The liability of each Chargor under this Debenture and the charges contained in this Debenture shall not be impaired by any forbearance, neglect, indulgence, abandonment, extension of time, release, surrender or loss of securities, dealing, variation or arrangement by the Security Agent or any other Secured Party, or by any other act, event or matter whatsoever whereby the liability of the relevant Chargor (as a surety only) or the charges contained in this Debenture (as secondary or collateral charges only) would, but for this provision, have been discharged.

#### **14.4 Waiver of defences**

- (a) The obligations of each Chargor under this Debenture (or a Security Accession Deed, as applicable) will not be affected by an act, omission, matter or thing which, but for this Clause 14.4, would reduce, release or prejudice any of its obligations under this Clause 14.4 (without limitation and whether or not known to it or any Secured Party) including:
  - (i) any time, waiver or consent granted to, or composition with, any Chargor or other person;
  - (ii) the release of any other Chargor or any other person under the terms of any composition or arrangement with any creditor of any member of the Group;
  - (iii) the taking, variation, compromise, exchange, renewal or release of, or refusal or neglect to perfect, take up or enforce, any rights against, or security over assets of, any Chargor or other person or any non-presentation or non-observance of any formality or other requirement in respect of any instrument or any failure to realise the full value of any security;
  - (iv) any incapacity or lack of power, authority or legal personality of or dissolution or change in the members or status of a Chargor or any other person;
  - (v) any amendment, novation, supplement, extension, restatement (however fundamental and whether or not more onerous) or replacement of a Finance Document or any other document or security including, without limitation, any change in the purpose of, any extension of or increase in any facility or the addition of any new facility under any Finance Document or other document or security;
  - (vi) any unenforceability, illegality or invalidity of any obligation of any person under any Finance Document or any other document or security;  
or
  - (vii) any insolvency or similar proceedings.

#### **14.5 Security Agent**

- (a) The Security Agent is party to this Debenture in its capacity as agent and trustee for and on behalf of itself and the Secured Parties pursuant to the terms and conditions of the Facility Agreement. As between the Security Agent and the Secured Parties, the terms and conditions of the Facility Agreement which apply to the Security Agent under that agreement also apply to it as Security Agent under this Debenture.
- (b) The Security Agent declares that it shall hold the Security created under or evidenced by this Debenture on trust for those entities which are from time to time Secured Parties.

- (c) The Security Agent may rely on, exercise and be protected by the discretions, protections, powers and rights conferred on trustees, mortgagees or receivers under the Act, the Trustee Acts 1925 and 2000 (the "**Trustee Acts**"), the Trustee Investment Act 1962 and the Insolvency Act 1986.
- (d) Each of the Parties agrees that the Security Agent shall have only those duties, obligations and responsibilities expressly specified in this Debenture or any other Finance Document (and no others shall be implied).
- (e) Section 1 of the Trustee Act 2000 shall not apply to the duties of the Security Agent in relation to the trusts constituted by this Debenture. Where there are any inconsistencies between the Trustee Acts and the provisions of this Debenture, the provisions of this Debenture shall, to the extent allowed by law, prevail and, in the case of any inconsistency with the Trustee Act 2000, the provisions of this Debenture shall constitute a restriction or exclusion for the purposes of the Trustee Act 2000.
- (f) Any resignation or replacement of the Security Agent or any appointment of a successor to the Security Agent shall take effect in accordance with the provisions of the Facility Agreement save that no resignation of the Security Agent as trustee hereunder shall take effect unless at least one other trustee has been appointed.
- (g) If the Security Agent, with the approval of the Majority Lenders, determines that (a) all of the Secured Obligations have been fully and finally discharged and (b) none of the Secured Parties is under any commitment, obligation or liability (whether actual or contingent) to make advances or provide other financial accommodation to any Finance Party pursuant to the Finance Documents, the trusts set out in this Debenture shall be wound up. At that time the Security Agent shall, at the request of and at the sole cost of the relevant Chargor, release, without recourse or warranty, all of the Security then held by it and the rights of the Security Agent under this Debenture, at which time each of the Security Agent, and that Chargor shall be released from its obligations under this Debenture (save for those which arose prior to such winding-up).
- (h) The rights, duties and obligations of the Security Agent set forth in this Debenture, shall be governed by the provisions set out in Clause 18 (Role of the Security Agent) of the Intercreditor Agreement and do not exclude or limit in any way the rights of the Security Agent pursuant to any other Finance Document and do not prevent the exercise of any other rights or remedies provided by law or the Finance Documents. For the avoidance of any doubt, when acting under and/or in connection with this Debenture, the Security Agent shall have all the benefits, indemnities, privileges, protections, and rights granted to it as Security Agent under the Facility Agreement, including with respect to the appointment of a delegate, attorney and/or agent in England.
- (i) The Chargors confirm that under the laws of England, the Security Agent will not, by reason of its entering into this Debenture or performing its obligations and enforcing its rights hereunder:

- (i) be required to be qualified, licensed, or otherwise entitled to do business in England, or be required to comply with any requirement as to foreign registration or qualification in England; or
- (ii) be required to make any filing with any court or other governmental authority in England prior to any enforcement hereof or performance of any of the transactions contemplated hereby;
- (iii) be deemed to be resident, domiciled or carrying on any commercial activity or business in England; or
- (iv) be subject to tax or tax filing obligations, in each case, solely as a result of the execution, delivery and/or enforcement hereof.

#### **14.6 Delegation**

The Security Agent may delegate by power of attorney or in any other manner all or any of the powers, authorities and discretions which are for the time being exercisable by it under this Debenture to any person or persons upon such terms and conditions (including the power to sub-delegate) as it may think fit (acting reasonably). The Security Agent will not be liable or responsible to any Chargor or any other person for any losses arising from any act, default, omission or misconduct on the part of any delegate.

#### **14.7 Cumulative Powers**

The powers which this Debenture confers on the Security Agent, the other Secured Parties and any Receiver appointed under this Debenture are cumulative, without prejudice to their respective powers under the general law, and may be exercised as often as the relevant person thinks appropriate. The Security Agent, the other Secured Parties or the Receiver may, in connection with the exercise of their powers, join or concur with any person in any transaction, scheme or arrangement whatsoever. The respective powers of the Security Agent, the other Secured Parties and the Receiver will in no circumstances be suspended, waived or otherwise prejudiced by anything other than an express consent or amendment.

### **15. POWER OF ATTORNEY**

Each Chargor, by way of security, irrevocably and severally appoints the Security Agent, each Receiver and any person nominated for the purpose by the Security Agent or any Receiver (in writing and signed by an officer of the Security Agent or Receiver) as its attorney (with full power of substitution and delegation) in its name and on its behalf and as its act and deed to execute, seal and deliver (using the company seal where appropriate) and otherwise perfect and do any deed, assurance, agreement, instrument, act or thing:

- (a) before the occurrence of an Event of Default which is continuing, which that Chargor is obliged to do under this Debenture but has not done;
- (b) after the occurrence of an Event of Default which is continuing, to do anything which that Chargor is obliged to do under this Debenture; and

- (c) which may be required or deemed proper in the exercise of any rights or powers conferred on the Security Agent or any Receiver under this Debenture or otherwise for any of the purposes of this Debenture.

Each Chargor covenants with the Security Agent and each Receiver to ratify and confirm all such acts or things made, done or executed by that attorney.

## **16. PROTECTION FOR THIRD PARTIES**

### **16.1 No Obligation to Enquire**

No purchaser from, or other person dealing with, the Security Agent or any Receiver (or their agents) shall be obliged or concerned to enquire whether:

- (a) the right of the Security Agent or any Receiver to exercise any of the powers conferred by this Debenture has arisen or become exercisable or as to the propriety or validity of the exercise or purported exercise of any such power; or
- (b) any of the Secured Obligations remain outstanding and/or are due and payable or be concerned with notice to the contrary and the title and position of such a purchaser or other person shall not be impeachable by reference to any of those matters.

### **16.2 Receipt Conclusive**

The receipt of the Security Agent or any Receiver shall be an absolute and a conclusive discharge to a purchaser, and shall relieve him of any obligation to see to the application of any moneys paid to or by the direction of the Security Agent or any Receiver.

## **17. COSTS AND EXPENSES**

### **17.1 Enforcement Expenses**

Each Chargor shall, within three Business Days of demand, pay to each of the Security Agent, any Receiver and each other Secured Party the amount of all costs and expenses (including legal fees) incurred by it in connection with the enforcement of or the preservation of any rights under (and any documents referred to in) this Debenture and any proceedings instituted by or against the Security Agent and any Secured Party as a consequence of taking or holding the Security created under this Debenture or enforcing these rights.

### **17.2 Stamp Duties, etc.**

Each Chargor shall pay and, within three Business Days of demand, indemnify each Secured Party against any cost, loss or liability that each Secured Party incurs in relation to all stamp duty, registration and other similar Taxes payable in respect of this Debenture.

### **17.3 Default Interest**

If not paid when due, the amounts payable under this Clause 17 shall carry interest compounded with monthly rests at the Default Rate (after as well as before judgment)

except insofar as the sum due is default interest or already subject to default interest under a Finance Document, from the date of demand and shall form part of the Secured Obligations.

## **18. REINSTATEMENT AND RELEASE**

### **18.1 Amounts Avoided**

If any amount paid by a Chargor in respect of the Secured Obligations is capable of being avoided or set aside on the liquidation or administration of the relevant Chargor or otherwise, then for the purposes of this Debenture that amount shall not be considered to have been paid.

### **18.2 Discharge Conditional**

Any settlement or discharge between a Chargor and any Secured Party shall be conditional upon no security or payment to that Secured Party by that Chargor or any other person being avoided, set aside, ordered to be refunded or reduced by virtue of any provision or enactment relating to insolvency and accordingly (but without limiting the other rights of that Secured Party under this Debenture) that Secured Party shall be entitled to recover from that Chargor the value which that Secured Party has placed on that security or the amount of any such payment as if that settlement or discharge had not occurred.

### **18.3 Covenant To Release**

Once all the Secured Obligations have been irrevocably paid in full and none of the Security Agent nor any Secured Party has any actual or contingent liability to advance further monies to, or incur liability on behalf of, any Chargor, under any Finance Document (other than the Warrant Documents), the Security Agent and each Secured Party shall, at the request and cost of each Chargor, execute any documents (or procure that its nominees execute any documents) or take any action which may be necessary to release the Charged Property from the Security constituted by this Debenture.

## **19. CURRENCY CLAUSES**

### **19.1 Conversion**

All monies received or held by the Security Agent or any Receiver under this Debenture may be converted into any other currency which the Security Agent considers necessary to cover the obligations and liabilities comprised in the Secured Obligations in that other currency at the Security Agent's spot rate of exchange then prevailing for purchasing that other currency with the existing currency.

### **19.2 No Discharge**

No payment to the Security Agent (whether under any judgment or court order or otherwise) shall discharge the obligation or liability of the relevant Chargor in respect of which it was made unless and until the Security Agent has received payment in full in the currency in which the obligation or liability is payable or, if the currency of payment is not specified, was incurred. To the extent that the amount of any such

payment shall on actual conversion into that currency fall short of that obligation or liability expressed in that currency, the Security Agent shall have a further separate cause of action against the relevant Chargor and shall be entitled to enforce the Security constituted by this Debenture to recover the amount of the shortfall.

## **20. SET-OFF**

### **20.1 Set-off rights**

The Security Agent may set off any matured obligation due from a Chargor under the Finance Documents (to the extent beneficially owned by the Security Agent) against any matured obligation owed by the Security Agent to that Chargor, regardless of the place of payment, booking branch or currency of either obligation. If the obligations are in different currencies, the Security Agent may convert either obligation at a market rate of exchange in its usual course of business for the purpose of the set-off

### **20.2 Unliquidated Claims**

If, at any time after notice demanding payment of any sum which is then due but unpaid in respect of the Secured Obligations has been given by the Security Agent to any Chargor, the relevant obligation or liability is unliquidated or unascertained, the Security Agent may set-off the amount which it estimates (in good faith) will be the final amount of that obligation or liability once it becomes liquidated or ascertained.

### **20.3 No Set-off**

The Chargors will pay all amounts payable under this Debenture without any set-off, counterclaim or deduction whatsoever unless required by law, in which event the Chargors will pay an additional amount to ensure that the payment recipient receives the amount which would have been payable had no deduction been required to have been made.

## **21. RULING OFF**

If the Security Agent or any other Secured Party receives notice of any subsequent Security or other interest affecting any of the Charged Property (except as permitted by the Facility Agreement) it may open a new account for the relevant Chargor in its books. If it does not do so then (unless it gives express notice to the contrary to the relevant Chargor), as from the time it receives that notice, all payments made by the relevant Chargor to it (in the absence of any express appropriation to the contrary) shall be treated as having been credited to a new account of the relevant Chargor and not as having been applied in reduction of the Secured Obligations.

## **22. REDEMPTION OF PRIOR CHARGES**

The Security Agent may, on and at any time after the occurrence of an Event of Default which is continuing, redeem any prior Security on or relating to any of the Charged Property or procure the transfer of that Security to itself, and may settle and pass the accounts of any person entitled to that prior Security. Any account so settled and passed shall (subject to any manifest error) be conclusive and binding on each Chargor. Each

Chargor will on demand pay to the Security Agent all principal monies and interest and all losses incidental to any such redemption or transfer.

## **23. CHANGES TO PARTIES**

### **23.1 Assignment by the Security Agent**

The Security Agent may at any time assign or otherwise transfer all or any part of its rights under this Debenture in accordance with the Finance Documents.

### **23.2 Changes to Parties**

Each Chargor authorises and agrees to changes to parties under clause 25 (Changes to the Lenders) of the Facility Agreement and authorises the Security Agent to execute on its behalf any document required to effect the necessary transfer of rights or obligations contemplated by those provisions.

### **23.3 New Subsidiaries**

Each of the Chargors will procure that any new Subsidiary of it which is required to do so by the terms of the Facility Agreement executes a Security Accession Deed.

### **23.4 Consent of Chargor**

- (a) Each Chargor consents to new Subsidiaries becoming Chargor as contemplated by Clause 23.3 above.
- (b) Each Chargor confirms that the execution of any Security Accession Deed by a new Subsidiary will in no way prejudice or affect the security granted by each of them under (and the covenants given by each of them in), this Debenture and that this Debenture shall remain in full force and effect as supplemented by any such Security Accession Deed.
- (c) Each Chargor further confirms that the execution of any other supplemental security document by a Chargor will in no way prejudice or affect the security granted by each of them under (and the covenants given by each of them in), the Debenture and that the Debenture shall remain in full force and effect as supplemented by any such supplemental security document.

## **24. MISCELLANEOUS**

### **24.1 Certificates Conclusive**

A certificate or determination of the Security Agent as to any amount payable under this Debenture will be conclusive and binding on each Chargor, except in the case of manifest error.

### **24.2 Counterparts**

This Debenture may be executed in any number of counterparts, and this has the same effect as if the signatures on the counterparts were on a single copy of this Debenture. Each counterpart is an original, but all counterparts shall together constitute one and

the same instrument. Delivery of a counterpart of this Deed by e-mail attachment shall be an effective mode of delivery.

#### **24.3 Invalidity of any Provision**

If any provision of this Debenture is or becomes invalid, illegal or unenforceable in any respect under any law, the validity, legality and enforceability of the remaining provisions shall not be affected or impaired in any way.

#### **24.4 Failure to Execute**

Failure by one or more parties ("**Non-Signatories**") to execute this Debenture on the date hereof will not invalidate the provisions of this Debenture as between the other Parties who do execute this Debenture. Such Non-Signatories may execute this Debenture on a subsequent date and will thereupon become bound by its provisions.

### **25. GOVERNING LAW AND JURISDICTION**

- (a) This Debenture and any non-contractual claims arising out of or in connection with it shall be governed by and construed in accordance with English law.
- (b) Subject to paragraph (c) below, the Parties agree that the courts of England shall have exclusive jurisdiction to settle any dispute arising out of or in connection with this Debenture, whether contractual or non-contractual (including a dispute regarding the existence, validity or termination of this Debenture) (a "**Dispute**"). The Parties agree that the courts of England are the most appropriate and convenient courts to settle Disputes and accordingly no party will argue to the contrary.
- (c) The Parties agree that, for the benefit of the Secured Parties only, nothing in this Debenture shall limit the right of the Secured Parties to bring any legal action against any of the Chargors in any other court of competent jurisdiction.

**IN WITNESS** whereof this Debenture has been duly executed as a deed on the date first above written.
