3. PROGRESS OF THE CVA DURING THE PERIOD

Following the approval of resolutions to close the CVA upon the issuance of unsecured, zero coupon 10 year loan notes, the Supervisor has liaised extensively with the director and creditors regarding agreeing claims of the CVA.

The process of agreeing claims in this matter has proven to be relatively complex owing to the number of creditors involved and the potential for claims having been made across several insolvency procedures. The Supervisor is, however, confident that claims will be fully agreed early in the next reporting period.

Under the terms of the CVA, the CVA costs must be paid before issuing a Notice of Intended Dividend ("NOID"). The costs have been agreed outside of the CVA and funds have been

AVENTA CAPITAL PARTNERS LIMITED - COMPANY VOLUNTARY ARRANGEMENT PROGRESS REPORT

received. As at the conclusion of the review period the Supervisor is in a position to issue the NOID as soon as possible in the next reporting period. The terms of the CVA have therefore been complied with.

Future Actions

Once all claims have been agreed the Supervisor will proceed to issuing a NOID, distribute a first and final dividend based on the revised proposal terms introduced by the March 2020 variation. The Supervisor will then take the necessary steps to close the CVA on its full implementation.

4. COSTS OF THE CVA

A summary of the receipts and payments account is attached for your information, analysed to show activity in the last year and the entire period of the CVA as appropriate.

It shows actual receipts and actual payments rather than accrued and unrealised/unpaid receipts and payments.

Remuneration of the Supervisor

On 4 January 2018, creditors approved the drawing of the Supervisor's remuneration to be fixed by reference to the time properly given by him and his staff in attending to matters arising in the Arrangement and that he be allowed to draw such remuneration as and when funds permit without further recourse to the creditors of the Company.

The Supervisor's time costs for the period 4 January 2022 to 3 January 2023 are £8,783.00 and are shown in more detail at the end of this report. This represents 26.5 hours at an average hourly rate of £331.43. Time has been mainly spent on Admin & Planning and Creditors; below is further guidance on the work involved for each category:

Category	Description of work undertaken
Admin & Planning	In respect of work undertaken in agreeing creditors claims, corresponding with the director and creditors, preparing and issuing the previous progress report, cashiering and financial matters, internal case reviews and all other statutory and admin work as required. Some aspects of this work are mandatory by statute and best practice requirements, and do not necessarily give rise to a financial benefit to creditors.
Creditors	In respect of work specifically relating to the agreement of creditors claims.

The Supervisor's total time costs to date since the commencement of the CVA are £25,553.00. This represents 97 hours at an average hourly rate of £263.43.

For transparency, payment of CVA costs has been dealt with separately outside of the CVA.

Expenses

Expenses are payments from the insolvent estate which are neither an office holder's remuneration nor a distribution to a creditor or member (as appropriate). Expenses include

AVENTA CAPITAL PARTNERS LIMITED - COMPANY VOLUNTARY ARRANGEMENT PROGRESS REPORT

disbursements, which are payments first met by the office holder, and then reimbursed to the office holder from the estate.

Expenses are split into those that do not need approval before they are charged to the estate (category 1) and those that do (category 2):

- Category 1 expenses are payments to persons providing the service to which the expense relates who are not an associate of the office holder and may be paid without prior approval.
- Category 2 expenses are payments to associates or which have an element of shared costs. Before being paid, category 2 expenses require approval in the same manner as an office holder's remuneration. Category 2 expenses require approval whether paid directly from the estate or as a disbursement.

Any expenses paid during the reporting period are shown on the receipts and payments account at the end of this report. All expenses incurred to date are shown below:

Expense Incurred	Incurred in prior period £	Incurred in this period £	Paid to end of period £	Total anticipated period end cost £
Category 1				
Court fee	50.00	-	-	50.00
Specific Bond	2,117.35	10.00	-	2,127.35
Category 2		-		
Photocopying & stationery	990.00		-	-
Total	3,157.35	10.00	-	2,177.35

Due to the changes to the Statement of Insolvency Practice 9 in England and Wales which became effective from April 2021, the Category 2 expense is no longer capable of being recharged.

The £10 bond premium incurred in the period related to the change of Supervisor.

A copy of 'A Creditors' Guide to Supervisors' Fees' which provides guidance on creditors' rights on how to approve and monitor a Supervisor's remuneration and on how the remuneration is set is available from the Supervisor on request at no cost.

OFFICE HOLDER'S FEES AND DISBURSEMENTS POLICY

Fees based on Time Properly Given and the Estimation of Fees

Each member of staff involved with the case will time charge on an individual basis. The hourly cost of each member of staff shall be calculated in accordance with their experience and resultant grade within the practice.

Recording of Fees

Time is formally recorded in prescribed categories in units of 6 minutes. All units of time properly spent working on the relevant insolvency appointment shall be recorded on a formal time management system and retained throughout appointment, irrespective of the basis of fees.

Charge Out Rates

Hourly charge out rates from 1 January 2022 are:

Charges for usual cases	Standard work (£)	Investigation work beyond 3 months (£)
Partner/Director/Consultant	395-500	474-600
Manager/Senior Manager	300-390	360-468
Assistant Manager	260-300	312-360
Administrator/Senior Administrator	175-240	210-288
Cashier	140	140
Junior and Support Staff	110-140	132-168

Hourly charge out rates for time spent under the category of investigations persisting beyond the first 3 months of an insolvency appointment shall be charged at a rate 20% higher than those shown above to reflect the speculative nature of the work being performed. This increase will not apply to work performed in relation to the categories of Admin and Planning, Creditors or Asset Realisations. The increase will also not apply to the cashier grade of staff as it is not envisaged the cashier grade would be utilised within the investigation work.

The basis upon which the Office Holder determines the appropriate charge out rate on the complexity of the case is detailed in the respective independent creditors' guides to fees, available to download from our company website or by email from this office.

The Office Holder reserves the right to uplift both the hourly rates and category 2 disbursements periodically without further recourse to the creditors. By law, such increases must be disclosed to creditors within each statutory report. Where such increases affect the total fees incurred and take these over the totality of any fee resolution proposed previously, an additional fee resolution will be sent to creditors for their consideration.

Support Staff

In an effort to minimise costs to the case, it is necessary to use support staff to undertake certain matters. Support staff time is charged in the same manner as technical staff on the rates outlined above.

VAT

Services provided by Insolvency practitioners are subject to VAT, except when acting as Nominee or Supervisor of an estate.

Our fees will be subject to VAT at the appropriate rate.

Where the case is not registered for VAT, VAT shall be shown as an irrecoverable expense of the estate.

Expenses

Every case dealt with will incur expenses in addition to fees.

Expenses are payments from the insolvent estate which are neither an office holder's remuneration nor a distribution to a creditor or member (as appropriate). Expenses include disbursements, which are payments first met by the office holder, and then reimbursed to the office holder from the estate.

Expenses are split into those that do not need approval before they are charged to the estate (category 1) and those that do (category 2):

- Category 1 expenses are payments to persons providing the service to which the expense relates who are not an associate of the office holder and may be paid without prior approval.
- Category 2 expenses are payments to associates or which have an element of shared costs. Before being paid, category 2 expenses require approval in the same manner as an office holder's remuneration. Category 2 expenses require approval whether paid directly from the estate or as a disbursement.

Category 1 can include, but not be limited to, insolvency bonds, statutory advertising, postage costs, company searches, land registry searches, post redirection, third party postal service, external room hire, public transport, subsistence and accommodation costs incurred by staff whilst attending to the administration of the estate, bank charges, Anti Money Laundering searches.

Category 2 can include, but not be limited to, mileage, storage of books and records where each estate is not separately invoiced but a per box charge is applied and the number of boxes for the case is known, any payments to a person/provider where a reasonable and informed third party would consider there to be an association.

Any authorised category 2 expenses which have been charged shall be shown in the statutory abstract of accounts.

Lucas Ross Limited currently charge mileage at 50 pence per mile.
