Notes to the Abbreviated Accounts for the period ended 30 September 2014**1 Accounting Policies****Basis of measurement and preparation of accounts**

The financial statements are prepared on the historical cost basis of accounting and have been prepared in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

The company has taken advantage of the exemption, conferred by Financial Reporting Standard 1, from presenting a cash flow statement as it qualifies as a small company.

Other accounting policies**Stocks**

Work in progress is valued at the lower of cost and estimated net realisable value.

Cost of raw materials is determined on the first in first out basis. In the case of work in progress and finished goods, cost includes all direct expenditure and production overheads based on normal level of activity. Net realisable value is the price at which the stock can be released in the normal course of business, less further costs to completion of sale.
