Notes to the Abbreviated Accounts for the period ended 31 March 2015**1 Accounting Policies****Basis of measurement and preparation of accounts**

The accounts are prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

Turnover policy

Turnover represents the total invoice value, excluding value added tax, of sales made during the year and derives from the provision of goods falling within the company's ordinary activities.

Tangible assets depreciation policy

Depreciation is provided at rates calculated to write off the cost less residual value of each asset over its expected useful life, as follows:

Fixtures, fittings and equipment - 15% on reducing balance

Intangible assets amortisation policy

Goodwill :

Acquired goodwill is written off in equal annual installments over its estimated useful economic life of 20 years.

Other accounting policies

Stock :

Stock is valued at the lower of cost and net realisable value.

Pension :

The pension costs charged in the financial statements represent the contribution payable by the company during the year.

The Regular cost of providing retirement pensions and related benefits is charged to the profit and loss account over the employees' services lives on the basis of a constant percentage of earnings.

Deferred taxation :

Deferred tax is recognised, without discounting, in respect of all timing differences between the treatment of certain items for taxation and accounting purposes, which have arisen but not reversed by the balance sheet date, except as required by the FRSSE.

Deferred tax is measured at the rates that are expected to apply in the periods when the timing differences are expected to reverse, based on the tax rates and law enacted at the balance sheet date.
