- (b) each of its Insurances by sending a notice to the relevant insurer,

in each case in a form and substance satisfactory to the Lender.

- (a) deposit with the Lender all documents of title or other evidence of ownership, together with such deeds, certificates and documents as the Lender may require, relating to its Charged Property;
- (b) affix to and maintain on such of its plant, machinery, fixtures, fittings, vehicles or other equipment as the Lender may require a clearly legible identification plate stating that the asset has been charged to the Lender, in a form acceptable to the Lender; and

6.5 Real Property Restriction

Each Chargor shall ensure that a restriction in the following terms is entered on the register of the title of its Real Property at the Land Registry:

together with, where applicable, notice of any obligation on the Lender to make further advances to that Chargor. Each Chargor shall pay, when due and payable, all fees, costs and expenses incurred in connection with such applications.

6.6 Investments

- (a) No Chargor may:
 - (i) take or permit the taking of any action which may adversely affect the value of its Investments, or prejudice the interests of the Lender or result in the rights attaching to the Investments being altered or diluted; or
 - (ii) except where the Lender so requires or permits, nominate another person to enjoy or exercise any of its rights in relation to any of its Investments.
- (b) Subject to clause 6.6(a) and provided that no Event of Default is continuing, each Chargor may:
 - (i) receive and retain all dividends or other income paid or payable in respect of its Investments; and

provided that it does so for a purpose not inconsistent with any Finance Document.
- (c) While any Event of Default is continuing, each Chargor shall:
 - (i) hold any dividends or other income received in respect of the Investments on trust for the Lender and pay such amounts into a separate account or otherwise as the Lender may direct; and
 - (ii) exercise all voting and other rights attaching to the Investments as the Lender may direct.
- (d) The Lender may, at any time, perfect the Security over any of the Investments created by this Deed. On request, each Chargor shall execute any relevant instruments of transfer and will procure that they are immediately registered in the statutory registers of the relevant company and that share certificates in the name of the Lender and its nominee(s) in respect of such Investments are delivered to the Lender as soon as reasonably practicable.
- (e) At any time when any of the Investments are registered in the name of the Lender or its nominee:
 - (i) while no Event of Default is continuing, the Lender shall account to the relevant Chargor for any dividends or other income received in respect of the Investments and, subject to clause 6.6(a), shall exercise all voting and other rights attaching to the relevant Investments as such Chargor may direct, provided that such directions would not cause the Lender to be in breach of any other agreement or obligation or give rise to any liability on the part of the Lender; and
 - (ii) while any Event of Default is continuing, the Lender may retain any dividends or other income and apply the same as it thinks fit, and exercise or refrain from exercising such voting or other rights attaching to the relevant Investments as it thinks fit.

Promptly following the request of the Lender, each Chargor shall procure that an entry is made in each relevant public register of its Intellectual Property to record the existence of this Deed and the restrictions imposed by it.

6.9 **Further assurance**

Each Chargor shall promptly take all such actions, including executing all such documents, notices and instructions in such form as the Lender may reasonably require:

- (a) to create, perfect, protect and (if necessary) maintain the Security created or intended to be created over any of its assets under this Deed or for the exercise of any rights, powers and remedies of the Lender provided by or under this Deed or by law or regulation;
- (b) to confer on the Lender security interests in or over any of its assets located in any jurisdiction other than England and Wales equivalent or similar to the Security created or intended to be created by this Deed; and
- (c) to facilitate the realisation of the assets which are, or are intended to be, the subject of the Security created by this Deed.

6.10 **Power to remedy**

If any Chargor fails to comply with any of its obligations under this Deed, the Lender (or its nominee) may (at the Chargor's expense) take such action as is necessary to protect any assets against the consequences of such Chargor's non-compliance and to ensure compliance with such obligations. The Lender is not obliged to perform any obligation of a Chargor nor to take any action which it may be entitled to take under this Deed.

6.11 **Power of attorney**

- (a) As security for the performance of its obligations under this Deed, each Chargor irrevocably and severally appoints the Lender, each Receiver and each Delegate to be its attorney, with full power of substitution.
- (b) The attorney may, in the name of the relevant Chargor and on its behalf and at its expense, do anything which that Chargor is obliged to do but has failed to do or which

the Lender, Receiver or Delegate may in their absolute discretion consider appropriate in connection with the exercise of any of their rights, powers, authorities or discretions in relation to the Charged Property, or any law or regulation.

- (c) Each Chargor ratifies and confirms anything done by any attorney under this clause 6.11. Each Chargor agrees to indemnify the attorney against all actions, claims, demands and proceedings taken or made against it and all costs, damages, expenses, liabilities and losses incurred by the attorney as a result of or in connection with anything lawfully done by it under or in connection with this power of attorney.

7 Rights of enforcement

7.1 Secured Obligations deemed payable

For the purposes of all rights and powers implied by statute, the Secured Obligations are due and payable on the date of this Deed.

7.2 When Security enforceable

The Security created by this Deed is enforceable at any time while an Event of Default is continuing.

7.3 Enforcement powers

At any time (i) when the Security created by this Deed is enforceable or (ii) following a request by any Chargor, the Lender may, without further notice:

- (a) sell, appropriate, realise or transfer, including to itself or to any other person, all or any part of the Charged Property;
- (b) appoint one or more persons to be a Receiver of all or any part of the Charged Property;
- (c) appoint an administrator of any Chargor;
- (d) exercise any of the powers, authorities and discretions conferred on mortgagees, administrators or receivers, under the LPA, the Insolvency Act, any other legislation or regulation or under this Deed; and
- (e) take such further action as it sees fit to enforce all or any part of the Security created by this Deed.

7.4 Rights in relation to a Receiver

The Lender may remove any Receiver appointed under this Deed, appoint another person as Receiver or appoint additional Receivers. Each Receiver will be deemed to be the agent of the Chargor who alone will be responsible for the acts and defaults of the Receiver and for any liabilities incurred by the Receiver. The Lender may fix the remuneration of a Receiver which will be payable by the relevant Chargor and form part of the Secured Obligations.

7.5 Redemption of prior Security

Where there is any Security created over any of the Charged Property which ranks in priority to the Security created by this Deed and:

- (a) the Security created by this Deed becomes enforceable; and

(b) the holder of such other Security takes any steps to enforce that Security,

the Lender or any Receiver may, at its sole discretion and at the cost and expense of the relevant Chargor, redeem, take a transfer of and repay the indebtedness secured by such other Security. All amounts paid by the Lender or a Receiver under this clause will form part of the Secured Obligations.

7.6 **Appropriation of payments**

Any appropriation by the Lender or a Receiver under this Deed will override any appropriation by the Chargor.

7.7 **Financial collateral**

To the extent that any of the assets mortgaged, charged or assigned under this Deed constitute **financial collateral** and this Deed constitutes a **financial collateral arrangement** (in each case for the purpose of and as defined in the Financial Collateral Arrangements (No. 2) Regulations 2003) (**FC Regulations**) the Lender will have the right at any time when such Security is enforceable to appropriate all or any part of that financial collateral in such manner as it sees fit in or towards the satisfaction of the Secured Obligations.

(a) Where any financial collateral is appropriated, its value shall be:

- (i) in the case of cash, its face value at the time of the appropriation;
- (ii) if the financial collateral is listed or traded on a recognised exchange, the value at which it could have been sold on that exchange at the time of appropriation; and
- (iii) in any other case, the amount reasonably determined by the Lender by such process as it may select, including independent valuation,

and the Chargors agree that the method of valuation provided for in this clause 7.7(a) is commercially reasonable for the purposes of the FC Regulations.

7.8 **Demands**

Any demand for payment made by the Lender shall be valid and effective even if it contains no statement of the relevant Secured Obligations or an inaccurate or incomplete statement of them.

8 **Powers of a receiver**

8.1 **General powers**

Any Receiver will have:

- (a) the rights, powers, privileges and immunities conferred on receivers, receivers and managers and mortgagees in possession under the LPA;
- (b) the rights, powers, privileges and immunities conferred on administrative receivers (whether or not that Receiver is an administrative receiver) under Schedule 1 to the Insolvency Act; and

- (c) all other rights, powers, privileges and immunities conferred by law or regulation on receivers, receivers and managers, mortgagees in possession and administrative receivers.

8.2 Specific powers

The rights, powers and remedies provided in this Deed are in addition to any rights powers and remedies under law or regulation. Any Receiver will have the following additional powers:

- (a) the power to do or omit to do anything which the relevant Chargor could do or omit to do in relation to the Charged Property which is the subject of the appointment;
- (b) the power to do all other acts and things which the Receiver may consider desirable or necessary for realising any of the Charged Property or incidental or conducive to any of the rights, powers and discretions conferred on a Receiver under this Deed or by law or regulation; and
- (c) the power to use the relevant Chargor's name for all the above purposes.

8.3 Variation of statutory powers

The following statutory provisions do not apply to this Deed or any Security created by this Deed:

- (a) the restriction on the consolidation of mortgages in section 93 of the LPA;
- (b) the restrictions on the power to grant or accept the surrender of leases in sections 99 and 100 of the LPA;
- (c) the conditions to the exercise of a power of sale in section 103 of the LPA;
- (d) the restrictions on the application of proceeds by a mortgagee or receiver in sections 105, 107(2) and 109(8) of the LPA; and
- (e) the restrictions on the appointment of a receiver in section 109(1) of the LPA and the provisions regarding a receiver's remuneration in section 109(6) of the LPA.

9 Application of proceeds

9.1 Order of priority

All amounts received by the Lender or a Receiver in connection with the enforcement of the Security created under this Deed will be applied, to the extent permitted by applicable law, in the following order of priority:

- (a) in discharging any costs and expenses incurred by the Lender, any Receiver or any Delegate under or in connection with this Deed or any of the Finance Documents;
- (b) in or towards discharging the Secured Obligations; and
- (c) in payment of the surplus (if any) to the relevant Chargor or other person entitled to it.

9.2 **Suspense account**

The Lender may credit any monies at any time received or realised under this Deed to an interest-bearing suspense account, for so long and on such terms as the Lender may determine pending their application towards discharging the Secured Obligations.

9.3 **New accounts**

If the Lender receives or is deemed to have received notice of subsequent Security over the Charged Property, then the Lender may open a new account with the relevant Chargor. If the Lender does not open a new account, it will be treated as having done so at the time when such notice was received and as from that time all payments made by or on behalf of that Chargor to the Lender will be credited or be treated as having been credited to the relevant new account and not as having been applied in discharge of the Secured Obligations.

9.4 **Release of Charged Property**

If the Lender is satisfied that all the Secured Obligations have, subject to clauses 12.1 (Reinstatement) and 12.2 (Avoidable payments), been unconditionally and irrevocably paid and discharged in full and all facilities which might give rise to Secured Obligations terminated, the Lender will, at the request and cost of the relevant Chargor, execute such documents and take such steps as may be necessary to release the Charged Property from the Security created by this Deed.

10 **Protection of Third Parties**

10.1 No buyer from, or other person dealing with the Lender or a Receiver will be concerned to enquire whether:

- (a) any money remains due to the Lender, howsoever arising;
- (b) any power which the Lender or Receiver is purporting to exercise has arisen or become exercisable; or
- (c) the Lender or any Receiver is validly appointed and acting within its powers in accordance with this Deed.

10.2 The receipt of the Lender or any Receiver or any Delegate will be an absolute and conclusive discharge to a purchaser of any of the Charged Property who will have no obligation to enquire how any monies are applied.

11 **Protection of Lender**

11.1 **No liability as mortgagee in possession**

Neither the Lender nor any Receiver will be liable to account to any Chargor as mortgagee in possession by reason of entering into possession of any of the Charged Property, or for any cost, loss or liability on realisation, nor for any default or omission for which a mortgagee in possession might be liable.

11.2 **Tacking**

The Security created by this Deed is intended to secure any further advances which the Lender is obliged to make to the Chargors under the Finance Documents.

11.3 Lender discretion

No Chargor has the right to control or restrict the Lender's exercise of any of its rights, powers or discretions under this Deed.

12 Saving provisions

12.1 Reinstatement

If, at any time, there has been a release, settlement or discharge of any of the Chargors' obligations under this Deed and, as a consequence of any insolvency (or analogous) proceedings or for any other reason:

- (a) any payment made to any person in respect of any of the Secured Obligations is required to be repaid; and
- (b) any Security (or other right) held by the Lender in respect of any of the Secured Obligations (whether under this Deed or otherwise) is declared void, is set aside or is otherwise affected,

then the relevant Chargor's obligations under this Deed will continue in effect as if there had been no such release, settlement or discharge and as if the relevant payment had not been made and (as applicable) the relevant obligation or Security (or other right) had not been so affected; and accordingly (but without limiting the Lender's other rights under this Deed) the Lender will be entitled to recover from such Chargor the value which the Lender has placed upon such Security (or other right) or the amount of any such payment as if such release, settlement or discharge had not occurred.

12.2 Avoidable payments

If the Lender, acting reasonably, considers that any amount paid by any Chargor in respect of the Secured Obligations is capable of being avoided, set aside or ordered to be refunded or reduced for any reason then for the purposes of this Deed such amount will not be considered to have been irrevocably paid.

12.3 Waiver of defences

The obligations of each Chargor under this Deed and the Security created under this Deed will not be affected by any act, omission, matter or thing which, but for this clause, would reduce, release or prejudice any of its obligations under this Deed or the Security created under this Deed (without limitation and whether or not known to it or the Lender) including:

- (a) any time, waiver or consent granted to, or composition with, any Chargor, Obligor or other person;
- (b) the release of any other Chargor, Obligor or any other person under the terms of any composition or arrangement with any creditor of any member of the Group;
- (c) the taking, variation, compromise, exchange, renewal or release of, or refusal or neglect to perfect, take up or enforce, any rights against, or security over assets of, any Chargor, Obligor or other person or any non-presentation or non-observance of any formality or other requirement in respect of any instrument or any failure to realise the full value of any security;

- (d) any incapacity or lack of power, authority or legal personality of or dissolution or change in the members or status of any Chargor, any Obligor or any other person;
- (e) any amendment, novation, supplement, extension, restatement (however fundamental and whether or not more onerous) or replacement of any Finance Document or any other document or security including without limitation any change in the purpose of, any extension of or any increase in any facility or the addition of any new facility under any Finance Document or other document or security;
- (f) any unenforceability, illegality or invalidity of any obligation of any person under any Finance Document or any other document or security; or
- (g) any insolvency or similar proceedings.

12.4 **Chargor Intent**

Without prejudice to the generality of clause 12.3, each Chargor expressly confirms that it intends that the Security created under this Deed shall extend from time to time to any (however fundamental) variation, increase, extension or addition of or to any of the Finance Documents and/or any facility or amount made available under any of the Finance Documents for the purposes of or in connection with any of the following: acquisitions of any nature; increasing working capital; enabling distributions to be made; carrying out restructurings; refinancing existing facilities; refinancing any other indebtedness; making facilities available to new borrowers; any other variation or extension of the purposes for which any facility or amount might be made available from time to time; and any fees, costs and/or expenses associated with any of the foregoing.

12.5 **Immediate recourse**

Each Chargor waives any right it may have of first requiring the Lender (or any trustee or agent on its behalf) to proceed against or enforce any other rights or security or claim payment from any person before claiming from that Chargor under this Deed. This waiver applies irrespective of any law or any provision of any agreement entered into between the Lender and the Chargors, to the contrary.

12.6 **Appropriations**

Until all amounts which may be or become payable by the Obligors or the Chargors under or in connection with the Finance Documents have been irrevocably paid in full, the Lender (or any trustee or agent on its behalf) may:

- (a) refrain from applying or enforcing any other moneys, security or rights held or received by the Lender (or any trustee or agent on its behalf) in respect of those amounts, or apply and enforce the same in such manner and order as it sees fit (whether against those amounts or otherwise) and no Chargor shall be entitled to the benefit of the same; and
- (b) hold in an interest-bearing suspense account any moneys received from any Chargor or on account of any Chargor's liability under this Deed.

12.7 **Deferral of Chargors' rights**

Until all amounts which may be or become payable by the Obligors or the Chargors under or in connection with the Finance Documents have been irrevocably paid in full and unless the

Lender otherwise directs, no Chargor may exercise any rights which it may have by reason of performance by it of its obligations under the Finance Documents or by reason of any amount being payable, or liability arising, under the Finance Documents:

- (a) to be indemnified by a Chargor or an Obligor;
- (b) to claim any contribution from any other Chargor or guarantor of any Obligor's obligations under the Finance Documents;
- (c) to take the benefit (in whole or in part and whether by way of subrogation or otherwise) of any rights of the Lender under the Finance Documents or of any other guarantee or security taken by the Lender pursuant to, or in connection with, the Finance Documents;
- (d) to bring legal or other proceedings for an order requiring any Obligor or any Chargor to make any payment, or perform any obligation, in respect of which the Obligor or Chargor has given a guarantee, undertaking or indemnity;
- (e) to exercise any right of set-off against any Obligor or Chargor; and/or
- (f) to claim or prove as a creditor of any Obligor or Chargor in competition with the Lender.

If any Chargor receives any benefit, payment or distribution in relation to such rights it shall hold that benefit, payment or distribution to the extent necessary to enable all amounts which may be or become payable to the Lender by the Obligors or the Chargors under or in connection with the Finance Documents to be repaid in full on trust for the Lender and shall promptly pay or transfer the same to the Lender or as the Lender may direct for application in accordance with clause 9.1 (Order of priority).

13 Changes to the parties

13.1 New Chargors

Any person who wishes to become a Chargor or whom the Lender agrees may become a Chargor (**New Chargor**) must deliver to the Lender a duly executed Deed of Accession. With effect from the date that the Lender has signed such Deed of Accession, the parties agree that the New Chargor will become a party to this Deed and will assume the same obligations as if it had been an Original Chargor under this Deed.

13.2 No assignment by Chargors

No Chargor may assign any of its rights or transfer any of its rights or obligations under this Deed.

 - (a) terms defined in the Debenture will have the same meaning in this Deed; and
 - (b) the principles of construction in clause 1.2 (Construction) of the Debenture apply also to this Deed as if set out in full in this Deed, except that references to the Debenture shall be construed as references to this Deed.
- 1.3 Unless expressly provided to the contrary in this Deed, a person who is not a party to this Deed has no right under the Third Parties Act to enforce or enjoy the benefit of any term of this Deed. Notwithstanding any term of this Deed, the consent of any person who is not a party to this Deed is not required to rescind or vary this Deed at any time.

2.1 Agreement to accede

The New Chargor agrees to accede and become a party to the Debenture and to be bound by the terms of the Debenture as a Chargor with effect from the date of this Deed.

2.2 Effect of accession

With effect from the date of this Deed, the Debenture will be read and construed for all purposes as if the New Chargor had been an original party to it in the capacity of Chargor (but so that the Security created as a result of such accession is created on the date of this Deed). The Debenture will continue in full force and effect and the Debenture and this Deed will be read as one and construed so that references in the Debenture to **this Deed** and similar phrases will be deemed to include this Deed of Accession.

The New Chargor shall ensure that a restriction in the following terms is entered on the register of the title of its Real Property at the Land Registry:

"No disposition of the registered estate by the proprietor of the registered estate is to be registered without a written consent signed by the proprietor for the time being of the charge dated ♦ in favour of [Lender] referred to in the charges register."

together with, where applicable, notice of any obligation on the Lender to make further advances to the New Chargor. The New Chargor shall pay, when due and payable, all fees, costs and expenses incurred in connection with such applications.

3.3 No avoidance of Security

The Security created as a result of this Deed will not in any way be avoided, discharged, released or otherwise adversely affected by any ineffectiveness or invalidity of the Debenture or of any other party's execution of the Debenture or any other Deed of Accession, or by any avoidance, invalidity, discharge or release of any Security contained in the Debenture or in any other Deed of Accession.

4 Counterparts

This Deed may be executed in any number of counterparts, and this has the same effect as if the signatures on the counterparts were on a single copy of the Deed.

5 Governing law

This Deed and any non-contractual obligations arising out of or in connection with it are governed by the law of England and Wales.

6.2 The parties to this Deed agree that the courts of England and Wales are the most appropriate and convenient courts to settle any Dispute and accordingly no party to this Deed will argue to the contrary.

6.3 Clause 6.1 is for the benefit of the Lender only. As a result, the Lender will not be prevented from taking proceedings relating to a Dispute in any other court with jurisdiction. To the extent allowed by law, the Lender may take concurrent proceedings in any number of jurisdictions.
