6 JOINT LIQUIDATORS' REMUNERATION, EXPENSES AND DISBURSEMENTS, AND CREDITORS' RIGHTS

Remuneration

- 6.1 A fee of £8,000 in respect of the preparation of the statement of affairs was approved by creditors on 6 March 2018 which has been drawn in full.
- 6.2 On 11 April 2018, creditors resolved by way of business by correspondence, that the Joint Liquidators' remuneration be payable by reference to time properly given by them and their staff in attending to matters arising in the liquidation as set out in the Fees Estimate dated 21 March 2018 (for an amount totalling £16,910). As set out in Appendix B, the Joint Liquidators' time costs from 6 March 2022 to 10 June 2022 are £3,084.50, which represents 7.9 hours at an average hourly rate of £390.44. Total time costs from the commencement of the liquidation amount to £29,957.50.
- 6.3 At Appendix C is a detailed description of work undertaken in the period, attributable to each category of time costs and an explanation of why it was necessary for that work to be performed.
- 6.4 At Appendix D is a comparison of categorised time costs incurred and the estimated time costs as per the original Fees Estimate. You will note that the categories of time costs incurred do not generally exceed those as set out in the Fees Estimate. The areas where significant variance has occurred are in respect of statutory and review, receipts and payments, liabilities and post appointment creditor reporting.

Statutory and Review

Additional time has been incurred in undertaking file reviews and reviewing time costs over and above those originally anticipated owing to the extended length of the liquidation.

Receipts and Payments

Further time has been incurred in monitoring the deferred consideration payments, preparing additional VAT reclaim forms, preparing annual corporation tax returns and dealing with distribution payments.

Liabilities

Further time has been incurred in dispatching the re-issued notice of intended dividend, adjudicating claims received and declaring the first and final distribution to unsecured creditors.

Post Appointment Creditor Reporting

Further time has been incurred in drafting and distributing progress reports to creditors in addition to those that were originally anticipated owing to the extended length of the liquidation.

- 6.5 Fees totalling £16,190 have been drawn No further fees will be drawn in this matter.

Expenses

- 6.6 A comparison of the Joint Liquidators' expenses from 6 March 2018 to 10 June 2022 and the Joint Liquidators' statement of likely expenses is attached at Appendix E. To assist creditors' understanding of this information, it has been separated into the following two categories:
- *Standard Expenses*: this category includes expenses payable by virtue of the nature of the liquidation process and / or payable in order to comply with legal or regulatory requirements.
 - *Case Specific Expenses*: this category includes expenses likely to be payable by the Joint Liquidators in carrying out their duties in dealing with issues arising in this particular liquidation. Included within this

category are costs that are directly referable to the liquidation but are not paid to an independent third party (and which may include an element of allocated costs). These are known as 'category 2 expenses' and they may not be drawn without creditor approval.

With effect from 1 April 2021, the Joint Liquidators are also required to disclose to those responsible for approving our remuneration whether any payments we intend to make from an insolvency estate are to associates of Leonard Curtis. Payments to associates are subject to the same level of approval as the office holder's fees and category 2 expenses. Further details are included at Appendices E and F.

- 6.7 On 11 April 2018, creditors resolved that the Joint Liquidators be authorised to discharge category 2 expenses.
- 6.8 You will note that, in general, the nature and value of expenses incurred to date fall within those anticipated within the original statement of expenses.
- 6.9 Attached at Appendix F is additional information in relation to the firm's policy on staffing, the use of subcontractors, disbursements and details of current charge-out rates by staff grade. Please be aware that the firm's charge out rates have been amended with effect from 1 March 2021.
- 6.10 No professional advisors, including subcontractors, have been used during the period of this report.

Creditors' Rights

- 6.12 Under Rule 18.9 of the Rules, within 21 days of receipt of this report, a secured creditor, or an unsecured creditor with either the concurrence of at least five per cent in value of the unsecured creditors (including the creditor in question), or with the permission of the court, may request in writing that the Joint Liquidators provide further information about their remuneration or expenses which have been itemised in this report.
- 6.13 Under Rule 18.34 of the Rules, any secured creditor, or any unsecured creditor with either the concurrence of at least 10 per cent in value of the unsecured creditors (including that creditor) or the permission of the court, may within eight weeks of receipt of the progress report that first reports the fee basis, the charging of the remuneration or the incurring of the expenses in question, make an application to court on the grounds that, in all the circumstances, the basis fixed for the Joint Liquidators' remuneration is inappropriate and/or the remuneration charged or the expenses incurred by the Joint Liquidators, as set out in the progress report, are excessive.
- 6.14 Unless the court orders otherwise, the costs of the application shall be paid by the applicant and are not payable as an expense of the liquidation.

LEONARD CURTIS POLICY REGARDING FEES, EXPENSES AND DISBURSEMENTS

The following Leonard Curtis policy information is considered to be relevant to creditors:

Staff Allocation and Charge Out Rates

We take an objective and practical approach to each assignment which includes active director involvement from the outset. Other members of staff will be assigned on the basis of experience and specific skills to match the needs of the case. Time spent by secretarial and other support staff on specific case related matters, e.g. report despatching, is not charged.

Where it has been agreed by the appropriate body of creditors that the office holders' remuneration will be calculated by reference to the time properly given by the office holders and their staff in attending to matters as set out in a fees estimate, then such remuneration will be calculated in units of 6 minutes at the standard hourly rates given below. In cases of exceptional complexity or risk, the insolvency practitioner reserves the right to request and obtain authority from the appropriate body of creditors that their remuneration on such time shall be charged at the higher complex rates given below.

The following hourly charge out rates apply to all assignments undertaken by Leonard Curtis:

	6 Jan 2014 onwards		1 Aug 2019 onwards		1 March 2021 onwards	
	Standard	Complex	Standard	Complex	Standard	Complex
	£	£	£	£	£	£
Director	450	562	525	656	550	688
Senior Manager	410	512	445	556	465	581
Manager 1	365	456	395	494	415	518
Manager 2	320	400	345	431	365	456
Administrator 1	260	325	280	350	295	369
Administrator 2	230	287	250	313	265	331
Administrator 3	210	262	230	288	245	306
Administrator 4	150	187	165	206	175	219
Support	0	0	0	0	0	0

In respect of assignments pre-dating 1 March 2022, office holders' remuneration may include costs incurred by the firm's in-house legal team, which may be used for non-contentious matters pertaining to the insolvency appointment.

Use of Associates

We are required to disclose to those responsible for approving our remuneration whether any payments we intend to make from an insolvency estate are to Associates of Leonard Curtis (LC). The term "Associate" is defined in s435 of the Insolvency Act 1986, but we are also required to consider the substance or likely perception of any association between the appointed insolvency practitioner, their firm (LC) or an individual within the firm and the recipient of a payment. Payments to Associates are subject to the same level of approval as the office holder's fees and category 2 expenses (see table on the next page for further details).

Leonard Curtis Legal Limited (LC Legal) are part of the LCBSG group; as such they are an "Associate" of LC. Where LC Legal are instructed to assist an office-holder in a particular matter from 1 March 2022 onwards, details of their proposed costs will be provided to creditors and specific approval for payments to associates will be sought.

Additionally, whilst not meeting the legal definition of "Associate" we are aware that there is a perceived association between LC and Pelstar Limited. Pelstar Limited provides insolvency case management software and document hosting facilities to LC. LC employs an individual who is married to a director of Pelstar Limited. Pelstar Limited's costs are set out in the expenses tables below.

Use of Professional Advisors

Details of any professional advisor(s) used will be given in reports to creditors. Unless otherwise indicated the fee arrangement for each is based on hourly charge out rates, which are reviewed on a regular basis, together with the recovery of relevant disbursements.

All Counties Scaffolding Solutions Ltd – In Creditors' Voluntary Liquidation

The choice of professional advisors is based around a number of factors including, but not restricted to, their expertise in a particular field, the complexity or otherwise of the assignment and their geographic location.

Use of Subcontractors

Where we subcontract out work that could otherwise be carried out by the office holder or his/her staff, this will be drawn to the attention of creditors in any report which incorporates a request for approval of the basis upon which remuneration may be charged. An explanation of why the work has been subcontracted out will also be provided.

Categorisation of Expenses

We are required to provide creditors with an estimate of the expenses we expect to be incurred in respect of an assignment and report back to them on actual expenses incurred and paid in our periodic progress reports. There are two broad categories of expenses: standard expenses and case specific expenses. These are explained in more detail below:
