### STRATEGIC REPORT FOR THE YEAR ENDED 30 JUNE 2020

---

#### Introduction

The directors present the Strategic Report of Carpmaels & Ransford Services Limited for the year ended 30 June 2020.

#### Business review

The directors are satisfied with the results for the year and the state of affairs at the balance sheet date, and with the current and expected future trading levels.

Carpmaels & Ransford Services Limited, as a wholly owned subsidiary of Carpmaels & Ransford LLP, will continue to provide staff and other support services to Carpmaels & Ransford LLP and other firms within the group.

The services provided by Carpmaels & Ransford Services Limited are key to its parent and other related undertakings achieving their objectives.

#### Principal risks and uncertainties

The main financial risks arising from the company's activities relate to the recruitment, retention, training and development of staff together with ensuring compliance with all relevant legislation.

The directors have taken steps to mitigate financial risks by establishing control processes and procedures, which are subject to regular review.

#### Financial key performance indicators

The performance measures used include the turnover of the company and more qualitative information around staff retention.

This report was approved by the board and signed on its behalf.

### DIRECTORS' REPORT FOR THE YEAR ENDED 30 JUNE 2020

---

The directors present their report and the financial statements for the year ended 30 June 2020.

#### Principal activity

The principal activity of the company during the financial year was to provide staff and support services to Carpmaels & Ransford LLP and other firms within the group.

#### Results and dividends

The profit for the year, after taxation, amounted to £181,904 (2019 - £NIL).

No dividend has been paid during the year however, since the year end a dividend equal to the distributable profits of the company has been paid.

#### Directors

The directors who served during the year were:

G J Small  
C S Tunstall

#### Directors' responsibilities statement

The directors are responsible for preparing the Strategic Report, the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'.

Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period.

In preparing these financial statements, the directors are required to:

- select suitable accounting policies for the Company's financial statements and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

#### Future developments

It is anticipated that the company will continue to act as a service company for the foreseeable future.

### INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF CARPMAELS & RANSFORD SERVICES LIMITED

---

#### Opinion

We have audited the financial statements of Carpmaels & Ransford Services Limited (the 'Company') for the year ended 30 June 2020, which comprise the Statement of Income and Retained Earnings, the Statement of Financial Position and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the Company's affairs as at 30 June 2020 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

#### Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the United Kingdom, including the Financial Reporting Council's Ethical Standard; and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the directors' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the Company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

#### **Other information**

The directors are responsible for the other information. The other information comprises the information included in the Annual Report, other than the financial statements and our Auditor's Report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

#### **Opinion on other matters prescribed by the Companies Act 2006**

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Strategic Report and the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Strategic Report and the Directors' Report have been prepared in accordance with applicable legal requirements.

#### **Matters on which we are required to report by exception**

In the light of the knowledge and understanding of the Company and its environment obtained in the course of the audit, we have not identified material misstatements in the Strategic Report or the Directors' Report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

### INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF CARPMAELS & RANSFORD SERVICES LIMITED (CONTINUED)

---

#### **Responsibilities of directors**

As explained more fully in the Directors' Responsibilities Statement on page 2, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

#### **Auditor's responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our Auditor's Report.

#### **Use of our report**

This report is made solely to the Company's members in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an Auditor's Report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members for our audit work, for this report, or for the opinions we have formed.

### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2020

---

#### 1. General information

Carpmaels & Ransford Services Limited is a private limited company registered in England and Wales with number 08077371. The firm's principal activity is the provision of staff and support services to its parent undertaking, Carpmaels & Ransford LLP and other firms within the group. The address of the registered office is One Southampton Row, London, WC1B 5HA.

#### 2. Accounting policies

##### 2.1 Basis of preparation of financial statements

The financial statements have been prepared under the historical cost convention in accordance with FRS 102, The Financial Reporting Standard applicable in the UK and Republic of Ireland.

The company has taken advantage of the exemptions available to qualifying subsidiaries not to present a statement of cash flows, an analysis of financial assets and liabilities or disclosure of key management remuneration.

##### 2.2 Going concern

The company produces budgets and forecasts, which take account of expected changes in the company's trading performance and these demonstrate that the company is well placed to manage its business risks successfully. This has been particularly important during the course of the COVID-19 pandemic where the firm took immediate action to ensure sufficient and appropriate levels of cash were retained in the business to withstand any potential disruption. In the event, there has not been a significant impact on the firm's activities but the directors are aware that if the situation becomes more prolonged then this may change. Carpmaels & Ransford LLP has confirmed that it will continue to use the services provided by the company and provide ongoing financial support, as required. On this basis, the directors have a reasonable expectation that the company has adequate resources to operate for the foreseeable future and consider it appropriate to prepare the financial statements on the going concern basis.

##### 2.3 Revenue recognition

Revenue represents the fair value of services provided to its parent undertaking and is calculated on the basis of costs incurred. Revenue excludes Value Added Tax.

##### 2.4 Tangible fixed assets

Tangible fixed assets are stated at historical cost less accumulated depreciation and any accumulated impairment losses. Historical cost includes expenditure that is directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.

NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 30 JUNE 2020

---

**2. Accounting policies (continued)**

**2.4 Tangible fixed assets (continued)**

Depreciation is charged so as to allocate the cost of assets less their residual value over their estimated useful lives, using the straight-line method.

The estimated useful lives range as follows:

Short Term Leasehold Property	- Over the life of the lease
Fixtures & fittings	- Straight line over 5 - 6 years
Office equipment	- Straight line over 3 - 6 years
Computer equipment	- Straight line over 3 years

The assets' residual values, useful lives and depreciation methods are reviewed, and adjusted prospectively if appropriate, or if there is an indication of a significant change since the last reporting date.

Gains and losses on disposals are determined by comparing the proceeds with the carrying amount and are recognised in profit or loss.

**2.5 Cash and cash equivalents**

Cash is represented by cash in hand and deposits with financial institutions repayable without penalty on notice of not more than 24 hours. Cash equivalents are highly liquid investments that mature in no more than three months from the date of acquisition and that are readily convertible to known amounts of cash with insignificant risk of change in value.

**2.6 Financial instruments**

The Company only enters into basic financial instruments transactions that result in the recognition of financial assets and liabilities like trade and other debtors and creditors, loans from banks and other third parties, loans to related parties. Short term receivables are measured at transaction price, less any impairment. Short term payables are measured at the transaction price. Other financial liabilities, including bank loans, are measured initially at fair value, net of transaction costs, and are measured subsequently at amortised cost using effective interest method.

**2.7 Operating leases**

Rentals paid under operating leases are charged to profit or loss on a straight line basis over the lease term.

Benefits received and receivable as an incentive to sign an operating lease are recognised on a straight line basis over the lease term.

### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2020

---

#### 2. Accounting policies (continued)

##### 2.8 Pensions

###### Defined contribution pension plan

The Company operates a defined contribution plan for its employees. A defined contribution plan is a pension plan under which the Company pays fixed contributions into a separate entity. Once the contributions have been paid the Company has no further payment obligations.

The contributions are recognised as an expense in profit or loss when they fall due. Amounts not paid are shown in accruals as a liability in the Statement of Financial Position. The assets of the plan are held separately from the Company in independently administered funds.

##### 2.9 Short term employee benefits

~~The firm makes provision for accrued holiday earned but not taken at the statement of financial position date, inclusive of associated costs.~~

##### 2.10 Interest income

Interest income is recognised in profit or loss using the effective interest method.

##### 2.11 Provisions for liabilities

Provisions are made where an event has taken place that gives the Company a legal or constructive obligation that probably requires settlement by a transfer of economic benefit, and a reliable estimate can be made of the amount of the obligation.

Provisions are charged as an expense to profit or loss in the year that the Company becomes aware of the obligation; and are measured at the best estimate at the Statement of Financial Position date of the expenditure required to settle the obligation, taking into account relevant risks and uncertainties.

When payments are eventually made, they are charged to the provision carried in the Statement of Financial Position.

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 30 JUNE 2020**

---

**2. Accounting policies (continued)**

**2.12 Current and deferred taxation**

The tax expense for the year comprises current and deferred tax. Tax is recognised in profit or loss except that a charge attributable to an item of income and expense recognised as other comprehensive income or to an item recognised directly in equity is also recognised in other comprehensive income or directly in equity respectively.

The current income tax charge is calculated on the basis of tax rates and laws that have been enacted or substantively enacted by the reporting date in the countries where the Company operates and generates income.

Deferred tax balances are recognised in respect of all timing differences that have originated but not reversed by the Statement of Financial Position date, except that:

- The recognition of deferred tax assets is limited to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits; and
- Any deferred tax balances are reversed if and when all conditions for retaining associated tax allowances have been met.

Deferred tax balances are not recognised in respect of permanent differences except in respect of business combinations, when deferred tax is recognised on the differences between the fair values of assets acquired and the future tax deductions available for them and the differences between the fair values of liabilities acquired and the amount that will be assessed for tax. Deferred tax is determined using tax rates and laws that have been enacted or substantively enacted by the reporting date.

**3. Judgements in applying accounting policies and key sources of estimation uncertainty**

The directors do not consider that any significant estimates or judgements have been required in preparing these financial statements.

**4. Turnover**

The turnover of the company during the year arose in the United Kingdom and has been derived from its principal activity.

**5. Operating profit/(loss)**

The operating profit/(loss) is stated after charging:

	2020	2019
	£	£
Depreciation of tangible fixed assets	398,953	513,256
Exchange differences	770	4,543
