NOTES TO THE FINANCIAL STATEMENTS - continued FOR THE YEAR ENDED 31 OCTOBER 2022

10. DISCLOSURE UNDER SECTION 444(5B) OF THE COMPANIES ACT 2006

The Report of the Auditors was qualified on the following basis:

Basis for qualified opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion. We were not appointed as auditors of the company until after 31 October 2021 and therefore, were unable to observe the counting of physical stock as at the comparative year end. This stock forms part of the opening balances for the period ended 31 October 2022. As we were unable to verify this stock held at 1 November 2021 of £112,857, by alternative means, we were unable to determine whether any adjustment to this amount was necessary.

The company operates on a simple structure, heavily reliant on a single individual who manages the company on a day to day basis, however there is very little documentary evidence to support completeness of income. Our opinion is also qualified in this respect.

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.
