**NOTES TO THE ABBREVIATED ACCOUNTS  
FOR THE YEAR ENDED 30 SEPTEMBER 2015**

**1. ACCOUNTING POLICIES**

**Basis of preparing the financial statements**

In the opinion of the director the company acts as principal in all transactions carried out in its capacity of managing the property on behalf of the tenants of the property. Accordingly these accounts reflect all income receivable, and all expenditure incurred, by the company in the year.

The director recognises that any cash balances arising from tenants service charges are held on trust by the company on behalf of the tenants of the property. However in preparing these financial statements these monies are recorded as assets of the company as, in the opinion of the director, the company has the ability to deploy service charge funds advanced in its capacity of managing the property on behalf of the tenants, and therefore in substance has day to day control of any such cash balances, despite legal ownership of the balances being with the tenants.

**Accounting convention**

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

**Turnover**

Turnover represents amounts receivable from residents for rent and service charges, inclusive of VAT.

**Deferred tax**

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date. No provision for deferred taxation is necessary in these financial statements.

**2. GUARANTEE**

The company is limited by guarantee. The members of the company have agreed to contribute £1 each to the assets of the company in the event of the company being wound up either whilst they are members or within one year of them ceasing to be members. The total sum guaranteed is currently £2.
