Turnover policy

Turnover represents amounts derived from the company's principal activity. Turnover is recognised upon completion of the contractual obligations of all parties.

Other accounting policies**Deferred taxation**

Full provision is made for deferred tax assets and liabilities arising from all timing differences between the recognition of gains and losses in the financial statements and recognition in the tax computation.

A net deferred tax asset is recognised only if it can be regarded as more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted.

Deferred tax assets and liabilities are calculated at the tax rates expected to be effective at the time the timing differences are expected to reverse.

Deferred tax assets and liabilities are not discounted.

Foreign currencies

Monetary assets and liabilities denominated in foreign currencies are translated into euros at rates of exchange ruling at the balance sheet date.

Transactions in foreign currencies are translated into euros at the rate ruling on the date of the transaction.

Exchange gains and losses are recognised in the Profit and loss account.

CONTROLLING PARTY

Immediate control of the company rests with International Piping Industries Ltd, a company registered in Belize, by virtue of holding 100% of the issued share capital of the company.
