## DIRECTORS' REPORT

**FOR THE YEAR ENDED 31 MARCH 2019**

---

The directors present their annual report and financial statements for the year ended 31 March 2019.

### Principal activities

The principal activity of the company continued to be that of property investment and development, exclusively in the W1 postal district.

### Directors

The directors who held office during the year and up to the date of signature of the financial statements were as follows:

Mr J James  
Miss F James  
Mr M Egglenton  
Mrs R Wood  
Mr P Whalan  
Mr P Thompson

### Results and dividends

The results for the year are set out on page 6.

No ordinary dividends were paid. The directors do not recommend payment of a final dividend.

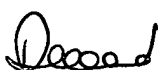

### Auditor

Pursuant to Section 487 of the Companies Act 2006, the auditor will be deemed to be reappointed and KPMG LLP will therefore continue in office.

### Statement of disclosure to auditor

So far as each person who was a director at the date of approving this report is aware, there is no relevant audit information of which the company's auditor is unaware. Additionally, the directors individually have taken all the necessary steps that they ought to have taken as directors in order to make themselves aware of all relevant audit information and to establish that the company's auditor is aware of that information.

On behalf of the board

Mrs R Wood  
Director

31 July 2019

# **SOHO ESTATES PORTFOLIO LIMITED**

## **DIRECTORS' RESPONSIBILITIES STATEMENT**

***FOR THE YEAR ENDED 31 MARCH 2019***

---

The directors are responsible for preparing the annual report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with UK accounting standards and applicable law (UK Generally Accepted Accounting Practice), including FRS 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland*.

Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- assess the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern; and
- use the going concern basis of accounting unless they either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are responsible for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error, and have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the company and to prevent and detect fraud and other irregularities.

## INDEPENDENT AUDITOR'S REPORT

### TO THE MEMBER OF SOHO ESTATES PORTFOLIO LIMITED

---

#### Opinion

We have audited the financial statements of Soho Estates Portfolio Limited (the 'company') for the year ended 31 March 2019 which comprise the statement of comprehensive income, the balance sheet, the statement of changes in equity and notes to the financial statements, including a summary of significant accounting policies.

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 March 2019 and of its profit for the year then ended;
- have been properly prepared in accordance with UK accounting standards applicable to smaller entities, including Section 1A of FRS 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland*; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

#### Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) ("ISAs (UK)") and applicable law. Our responsibilities are described below. We have fulfilled our ethical responsibilities under, and are independent of the company in accordance with, UK ethical requirements including the FRC Ethical Standard. We believe that the audit evidence we have obtained is a sufficient and appropriate basis for our opinion.

#### The impact of uncertainties due to the UK exiting the European Union on our audit

Uncertainties related to the effects of Brexit are relevant to understanding our audit of the financial statements. All audits assess and challenge the reasonableness of estimates made by the directors, such as the valuation of investment property and related disclosures and the appropriateness of the going concern basis of preparation of the financial statements. All of these depend on assessments of the future economic environment and the company's future prospects and performance.

Brexit is one of the most significant economic events for the UK, and at the date of this report its effects are subject to unprecedented levels of uncertainty of outcomes, with the full range of possible effects unknown. We applied a standardised firm-wide approach in response to that uncertainty when assessing the company's future prospects and performance. However, no audit should be expected to predict the unknowable factors or all possible future implications for a company and this is particularly the case in relation to Brexit.

#### Going Concern

The directors have prepared the financial statements on the going concern basis as they do not intend to liquidate the company or to cease its operations, and as they have concluded that the company's financial position means that this is realistic. They have also concluded that there are no material uncertainties that could have cast significant doubt over its ability to continue as a going concern for at least a year from the date of approval of the financial statements ("the going concern period").

We are required to report to you if we have concluded that the use of the going concern basis of accounting is inappropriate or there is an undisclosed material uncertainty that may cast significant doubt over the use of that basis for a period of at least a year from the date of approval of the financial statements. In our evaluation of the directors' conclusions, we considered the inherent risks to the company's business model, including the impact of Brexit, and analysed how those risks might affect the company's financial resources or ability to continue operations over the going concern period. We have nothing to report in these respects.

However, as we cannot predict all future events or conditions and as subsequent events may result in outcomes that are inconsistent with judgements that were reasonable at the time they were made, the absence of reference to a material uncertainty in this auditor's report is not a guarantee that the company will continue in operation.

# SOHO ESTATES PORTFOLIO LIMITED

## INDEPENDENT AUDITOR'S REPORT (CONTINUED)

### TO THE MEMBER OF SOHO ESTATES PORTFOLIO LIMITED

---

#### **Directors' report**

The directors are responsible for the directors' report. Our opinion on the financial statements does not cover that report and we do not express an audit opinion thereon.

Our responsibility is to read the directors' report and, in doing so, consider whether, based on our financial statements audit work, the information therein is materially misstated or inconsistent with the financial statements or our audit knowledge. Based solely on that work:

- we have not identified material misstatements in the directors' report;
- in our opinion the information given in that report for the financial year is consistent with the financial statements; and
- in our opinion that report has been prepared in accordance with the Companies Act 2006.

#### **Opinions on other matters prescribed by the Companies Act 2006**

In our opinion, based on the work undertaken in the course of our audit:

- the information given in the directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the directors' report has been prepared in accordance with applicable legal requirements.

#### **Matters on which we are required to report by exception**

Under the Companies Act 2006 we are required to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the directors were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies exemption from the requirement to prepare a strategic report.

We have nothing to report in these respects.

#### **Responsibilities of directors**

As explained more fully in their statement, the directors are responsible for: the preparation of the financial statements and for being satisfied that they give a true and fair view; such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error; assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern; and using the going concern basis of accounting unless they either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

#### **Auditor's responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A fuller description of our responsibilities is provided on the FRC's website at [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities).

**INDEPENDENT AUDITOR'S REPORT (CONTINUED)**  
**TO THE MEMBER OF SOHO ESTATES PORTFOLIO LIMITED**

---

**The purpose of our audit work and to whom we owe our responsibilities**

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members, as a body, for our audit work, for this report, or for the opinions we have formed.

# SOHO ESTATES PORTFOLIO LIMITED

## NOTES TO THE FINANCIAL STATEMENTS

### FOR THE YEAR ENDED 31 MARCH 2019

---

#### 1 Accounting policies

##### Company information

Soho Estates Portfolio Limited is a private company limited by shares incorporated in England and Wales. The registered office is 58 Wardour Street, London, W1D 4JQ.

##### 1.1 Accounting convention

These financial statements have been prepared in accordance with FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102") and the requirements of the Companies Act 2006 as applicable to companies subject to the small companies regime. The disclosure requirements of section 1A of FRS 102 have been applied other than where additional disclosure is required to show a true and fair view.

The financial statements are prepared in sterling, which is the functional currency of the company. Monetary amounts in these financial statements are rounded to the nearest £'000.

The financial statements are prepared on the historical cost basis except that investment property is stated at fair value. The principal accounting policies adopted are set out below.

This company is a qualifying entity for the purposes of FRS 102, being a member of a group where the parent of that group prepares publicly available consolidated financial statements, including this company, which are intended to give a true and fair view of the assets, liabilities, financial position and profit or loss of the group. The company has therefore taken advantage of exemptions from the following disclosure requirements:

- Section 4 'Statement of Financial Position': Reconciliation of the opening and closing number of shares;
- Section 7 'Statement of Cash Flows': Presentation of a statement of cash flow and related notes and disclosures;
- Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instrument Issues': Carrying amounts, interest income/expense and net gains/losses for each category of financial instrument; basis of determining fair values; details of collateral, loan defaults or breaches, details of hedges, hedging fair value changes recognised in profit or loss and in other comprehensive income;
- Section 26 'Share based Payment': Share-based payment expense charged to profit or loss, reconciliation of opening and closing number and weighted average exercise price of share options, how the fair value of options granted was measured, measurement and carrying amount of liabilities for cash-settled share-based payments, explanation of modifications to arrangements;
- Section 33 'Related Party Disclosures': Compensation for key management personnel.

The financial statements of the company are consolidated in the financial statements of Soho Estates Limited. These consolidated financial statements are available from its registered office, 58 Wardour Street, London, W1D 4JQ.

##### 1.2 Going concern

Notwithstanding net current liabilities of £119,914,000 the directors have prepared these financial statements on a going concern basis for the following reasons:

- They have reviewed the profit and cash forecasts for the twelve months from the date of approval of these financial statements. The forecasts show a profit and that a positive cash balance will be maintained.
- Whilst the amounts owed to group undertakings are repayable on demand there is no intention on the part of the group to recall this amount.

# SOHO ESTATES PORTFOLIO LIMITED

## NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

### FOR THE YEAR ENDED 31 MARCH 2019

---

#### 1 Accounting policies

(Continued)

##### 1.3 Turnover

Turnover represents the amount of property income receivable in the period. Lease incentives are recognised over the duration of the lease term.

##### 1.4 Investment properties

Investment property, which is property held to earn rentals and/or for capital appreciation, is initially recognised at cost, which includes the purchase cost and any directly attributable expenditure. Subsequently it is measured at fair value at the reporting end date. The surplus or deficit on revaluation is recognised in profit or loss.

Where fair value cannot be achieved without undue cost or effort, investment property is accounted for as tangible fixed assets.

##### 1.5 Cash at bank and in hand

Cash at bank and in hand are basic financial assets and include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

##### 1.6 Financial instruments

The company has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the company's balance sheet when the company becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

##### **Basic financial assets**

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

##### **Impairment of financial assets**

Financial assets, other than those held at fair value through profit and loss, are assessed for indicators of impairment at each reporting end date.

Financial assets are impaired where there is objective evidence that, as a result of one or more events that occurred after the initial recognition of the financial asset, the estimated future cash flows have been affected. If an asset is impaired, the impairment loss is the difference between the carrying amount and the present value of the estimated cash flows discounted at the asset's original effective interest rate. The impairment loss is recognised in profit or loss.

If there is a decrease in the impairment loss arising from an event occurring after the impairment was recognised, the impairment is reversed. The reversal is such that the current carrying amount does not exceed what the carrying amount would have been, had the impairment not previously been recognised. The impairment reversal is recognised in profit or loss.

# SOHO ESTATES PORTFOLIO LIMITED

## NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

### FOR THE YEAR ENDED 31 MARCH 2019

---

#### 1 Accounting policies

(Continued)

##### **Classification of financial liabilities**

Financial liabilities and equity instruments are classified according to the substance of the contractual arrangements entered into. An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities.

##### **Basic financial liabilities**

Basic financial liabilities, including creditors, bank loans, loans from fellow group companies and preference shares that are classified as debt, are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

#### 1.7 Equity instruments

Equity instruments issued by the company are recorded at the proceeds received, net of transaction costs. Dividends payable on equity instruments are recognised as liabilities once they are no longer at the discretion of the company.

#### 1.8 Taxation

The tax expense represents the sum of the tax currently payable and deferred tax.

##### **Current tax**

The tax currently payable is based on taxable profit for the year. Taxable profit differs from net profit as reported in the profit and loss account because it excludes items of income or expense that are taxable or deductible in other years and it further excludes items that are never taxable or deductible. The company's liability for current tax is calculated using tax rates that have been enacted or substantively enacted by the reporting end date.

##### **Deferred tax**

Deferred tax liabilities are generally recognised for all timing differences and deferred tax assets are recognised to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits. Such assets and liabilities are not recognised if the timing difference arises from goodwill or from the initial recognition of other assets and liabilities in a transaction that affects neither the tax profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at each reporting end date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered. Deferred tax is calculated at the tax rates that are expected to apply in the period when the liability is settled or the asset is realised. Deferred tax is charged or credited in the profit and loss account, except when it relates to items charged or credited directly to equity, in which case the deferred tax is also dealt with in equity. Deferred tax assets and liabilities are offset when the company has a legally enforceable right to offset current tax assets and liabilities and the deferred tax assets and liabilities relate to taxes levied by the same tax authority.

## NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2019

### 2 Turnover and other revenue

	2019 £'000	2018 £'000
Less than one year	653	691
Between one and five years	1,998	2,311
More than five years	781	1,067
	<u>          </u>	<u>          </u>

This shows revenue receipts from non-cancellable operating leases as lessor.

### 3 Other operating income

Fair value movement on investment property during the year was £604,000 (2018:£nil)

### 4 Taxation

	2019 £'000	2018 £'000
<b>Current tax</b>		
UK corporation tax on profits for the current period	-	141
Adjustments in respect of prior periods	(141)	(179)
	<u>          </u>	<u>          </u>
Total current tax	(141)	(38)
	<u>          </u>	<u>          </u>
<b>Deferred tax</b>		
Origination and reversal of timing differences	(8)	(18)
	<u>          </u>	<u>          </u>
Total tax credit	(149)	(56)
	<u>          </u>	<u>          </u>

The actual credit for the year can be reconciled to the expected charge for the year based on the profit or loss and the standard rate of tax as follows:

	2019 £'000	2018 £'000
Profit before taxation	1,189	742
	<u>          </u>	<u>          </u>
Expected tax charge based on the standard rate of corporation tax in the UK of 19.00% (2018: 19.00%)	226	141
Adjustments in respect of prior years	(141)	(179)
Group relief	(111)	-
Origination and reversal of timing differences	(123)	(18)
	<u>          </u>	<u>          </u>
Taxation credit for the year	(149)	(56)
	<u>          </u>	<u>          </u>

# SOHO ESTATES PORTFOLIO LIMITED

## NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2019

### 4 Taxation

(Continued)

	2019 £'000	2018 £'000
Deferred tax arising on:		
Revaluation of property	(8)	(18)
	<u>(8)</u>	<u>(18)</u>

### 5 Employees

All directors are also directors of other group companies and full details of their remuneration from the group are shown in the financial statements of the companies from which they are remunerated. No recharge is made for these services. The directors do not allocate specific time to the Company and therefore it is not possible to make an accurate apportionment of the services received by the Company. Auditor's remuneration is borne by the parent company.

### 6 Investment property

	2019 £'000
<b>Fair value</b>	
At 1 April 2018	140,708
Additions	21,016
Revaluations	604
	<u>162,328</u>
At 31 March 2019	<u>162,328</u>

Investment properties totalling £8,380,000 were independently valued, on a Market Value basis in March 2019, by an external, independent valuer (2018: *£nil*), having appropriate recognised professional qualifications and recent experience in the location and category of the property being valued. The valuation was made in accordance with the RICS Valuation Standards. Where fair value cannot be measured without undue cost or effort, investment property is accounted for at cost.

The remainder of the Investment Property portfolio is valued by the Directors of the company using ERV and yields appropriate to the region in which the property is situated. Benchmarking is undertaken to determine appropriate parameters for the yields used.

Any gain or loss arising from a change in fair value is recognised in the profit or loss account - rental income from investment property is accounted for as described in the turnover accounting policy.

The company has entered into certain capital commitments at the year end in relation to investment properties (see note 11).

# SOHO ESTATES PORTFOLIO LIMITED

## NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2019

### 7 Debtors

	2019 £'000	2018 £'000
<b>Amounts falling due within one year:</b>		
Trade debtors	50	81
Taxation and social security	306	200
Other debtors	55	85
Prepayments and accrued income	32	26
	<u>443</u>	<u>392</u>

### 8 Creditors: amounts falling due within one year

	2019 £'000	2018 £'000
Trade creditors	248	187
Amounts owed to group undertakings	119,541	99,241
Corporation tax	-	141
Other creditors	149	153
Accruals and deferred income	632	329
	<u>120,570</u>	<u>100,051</u>

Amounts owed to group companies are repayable on demand.

### 9 Deferred taxation

The following are the major deferred tax liabilities and assets recognised by the company and movements thereon:

	Liabilities 2019 £'000	Liabilities 2018 £'000
Origination and reversal of timing differences	<u>5,355</u>	<u>5,363</u>
<b>Movements in the year:</b>		<b>2019 £'000</b>
Liability at 1 April 2018		5,363
Credit to profit or loss		(8)
Liability at 31 March 2019		<u>5,355</u>

We anticipate an immaterial amount of deferred tax to unwind in the next twelve months and the majority to remain until which point the asset it attaches to is sold.

# SOHO ESTATES PORTFOLIO LIMITED

## NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

### FOR THE YEAR ENDED 31 MARCH 2019

#### 10 Called up share capital

	2019 £'000	2018 £'000
<b>Issued and fully paid</b>		
1 Ordinary share of £1	-	-

The holders of ordinary shares are entitled to receive dividends as declared from time to time and are entitled to one vote per share at meetings of the Company.

#### *Revaluation reserve*

Where investment properties have previously been revalued, the net revaluation increase is included in the revaluation reserve.

#### *Dividends*

No dividends were proposed after the year end.

#### 11 Capital commitments

Contractual commitments at the year end were £81,433,508 (2018: £13,000,000).

#### 12 Related party transactions

As the Company was a wholly owned subsidiary of Soho Estates Limited, who in turn are a wholly owned subsidiary of Soho Estates Holdings Limited at 31 March 2018, the Company has taken advantage of the exemption contained in FRS102.33.1A and has therefore not disclosed transactions or balances with wholly owned entities which form part of the Group headed by Soho Estates Holdings Limited.

#### 13 Parent company

The Company is a subsidiary undertaking of Soho Estates Limited, 58 Wardour Street, London, UK, W1D 4JQ. The ultimate parent company is Soho Estates Holdings Limited, 58 Wardour Street, London, UK, W1D 4JQ. The ultimate controlling party is the Paul Raymond family trusts, 58 Wardour Street, London, UK, W1D 4JQ.

The largest Company in which the results of the Company are consolidated is that headed by Soho Estates Holdings Limited, incorporated in England and Wales. The smallest Company in which they are consolidated is that headed by Soho Estates Limited, incorporated in England and Wales. The consolidated financial statements of these Companies are available to the public and may be obtained from the address shown in note 1.

#### 14 Judgements and key sources of estimation uncertainty

##### **Critical judgements**

The directors consider that there are no critical accounting judgements (except for those involving estimates included below).

##### **Key sources of estimation uncertainty**

The directors consider the only areas of estimation uncertainty in the financial statements is the valuation of investment property. This is calculated using a director's valuation with reference to market rental yields for the area which reduces the subjectivity around investments.
