### **STATEMENT OF DIRECTORS' RESPONSIBILITIES**

The directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law), including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland". Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

## **INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF DRILLSCENE LTD**

We have audited the financial statements of Drillscene Ltd for the year ended 31 March 2017, set out on pages 6 to 15. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland".

This report is made solely to the company's member, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's member those matters we are required to state in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's member as a body, for our audit work, for this report, or for the opinions we have formed.

### **Respective responsibilities of directors and auditor**

As explained more fully in the Statement of Directors' Responsibilities (set out on page 3), the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

### **Scope of the audit of the financial statements**

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the directors; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Annual Report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

### **Opinion on the financial statements**

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 March 2017 and of its loss for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, including FRS 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

### **Opinion on other matter prescribed by the Companies Act 2006**

In our opinion the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

## **INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF DRILLSCENE LTD (CONTINUED)**

### **Matters on which we are required to report by exception**

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the directors were not entitled to take advantage of the small companies' exemption from the requirement to prepare a Strategic Report or in preparing the Directors' Report.

### 2 ACCOUNTING POLICIES (CONTINUED)

#### Summary of disclosure exemptions

The company is a qualifying entity (for the purposes of FRS 102) and in consequence has taken advantage of the following disclosure exemptions:

- the requirement to present a statement of cash flows and related notes;
- the requirement to disclose transactions with group entities; and
- financial instrument disclosures, including: categories of financial instruments, items of income, expenses, gains or losses relating to financial instruments and exposure to and management of financial risks.

#### Name of parent of group

These financial statements are consolidated in the financial statements of Pineapple Corporation Plc. The financial statements of Pineapple Corporation Plc may be obtained from 12 Blacks Road, Hammersmith, London, W6 9EU

#### Judgements and key sources of estimation uncertainty

The preparation of financial statements in conformity with FRS 102 requires management to make judgements, estimates and assumptions that affect the application of policies and reported amounts of assets and liabilities, income and expenses. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the results of which form the basis of making the judgements about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates. The judgements, estimates and assumptions which have a significant risk of causing a material adjustment to the carrying amount of assets and liabilities are discussed below.

##### *Valuation of investment properties*

The property portfolio was revalued at the balance sheet date to fair value by the directors with assistance from Willmotts Chartered Surveyors on the basis of market value. Market value represents the figure that would appear in a hypothetical contract of sale between a willing buyer and a willing seller. Market value is estimated without regard to costs of sale. Property valuation is inherently subjective and contains a number of assumptions upon which the directors have based their valuation of the company's properties. The assumptions on which the valuation have been based include, but are not limited to, matters such as recent comparable market transactions on arm's length terms, the tenure and tenancy details for the properties, ground conditions at the properties and the structural condition of the properties. Any variation in the valuations would have a material effect on the profit after tax and the net asset value of the company.

#### Taxation

The company is a member of a UK Group Real Estate Investment Trust (GREIT). Consequently, the company no longer pays UK corporation tax on profits and gains from qualifying rental business provided it meets certain conditions. Non-qualifying profits and gains of the company continue to be subject to corporation tax as normal.

Deferred tax is not provided on timing differences arising from revaluation of investment properties as any gains realised would be exempt from taxation as long as the REIT conditions are met.

## **NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2017 (CONTINUED)**

### **2 ACCOUNTING POLICIES (CONTINUED)**

#### **Investment properties**

Investment properties are properties owned by the company which are held for long-term rental income or for capital appreciation or both and are included in fixed assets at their latest valuation plus subsequent additions at cost. Surpluses and deficits arising on valuation are taken direct to the Income Statement.

The group property portfolio (which includes the company's investment properties) is valued annually. At least 25 per cent of the properties held at the previous year end together with any additions during the year are valued by an external valuation agent and the remainder by the directors so that within every four year period all properties would have been subject to an external valuation.

#### **Payables**

Payables are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Accounts payable are classified as current liabilities if the company does not have an unconditional right, at the end of the reporting period, to defer settlement of the creditor for at least twelve months after the reporting date. If there is an unconditional right to defer settlement for at least twelve months after the reporting date, they are presented as non-current liabilities.

Payables are recognised initially at the transaction price and subsequently measured at amortised cost using the effective interest method.

#### **Share capital**

Ordinary shares are classified as equity. Equity instruments are measured at the fair value of the cash or other resources received or receivable, net of the direct costs of issuing the equity instruments. If payment is deferred and the time value of money is material, the initial measurement is on a present value basis.

### **3 DIRECTORS' REMUNERATION**

The directors did not receive any remuneration for services to the company during the year or preceding year. They are remunerated by other group companies.

### **4 AUDITOR'S REMUNERATION**

The auditor's remuneration for the year ended 31 March 2017 was borne by Pineapple Corporation Plc, the company's parent undertaking.
