NOTES TO THE FINANCIAL STATEMENTS

FOR THE PERIOD ENDED 5 APRIL 2013

1. Accounting policies

Basis of preparing the financial statements

The accounts have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

Turnover

Turnover represents income receivable for services provided in the period.

Deferred taxation

Deferred tax assets and liabilities arise from timing differences between the recognition of gains and losses in the financial statements and their recognition in a tax computation. Full provision is made for all liabilities, and provision is made for assets to the extent that they are considered more likely than not to be recoverable in the foreseeable future. Provision is made using tax rates that are expected to apply in the periods in which the timing differences are expected to reverse based upon rates enacted at the balance sheet date.

2. Share capital

**Allotted, issued
and fully paid
2013
