2. ACCOUNTING POLICIES

Basis of preparing the financial statements

These financial statements have been prepared in accordance with Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" including the provisions of Section 1A "Small Entities" and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

At the company's balance sheet date the company had net liabilities and net current liabilities. This position is due to amounts owed to its parent company (£1,716,611). The parent company has agreed not to seek repayment of the amounts they are owed unless the company has sufficient funds to do so. The company will meet its liabilities as they fall due with the support of its parent company. On this basis the directors have prepared the financial statements on the going concern basis.

Related party exemption

The company has taken advantage of exemption, under the terms of Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland', not to disclose related party transactions with wholly owned subsidiaries within the group.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.
