YEAR ENDED 31 MARCH 2023

The directors/trustees present their annual report and audited financial statements of The Mitie Foundation ("the Foundation") for the year ended 31 March 2023. This report and the financial statements have been prepared in accordance with the provisions applicable to small companies entitled to the small companies' exemption and in accordance with the accounting policies set out on pages 14 and 15.

The legal and administrative details set out on page 9 form part of this report. The financial statements comply with the current statutory requirements, the Foundation's memorandum and articles of association and the Statement of Recommended Practice FRS102. The financial statements have been prepared under the historical cost convention, in accordance with applicable accounting standards and the Companies Act 2006.

Structure, governance and management

The Foundation is a company limited by guarantee and its directors, for the purposes of company law are also trustees for the purposes of charity law and those who served during the year and to date are shown on page 9. For the purposes of this report they will be referred to as trustees.

The Foundation was incorporated on 15 June 2012, registered as a charity on 6 September 2012 and began its activities on 1 April 2013.

On appointment, new trustees sign a model trustee declaration statement, confirming their eligibility and committing them to giving their time and expertise. New trustees are fully briefed on the objectives of the Foundation and their role as trustees. They are also provided with a copy of the Charity Commission Guidance for trustees and a copy of the Foundation's memorandum and articles of association.

Trustees give their time voluntarily and receive no remuneration or other benefits. Trustees are required to disclose all relevant interests and withdraw from decisions where a conflict of interest arises.

There must be a minimum of two trustees but no more than nine. Up to three trustees may be appointed by Mitie Group plc ("Mitie") by way of written notice to the Foundation. All current trustees have been appointed by the decision of trustees.

The trustees are responsible for determining the overall strategy of the Foundation, however they delegated managerial oversight responsibilities to Jasmine Hudson. Key management personnel are determined to be the trustees and seconded Mitie Group plc staff. As all Foundation staff are seconded to The Mitie Foundation from Mitie Group plc; no staff, including key management personnel are directly paid by The Mitie Foundation. Employment benefits for the seconded Mitie Group plc staff, as key management, are determined through internal Mitie Group plc pay review processes.

The trustees have considered the major risks to which the Foundation is exposed. These have been reviewed and systems and procedures have been established to manage those risks.

Objectives and activities

The Foundation's vision is to raise aspirations and unlock people's true potential. The objectives of the Foundation, as set out in its articles of association, are broad, allowing the charity to carry on any charitable activity within the law.

Currently the Foundation has three main objectives:

- To enhance employability
- Support community through Volunteering
- Provide sustainable Employment opportunities for underrepresented groups

Enhancing employability

Helping people with barriers to employment and social mobility is the core aim of the Foundation. The Foundation works in partnership with Job Centre Plus ("JCP") and others, to deliver employability programmes (Ready2Work) which give people a chance to demonstrate their skills, primarily through on the job work experience.

The Foundation uses its relationship with Mitie businesses, clients and suppliers, as well as other organisations to secure appropriate work placements for candidates and helps them seek employment at the end of the course. On all work programmes, candidates receive coaching and support from the Foundation team, specifically focussing on identifying transferable employability skills and making sure their CVs reflect these. The candidates on the Ready2Work programme also benefit from a pre-employment training week, run by the Foundation team, which is designed to clarify workplace expectations and encourage participants to step outside their comfort zone and to develop confidence and communication skills.

Ready2Work programmes improve social mobility in local communities by supporting people with disabilities, refugees, people with convictions and other groups with specific barriers to employment and is also available to support Mitie employees' friends and family who may have barriers to employment.

Together with our partner organisations and charities, the Mitie Foundation has created three additional variations of Ready2Work. These programmes are tailored to the needs of candidates who face specific challenges in showcasing their ability and potential. Ready2Work – Military Aligned with Mitie's proud commitment to the Armed Forces Covenant, the Ready2Work Military programme supports veterans in finding civilian roles in facilities management. Mitie recognises that servicemen and women have unique skills and training that can add real value to the business. Ready2Work – Enable, the Enable programme assists participants with a disability or learning difficulties, and also supports both Mitie and the organisation's clients in providing such candidates with sustainable employment.

Supporting Community Through Volunteering

Mitie is committed to enriching the communities in which we operate. In support of this, the Foundation manages the company's employee volunteering programme, Giving Back. Salaried Mitie colleagues are encouraged to use their 10 volunteering hours to support causes

in their locality. Hourly paid colleagues can also take part, upon client agreement and on a case-by-case basis.

Mitie colleagues can choose to support a cause that matters to them. This can include programmes delivered by the Mitie Foundation, opportunities with our charity partners and those housed on the Do-IT platform. The variety ensures we can offer an exciting range of impactful volunteering options.

Mitie has made a significant five-year pledge by committing to 8,000 employee volunteering hours during financial year 20/21, increasing to 23,680 hours by 24/25.

FY22-23 the business had a target of 16,320, we surpassed this by 19,298 volunteering hours.

Full 5-year breakdown below:

Year	Target hours	Achieved
FY20/21	8,000	8,098
FY21/22	12,400	14,650
FY22/23	16,320	19,298
FY23/24	20,720	Ongoing
FY24/25	23,680	N/A

Colleagues are also encouraged to engage in fundraising activities, raising finances for community initiatives and charity partners. The planning and delivery of fundraising activities delivered in Mitie time also contributes towards Mitie's volunteering objectives.

Providing Sustainable Employment

To encourage talent from the Foundation initiatives and partners, we are now better linked with Resourcing for both volume and specialist roles across the Mitie Business. Via our applicant tracking system, eArcu, we have launched a private career page available only to partnered referral providers/charities. Applications made from Mitie Foundation participants are now identifiable at "source" on eArcu and will automatically be moved into "under review" status. As a hiring manager we ask that all Foundation applicants who meet the minimum criteria are offered interviews.

Now our recording processes are fully launched and accurate, we can actively track from application to day one start across the business. These outcomes are measured through the Foundation dashboard showing our Foundation candidates from day one of starting in role. The dashboard shares monthly data with our senior leaders, ensuring full transparency and awareness, and can be accessed at team/account level. By engaging with the Foundation's initiatives and utilising the talent pool we provide, we can diversify our workforce and improve social mobility within the communities we operate.

Social Value Champions

A network of over 18 Social Value Champions across all Mitie business divisions has been established to help to communicate the Foundation's activities and Social Value. Many of these ambassadors are also involved in supporting Mitie forums designed to support diversity and inclusion and have been organised into local networks and effectively act as the Foundation's voice within the businesses, encouraging their work colleagues and in some cases their clients to take part in organised volunteering events.

Public benefit

The trustees have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the Foundation's aims and objectives and in planning future activities. In particular the trustees consider how planned activities will contribute to the Foundation's aims and the objectives they have set and have therefore complied with the duty in section 17 of the Charities Act 2011.

Taking into account the Foundation's achievements and beneficiaries as described below, the trustees confirm that due regard has been paid to the public benefit guidance published by the Charity Commission.

Achievements and performance

Following a restructure of the Foundation, the team have agreed and delivered a new Strategy and focus to becoming more aligned to the Mitie business and its Social Value commitments. Supporting 3 of the 5 core Social Value pillars, the Foundation provide quarterly updates to the Social Value & Responsible Business Committee, chaired by Jasmine Hudson.

Below are examples of activities during FY22-23, within the Foundation's Core Pillars.

THE MITIE FOUNDATION

was attended by approx. 190 people, which included Mitie employees, supply chain and customers.

- Mitie made a corporate donation of **£22,458** to British Heart Foundation
- Mitie made a corporate donation of **£22,458** to Prostate Cancer
- Mitie made a corporate donation of **1500 to Give Fundraising**
- Mitie colleagues raised **£23,500** for Macmillan Cancer Support by delivering local Coffee Mornings

The above fundraising was raised by Mitie Group plc employees, and all money received either went through the Foundation account and distributed to the relevant respective organisation or directly to the respective organisation.

Providing Sustainable Employment

With metrics now in place to capture Foundation hires, March 23' report evidenced we have achieved 357 hires out of our 200 hired target. Via the new ATS we can gain further insights to the application process, highlighting key areas of "breakdown" in applications, such as incomplete profiles or requests for rejection from hiring managers. This enables the Foundation to offer additional support to candidates, provide feedback to our referral partners and challenge hiring managers if minimum requirements for the role have been met.

Financial review

The Foundation received income of £242,935 (2022: 172,585) from Mitie and £1,971 (2022: £55,041) from external sources. This has enabled it to deliver its activities as outlined in the achievements and performance section below and resulted in a deficit of £9,759 (2022: surplus of £53,411). The trustees consider the results of the Foundation to be satisfactory.

The Foundation's policy is to hold no reserves as the operating costs of the Foundation are budgeted within and paid by Mitie. Funding sources are predominately from Mitie, either in the form of company gift or through donations raised through staff initiatives.

As at 31 March 2023, the unrestricted funds held that also described the free reserves of the charity were £81,619 (2022: £91,378).

Statement about fundraising activity

Whilst the majority of the funding for the Foundation is provided by Mitie Group plc, some fundraising activity does provide additional financial benefit.

No professional organisation or individual was used to raise funds, and therefore the Foundation has not felt obligated to subscribe to any fundraising standards, schemes or regulations.

We have received no complaints relating to any fundraising activity, and all transactions have passed through our finance team and we do not approach the general public or place undue pressure on people to give money to the Foundation.

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the income and expenditure, of the charitable company for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;

The trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

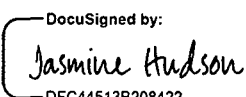

In so far as the trustees are aware:

- there is no relevant audit information of which the charitable company's auditors are unaware; and
- the trustees have taken all steps that they ought to make themselves aware of that information.

Pursuant to Section 487 of the Companies Act 2006, the independent examiner will be deemed to be reappointed and Burton Sweet will therefore continue in office.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
