.

The auditors' role includes giving advice on financial matters and performing a range of checks on the academy's financial systems. On a quarterly basis, the auditors report to the board of trustees on the operation of the systems of control and on the discharge of the board of trustees' financial responsibilities.

The quarterly monitoring checks on the school systems help to ensure that appropriate systems are in place and are operating efficiently throughout the year, and narrative reports are issued to trustees after each monitoring visit.

The role of the external auditor in their capacity of providing an additional supplementary programme of work has been fully delivered in line with ESFA requirements and there have been no material control issues requiring urgent attention.

Borden Grammar School Trust
(A company limited by guarantee)

Governance Statement (continued)

Review of Effectiveness

As Accounting Officer, the Headteacher has responsibility for reviewing the effectiveness of the system of internal control. During the year in question the review has been informed by:

- the work of the external auditors;
- the financial management and governance self-assessment process;
- the work of the executive managers within the academy who have responsibility for the development and maintenance of the internal control framework.

The Accounting Officer has been advised of the implications of the result of their review of the system of internal control and a plan to address weaknesses and ensure continuous improvement of the system is in place.

Review of Value for money

As Accounting Officer the Headteacher has responsibility for ensuring that the academy delivers good value in the use of public resources. The Accounting Officer understands that value for money refers to the educational and wider societal outcomes achieved in return for the taxpayer resources received.

The Accounting Officer considers how the academy's use of its resources has provided good value for money during each academic year, and reports to the board of trustees where value for money can be improved, including the use of benchmarking data where appropriate. The Accounting Officer for the academy has delivered improved value for money during the year by:

- using performance data to compare attainment and other outcomes from all schools nationally, and with similar schools;
- using the information gained to challenge performance and set new targets; and
- using fair competition through quotations and tenders, ensuring resources and contracts for services are secured in the most economic, efficient and effective way.

At Borden Grammar School budgets are delegated to Heads of Department. In addition to curriculum budgets the Headteacher holds a 'contingency' budget which can approve additional bids from budget holders in response to needs or wants. Sustained educational outcomes, particularly at GCSE and Y12 have been secured against a backdrop of significant funding cuts which have resulted in budget holders having to make difficult decisions.

All staff adhere to the school procedures for purchasing items, as laid down in the Financial Regulations Manual, paying regard to value for money at all times. The Headteacher or designated deputy authorises all orders and invoices prior to payment.

Where the school purchases large items, we adhere to the following:

- for orders in excess of £50,000, no fewer than three competitive tenders are sought and submitted to the Full Governing Body for approval;
- for orders in excess of £8,000, but less than £50,000, three written quotations are obtained and submitted to the Resources Committee for approval and report to the Full Governing Body. If an urgent decision is required for purchases up to £50,000, the Bursar seeks agreement from the Chair of Governors, Vice Chair of Governors and Chair of Resources Committee and report to the Full Governing Body at the next meeting ; and
- the School also adopts the procedure where quotations are sought for all purchases exceeding £1,000 (either for individual or multiple items)

The school has established procedures for assessing need and obtaining goods and services which provide best value in terms of suitability, efficiency, time and cost. Maintenance contracts are reviewed regularly.

The performance management process is applied rigorously to ensure that pay progression is in line with the school's policies on Appraisal and Pay. In particular staff moving through threshold have to meet clear criteria, progression is not automatic; standards are more exacting as staff progress through the Upper Pay Scale.

TLR values have been reviewed, particularly for middle leaders, in response to benchmarking activity with the KMGSA. In addition a review of Support Staff remuneration also affected a number of staff.

Borden Grammar School Trust
(A company limited by guarantee)

Governance Statement (continued)

In response to the challenge posed by budget cuts the school has looked to rationalise staffing wherever possible in response to opportunities presented by 'natural wastage.' Consequently, certain roles, particularly among support staff have been amalgamated or re-distributed in order realise efficiency gains for the Academy.

Approved by order of the members of the board of trustees on 17 November 2017 and signed on their behalf, by:

Mr G Wetherell
Chair of Trustees

Mr J Hopkins
Headteacher and Accounting Officer, Ex-Officio

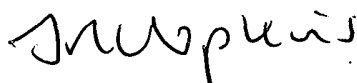

Borden Grammar School Trust
(A company limited by guarantee)

Statement on Regularity, Propriety and Compliance

As Accounting Officer of Borden Grammar School Trust I have considered my responsibility to notify the academy trust board of trustees and the Education and Skills Funding Agency (ESFA) of material irregularity, impropriety and non-compliance with ESFA terms and conditions of funding, under the funding agreement in place between the academy trust and the Secretary of State for Education. As part of my consideration I have had due regard to the requirements of the Academies Financial Handbook 2016.

I confirm that I and the academy trust board of trustees are able to identify any material irregular or improper use of funds by the academy trust, or material non-compliance with the terms and conditions of funding under the academy trust's funding agreement and the Academies Financial Handbook 2016.

I confirm that no instances of material irregularity, impropriety or funding non-compliance have been discovered to date. If any instances are identified after the date of this statement, these will be notified to the board of trustees and ESFA.

Mr. J. Hopkins
Accounting Officer

17 November 2016

Borden Grammar School Trust
(A company limited by guarantee)

Statement of Trustees' Responsibilities
For the Year Ended 31 August 2017

The Trustees (who act as governors of Borden Grammar School Trust and are also the directors of the charitable company for the purposes of company law) are responsible for preparing the Strategic report, the Trustees' report and the financial statements in accordance with the Annual Accounts Direction issued by the Education and Skills Funding Agency, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

Company law requires the Trustees to prepare financial statements for each financial year. Under company law the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP 2015 and the Academies Accounts Direction 2016 to 2017;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards (FRS 102) have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees are responsible for ensuring that in its conduct and operation the charitable company applies financial and other controls, which conform with the requirements both of propriety and of good financial management. They are also responsible for ensuring grants received from ESFA/DfE have been applied for the purposes intended.

The Trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Approved by order of the members of the board of trustees on 17 November 2017 and signed on its behalf by:

Mr G Wetherell
Chair of Trustees

Borden Grammar School Trust
(A company limited by guarantee)

Independent Auditors' Report on the Financial Statements to the Members of Borden Grammar School Trust

Opinion

We have audited the financial statements of Borden Grammar School Trust for the year ended 31 August 2017 which comprise the Statement of financial activities incorporating income and expenditure account, the Balance sheet, the Statement of cash flows and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including FRS 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland', the Charities SORP 2015 and the Academies Accounts Direction 2016 to 2017 issued by the Education and Skills Funding Agency.

This report is made solely to the academy's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the academy's members those matters we are required to state to them in an Auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the academy and its members, as a body, for our audit work, for this report, or for the opinions we have formed.

In our opinion the financial statements:

- give a true and fair view of the state of the academy's affairs as at 31 August 2017 and of its incoming resources and application of resources, including its income and expenditure for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006, the Charities SORP 2015 and the Academies Accounts Direction 2016 to 2017 issued by the Education and Skills Funding Agency.

Basis of opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the academy in accordance with the ethical requirements that are relevant to our audit of the financial statements in the United Kingdom, including the Financial Reporting Council's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the Trustees' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the Trustees have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the academy's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Other information

The Trustees are responsible for the other information. The other information comprises the information included in the Annual report, other than the financial statements and our Auditor's report thereon. Our opinion on the financial statements does not cover the information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Borden Grammar School Trust
(A company limited by guarantee)

Independent Auditors' Report on the Financial Statements to the Members of Borden Grammar School Trust

Opinion on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Trustees' Report including the Strategic Report for which the financial statements are prepared is consistent with the financial statements.
- the Trustees' Report and the Strategic Report have been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of our knowledge and understanding of the academy and its environment obtained in the course of the audit, we have not identified material misstatements in the Trustees' Report including the Strategic Report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of Trustees' remunerations specified by law not made; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the Statement of Trustees' responsibilities, the Trustees (who are also the directors of the academy for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees are responsible for assessing the academy's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the academy's or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. The description forms part of our Auditor's report.

Borden Grammar School Trust
(A company limited by guarantee)

Independent Reporting Accountants' Assurance Report on Regularity to Borden Grammar School Trust and the Education and Skills Funding Agency

In accordance with the terms of our engagement letter dated 24 September 2014 and further to the requirements of the Education and Skills Funding Agency (ESFA) as included in the Academies Accounts Direction 2016 to 2017, we have carried out an engagement to obtain limited assurance about whether the expenditure disbursed and income received by Borden Grammar School Trust during the year 1 September 2016 to 31 August 2017 have been applied to the purposes identified by Parliament and the financial transactions conform to the authorities which govern them.

This report is made solely to Borden Grammar School Trust and the ESFA in accordance with the terms of our engagement letter. Our work has been undertaken so that we might state to Borden Grammar School Trust and the ESFA those matters we are required to state in a report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than Borden Grammar School Trust and the ESFA, for our work, for this report, or for the conclusion we have formed.

Respective responsibilities of Borden Grammar School Trust's accounting officer and the reporting accountant

The Accounting Officer is responsible, under the requirements of Borden Grammar School Trust's funding agreement with the Secretary of State for Education dated 9 February 2012, and the Academies Financial Handbook extant from 1 September 2016, for ensuring that expenditure disbursed and income received is applied for the purposes intended by Parliament and the financial transactions conform to the authorities which govern them.

Our responsibilities for this engagement are established in the United Kingdom by our profession's ethical guidance and are to obtain limited assurance and report in accordance with our engagement letter and the requirements of the Academies Accounts Direction 2016 to 2017. We report to you whether anything has come to our attention in carrying out our work which suggests that in all material respects, expenditure disbursed and income received during the year 1 September 2016 to 31 August 2017 have not been applied to purposes intended by Parliament or that the financial transactions do not conform to the authorities which govern them.

Approach

We conducted our engagement in accordance with the Academies Accounts Direction 2016 to 2017 issued by the ESFA. We performed a limited assurance engagement as defined in our engagement letter.

The objective of a limited assurance engagement is to perform such procedures as to obtain information and explanations in order to provide us with sufficient appropriate evidence to express a negative conclusion on regularity.

A limited assurance engagement is more limited in scope than a reasonable assurance engagement and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in a reasonable assurance engagement. Accordingly, we do not express a positive opinion.

Our engagement includes examination, on a test basis, of evidence relevant to the regularity and propriety of the academy's income and expenditure.

We conducted our work in accordance with Technical Release TECH 08/12 AAF issued by the Institute of Chartered Accountants In England and Wales. In accordance with that Technical Release we have carried out the procedures we consider necessary to arrive at our conclusion. Other than those procedures undertaken for the purposes of our audit of the financial statements of Borden Grammar School Trust for the year ended 31 August 2017 which provide evidence on regularity, our work was limited to only those additional procedures necessary to provide limited assurance.

The work undertaken to draw to our conclusion included:

- an assessment of the risk of material irregularity and impropriety across all of the academy trust's activities;
- further testing and review of the areas identified through the risk assessment including enquiry, identification of control processes and examination of supporting evidence across all areas identified as well as additional verification work where considered necessary; and
- consideration of evidence obtained through the work detailed above and the work completed as part of our financial statements audit in order to support the regularity conclusion.

Borden Grammar School Trust
(A company limited by guarantee)

Independent Reporting Accountants' Assurance Report on Regularity to Borden Grammar School Trust and the Education and Skills Funding Agency (continued)

Conclusion

In the course of our work, nothing has come to our attention which suggests that in all material respects the expenditure disbursed and income received during the year 1 September 2016 to 31 August 2017 have not been applied to purposes intended by Parliament and the financial transactions do not conform to the authorities which govern them.

Notes to the Financial Statements
For the Year Ended 31 August 2017

1. Accounting Policies

A summary of the principal accounting policies adopted (which have been applied consistently, except where noted), judgments and key sources of estimation uncertainty, is set out below.

1.1 Basis of preparation of financial statements

The financial statements of the academy trust, which is a public benefit entity under FRS 102, have been prepared under the historical cost convention in accordance with the Financial Reporting Standard Applicable in the UK and Republic of Ireland (FRS 102), the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)), the Academies Accounts Direction 2016 to 2017 issued by ESFA, the Charities Act 2011 and the Companies Act 2006.

Borden Grammar School Trust constitutes a public benefit entity as defined by FRS 102.

1.2 Fund accounting

Unrestricted income funds represent those resources which may be used towards meeting any of the charitable objects of the academy at the discretion of the Trustees.

Restricted fixed asset funds are resources which are to be applied to specific capital purposes imposed by the Department for Education where the asset acquired or created is held for a specific purpose.

Restricted general funds comprise all other restricted funds received with restrictions imposed by the funder and include grants from the Department for Education.

1.3 Income

All income is recognised once the academy has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Grants are included in the Statement of financial activities incorporating income and expenditure account on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the Balance sheet. Where income is received in advance of entitlement of receipt, its recognition is deferred and included in creditors as deferred income. Where entitlement occurs before income is received, the income is accrued.

General Annual Grant is recognised in full in the Statement of financial activities incorporating income and expenditure account in the year for which it is receivable and any abatement in respect of the period is deducted from income and recognised as a liability.

Capital grants are recognised when there is entitlement and are not deferred over the life of the asset on which they are expended. Unspent amounts of capital grant are reflected in the balance in the restricted fixed asset fund.

Sponsorship income provided to the academy which amounts to a donation is recognised in the Statement of financial activities incorporating income and expenditure account in the period in which it is receivable, where receipt is probable and it is measurable.

Donations are recognised on a receivable basis where receipt is probable and the amount can be reliably measured.

Other income, including the hire of facilities, is recognised in the period in which it is receivable and to the extent the goods have been provided or on completion of the service.

Borden Grammar School Trust
(A company limited by guarantee)

Notes to the Financial Statements
For the Year Ended 31 August 2017

1. Accounting Policies (continued)

1.4 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

Expenditure on charitable activities are costs incurred on the academy's educational operations, including support costs and those costs relating to the governance of the academy appointed to charitable activities.

All expenditure is inclusive of irrecoverable VAT.

1.5 Going concern

The Trustees assess whether the use of going concern is appropriate, i.e. whether there are any material uncertainties related to events or conditions that may cast significant doubt on the ability of the academy to continue as a going concern. The Trustees make this assessment in respect of a period of at least one year from the date of authorisation for issue of the financial statements and have concluded that the academy trust has adequate resources to continue in operational existence for the foreseeable future and there are no material uncertainties about the academy trust's ability to continue as a going concern, thus they continue to adopt the going concern basis of accounting in preparing the financial statements.

1.6 Tangible fixed assets and depreciation

All assets costing more than £2,000 are capitalised and are carried at cost, net of depreciation and any provision for impairment.

Where tangible fixed assets have been acquired with the aid of specific grants, either from the government or from the private sector, they are included in the Balance sheet at cost and depreciated over their expected useful economic life. Where there are specific conditions attached to the funding requiring the continued use of the asset, the related grants are credited to a restricted fixed asset fund in the Statement of financial activities incorporating income and expenditure account and carried forward in the Balance sheet. Depreciation on the relevant assets is charged directly to the restricted fixed asset fund in the Statement of financial activities incorporating income and expenditure account. Where tangible fixed assets have been acquired with unrestricted funds, depreciation on such assets is charged to the unrestricted fund.

Depreciation is provided on all tangible fixed assets other than freehold land, at rates calculated to write off the cost of these assets, less their estimated residual value, over their expected useful lives on the following bases:

Interest in school buildings	-	2% straight line
Motor vehicles	-	25% straight line
Fixtures and fittings	-	25% straight line
Office equipment	-	33.33% straight line

A review for impairment of a fixed asset is carried out if events or changes in circumstances indicate that the carrying value of any fixed asset may not be recoverable. Shortfalls between the carrying value of fixed assets and their recoverable amounts are recognised as impairments. Impairment losses are recognised in the Statement of financial activities incorporating income and expenditure account.

1.7 Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

Borden Grammar School Trust
(A company limited by guarantee)

Notes to the Financial Statements
For the Year Ended 31 August 2017

1. Accounting Policies (continued)

1.8 Cash at Bank and in hand

Cash at bank and in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

1.9 Liabilities and provisions

Liabilities and provisions are recognised when there is an obligation at the Balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably. Liabilities are recognised at the amount that the academy anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide. Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised within interest payable and similar charges.

1.10 Financial instruments

The academy only holds basic financial instruments as defined in FRS 102. The financial assets and financial liabilities of the academy and their measurement basis are as follows:

Financial assets - trade and other debtors are basic financial instruments and are debt instruments measured at amortised cost as detailed in note 13. Prepayments are not financial instruments. Amounts due to the academy's wholly owned subsidiary are held at face value less any impairment. Cash at bank is classified as a basic financial instrument and is measured at face value.

Financial liabilities - trade creditors, accruals and other creditors are financial instruments, and are measured at amortised costs as detailed in note 14. Taxation and social security are not included in the financial instruments disclosure definition. Deferred income is not deemed to be a financial liability, as the cash settlement has already taken place and there is an obligation to deliver services rather than cash or another financial instruments. Amounts due to the academy's wholly owned subsidiary are held at face value less any impairment.

1.11 Taxation

The academy is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the academy is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

Borden Grammar School Trust
(A company limited by guarantee)

Notes to the Financial Statements
For the Year Ended 31 August 2017

1. Accounting Policies (continued)

1.12 Pensions

Retirement benefits to employees of the academy trust are provided by the Teachers' Pension Scheme ("TPS") and the Local Governments Pension Scheme ("LGPS"). These are defined benefit schemes.

The TPS is an unfunded scheme and contributions are calculated so as to spread the cost of pensions over employees' working lives with the Academy trust in such a way that the pension cost is a substantially level percentage of current and future pensionable payroll. The contributions are determined by the Government Actuary on the basis of quadrennial valuations using a prospective unit credit method. As stated in note 19, the TPS is a multi-employer scheme and there is insufficient information available to use defined benefit accounting. The TPS is therefore treated as a defined contribution scheme for accounting purposes and the contributions recognised in the period to which they relate.

The LGPS is a funded scheme and the assets are held separately from those of the academy trust in separate trustee administered funds. Pension scheme assets are measured at fair value and liabilities are measured on an actuarial basis using the projected unit credit method and discounted at a rate equivalent to the current rate of return on a high quality corporate bond of equivalent term and currency to the liabilities. The actuarial valuations are obtained at least triennially and are updated at each Balance sheet date. The amounts charged to operating surplus are the current service costs and the costs of scheme introductions, benefit changes, settlements and curtailments. They are included as part of staff costs as incurred. Net interest on the net defined benefit liability/asset is also recognised in the Statement of financial activities incorporating income and expenditure account and comprises the interest cost on the defined benefit obligation and interest income on the scheme assets, calculated by multiplying the fair value of the scheme assets at the beginning of the period by the rate used to discount the benefit obligations. The difference between the interest income on the scheme assets and the actual return on the scheme assets is recognised in other recognised gains and losses.

Actuarial gains and losses are recognised immediately in other recognised gains and losses.

1.13 Agency arrangements

The academy trust acts as an agent in distributing 16-19 bursary funds from ESFA. Payments received from ESFA and subsequent disbursements to students are excluded from the statement of financial activities as the trust does not have control over the charitable application of the funds. The trust can use a percentage of the allocation towards its own administration costs, however chooses not to do so. The funds received and paid and any balances held are disclosed in note 23.

1.14 Critical accounting estimates and areas of judgment

Estimates and judgments are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Critical accounting estimates and assumptions:

The academy trust makes estimates and assumptions concerning the future. The resulting accounting estimates and assumptions will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

The present value of the Local Government Pension Scheme defined benefit liability depends on a number of factors that are determined on an actuarial basis using a variety of assumptions. The assumptions used in determining the net cost (income) for pensions include the discount rate. Any changes in these assumptions, which are disclosed in note 19, will impact the carrying amount of the pension liability. Furthermore a roll forward approach which projects results from the latest full actuarial valuation performed at 31 March 2016 has been used by the actuary in valuing the pensions liability at 31 August 2017. Any differences between the figures derived from the roll forward approach and a full actuarial valuation would impact on the carrying amount of the pension liability.

Borden Grammar School Trust
(A company limited by guarantee)

Notes to the Financial Statements
For the Year Ended 31 August 2017

2. Income from donations and capital grants

Notes to the Financial Statements
For the Year Ended 31 August 2017

9. Staff costs

Staff costs were as follows:

	2017	2016
	£	£
Wages and salaries	2,510,333	2,470,618
Social security costs	241,975	209,170
Operating costs of defined benefit pension schemes	500,969	460,520
	<u>3,253,277</u>	<u>3,140,308</u>
Supply teacher costs	22,812	83,168
Staff restructuring costs	-	3,750
	<u>3,276,089</u>	<u>3,227,226</u>

Staff restructuring costs comprise:

Redundancy payments	-	3,750
---------------------	---	-------

The average number of persons employed by the academy during the year was as follows:

	2017	2016
	No.	No.
Teachers	47	52
Administration and support	43	44
Management	6	8
	<u>96</u>	<u>104</u>

The number of employees whose employee benefits (excluding employer pension costs) exceeded £60,000 was:

	2017	2016
	No.	No.
In the band £ 60,001 - £ 70,000	1	1
In the band £ 70,001 - £ 80,000	1	1

All of the above employees participated in the Teachers Pension Scheme. During the year ended 31 August 2017 pension contributions for these staff amounted to £23,428 (2016 :£22,760).

The key management personnel of the academy trust comprise the trustees and senior management team as listed on page 1. The total amount of employee benefits (including employer pension contributions) received by key management personnel for their services to the academy trust was £403,804 (2016: £357,407).

Notes to the Financial Statements
For the Year Ended 31 August 2017

10. Trustees' remuneration and expenses

One or more Trustees has been paid remuneration or has received other benefits from an employment with the academy trust. The Principal and other staff Trustees only receive remuneration in respect of services they provide undertaking the roles of principal and other staff members under their contracts of employment, and not in respect of their role as Trustees. The value of Trustees' remuneration and other benefits was as follows:

		2017 £	2016 £
Jonathan Hopkins, Accounting Officer	Remuneration	75,000-80,000	70,000-75,000
	Pension contributions paid	10,000-15,000	10,000-15,000
Emma Carter	Remuneration	45,000-50,000	45,000-50,000
	Pension contributions paid	5,000-10,000	5,000-10,000
Tim Hewett	Remuneration	20,000-25,000	15,000-20,000
	Pension contributions paid	0-5,000	0-5,000
Michelle Brooker	Remuneration	45,000-50,000	-
	Pension contributions paid	5,000-10,000	-

During the year ended 31 August 2017, no Trustees received any reimbursement of expenses (2016 - £NIL).

11. Trustees' and Officers' Insurance

In accordance with normal commercial practice the academy has purchased insurance to protect trustees and officers from claims arising from negligent acts, errors or omissions occurring whilst on academy business. The insurance provides cover up to £5,000,000 on any one claim and the cost for the year ended 31 August 2017 was £767 (2016 - £706).

12. Tangible fixed assets

The specific purposes for which the funds are to be applied are as follows:

General Annual Grant ("GAG") must be used for the normal running costs of the academy trust. Some GAG money has been used to fund capital additions, hence a transfer from revenue to capital.

The other DfE/ESFA grants is used to track non-GAG grant money received from the DfE/EFA and connected bodies, and included Pupil Premium.

The other government grants fund is used to track grants provided by government departments.

The pensions reserve is a restricted fund to account for the liability arising under The Local Government Pension Scheme.

The restricted fixed asset funds are carried forward to meet the specific costs of fixed asset projects and to cover the depreciation charges that will be required on these projects going forward and the current fixed assets held.

19. Pension commitments

The academy's employees belong to two principal pension schemes: the Teacher's Pension Scheme for England and Wales (TPS) for academic and related staff; and the Local Government Pension Scheme (LGPS) for non-teaching staff, which is managed by Kent County Council. Both are Multi-employer defined benefit pension schemes.

The latest actuarial valuation of the TPS related to the period ended 31 March 2012 and of the LGPS 31 March 2016.

There were no outstanding or prepaid contributions at either the beginning or the end of the financial year.

Notes to the Financial Statements
For the Year Ended 31 August 2017

19. Pension commitments (continued)

Teachers' Pension Scheme

Introduction

The Teachers' Pension Scheme (TPS) is a statutory, contributory, defined benefit scheme, governed by the Teachers' Pensions Regulations (2010) and, from 1 April 2014, by the Teachers' Pension Scheme Regulations 2014. Membership is automatic for full-time teachers in academies and, from 1 January 2007, automatic for teachers in part-time employment following appointment or a change of contract, although they are able to opt out.

The TPS is an unfunded scheme and members contribute on a 'pay as you go' basis – these contributions along with those made by employers are credited to the Exchequer. Retirement and other pension benefits are paid by public funds provided by Parliament.

Valuation of the Teachers' Pension Scheme

The Government Actuary, using normal actuarial principles, conducts a formal actuarial review of the TPS in accordance with the Public Service Pensions (Valuations and Employer Cost Cap) Directions 2014 published by HM Treasury. The aim of the review is to specify the level of future contributions. Actuarial scheme valuations are dependent on assumptions about the value of future costs, design of benefits and many other factors. The latest actuarial valuation of the TPS was carried out as at 31 March 2012 and in accordance with the Public Service Pensions (Valuations and Employer Cost Cap) Directions 2014. The valuation report was published by the Department for Education on 9 June 2014. The key elements of the valuation and subsequent consultation are:

- employer contribution rates set at 16.48% of pensionable pay, including a 0.08% employer administration charge (currently 14.1%)
- total scheme liabilities (pensions currently in payment and the estimated cost of future benefits) for service to the effective date of £191,500 million, and notional assets (estimated future contributions together with the notional investments held at the valuation date) of £176,600 million giving a notional past service deficit of £14,900 million
- an employer cost cap of 10.9% of pensionable pay will be applied to future valuations
- the assumed real rate of return is 3.0% in excess of prices and 2% in excess of earnings. The rate of real earnings growth is assumed to be 2.75%. The assumed nominal rate of return is 5.06%.

During the previous year the employer contribution rate was 14.1%. The TPS valuation for 2012 determined an employer rate of 16.4%, which was payable from September 2015. The next valuation of the TPS is currently underway based on April 2016 data, whereupon the employer contribution rate is expected to be reassessed and will be payable from 1 April 2019.

The employer's pension costs paid to TPS in the period amounted to £297,000 (2016 - £323,000).

A copy of the valuation report and supporting documentation is on the Teachers' Pensions website (www.teacherspensions.co.uk/news/employers/2014/06/publication-of-the-valuation-report.aspx).

Under the definitions set out in FRS 102, the TPS is a multi-employer pension scheme. The trust has accounted for its contributions to the scheme as if it were a defined contribution scheme. The trust has set out above the information available on the scheme.

Local Government Pension Scheme

The LGPS is a funded defined benefit scheme, with assets held in separate trustee-administered funds. The total contribution made for the year ended 31 August 2017 was £107,000 (2016 - £110,000), of which employer's contributions totalled £83,000 (2016 - £87,000) and employees' contributions totalled £24,000 (2016 - £23,000). The agreed contribution rates for future years are 5.5% for employers and 12.5% for employees.

Parliament has agreed, at the request of the Secretary of State for Education, to a guarantee that, in the event of academy closure, outstanding Local Government Pension Scheme liabilities would be met by the Department for Education. The guarantee came into force on 18 July 2013.

Notes to the Financial Statements
For the Year Ended 31 August 2017

19. Pension commitments (continued)

Principal actuarial assumptions:

	2017	2016
Discount rate for scheme liabilities	2.60 %	2.20 %
Rate of increase in salaries	4.20 %	4.10 %
Rate of increase for pensions in payment / inflation	2.70 %	2.30 %

The current mortality assumptions include sufficient allowance for future improvements in mortality rates. The assumed life expectations on retirement age 65 are:

	2017	2016
Retiring today		
Males	23.0	22.9
Females	25.1	25.3
Retiring in 20 years		
Males	25.2	25.2
Females	27.4	27.7

Sensitivity analysis	At 31 August 2017	At 31 August 2016
	£	£
Discount rate +0.1%	2,548,000	3,119,000
Discount rate -0.1%	2,665,000	3,268,000
Mortality assumption - 1 year increase	2,693,000	3,274,000
Mortality assumption - 1 year decrease	2,522,000	3,114,000
CPI rate +0.1%	2,619,000	3,253,000
CPI rate -0.1%	2,593,000	3,135,000

The academy's share of the assets in the scheme was:

	Fair value at 31 August 2017	Fair value at 31 August 2016
	£	£
Equities	1,018,000	885,000
Gilts	10,000	12,000
Corporate bonds	139,000	140,000
Property	177,000	183,000
Cash and other liquid assets	46,000	31,000
Investment funds	55,000	57,000
Total market value of assets	1,445,000	1,308,000

The actual return on scheme assets was £225,000 (2016 - £157,000)..

Notes to the Financial Statements
For the Year Ended 31 August 2017

21. Members' liability

Each member of the charitable company undertakes to contribute to the assets of the company in the event of it being wound up while he/she is a member, or within one year after he/she ceases to be a member, such amount as may be required, not exceeding £10 for the debts and liabilities contracted before he/she ceases to be a member.

22. Related party transactions

Owing to the nature of the academy's operations and the composition of the board of trustees being drawn from local public and private sector organisations, transactions may take place with organisations in which the trust has an interest. All transactions involving such organisations are conducted at arm's length and in accordance with the academy's financial regulations and normal procurement procedures.

During the year the academy trust received income of £5,674 (2016: £5,379) from Borden Sport Limited, a company in which Mr. P. Bromwich is a director. Purchases of £25,570 were incurred from Borden Sport Limited (2016: (£10,500)). At 31 August 2017, Borden Sport Limited owed £446 (2016: £553) to the academy trust.

The academy trust also recognised a donation of £Nil (2016: £2,000) from the Borden Grammar School Trust, the separately registered charity with the same name as the academy trust (as explained in the connected organisations section of the trustees' report. At 31 August 2017, Borden Grammar School Trust owed the academy trust £Nil (2016: £Nil).

23. Agency Arrangements

The academy trust distributes 16-19 bursary funds to students as an agent for ESFA. In the accounting period ending 31 August 2017 the trust received £9,724 and disbursed £9,724 from the fund.
