LSH contacted a number of potentially interested parties and subsequently completed a sale of the items for £900

4. ASSETS

Sale of business

As previously reported, on 31 August 2016, shortly following the Administration, a sale of the Company's business and certain assets was completed to DSCVR Limited (DSCVR), for £250,000 (the Consideration). The Consideration was received in full on completion

A summary of the assets sold and the consideration received is detailed below:

Asset category	Consideration received (£)
Office equipment	15,100
Rent deposit	20,858
Goodwill	1
Intellectual property	213,639
Contracts	1
Sellers records	1
ADM – PRBWv2	

Full details of the transaction were provided in my report of 7 September 2016

HM Revenue and Customs (HMRC) tax relief claim

As previously reported, the Company's former accountants, Shipleys, advised the Company submitted a claim to HMRC for Research and Development Tax Relief (R&D). The approximate value of the claim was £350,000.

Unfortunately R&D claims are not recoverable by companies that have ceased to trade, so the Company in Administration is not entitled to receive any refund. R&D claims are non-transferable.

Cash at bank

I received £1,485 and £89 from the Company's pre-appointment bankers, HSBC Bank plc (HSBC) and Barclays, respectively

Investigations

My investigation into the financial affairs of the Company is continuing. The outcome of my investigation will be provided to creditors once concluded.

5. DIVIDEND PROSPECTS

Secured creditors

As previously reported, the sale of the Company's business and certain assets to DSCVR resulted in an immediate fixed charge distribution to Remo Nardone of £200,000, and an assignment of his debt to DSCVR.

Preferential creditors

As a result of the sale to DSCVR all employees were transferred under Transfer of Undertakings Protection of Employment (TUPE) legislation. Therefore, there are no known preferential creditors.

Non-preferential unsecured creditors

The Company's records indicate unsecured creditor claims total approximately £680,900. I have received claims from five creditors at a total of £182,845. I have not received claims from 21 creditors with original estimated claims of £533,108.

Based on current information it is not anticipated that there will be funds available to enable a distribution to unsecured creditors.

6. INVESTIGATION INTO THE AFFAIRS OF THE COMPANY

I undertook an initial investigation into the Company's affairs to establish whether there were any potential asset recoveries or conduct matters that justified further investigation. I took into account the public interest, potential recoveries, the funds likely to be available to fund an investigation, and the costs involved.

My investigation into the financial affairs of the Company is continuing. The outcome of my investigation will be provided to creditors once concluded.

Within three months of my appointment as Joint Administrator, I am required to submit a confidential report to the Secretary of State to include any matters which have come to my attention during the course of my work which may indicate that the conduct of any past or present director would make him unfit to be concerned with the management of the company. I confirm that my report has been submitted.

7. PRE-ADMINISTRATION COSTS

The Board of the Company instructed me to assist them in placing the Company in Administration on 28 June 2016. They agreed that I should be paid my pre-appointment fees and expenses as a fixed fee of £10,000 plus VAT. Further details in relation to my pre-appointment costs and expenses are provided in my Proposals dated 7 September 2016.

8. ADMINISTRATORS' REMUNERATION

My remuneration was previously authorised at a meeting of creditors on 23 December 2016 to be drawn on a time cost basis

My time costs to 25 February 2018 amount to £74,385, representing 305 of hours work at an average charge out rate of £244 per hour

I have drawn fees of £27,500, none of which was drawn in the last two reporting periods:

26 February 2017 to 25 August 2017

A total of £25,246 was charged in the period between 26 February 2017 and 25 August 2017, at an average charge out rate of £227 per hour

26 August 2016 to 25 February 2018

A total of £6,417 was charged in the period from 26 August 2017 and 25 February 2018, at an average charge out rate of £230 per hour.

Fee estimate

As at the date of this report the remuneration anticipated to be charged by the Joint Administrators has exceeded the previous fee estimate provided to creditors.

Further details are provided as follows.

- My initial fee estimate provided in my Proposals estimated time costs to total £55,373
- My revised fee estimate provided in my letter to creditors dated 23 November 2016 indicated a total fee of £63,293.
- Work has been undertaken in respect of investigations, asset realisations and creditors in excess of the fee estimate.
- I have noted below the sub-categories, the cap approved by creditors and my time costs to 25 February 2018:

Sub-category	Fee estimate as at 23 November 2016 (£)	Time costs as at 25 February 2018 (£)
Administration, planning & Statutory	44,777.50	28,744.00
Investigations	6,167.50	28,452.50
Realisation of assets	3,852.50	4,930.50
Creditors	10,135.00	12,258.00
Total	64,932.50	74,385.00

At this time I do not anticipate drawing fees in excess of my fee estimate. Should I wish to draw fees in excess of my estimate I will be required to seek approval from the Company's creditors

A schedule of my charge out rates, disbursement policy and a narrative description of the work undertaken in the Administration to date, together with the time costs incurred to date is attached as **Appendices III and IV**.

The relevant creditor's guide to Administrators' Fees can be found under the heading Creditor Guides on my website at <http://www.resolvegroupuk.com/resources/> Please note there are different versions of the guides, and in this case you should refer to the version for insolvencies after 1 October 2015.
