## **REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 MARCH 2022**

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31 March 2022. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

Nectar Trust (Nectar Trust) is passionately committed to supporting and empowering disadvantaged people in the UK and Continental Europe. We work to forge partnerships with respected national, regional and local organisations with the aim of bringing communities together in the areas of Economic Empowerment, Educational Empowerment and Humanitarian Response. Going into our eighth year of operation we are pleased to provide this narrative to showcase our work this past year.

At Balance Sheet date, the trustees reviewed the restricted projects to hand. It was concluded that the charity would no longer be able to support projects in Europe. The trustees obtained written approval from the donors to utilise the funds for the European projects for similar projects that support educational projects in UK.

This has been reflected in the accounts.

Excellence - Maintaining the quality and consistency of our work is our highest priority. We are committed to delivering and demonstrating excellence and quality in everything we do.

**Significant activities**

The trustees are working towards distributing more funding in 2022/23.

**Public benefit**

As a charity, Nectar Trust must be able to demonstrate that its objects and activities are for the public benefit as required by the Charities Act 2011. The Trustees have all reviewed the guidance issued by the Charity Commission on public benefit and have ensured that Nectar Trust and its objects and activities comply with this statutory requirement. The Trustees confirm that they have complied with the duty in section 17 of the Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission in determining the activities undertaken by the charity.

This Report explains our main activities and achievements in carrying out our aims.

**FINANCIAL REVIEW**

**Financial position**

The Company received donations and other income worth £15,966 (2021: £56,066), none of which was restricted. At the end of the financial year 2021/22, Nectar Trust had a positive bank balance of £3,039,069 (2020/21: £3,061,720).

Support costs have been allocated between charitable activities and fundraising.

As at balance sheet date, restricted funds carried forward were £2,750,742 (2021: £2,774,742) and unrestricted funds were £136,540 (2021: £25,494).

**Reserves policy**

It is the policy of Nectar Trust that unrestricted funds which have not been designated for a specific use should be maintained at a level which will ensure that, in the event of a significant drop in funding, they will be able to continue the charity's current activities while consideration is given to ways in which additional funds may be raised. It is also Nectar Trust's policy to hold sufficient funds, currently at £40,000 for administrative purposes.

The trustees are working towards achieving this figure.

**Going concern**

Having substantially fulfilled the strategic aim of 2018/19 and 2019/20, which was to meet the obligations of established project commitments, Nectar Trust aimed to continue to reassess its strategic priorities. However, as of late March 2020, the world suffered the global Covid-19 pandemic, which impacted our ability to raise funds and generate new projects proposals. The Trustees have met regularly to take stock of the situation, leading to only one on-going project commitment being met in 2021 towards Maison Du Dialogue, but otherwise activity has been minimal. The Trustees are due to meet in the first quarter of 2023 to assess the future, as the global lockdown starts to ease.

On the subject of Covid-19, the charity has not benefited from any Government schemes, such as furlough or interest free loans.

The trustees consider the charity as a going concern.

### Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by Section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of Section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

##### **Basis of preparing the financial statements**

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

##### **Income**

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

##### **Expenditure**

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

##### **Tangible fixed assets**

Tangible fixed assets are stated at cost less depreciation. Depreciation has been provided on all tangible fixed assets at the following rates on the net book value of assets at the beginning of the financial year.

Depreciation is provided at the following annual rates:

### 1. ACCOUNTING POLICIES - continued

#### Foreign currencies

The charity's functional and presentation currency is pound sterling. Monetary assets and liabilities denominated in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are recorded at the rate ruling at the date of the transaction. All differences are recognised in the SOFA.

#### Financial instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic Financial instruments, include trade and other debtors and creditors are initially recognised at transaction value and subsequently measured at their settlement value.

#### Creditors

Creditors and provisions are recognised when the charity has present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably.

#### Going Concern Covid-19

The charity did not have any employees in 2022 and the charity operations are mainly to make donations to specific organisations. The Coronavirus pandemic therefore did not have any impact on the operations and financial position of the charity.

It is therefore for these reasons, the accounts have therefore been prepared on a going concern basis.
