# CERTIFICATE OF RESOLUTIONS OF THE BOARD OF DIRECTORS OF THE COMPANY

Minutes of a meeting of the Directors properly convened and held on 26 May 2017  
at Unit 34, Orbitol 25 Business Park, Welford, Leicestershire, LE19 9DA

It was reported to the meeting that:

- (1) A quorum of directors was present and the meeting had been properly convened.
- (2) The Company has negotiated a lease purchase facility with Paragon Bank Technology Finance Limited ("PBTF") under which PBTF will provide a lease purchase facility to the Company. It is a term of this lease purchase facility that the Company will grant a chattel mortgage over certain goods (as detailed in the attached chattel mortgage document "the Goods") in favour of PBTF. These proposed arrangements are referred to as "the Transaction" in these minutes. The form of the proposed lease purchase agreement was then produced to the meeting ("the Lease Purchase Agreement").
- (3) It is a condition of the Transaction that the Company enters into a chattel mortgage in order for PBTF to receive a first ranking mortgage over the Goods owned by the Company. The form of the proposed chattel mortgage was produced to the meeting ("the Chattel Mortgage"). It was noted that the Chattel Mortgage will be as security for all monies and liabilities now and from time to time in the future owing to PBTF.

Each director confirmed that he or she has no interest in any of the matters covered above and in the proposed resolutions which is required to be disclosed for the purposes of the Articles of Association of the Company or any other reason other than by virtue of having granted any guarantee or indemnity to PBTF in respect of the obligations of the Company to PBTF or being a director or shareholder in any company which has given any such guarantee or indemnity - which interests were duly particularised and declared.

## IT WAS RESOLVED

1. That the Company shall enter into the Transaction with PBTF and mortgage its right, title and interest in the Assets (if any) to PBTF as security under the terms of the Chattel Mortgage in the form produced to the meeting or with such amendments as any officer may approve.
2. That the Company should execute and deliver to PBTF the Lease Purchase Agreement under hand and the Chattel Mortgage as a deed each in the form produced to the meeting or with such amendments as any officer may approve.
3. That any officer from time to time of the Company be irrevocably authorised to negotiate and commit the Company to any variation of the terms of the Lease Purchase Agreement and the Chattel Mortgage, and to execute under hand on behalf of the Company any variation of the terms of the Lease Purchase Agreement.
4. That the entry of the Transaction, the Lease Purchase Agreement and the Chattel Mortgage is in the commercial interests of the Company and within the objects of the Company as stated in its Memorandum of Association, and that the granting of the security and other rights under the Chattel Mortgage will be for the benefit of the Company and its businesses.
5. That the Company is solvent and that the Transaction will not result in the Company being unable to pay its debts within the meaning of section 123 of the Insolvency Act 1986.
6. That the Company Secretary file the necessary forms at Companies House and update the Company's charges register.

TO: PARAGON BANK TECHNOLOGY FINANCE LIMITED

WE CERTIFY that the above is a true copy of the Resolution of the Board of Directors of the Company; and that the deed of chattel mortgage attached to this certificate is in the form of the deed presented to and approved by the meeting; that the obligations in the Chattel Mortgage and Lease Purchase Agreement will be binding upon the Company; that were dated on the same date on which they were signed; that the Memorandum and Articles of Association of the Company in force at such date and other particulars of the Company and its directors and secretary are those filed at the Registry of Companies on the date which is 30 days before the date of this certificate and will not change during the 30 days after the date of this certificate; and that the Company has not granted any charge or similar which was not registered at the Companies Registry within 30 days prior to such date and will not do so during the 30 days after the date of this certificate.

### Power of sale and exclusion of Law of Property Act provisions

- 1.12 The power of sale and other powers conferred by section 101 of the Law of Property Act 1925, as varied or extended by this Deed, each arise on the date of this Deed and shall be immediately exercisable at any time after a notice demanding payment of and/or discharge and/or provision for any monies secured by this Deed shall have been served by PBTF on the Company or a Receiver has been appointed under this Deed.
- 1.13 Section 103 of the Law of Property Act 1925 shall not apply to this Deed and any sale may be made on such terms as PBTF or any Receiver may think fit. Neither shall the restriction on the right of consolidation in Section 93 of the Law of Property Act 1925 apply to this Deed.

### Appointment of receiver and enforcement

- 1.14 At any time after PBTF shall have demanded payment of any money or liability secured by this Deed PBTF may in writing appoint any person or persons to be a Receiver (with power to authorise any joint Receiver to exercise any power independently of any other joint Receiver) and may remove any Receiver and appoint another or others in his or their place. Following such demand (whether or not a Receiver has been appointed) PBTF and any Receiver shall have the following powers without by reason of that becoming liable as a mortgagee in possession:
  - 1.14.1 To take possession of, collect and get in the Charged Property and for that purpose to take any proceedings in the name of the Company or otherwise as may seem expedient, to collect, recover, compromise, settle and give a good discharge for the sums payable in respect of the Charged Property and any claims outstanding or arising in respect of the Charged Property and to institute such proceedings as PBTF or the Receiver may think fit;
  - 1.14.2 To carry on manage or concur in carrying on and managing the business of the Company or any part of it in so far as the same relates to the Charged Property, to perform any obligation of the Company relating to such matters, to exercise all rights, duties and powers of the Company in connection with the Charged Property, to institute and defend legal proceedings, to give and receive notices, to raise or borrow any money that may be required upon the security of the whole or any part of the Charged Property;
  - 1.14.3 Without the restrictions imposed by section 103 of the Law of Property Act 1925, to sell or concur in selling, exchange, lease, hire, charter, licence, call in, collect and convert into money or otherwise dispose of the Charged Property on such terms as PBTF or any Receiver may think fit and to use the same for any purpose that PBTF or the Receiver may think fit;
  - 1.14.4 To make any arrangement or compromise which PBTF or any Receiver shall think expedient;

- 1.14.5 To appoint managers, agents, officers, employees, and workmen for any of the purposes described in this clause 7.1 or to guard or protect the Assets at such salaries and for such periods as PBTF or any Receiver may determine;
- 1.14.6 To sever and sell the Assets separately from any property to which they may be annexed;
- 1.14.7 To do all such other acts and things as may be considered to be incidental or conducive to any of the matters or powers described in this clause 1.14 and which any Receiver lawfully may or can do as agent for the Company or which PBTF lawfully may or can do as mortgagee;
- 1.14.8 In the case of a Receiver to do anything or exercise any power which PBTF could do or exercise as mortgagee; and
- 1.14.9 To exercise all powers in relation to the Charged Property which are or would be exercisable by an administrative receiver and which are set out in Schedule 1 to the Insolvency Act 1986 (whether or not the Receiver is an administrative receiver) and without being restricted in any way by any of the other provisions of this clause 1.14.
- 1.15 All monies received by PBTF or by any Receiver shall be applied firstly in payment of the Receiver's remuneration and the costs of realisation (including all costs incurred directly or incidentally in the exercise of the powers conferred by this Deed, secondly in payment of all sums (if any) payable by statute in preference to sums secured by this Deed), thirdly in or towards payment of all or any of the matters referred to in paragraphs (i) - (iv) of sub-section 109(8) Law of Property Act 1925 as the Receiver in his absolute discretion shall decide and fourthly in or towards satisfaction of the Secured Obligations. Sub-section 109(8) of the Law of Property Act 1925 is otherwise excluded.
- 1.16 Any Receiver shall be deemed to be the agent or agents of the Company and the Company shall be solely responsible for his or their acts or defaults and for his or their remuneration, which PBTF may from time to time fix. Such agency shall continue until the Company shall go into liquidation and thereafter any Receiver shall act as principal and not as the agent of the Company.
- 1.17 Neither PBTF nor any Receiver shall be under any obligation to do anything to enforce the obligations of any person, and shall not be liable to the Company for any loss or damage caused by omission so to do.
- 1.18 If any Receiver shall in the exercise of his powers authorities and discretions conform to the directions and regulations from time to time given and made by PBTF then PBTF shall not be responsible for any loss occasioned as a result.
- 1.19 No purchaser, mortgagee or other person dealing with PBTF or any Receiver shall be concerned to enquire whether any power exercised or purported to be exercised by it or him has become exercisable or whether any money is due on the security of this Deed or as to the propriety or regularity of any sale by or other dealing with PBTF or any Receiver but any such sale or dealing shall be deemed to be within the powers conferred by this Deed and to be valid and effectual accordingly.

#### Continuing security

- 1.20 This security shall be a continuing security and shall not be considered satisfied, discharged or redeemed by any intermediate payment or satisfaction of the whole or any part of the monies and obligations due, owing or incurred to PBTF by the Company.
- 1.21 The security created by this Deed is in addition to any other security or securities which PBTF now holds or may from time to time acquire from the Company or any other person and all rights remedies and powers of PBTF under this Deed will be in addition to and shall not limit those conferred on PBTF by any other deed or agreement or implied by law.

#### Notice of subsequent assignment or charge

If PBTF receives notice of any subsequent assignment, charge or other security interest affecting the Charged Property then PBTF may open a new account or accounts for the Company. If PBTF does not open a new account it shall nevertheless be treated as if it had done so at the time when it received notice and as from that time all payments made by the Company to PBTF shall be credited or treated as having been credited to the new account and shall not operate to reduce the amount due from the Company to PBTF at the time when it received such notice.

#### Power of attorney and covenant for further assurance

- 1.22 As security for the performance of its obligations and liabilities under this Deed the Company irrevocably appoints each of the persons specified in clause 1.23 severally to be the attorney of the Company and on its behalf and as its act or deed or otherwise to execute and deliver in the name of the Company all deeds and documents and perform all acts required to be performed by the Company under this Deed and (after a demand has been served on the Company for payment of amounts secured by this Deed) which PBTF or any Receiver require be done in order to facilitate the enforcement of the security created by this Deed or which the Company could do in relation to the Charged Property. Any such attorney will only exercise their respective rights under this clause 1.22 after demand for payment of the Secured Obligations has been made. This will include payment of any insurance premiums and all other sums covenanted to be paid by the Company to third parties under the terms of this Deed which will forthwith be recoverable by PBTF from the Company and shall form part of the liabilities secured by this Deed.
- 1.23 The persons referred to in clause 1.22 are PBTF, any person nominated in writing under the hand of any director or officer of PBTF and any Receiver.
- 1.24 The Company undertakes to execute and (if appropriate) register such deeds and documents and perform such acts as PBTF or any Receiver may consider necessary or desirable for the purpose of vesting in PBTF or in the Receiver title to the Non-Vesting Assets (including assignments by way of security of any of the insurances assigned by Clause 1.3 and notices of assignment in relation to those insurances) or otherwise perfecting or enforcing the security of PBTF under the terms of this Deed.

#### Exclusion of liability

- 1.25 PBTF, any Receiver, delegates and sub-delegates shall not be liable to account to the Company for anything except PBTF's own actual receipts or be liable to the Company for any loss or damage arising from any realisation by PBTF, any Receiver, delegates or sub-delegates of the Charged Property or for any act, default, omission or negligence of any of the same in relation to the Charged Property.
- 1.26 Nothing in this clause 1.1 shall exclude or limit liability for (or remedies arising in the event of) fraud.

#### Payments

All payments by the Company shall be made free and clear of any restriction, condition, set off, counterclaim, deduction, withholding of any kind including (subject to the next sentence) taxes. If any such deduction or withholding is required by law to be made from any such payment, the Company shall pay in the same manner and at the same time such additional amounts as will result in receipt by PBTF of such amount as would have been received by PBTF had no such deduction or withholding been required to be made. The time of punctual payment shall be of the essence.

#### Indemnity

The Company agrees to pay to PBTF on demand all costs charges and expenses (including legal costs on a full indemnity basis) incurred in any way by reason of any breach of this Deed by the Company, in obtaining any advice and taking any action which PBTF in its absolute discretion considers necessary to protect, defend or assert its interest in and any rights it may have over the Charged Property or otherwise in exercise of the powers and rights under this Deed or to obtain payment of any sums due to it whether under this Deed, any ancillary documentation or otherwise or any matter connected with the Charged Property, this Deed or any ancillary documentation, including without limiting this obligation, obtaining advice on the value, ascertaining the whereabouts of the Charged Property and any director of the Company and/or any guarantor, repossession and sale of the Charged Property (and additionally but without derogation to the generality of the foregoing indemnify PBTF against all claims and demands made upon PBTF by reason of any loss, damage or injury suffered by any person or company directly or indirectly as a result of the presence, installation, use, removal or replacement of the Charged Property).

#### Indulgence

- 1.31 No delay or omission of PBTF to exercise any right or power granted by this Deed shall impair any such right or power to be construed as a waiver of or acquiescence in any default by the Company and no express waiver given by PBTF in relation to any default by the Company shall prejudice the rights of PBTF under this Deed. The granting of any consent by PBTF will not prejudice the right of PBTF to grant or withhold as it thinks fit its consent to anything similar.

#### Assignment and transfer

PBTF shall be entitled to assign its interest in this Deed and its rights against the Company to such person as it wishes. The Company shall not be entitled to assign its interest in this Deed or its rights against PBTF. Following service of notice to the Company of such transfer, the Transferee may enforce the security created by this Deed and the rights of PBTF against the Company as if the Transferee had been named in place of (or alongside) PBTF.

#### Severance
