- 6.3 A summary of the Joint Liquidators' expenses from 8 September 2017 to 7 September 2018 is attached at Appendix B. To assist creditors' understanding of this information, it has been separated into the following two categories:
- *Standard Expenses*: this category includes expenses payable by virtue of the nature of the liquidation process and / or payable in order to comply with legal or regulatory requirements.
 - *Case Specific Expenses*: this category includes expenses likely to be payable by the Joint Liquidators in carrying out their duties in dealing with issues arising in this particular liquidation. Included within this category are costs that are directly referable to the liquidation but are not paid to an independent third party (and which may include an element of allocated costs). These are known as 'category 2 disbursements' and they may not be drawn without creditor approval.

- 6.5 Attached at Appendix C is additional information in relation to the firm's policy on staffing, the use of subcontractors, disbursements and details of current charge-out rates by staff grade.

- 6.8 Under Rule 18.34 of the Rules, any secured creditor, or any unsecured creditor with either the concurrence of at least 10 per cent in value of the unsecured creditors (including that creditor), or the permission of the court, may within eight weeks of receipt of the progress report that first reports the fee basis, the charging of the remuneration or the incurring of the expenses in question, make an application to court on the grounds that, in all the circumstances, the basis fixed for the Joint Liquidators' remuneration is inappropriate and/or the remuneration charged or the expenses incurred by the Joint Liquidators, as set out in the progress report, are excessive.

LEONARD CURTIS POLICY REGARDING FEES, EXPENSES AND DISBURSEMENTS

The following Leonard Curtis policy information is considered to be relevant to creditors:

Staff Allocation and Charge Out Rates

We take an objective and practical approach to each assignment which includes active director involvement from the outset. Other members of staff will be assigned on the basis of experience and specific skills to match the needs of the case. Time spent by secretarial and other support staff on specific case related matters, e.g. report despatching, is not charged.

Where it has been agreed by resolution that the office holders’ remuneration will be calculated by reference to the time properly given by the office holders and their staff in attending to matters as set out in a fees estimate, then such remuneration will be calculated in units of 6 minutes at the standard hourly rates given below. In cases of exceptional complexity or risk, the insolvency practitioner reserves the right to obtain authority from the appropriate body of creditors that their remuneration on such time shall be charged at the higher complex rate given below.

The following hourly charge out rates apply to all assignments undertaken by Leonard Curtis:

	Standard	Complex
	£	£
Director	450	562
Senior Manager	410	512
Manager 1	365	456
Manager 2	320	400
Administrator 1	260	325
Administrator 2	230	287
Administrator 3	210	262
Administrator 4	150	187
Support	0	0

Office holders’ remuneration may include costs incurred by the firm’s in-house legal team, who may be used for non-contentious matters pertaining to the insolvency appointment.

Subcontractors

Where we subcontract out work that could otherwise be carried out by the office holder or his/her staff, this will be drawn to the attention of creditors in any report which incorporates a request for approval of the basis upon which remuneration may be charged. An explanation of why the work has been subcontracted out will also be provided.

Professional Advisors

Details of any professional advisor(s) used will be given in reports to creditors. Unless otherwise indicated the fee arrangement for each is based on hourly charge out rates, which are reviewed on a regular basis, together with the recovery of relevant disbursements.

The choice of professional advisors is based around a number of factors including, but not restricted to, their expertise in a particular field, the complexity or otherwise of the assignment and their geographic location.

Expenses

We are required to provide creditors with an estimate of the expenses we expect to be incurred in respect of an assignment and report back to them on actual expenses incurred and paid in our periodic progress reports. There are two broad categories of expenses: standard expenses and case specific expenses. These are explained in more detail below:
