### NOTES TO THE FINANCIAL STATEMENTS FOR THE PERIOD 1 MARCH 2021 TO 31 AUGUST 2022

### 1. STATUTORY INFORMATION

Site Specialist Services Design and Build Limited is a private company, limited by shares, registered in England and Wales. The company's registered number and registered office address can be found on the Company Information page.

The presentation currency of the financial statements is the Pound Sterling  $(\mathfrak{t})$ .

#### 2. ACCOUNTING POLICIES

#### Basis of preparing the financial statements

These financial statements have been prepared in accordance with Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" including the provisions of Section 1A "Small Entities" and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

In the opinion of the director it remains appropriate to prepare the financial statements on a going concern basis as the company's bankers and director/shareholders have undertaken to provide continuing financial support to the company to enable it to meet its liabilities as they fall due.

#### **Turnover**

Turnover represents net invoiced sales of goods and services, excluding VAT.

#### Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life or, if held under a finance lease, over the lease term, whichever is the shorter.

Plant and machinery

Motor vehicles

Computer equipment

- 15% on reducing balance
- 25% on reducing balance
- 33% on reducing balance

#### Stocks

Work in progress is valued at the lower of cost and net realisable value.

Cost is calculated using the first-in, first-out method and includes all purchase, transport, and handling costs in bringing stocks to their present location and condition.

#### **Taxation**

Taxation for the period comprises current and deferred tax. Tax is recognised in the Statement of Income and Retained Earnings, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

Current or deferred taxation assets and liabilities are not discounted.

Current tax is recognised at the amount of tax payable using the tax rates and laws that have been enacted or substantively enacted by the statement of financial position date.

## NOTES TO THE FINANCIAL STATEMENTS - continued FOR THE PERIOD 1 MARCH 2021 TO 31 AUGUST 2022

### 2. ACCOUNTING POLICIES - continued

#### Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the statement of financial position date.

Timing differences arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in financial statements. Deferred tax is measured using tax rates and laws that have been enacted or substantively enacted by the period end and that are expected to apply to the reversal of the timing difference.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

### Hire purchase and leasing commitments

Assets obtained under hire purchase contracts or finance leases are capitalised in the balance sheet. Those held under hire purchase contracts are depreciated over their estimated useful lives. Those held under finance leases are depreciated over their estimated useful lives or the lease term, whichever is the shorter.

The interest element of these obligations is charged to profit or loss over the relevant period. The capital element of the future payments is treated as a liability.

#### 3. EMPLOYEES AND DIRECTORS

The average number of employees during the period was 1 (2021 - 2).
