- (g) The liabilities and obligations of each Security Obligor under this Deed shall be joint and several. Each Security Obligor agrees to be bound by this Deed notwithstanding that any other Security Obligor which was intended to sign or be bound by this Deed did not so sign or is not bound by this Deed

- (i) This Deed is a Finance Document and a Security Document

1.3 Third party rights

A person who is not a Party shall have no right under the Contracts (Rights of Third Parties) Act 1999 to enforce or enjoy the benefit of any term of this Deed

1.4 Polish Security Obligor

Any provisions of this Deed with respect to the Polish Security Obligor apply unless they contradict mandatory provisions of Polish law, including in particular Polish Bankruptcy and Restructuring Law of 28 February 2003 (uniform text Journal of Laws of 2012, item 1112, as amended)

2. GUARANTEE AND INDEMNITY

2.1 Guarantee and indemnity

Each Security Obligor irrevocably and unconditionally:

- (a) guarantees in favour of the Security Trustee as security trustee for the Finance Parties punctual performance by each member of the Group of all obligations of each member of the Group under the Finance Documents,
- (b) undertakes in favour of the Security Trustee as security trustee for the Finance Parties that whenever a member of the Group does not pay any amount when due under, or in connection with, any Finance Document, such Security Obligor shall immediately on demand pay that amount as if it were the principal obligor, and
- (c) indemnifies the Security Trustee as security trustee for the Finance Parties immediately on demand against any cost, loss or liability suffered by the Security Trustee, if any obligation guaranteed by it is or becomes unenforceable, invalid or illegal. The amount of the cost, loss or liability shall be equal to the amount which the Security Trustee would otherwise have been entitled to recover.

2.2 Extension of guarantee

The guarantee set out in this clause 2 is given subject to and with the benefit of the provisions set out in schedule 2 (*The Guarantee*)

2.3 Limitation of liability of Polish Security Obligor

The obligations and liabilities of the Polish Security Obligor shall be limited in accordance with the following rules

- (a) the Polish Security Obligor has a right to refrain from a payment under this clause 2 in the event and to the extent that such payment would result in a reduction of its assets necessary to fully cover its share capital pursuant to Article 189, par 2 of the Polish Commercial Companies Code dated 15 September 2000 (Journal of Laws No 94, item 1037, as amended) For the avoidance of doubt the purpose of this limitation is to protect the members of the management board of the Polish Security Obligor from the risk of potential liability in connection with the violation of the aforementioned article of the Polish Commercial Companies Code. The limitation shall not apply, if the liabilities of the Polish Security Obligor (other than liabilities under this Deed or other Finance Documents) are in such amount that they result in the reduction of the Polish Security Obligor's assets necessary to cover its share capital. Furthermore, for the purpose of the calculation of the amount that may be enforced against the Polish Security Obligor pursuant to this paragraph, the liabilities incurred by the Polish Security Obligor in violation of the provisions of this Deed or other Finance Documents shall be disregarded, and/or
- (b) to an amount equal to the difference between the Polish Security Obligor's total assets from time to time and all its liabilities at such time (other than liabilities under this Deed or other Finance Documents) and thus they do not result in insolvency of the Polish Security Obligor in the meaning of Article 11 §2 of the Polish Bankruptcy and Restructuring Law dated 28 February 2003 (unified text Journal of Laws of 2012, item 1112, as amended) The limitation in this paragraph shall not apply if at least one of the following circumstances occurs:

- (i) an Event of Default (under any of the Finance Documents) occurs in respect of which a notice of acceleration has been provided by the Agent, irrespective of whether it occurred before or after the Polish Security Obligor became insolvent within the meaning of Article 11 §2 of the Polish Bankruptcy and Restructuring Law, or
- (ii) liabilities of the Polish Security Obligor other than those under this Deed or other Finance Documents result in its insolvency within the meaning of Article 11 §2 of the Polish Bankruptcy and Restructuring Law, or
- (iii) Polish law is amended in such a manner that balance sheet insolvency as provided for in Article 11 §2 of the Polish Bankruptcy and Restructuring Law (as in force on the date of this Deed) no longer gives grounds for bankruptcy or no longer obliges the representatives of the Polish Security Obligor to file for bankruptcy

3. COVENANT TO PAY

3.1 Covenant to pay

Each Security Obligor, as principal obligor and not merely as surety, covenants in favour of the Security Trustee as security trustee for the Finance Parties that it will pay and discharge the Secured Obligations from time to time when they fall due.

3.2 Default interest

- (a) Any amount which is not paid under this Deed when due shall bear interest (both before and after judgment and payable on demand) from the due date until the date on which such amount is unconditionally and irrevocably paid and discharged in full on a daily basis at the rate and in the manner agreed in the Finance Document under which such amount is payable and, in the absence of such agreement, at the Default Rate from time to time

28.6 The Land Registry

Each Security Obligor shall apply to the Chief Land Registrar (and consents to such an application being made by or on behalf of the Security Trustee) for a restriction in the following terms to be entered on the Register of Title relating to any property registered at the Land Registry (or any unregistered land subject to first registration) and against which this Deed may be noted:

"No disposition of the registered estate by the proprietor of the registered estate is to be registered without a written consent signed by the proprietor for the time being of the charge dated [♦] 20[♦] in favour of Endless LLP (as Security Trustee pursuant to the Facility Agreement dated [♦] 20[♦]) referred to in the charges register or, if appropriate, signed on such proprietor's behalf by its secretary or conveyancer."

28.7 Amendments and waivers

Any provision of this Deed may be amended only if the Security Trustee and the Security Obligors so agree in writing and any breach of this Deed may be waived before or after it occurs only if the Security Trustee so agrees in writing. A waiver given or consent granted by the Security Trustee under this Deed will be effective only if given in writing and then only in the instance and for the purpose for which it is given.

28.8 Calculations and certificates

A certificate of the Security Trustee specifying the amount of any Secured Obligation due from a Security Obligor (including details of any relevant calculation thereof) shall be prima facie evidence of such amount against each Security Obligor in the absence of manifest error.

28.9 Waiver, rights and remedies

No failure to exercise, nor any delay in exercising, on the part of the Security Trustee, any right or remedy under this Deed shall operate as a waiver, nor shall any single or partial exercise of any right or remedy prevent any further or other exercise or the exercise of any other right or remedy. The rights and remedies provided are cumulative and not exclusive of any rights or remedies provided by law.

29. NOTICES

29.1 Communications in writing

- (c) references to each "Obligor" shall be deemed to be references to each Security Obligor

29.2 Agent for service

- (a) Each Security Obligor (other than the Parent) by its execution of this Deed (but without preventing any other mode of service) irrevocably appoints the Parent to act on its behalf as its agent in relation to the Finance Documents and irrevocably authorises

- (i) the Parent on its behalf to supply all information concerning itself contemplated by this Deed to the Security Trustee and to give all notices and instructions to make such agreements and to effect the relevant amendments, supplements and variations capable of being given, made or effected by any Security Obligor notwithstanding that they may affect the Security Obligor, without further reference to or the consent of that Security Obligor, and
- (ii) the Security Trustee to give any notice, demand or other communication to be given to that Security Obligor pursuant to the Finance Documents to the Parent,
- (iii) the Parent to accept service of all legal proceedings arising out of or in connection with the Finance Documents (or any of them) and/or any non-contractual obligations arising out of or in connection with the Finance Documents (or any of them) and service of any document in any action arising out of such proceedings or out of or in connection with the Finance Documents (or any of them),

and in each case the Security Obligor shall be bound as though the Security Obligor itself had given the notices and instructions or executed or made the agreements or effected the amendments, supplements or variations, or received the relevant notice, demand, other communication, legal proceedings or other document in any action arising out of such proceedings.

- (b) Every act, omission, agreement, undertaking, settlement, waiver, amendment, supplement, variation, notice or other communication given or made by the Parent or given to the Parent under any Finance Document on behalf of any Security Obligor or in connection with any Finance Document (whether or not known to any Security Obligor and whether occurring before or after such Security Obligor became a Security Obligor) shall be binding for all purposes on that Security Obligor as if that Security Obligor had expressly made, given or concurred with it. In the event of any conflict between any notices or other communications of the Parent and any Security Obligor, those of the Parent shall prevail
- (c) Additionally, for the benefit of the Security Trustee and without preventing any other mode of service, the Polish Security Obligor hereby

- (i) authorises and irrevocably appoints the Parent as its agent to accept service of all legal proceedings arising out of or in connection with the Finance Documents (or any of them) and/or any non-contractual obligations arising out of or in connection with the Finance Documents (or any of them) and service of any document in any

action arising out of such proceedings or out of or in connection with the Finance Documents (or any of them),

- (ii) agrees that service on the Parent shall be deemed to be service on the Polish Security Obligor;
 - (iii) agrees that failure by the Parent to notify it of any such service of proceedings, action and/or documents will not invalidate the service of such proceedings, action and/or documents concerned, and
 - (iv) agrees that if the Parent or any other person appointed as agent for the service of process in accordance with this clause 29 3(c) is unable for any reason to act as agent for service of process, the Polish Security Obligor must promptly (and in any event within 2 Business Days of such event taking place) appoint another agent who is acceptable to the Security Trustee and on terms acceptable to the Security Trustee.
- (d) The Parent undertakes not to resign the appointments referred to in this clause 29 without first procuring the appointment of a substitute agent for service in respect of the matters referred to above who is acceptable to the Security Trustee and on terms acceptable to the Security Trustee

30. PARTIAL INVALIDITY

All the provisions of this Deed are severable and distinct from one another and if at any time any provision is or becomes illegal, invalid or unenforceable in any respect under any law of any jurisdiction, neither the legality, validity or enforceability of any of the remaining provisions nor the legality, validity or enforceability of such provision under the law of any other jurisdiction will in any way be affected or impaired

Until all amounts which may be or become payable during the Security Period by the Security Obligors under or in connection with the Finance Documents have been irrevocably paid in full, the Security Trustee may:

- (a) refrain from applying or enforcing any other monies, security or rights held or received by the Security Trustee in respect of those amounts, or apply and enforce the same in such manner and order as it sees fit (whether against those amounts or otherwise) and no Security Obligor shall be entitled to the benefit of the same, and
