**GOVERNORS' REPORT**  
**FOR THE YEAR ENDED 31 AUGUST 2020**

---

The Trustees present their annual report together with the financial statements and auditor's report of the charitable company for the period from 1 September 2019 to 31 August 2020. The annual report serves the purposes of both a Trustees' report and a Directors' report, including a strategic report, under company law.

The Trust operates two primary schools serving catchment areas in Atwood Green and Ladywood which are:

- St Thomas CE Academy
- St John's and St Peter's CE Academy

They have a combined pupil capacity of 446 and had a roll of 430 in the school census on 1 October 2020.

**Structure, governance and management**

**a. Constitution**

The Academy Trust is a company limited by guarantee and an exempt charity. The charitable company's Memorandum and Articles of Association are the primary governing documents of the Trust.

The Trustees are also the Directors of the charitable company for the purposes of company law. The charitable company operates as All Saints Multi Academy Trust, Birmingham.

Details of the Governors who served during the year, and to the date these accounts are approved are included in the Reference and administrative details on page 1.

**b. Members' liability**

Each member of the charitable company undertakes to contribute to the assets of the charitable company in the event of it being wound up while they are a member, or within one year after they cease to be a member, such amount as may be required, not exceeding £10, for the debts and liabilities contracted before they ceased to be a member.

**c. Trustees' indemnities**

The Academy Trust has opted into the Department of Education's Risk Protection Arrangement ('RPA'), an alternative to insurance where UK government funds cover losses that arise. The scheme protects Members, Trustees and officers from claims arising from negligent acts, errors or omissions occurring whilst on Academy Trust business. The scheme provides cover up to £10,000,000.

**d. Method of recruitment and appointment or election of Governors**

The Academy Trust's governing documents require that the Trust shall have the following Trustees:

- The Principal (Executive Headteacher);
- 8 Diocesan Directors - all appointed by the Diocesan Board of Education, including the incumbent of the Parish of St Luke's;
- Up to 2 staff Directors;
- Up to 2 parent Directors; and
- The Executive Headteacher is an ex-officio Trustee

The Diocesan Board of Education may decide to co-opt additional members or the Academy trust may make this decision in conjunction with the Diocesan Board of Education.

Parent Trustees are elected by members of the parent community and must have legal parental responsibility for a child registered as a pupil at the school. The Trustees can appoint parent Trustees if insufficient parents stand for election. Staff Trustees are elected by all staff, either teaching or support staff.

When appointing new Trustees, the Board of Trustees will give consideration to the skills and experience mix of existing Trustees in order to ensure the Board of Trustees has the necessary skills to contribute fully to the Academy Trust's ongoing development.

**e. Policies adopted for the induction and training of Governors**

The board of trustees has a service level agreement with School and Governor Support department of Birmingham LA to provide training, advice and support to the board of trustees.

Newly elected trustees attend induction training for new trustees, and in addition select specific training provided by trustee support in accordance with their needs.

One of the trustees is appointed as link trustee, attends relevant training and provides information to trustees following such training.

The deputy head teacher/vice principal is the leader for professional development in school, and he/she ensures that trustees are provided with opportunities to receive training in accordance with their role, and the school's training plan.

**f. Organisational structure**

At 31 August 2020, the Academy Trust comprised the following individual academies:

- St Thomas CE Academy
- St John's & St Peter's CE Academy

The board of trustees has established committees and appoints trustees to serve on each of the committees annually. The committees for the period of the report were:

- Resources Committee
- Outcomes Committee
- Staffing Committee
- Discipline & Complaints Committee
- Head Teacher Appraisal Committee
- Pay Committee
- Appeals Committee

The written terms of reference of the committees include the monitoring of the preparation and management of the multi academy trust's budget and implementation of the multi academy trust's financial management policies, including risk assessment.

The board of trustees also appoints a responsible officer and this role has been fully implemented in accordance with the multi academy trust's financial procedures.

The day to day management of the Trust is delegated by the Board of Trustees to the Executive Headteacher who is supported by the Leadership Team, across both schools, which comprises: Strategic Head of School Improvement, Head of Pastoral Care, Head of School, Head of Early Years and Head of Operations. The Executive Headteacher is the Accounting Officer. There is also a Management Team that serves across the Multi Academy Trust.

The Board of Trustees receives regular reports from the Leadership Team, including budget allocation and expenditure and other data updates including teaching and learning and achievement and standards. The levels of authorisation of budget spend are detailed in the 'Financial Procedures Policy' which is reviewed annually.

The School Development Plan is drawn up by the Executive Headteacher working with the Leadership Team. The draft plan is reviewed and approved by the Board of Trustees. The Outcomes Committee reviews the progress of the plan as part of their regular work. The Resources Committee reviews the environmental and building part of the School Development Plan.

As primary schools, a high percentage of the Trust's expenditure relates to staffing. The staffing structure is determined by the Board of Trustees working with the Executive Headteacher.

The Board of Trustees delegates a number of functions to the Local Governing Bodies ('LGB') for each of the Trust's Academies. Each LGB reviews annual Academy Trust plans and budgets, monitors progress against target and OFSTED standards and oversees parent and community liaison. Representatives from each LGB also sit on the main Board of Trustees.

**g. Arrangements for setting pay and remuneration of key management personnel**

Working in the academy sector All Saints Multi Academy Trust, Birmingham believes that it is important to be transparent about pay levels of its key management personnel and how those salaries are set. Salaries are benchmarked against similar roles in the academy sector. The academy generally uses a recognised pay scale for the sector, however some flexibility is applied to take into consideration the specific requirements for each post and ensure we can recruit and retain the best people for the role with both the skills required and the passion for the service. This is reviewed and confirmed by the Resources Committee.

**j. Engagement with employees (including disabled persons)**

The Academy Trust's policy is to consult and discuss with employees, through unions, staff councils and at meetings, matters likely to affect employees' interests. Information about matters of concern to employees is given through information bulletins, reports and meetings which seek to achieve a common awareness on the part of all employees of the financial and economic factors affecting the Academy Trust's performance.

During employment, the Trust seeks to work with employees, taking into account their personal circumstances, to ensure appropriate training, development and advanced employment opportunities are available to them to reach their full potential.

Applications for employment by disabled persons are always fully considered, bearing in mind the aptitudes of the applicant concerned. In the event of members of staff becoming disabled, every effort is made to ensure that their employment within the Academy Trust continues and that the appropriate training is arranged. It is the Academy Trust's policy that the training, career development and promotion of disabled persons should, as far as possible, be identical to that of other employees.

**Objectives and activities**

**a. Objects and aims**

The strategic goal of All Saints Multi Academy Trust, Birmingham is to provide a broad and balanced curriculum to all pupils in accordance with the funding agreement between the multi academy trust and the Department for Education.

The aims of All Saints Multi Academy Trust during the period ended 31 August 2020 are summarised by our Mission Statement:

"Our Children are at the heart of everything we do through Christian Values and relationships. Living and learning together we celebrate the uniqueness and diversity of everyone in our family. We nurture a sense of self belief, mutual respect and belonging through Social Emotional Learning and academic excellence. We are dedicated to building the foundations for happy and successful life-long learning."

Our Mission Statement for All Saints Multi Academy Trust drives everything that we do for our children and their families in communities of extreme deprivation. Both schools are in the lowest 20% of most deprived schools in the country with St John's & St Peter's CE Academy quoted to be in the second most deprived constituency in the country. Both communities are similar although St Thomas is more aesthetically pleasing due to local regeneration. We offer the communities a safe, caring, supportive and friendly environment that promotes a strong Christian ethos and values whilst promoting community cohesion. We welcome children/parents of all faiths and celebrate both religious and community diversity of our children. Social and Emotional Learning (SEL) is the way in which we teach our children to develop fundamental life skills. We believe it is important to teach the whole child and not just focus on academic learning. The Social and Emotional Learning Curriculum, including 'playground chat' enables the children to become more aware of their emotions, deal with conflict and be more aware of how others are feeling. This is evident in the low level of violence and disruption in school. The school values all of the children regardless of their sex, race, faith, culture or ability and promotes good self-esteem. We encourage all children to oppose racial discrimination and provide equal opportunities for all.

We believe parents are an integral part of the life of the school and in the education of their children and actively encourage their involvement and participation. We are proud of our relationships with our Churches and enjoy a close and regular relationship with the clergy. We have close links with many community businesses and engage with local services to provide a range of opportunities for the benefit of the children and the community.

For a number of years the MAT has had a high turnover of staff due to difficulties recruiting high quality staff and under performance of previous members of staff.

**GOVERNORS' REPORT (CONTINUED)**  
**FOR THE YEAR ENDED 31 AUGUST 2020**

**Objectives and activities (continued)**

**St Thomas CE Academy**

The school is situated about a mile east of the centre of Birmingham in an area that has dramatically changed over the last decade. Much of the housing in the local area has been demolished and rebuilt over the last fifteen years and whilst there is now a mix of housing, the area is still affected by acute social and economic deprivation with 45% of the children classed as disadvantaged. The demographics of the school has changed due to the regeneration and we now serve a much more diverse community in terms of ethnicity, deprivation and academic aspiration. The area houses professionals in privately owned property but much is still owned by the city council or housing associations. Whilst the area looks much more aesthetically pleasing there is still gang activity, high crime rates and many children have significant pastoral issues in their home life.

St Thomas CE Academy's children are drawn from a wide range of cultures and ethnic groups with 94% coming from minority ethnic groups. In 2008, 45% of children were Black Caribbean and 45% were Black African with 9% white. Whilst these two ethnic groups are still the largest (19% and 17% respectively) the school is now much more ethnically diverse. 38% of the children's first language is not English and the school is proud of its support to ensure that pupil's language is not a barrier to learning.

We are an oversubscribed single form entry school with 236 children on roll. The school's reputation is outstanding in the area resulting in waiting lists in all year groups. For the Reception intake for 2019 there were 116 applicants for the 30 places available. High mobility (78.8% stability) continues to be a significant challenge for the school. The main causes of this vary from academics coming to train in Birmingham from abroad for a short period of time and the council housing in the area.

Our nursery provision has a significant impact on our Early Years outcomes as these children have an extra year of 'school'. Many of those children who join the school in reception have had no previous early years education and their skills are well below those expected for their age. Attainment on entry is well below age related expectations.

Much of the immediate local community has low aspirations and the school has worked hard to improve levels of attendance. St Thomas CE Academy is proud of our overall attendance figure of 96.5% although we recognise that there are still areas for improvement. We are actively working with specific families to improve attendance figures in this area.

**St John's & St Peter's CE Academy**

The school is situated about a mile west of the centre of Birmingham. Much of the housing in the local area is temporary accommodation and is owned by the city council or housing associations; the area is affected by acute social and economic deprivation. (63% of the children are disadvantaged). Gang activity is high in the area. In November 2017 a gun was fired up the road outside of school at 2:45pm when school was in session, no one was injured. In May 2019 a targeted drive by shooting directly outside the school injured two men and killed a third who was pronounced dead at the scene. School was subsequently closed for two days.

St John's & St Peter's CA Academy's children are drawn from a wide range of cultures and ethnic groups with 97% coming from minority ethnic groups. The single largest ethnic group is Black African at 26%. 60% of the children's first language is not English and the school is refining its support to ensure that pupil's language is not a barrier to learning.

St John's & St Peter's CA Academy is a single form entry school with an average of 192 children on roll (capacity 210). The school's reputation is rapidly improving in the area and the recent OFSTED judgement of 'good' will significantly increase the number of parents choosing to send their children to the school. High mobility (68.4% stability) continues to be a significant challenge for the school with no consistent patterns or explanation. The main causes of this seem to be the temporary housing in the area and children returning to their country of origin.

Our children generally come to school with poor social skills and complex pastoral issues. We recognise the importance of raising their self-esteem and making them believe in themselves. Through our work in the Social and Emotional Curriculum (SEL) and behaviour management strategies the school has established a setting where children feel listened to and feel they can make a difference.

**GOVERNORS' REPORT (CONTINUED)**  
**FOR THE YEAR ENDED 31 AUGUST 2020**

**Objectives and activities (continued)**

Many children when starting reception have had no previous early years education. When children start school their skills are well below those expected for their age and some are at the early stages of learning to speak English. Attainment on entry is well below age related expectations.

The immediate local community has low aspirations and the school continually works hard to improve levels of attendance using a range of different strategies. The school's attendance figure fluctuates due to our high mobility, low community aspirations and specific family issues. We are actively working with specific families to improve attendance figures in this area.

**b. Objectives, strategies and activities**

The key priorities for the period are contained in the Academy Trust's Development Plan which is available from the Executive Headteacher.

The following is a list of key areas for development in teaching and learning that was correct at the time of school closure due to the pandemic (20 March 2020):

Develop a central teaching & learning policy to ensure consistency across All Saints Multi Academy Trust based around a shared list of 'non-negotiables' for every member of staff

Expectation of 100% engagement from all children in all lessons

- Individualised support for teachers and class-based support staff
- Revisiting and reviewing training
- Programme of INSET for teachers followed by specific training for support staff including behaviour management

Improving the consistency of presentation across all subjects

- Modelling and teaching of handwriting
- Raising expectation of children and staff through 'non-negotiables'
- Foster a sense of pride in their work from the children
- Develop how do we celebrate/display children's work.

Develop a programme of training to improve CPD to ensure consistency of provision for the children

- More rigorous and relevant
- Specific to roles
- Develop procedures for line management to hold staff to account
- Clarification of roles within the team

Improve progress and attainment for all groups of children

- Ensure provision for SEND and Greater Depth children is accurately matched to their needs (i.e. not teaching to the middle)
- Differentiation

Recovery programme following assessment of impact of COVID-19 on children's academic and pastoral development

- Interventions
- Curriculum modification

**c. Public benefit**

The Academy Trust aims to advance for the public benefit education in Atwood Green and Ladywood and the surrounding area, offering a broad curriculum and an excellent education environment for its pupils. The Academy Trust also allows use of its facilities for recreational and other leisure time occupation for the community at large in the interests of social welfare and with the interest of improving the life of that community.

The Trustees confirm that they have complied with the duty in the Charities Act 2011 to have due regard to the Charity Commission general guidance on public benefit in exercising their powers or duties. They have referred to this guidance when reviewing the Academy Trust's aims and objectives and in planning its future activities.

**d. Governance**

Following a routine meeting with the DfE in July 2019 it was decided to explore the restructure of the governance of the MAT. This coincided with the natural end of the term of office for most of the directors in November 2019 and the sudden and immediate resignation of the Chair at the same time. The previous Board of Directors had many areas for development.

In September 2020, the current governance structure was put in place with a Board of Trustees overseeing the MAT and two separate Local Academy Boards for each school. These are different governors with the Chair of each being from the Board of Trustees.

The new board of Trustees is very strong with a good balance of skills and experience. Over this year the board will seek to establish some stability following a turbulent period of time.

**Strategic report**

**Achievements and performance**

The Academy Trust continues to evolve and to adapt to the ever-changing educational environment. The Trust is in its sixth year of operation since conversion to an Academy Trust. The total number of pupils in the year ended 31 August 2020 was 436, but this has decreased to 431 at the October 2020 census due to the fluctuation in movement of pupils at St John's & St Peter's CE Academy.

The Academy Trust is committed to continual improvement, which is achieved in a number of ways, including improvement planning, review meetings, continual professional development, lesson observations, performance management, self evaluation, data analysis and action planning. Due to COVID-19 key performance indicators for the year ended 31 August 2020 have not been recorded.

However, historically, year group and pupil data at All Saints Multi Academy Trust has relied almost solely on Teacher Assessments. Teachers have used paper continuums to make judgements on whether individual children have achieved 'I can...' statements. Whilst in principle, this has the potential to be an effective way to assess the children if completed accurately, the reality for many teachers is that this has quite literally become, a 'paper exercise.'

As a result, the MAT has introduced a process that is built around the core principles of rigour and accountability. With the recent move to Fischer Family Trust's Online Pupil Assessment Tracker, pupil data is inputted and tracked more effectively. Teachers use this system to track the children's process as shown below which has allowed both the Leadership Team and management to identify the areas for development clearly and precisely.

**GOVERNORS' REPORT (CONTINUED)**  
**FOR THE YEAR ENDED 31 AUGUST 2020**

**Strategic report (continued)**

**Achievements and performance (continued)**

**a. Key performance indicators**

The Academy Trust uses a number of benchmarks or performance indicators to evaluate its financial performance and drive budgetary control and monitoring.

A key financial performance indicator for the Trust is the level of reserves held at the balance sheet date and, in particular, the amount of unrestricted reserves plus restricted income reserves at year end. At 31 August 2020, the balance of the unrestricted and restricted income reserves was £515,436 (2019: £311,340). Further details on the level of reserves held by the Academy Trust are set out in the Reserves Policy section below.

As the majority of the Academy Trust's funding is based on pupil numbers, pupil numbers is also a key performance indicator. As noted earlier in this report, pupil numbers at the most recent census were 430 which is a decrease of 8 pupils from the previous census.

Staffing costs are another key performance indicator for the Academy Trust and the percentage of total staff costs to total educational grant funding (being GAG funding plus other operating educational grants from the ESFA and / or Local Authority) for the year was 76.2% (2019: 77.3%), while the percentage of staff costs to total costs (excluding depreciation and LGPS FRS102 pension cost charges) was 72.7% (2019: 71.9%).

**b. Going concern**

After making appropriate enquiries, the Board of Trustees has a reasonable expectation that the Academy Trust has adequate resources to continue in operational existence for the foreseeable future. For this reason, it continues to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the Statement of Accounting Policies within the financial statements.

**Financial review**

The majority of the Academy Trust's income is received from the Education and Skills Funding Agency ('ESFA') in the form of recurrent grants, the use of which is restricted to particular purposes. The grants received from the ESFA during the year ended 31 August 2020 and the associated expenditure of these grants are shown as restricted funds in the Statement of Financial Activities.

The Academy Trust also receives grants for fixed assets from the ESFA and other organisations / funders and these are shown as restricted fixed asset funds in the Statement of Financial Activities. The balance of the restricted fixed asset fund is reduced by the depreciation charges on the assets acquired using these funds.

For the year ended 31 August 2020, the Academy Trust's total income (excluding capital grants) was £3,079,701 (2019: £3,155,805) while the total expenditure (excluding depreciation and LGPS FRS102 pension cost charges) was £2,874,605 (2019: £2,979,833), resulting in a net surplus for the year of £204,096 (2019: £175,972).

The balance of reserves at 31 August 2020, excluding the restricted fixed asset funds and LGPS liability fund was £515,436 (2019: £311,340).

Expenditure of around £26,000 was incurred during the year in relation to the COVID-19 outbreak. The majority of this expenditure was in relation to the additional cleaning required to maintain COVID compliance for the schools but a portion of the funds was also used to provide staff with IT equipment to enable them to work remotely. This expenditure has been supported from Trust reserves.

The net book value of fixed assets at 31 August 2020 was £6,825,383. The fixed assets held by the Academy Trust are used exclusively for providing education and associated support services to the pupils of the Academy Trust.

**(A company limited by guarantee)**

**GOVERNORS' REPORT (CONTINUED)**  
**FOR THE YEAR ENDED 31 AUGUST 2020**

**Strategic report (continued)**

**Financial review (continued)**

Included within the Academy's balance sheet at year end is a defined benefit pension scheme liability of £3,363,000 (2019: £2,432,000), which arises from the deficit in the Local Government Pension Scheme ("LGPS") that is attributable to the Academies. Further details regarding the deficit in the LGPS at 31 August 2020 are set out in note 26 to the financial statements.

The key financial policies reviewed and adopted during the period included the Financial Procedures Policies and Manual, which lays out the framework for the Academy Trust's financial management, including financial responsibilities of the Board of Trustees, Executive Headteacher, managers, budget holders and other staff, as well as the delegated authorities for spending. The other financial policies reviewed and adopted during the period included Charges and Lettings, Asset Management and Insurance.

**a. Reserves policy**

The Trustees review the reserve levels of the Academy Trust annually. This review encompasses the nature of the income and expenditure streams, the need to match income with commitments and the nature of reserves. The Trustees also take into consideration the future plans of the Academy Trust, the uncertainty over future income streams and other key risks identified during the risk review.

The Trustees have determined that the appropriate level of free cash reserves should be approximately two months of staffing costs. The reason for this is to provide sufficient working capital to cover delays between spending and receipts of grants and to provide a cushion to deal with unexpected emergencies such as urgent maintenance, long term staff absences etc.

The Academy Trust's current level of reserves at 31 August 2020 is £3,996,820 (2019: £4,907,973), of which £176,586 (2019: £172,316) is free reserves (that is, total funds less the amount held in total restricted funds).

Although the current level of free reserves is above the target level identified above, the Trustees expectation is that these reserves will be utilised over the next few years to fund the ongoing development, including the need to retain key staff in light of the increasing cost pressures in future years.

The value of the restricted fixed asset fund at 31 August 2020 is £6,844,384 (2019: £7,028,633), which is represented by the fixed assets (and unspent capital funds of £19,901) that are used exclusively for providing education and associated support services to the pupils of the Trust. These funds can only be realised by disposing of the associated tangible fixed assets.

The pension reserve fund has a deficit balance at 31 August 2020 of £3,363,000, which represents the deficit in the LGPS at the balance sheet date. The effect of the LGPS deficit is that Academy Trust is required to make accelerated pension contributions over a number of years in order to fund the deficit. These accelerated pension contributions will be funded from the Trust's annual recurring income, which may significantly impact its ability to continue to deliver its educational outcomes with the available public funding it receives. The Trustees have noted however that the Government has provided a guarantee that in the event of an Academy closure, any outstanding LGPS liabilities would be met by the Department for Education.

**b. Investment policy**

The Trustee Body is responsible for setting the investment policy. The day-to-day responsibility for managing this is delegated to the Finance Manager. In the current economic climate of reducing income, with low interest rates, the majority of funds are held in current accounts.

**FOR THE YEAR ENDED 31 AUGUST 2020**

**c. Principal risks and uncertainties**

The Trustees have assessed the major risks to which the Academy Trust is exposed, especially in the operational areas, such as teaching, health & safety, safeguarding and school trips, and in relation to the control of finances and strategic development of the Trust. They have introduced systems, including operational procedures and internal financial controls in order to minimise risk and have agreed a Risk Management Strategy and Risk Management Plan, which incorporates a Risk Register.

Where significant financial risk still remains, the Trustees have ensured the Academy Trust has adequate insurance cover in place. The Risk Management Plan is constantly reviewed in light of any new information and formally reviewed annually.

The principal risks and uncertainties facing the Academy Trust are as follows:

**Educational**

The continuing success of the Academy Trust is dependent on continuing to attract pupil applicants in sufficient numbers by maintaining the highest educational standards across all key stages. To mitigate this risk, the Trustees ensure that pupil success and achievement are closely monitored and reviewed, with corrective actions embedded at an early stage, and that relationships and partnerships with parents, the local community and other organisations and groups are maintained and are effective in producing a cohesive and supportive community.

**Safeguarding and child protection**

The Trustees continue to ensure that the highest standards are maintained in the areas of selection and monitoring of staff, the operation of child protection policies and procedures, health & safety and discipline.

**Financial**

The Academy Trust has considerable reliance on continued Government funding through the ESFA and Local Authority. In the year, approximately 98% of the Academy Trust's income was ultimately Government funded. Whilst this level is expected to continue, there is no assurance that Government policy or practice will remain the same or that public funding will continue at the same levels or on the same terms, particularly in light of continuing changes in the National Funding Formula for schools.

Continuing increases in employment costs, including pension costs associated with both the Teachers' Pension Scheme and the Local Government Pension Scheme, and premises costs will also continue to place significant pressure on the Trust's financial position and its ability to deliver balanced budgets in the future.

The Trustees examine the financial health of the Academy Trust formally every term, reviewing performance against budgets and overall expenditure by means of regular update reports at all full Trustees and Finance and Resources Committee meetings.

**Staffing**

The success of the Academy Trust is reliant on the quality of its staff so the Trustees monitor and review policies and procedures to ensure continued development and training of staff as well as ensuring there is clear succession planning.

**Failures in governance and / or management**

The risk in this area arises from the potential failure to effectively manage the Academy Trust's finances, internal controls, compliance with regulations and legislation, statutory returns etc. The Trustees continue to review and ensure appropriate measures are in place to mitigate these risks, which includes those relating to fraud and mismanagement of funds.

**GOVERNORS' REPORT (CONTINUED)**  
**FOR THE YEAR ENDED 31 AUGUST 2020**

**c. Principal risks and uncertainties (continued)**

**Fraud and mismanagement of funds**

The Academy Trust has engaged a suitably qualified external accountant as responsible officer (RO) to perform a program of work aimed at checking and reviewing the financial systems and records as required by the Academies Financial Handbook. All finance staff receive training to keep them up to date with financial practice requirements and to develop their skills in this area.

At the balance sheet date, the Academy Trust had no significant liabilities arising from trade creditors or debtors where there would be a significant effect on the Academy Trust's liquidity. The Trustees recognise that the LGPS deficit represents a significant potential liability to the Academy Trust. However, as the Trustees consider the Academy Trust is able to meet its known annual contribution commitments for the foreseeable future, the risk from this liability is minimised.

**Fundraising**

The Academy Trust has not undertaken any material fundraising activities during the year ended 31 August 2020.

**Plans for future periods**

The Academy Trust strives to continually improve levels of attainment for all pupils, equipping them with the qualifications, skills and character to follow their chosen pathway, whether it is into further and higher education or employment, as well as promoting the continued professional development of its staff.

The Academy Trust's plans for future periods are:

- Expansion of St Thomas to a 2 form entry school as this is seen as viable and would be an asset to the local community.
- Introducing a Nursery class at St John's and St Peter's. It is considered that there are sufficient potential pupils to support a nursery. The provision would be beneficial to children in providing a suitable education for the children to move in to Reception classes.

**Disclosure of information to auditor**

Insofar as the Governors are aware:

- there is no relevant audit information of which the charitable company's auditor is unaware, and
- that Governors have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information.

**Auditor**

In March 2020 Feltons resigned as the Academy Trust's auditors. Cooper Parry Group Limited were appointed to fill the resulting vacancy. Cooper Parry Group Limited have expressed their willingness to continue in office as auditors and will be proposed for reappointment in accordance with section 485 of the Companies Act 2006.

The Governors' report, incorporating a strategic report, was approved by order of the Board of Governors, as the company directors, on 18 January 2021 and signed on its behalf by:

**GOVERNANCE STATEMENT**

**Scope of responsibility**

As Governors, we acknowledge we have overall responsibility for ensuring that All Saints Multi Academy Trust, Birmingham has an effective and appropriate system of control, financial and otherwise. However, such a system is designed to manage rather than eliminate the risk of failure to achieve business objectives, and can provide only reasonable and not absolute assurance against material misstatement or loss.

As Governors, we have reviewed and taken account of the guidance in DfE's Governance Handbook and competency framework for governance.

The Board of Governors has delegated the day-to-day responsibility to the Executive Principal, as accounting officer, for ensuring financial controls conform with the requirements of both propriety and good financial management and in accordance with the requirements and responsibilities assigned to it in the funding agreement between All Saints Multi Academy Trust, Birmingham and the Secretary of State for Education. They are also responsible for reporting to the Board of Governors any material weaknesses or breakdowns in internal control.

**Governance**

The information on governance included here supplements that described in the Governors' report and in the statement of governors' responsibilities. The Board of Governors has formally met 4 times during the year.

Attendance during the year at meetings of the Board of Governors was as follows:

Governor	Meetings attended	Out of a possible
Mrs S Smith (Chair of Trustees)	3	3
Mrs S Pilditch (Vice Chair of Trustees)	2	3

The Board of Trustees reviewed the Trust's governance structure during the year to evaluate its impact and effectiveness. The Board of Trustees has a wide range of skills that contribute to the successful governance of the Trust and are satisfied that the current structure in place is appropriate and effective for the Trust.

Although the Board of Trustees met less than six times during the year, they have maintained effective financial oversight and governance through the formal work undertaken by the Resources Committee and Outcomes Committee. These are sub-Committees of the Board of Trustees and they met twice each during the year; two meetings of the Resources Committee and one meeting of the Outcomes Committee were cancelled due to the COVID-19 lockdown. The minutes of these sub-Committee meetings are provided to the full Board of Trustees and the Chairs of these sub-Committees report to each full Board of Trustee meeting on the key matters considered at their meetings and the impact for consideration by the full Board of Trustees.

One meeting of the Board of Trustees and one meeting of the Resources Committee were carried out remotely during the summer due to restrictions arising from the COVID-19 pandemic.

The Resources Committee is a sub-Committee of the Board of Trustees. Its purpose is to provide oversight,

guidance and assistance to the Board of Trustees on all matters related to finance, resources, premises and Health & Safety of the Academy Trust. This committee also acts as the Academy Trust's Audit Committee, where its purpose is to maintain an oversight of the Trust's governance, risk management, internal control and value for money framework.

Attendance during the year at meetings was as follows:

The key issue dealt with by the Finance Committee during the year was the review of the Academy Trust's 3 year financial forecasts and the actions required to address the reduced funding expected over this period.

**Review of value for money**

As accounting officer, the Executive Principal has responsibility for ensuring that the academy delivers good value in the use of public resources. The accounting officer understands that value for money refers to the educational and wider societal outcomes achieved in return for the taxpayer resources received.

The accounting officer considers how the academy's use of its resources has provided good value for money during each academic year, and reports to the Board of Governors where value for money can be improved, including the use of benchmarking data where appropriate. The accounting officer for the academy has delivered improved value for money during the year by:

- Efficient use of in house teaching staff covering staff absence has reduced supply costs
- Reviewing services not crucial to teaching and learning in order to generate savings

COVID-19 has had an adverse impact on being able to achieve value for money in all purchases as the need to procure additional cleaning supplies and PPE has been time critical. The Procurement Policy Note has been applied in the case of the school catering contract.

**The purpose of the system of internal control**

The system of internal control is designed to manage risk to a reasonable level rather than to eliminate all risk of failure to achieve policies, aims and objectives; it can therefore only provide reasonable and not absolute assurance of effectiveness. The system of internal control is based on an ongoing process designed to identify and prioritise the risks to the achievement of the Academy Trust's policies, aims and objectives, to evaluate the likelihood of those risks being realised and the impact should they be realised, and to manage them efficiently, effectively and economically.

The system of internal control has been in place in All Saints Multi Academy Trust, Birmingham for the period from 1 September 2019 to 31 August 2020 and up to the date of approval of the annual report and financial statements.

**ALL SAINTS MULTI ACADEMY TRUST, BIRMINGHAM**  
**(A company limited by guarantee)**

**GOVERNANCE STATEMENT (CONTINUED)**

**Capacity to handle risk**

The board of trustees has reviewed the key risks to which the multi academy trust is exposed together with the operating, financial and compliance controls that have been implemented to mitigate those risks. The board of trustees is of the view that there is a formal on-going process for identifying, evaluating and managing the multi academy trust's significant risks that has been in place for the year to 31 August 2020 and up to the date of approval of the annual report and financial statements. This process is regularly reviewed by the board of trustees.

**The risk and control framework**

The Academy Trust's system of internal financial control is based on a framework of regular management information and administrative procedures including the segregation of duties and a system of delegation and accountability. In particular it includes:

- comprehensive budgeting and monitoring systems with an annual budget and periodic financial reports which are reviewed and agreed by the Board of Governors;
- regular reviews by the Finance and General Purposes Committee of reports which indicate financial performance against the forecasts and of major purchase plans, capital works and expenditure programmes;
- setting targets to measure financial and other performance;
- clearly defined purchasing (asset purchase or capital investment) guidelines;
- delegation of authority and segregation of duties; and
- identification and management of risks

The Board of Governors has decided not to appoint an internal auditor. However, the Governors have appointed an independent, suitably qualified external accountant to act as Responsible Officer.

Their role includes giving advice on financial matters and performing a range of checks on the Multi Academy Trust's financial systems. In particular, the checks carried out in the current period included:

- providing staffing forecasts and verifying these against monthly payroll
- checking and posting salaries on a monthly basis
- checking and posting income as necessary
- a review of Human Resources and payroll controls
- a review of the Risk Register

The reviewer has delivered their program of work during the year ended 31 August 2020 as planned. While no significant internal control weaknesses were identified from the work completed, the Trustees and management have developed an action plan to continue to strengthen and improve internal controls over the next six months.

**Review of effectiveness**

As accounting officer, the Executive Principal has responsibility for reviewing the effectiveness of the system of internal control. During the year in question the review has been informed by:

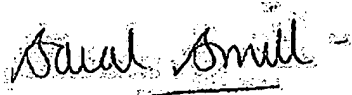

- the work of the Responsible Officer;
- the work of the external auditor;
- the work of the executive managers within the academy who have responsibility for the development and maintenance of the internal control framework.

The accounting officer has been advised of the implications of the result of their review of the system of internal control by the Resources Committee and a plan to address weaknesses and ensure continuous improvement of the system is in place.

**STATEMENT ON REGULARITY, PROPRIETY AND COMPLIANCE**

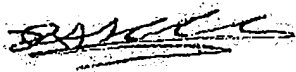

As accounting officer of All Saints Multi Academy Trust, Birmingham I have considered my responsibility to notify the academy Board of Governors and the Education and Skills Funding Agency (ESFA) of material irregularity, impropriety and non-compliance with terms and conditions of all funding received by the academy, under the funding agreement in place between the academy and the Secretary of State for Education. As part of my consideration I have had due regard to the requirements of the Academies Financial Handbook 2019.

I confirm that I and the academy Board of Governors are able to identify any material irregular or improper use of all funds by the academy, or material non-compliance with the terms and conditions of funding under the academy's funding agreement and the Academies Financial Handbook 2019.

I confirm that the following instances of material irregularity, impropriety or funding non-compliance discovered to date have been notified to the Board of Governors and ESFA. If any instances are identified after the date of this statement, these will be notified to the Board of Governors and ESFA:

Financial issues:

Financial fraud that took place in October 2019. This has been reported to the Board of Trustees and the ESFA and totalled £16,614, The funds have been subsequently returned to the Trust.

**INDEPENDENT AUDITOR'S REPORT ON THE FINANCIAL STATEMENTS TO THE MEMBERS OF ALL  
SAINTS MULTI ACADEMY TRUST, BIRMINGHAM**

**Opinion**

We have audited the financial statements of All Saints Multi Academy Trust, Birmingham (the 'academy') for the year ended 31 August 2020 which comprise the Statement of financial activities, the balance sheet, the statement of cash flows and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland', the Charities SORP 2019 and the Academies Accounts Direction 2019 to 2020 issued by the Education and Skills Funding Agency.

In our opinion the financial statements:

- give a true and fair view of the state of the academy's affairs as at 31 August 2020 and of its incoming resources and application of resources, including its income and expenditure for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006, the Charities SORP 2019 and the Academies Accounts Direction 2019 to 2020 issued by the Education and Skills Funding Agency.

**Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the academy in accordance with the ethical requirements that are relevant to our audit of the financial statements in the United Kingdom, including the Financial Reporting Council's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Conclusions relating to going concern**

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the Governors' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the Governors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the academy's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

**INDEPENDENT AUDITOR'S REPORT ON THE FINANCIAL STATEMENTS TO THE MEMBERS OF ALL SAINTS MULTI ACADEMY TRUST, BIRMINGHAM (CONTINUED)**

**Other information**

The Governors are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Other information includes the Reference and administrative details, the Governors' report including the Strategic report, and the Governance statement. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

**Opinion on other matters prescribed by the Companies Act 2006**

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Governors' report including the Strategic report for the financial year for which the financial statements are prepared is consistent with the financial statements.
- the Governors' report and the Strategic report have been prepared in accordance with applicable legal requirements.

**Matters on which we are required to report by exception**

In the light of our knowledge and understanding of the academy and its environment obtained in the course of the audit, we have not identified material misstatements in the Governors' report including the Strategic report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of Governors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

**INDEPENDENT AUDITOR'S REPORT ON THE FINANCIAL STATEMENTS TO THE MEMBERS OF ALL  
SAINTS MULTI ACADEMY TRUST, BIRMINGHAM (CONTINUED)**

**Responsibilities of trustees**

As explained more fully in the governors' responsibilities statement, the Governors (who are also the directors of the academy for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Governors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Governors are responsible for assessing the academy's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Governors either intend to liquidate the academy or to cease operations, or have no realistic alternative but to do so.

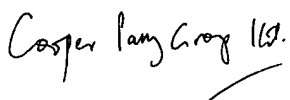

**Auditor's responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our auditor's report.

**Use of our report**

This report is made solely to the academy's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the academy's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the academy and its members, as a body, for our audit work, for this report, or for the opinions we have formed.

**STATEMENT OF GOVERNORS' RESPONSIBILITIES**  
**FOR THE YEAR ENDED 31 AUGUST 2020**

The Governors (who are also the directors of the charitable company for the purposes of company law) are responsible for preparing the Governors' report and the financial statements in accordance with the Academies Accounts Direction published by the Education and Skills Funding Agency, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

Company law requires the Governors to prepare financial statements for each financial year. Under company law, the Governors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Governors are required to:

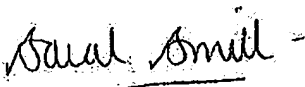

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP 2019 and the Academies Accounts Direction 2019 to 2020;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The Governors are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Governors are responsible for ensuring that in its conduct and operation the charitable company applies financial and other controls, which conform with the requirements both of propriety and of good financial management. They are also responsible for ensuring grants received from ESFA/DfE have been applied for the purposes intended.

The Governors are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

### **INDEPENDENT REPORTING ACCOUNTANT'S ASSURANCE REPORT ON REGULARITY TO ALL SAINTS MULTI ACADEMY TRUST, BIRMINGHAM AND THE EDUCATION AND SKILLS FUNDING AGENCY**

In accordance with the terms of our engagement letter dated 30 September 2020 and further to the requirements of the Education and Skills Funding Agency (ESFA) as included in the Academies Accounts Direction 2019 to 2020, we have carried out an engagement to obtain limited assurance about whether the expenditure disbursed and income received by All Saints Multi Academy Trust, Birmingham during the year 1 September 2019 to 31 August 2020 have been applied to the purposes identified by Parliament and the financial transactions conform to the authorities which govern them.

This report is made solely to All Saints Multi Academy Trust, Birmingham and ESFA in accordance with the terms of our engagement letter. Our work has been undertaken so that we might state to All Saints Multi Academy Trust, Birmingham and ESFA those matters we are required to state in a report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than All Saints Multi Academy Trust, Birmingham and ESFA, for our work, for this report, or for the conclusion we have formed.

#### **Respective responsibilities of All Saints Multi Academy Trust, Birmingham's accounting officer and the reporting accountant**

The accounting officer is responsible, under the requirements of All Saints Multi Academy Trust, Birmingham's funding agreement with the Secretary of State for Education dated 29 October 2012 and the Academies Financial Handbook, extant from 1 September 2019, for ensuring that expenditure disbursed and income received is applied for the purposes intended by Parliament and the financial transactions conform to the authorities which govern them.

Our responsibilities for this engagement are established in the United Kingdom by our profession's ethical guidance and are to obtain limited assurance and report in accordance with our engagement letter and the requirements of the Academies Accounts Direction 2019 to 2020. We report to you whether anything has come to our attention in carrying out our work which suggests that in all material respects, expenditure disbursed and income received during the year 1 September 2019 to 31 August 2020 have not been applied to purposes intended by Parliament or that the financial transactions do not conform to the authorities which govern them.

#### **Approach**

We conducted our engagement in accordance with the Academies Accounts Direction 2019 to 2020 issued by ESFA. We performed a limited assurance engagement as defined in our engagement letter.

The objective of a limited assurance engagement is to perform such procedures as to obtain information and explanations in order to provide us with sufficient appropriate evidence to express a negative conclusion on regularity.

A limited assurance engagement is more limited in scope than a reasonable assurance engagement and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in a reasonable assurance engagement. Accordingly, we do not express a positive opinion.

Our engagement includes examination, on a test basis, of evidence relevant to the regularity and propriety of the academy's income and expenditure.

The work undertaken to draw our conclusions included:

- Reviewing the internal control policies and procedures implemented by the Academy Trust and evaluating their design and effectiveness to understand how the Academy Trust has complied with the framework of authorities;
- Reviewing the minutes of meetings of the Trustees, relevant sub-committees and other evidence made available to us, relevant to our consideration of regularity;
- Enquiries of the Accounting Officer, including reviewing the work undertaken by the Accounting Officer in relation to their Statement on Regularity, Propriety and Compliance; and

**(A company limited by guarantee)**

**INDEPENDENT REPORTING ACCOUNTANT'S ASSURANCE REPORT ON REGULARITY TO ALL SAINTS  
MULTI ACADEMY TRUST, BIRMINGHAM AND THE EDUCATION & SKILLS FUNDING AGENCY  
(CONTINUED)**

- Detailed testing of the income and expenditure of the Academy Trust based on our assessment of the risk of material irregularity, impropriety and non-compliance. This work was integrated with our audit of the financial statements where appropriate and included analytical review and detailed substantive testing of transactions.

**Conclusion**

In the course of our work, except for the matters listed below nothing has come to our attention which suggest in all material respects the expenditure disbursed and income received during the year 1 September 2019 to 31 August 2020 has not been applied to purposes intended by Parliament and the financial transactions do not conform to the authorities which govern them.

Matter 1 - fraudulent transactions amounting to £16,614 have been identified during October 2019. The total funds subject to the fraud have since been recovered in full.

**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 31 AUGUST 2020**

**1. Accounting policies**

A summary of the principal accounting policies adopted (which have been applied consistently, except where noted), judgements and key sources of estimation uncertainty, is set out below.

**1.1 Basis of preparation of financial statements**

The financial statements of the academy, which is a public benefit entity under FRS 102, have been prepared under the historic cost convention in accordance with the Financial Reporting Standard Applicable in the UK and Republic of Ireland (FRS 102), the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) Charities SORP 2019, the Academies Accounts Direction 2019 to 2020 issued by ESFA, the Charities Act 2011 and the Companies Act 2006.

**1.2 Going concern**

The Governors assess whether the use of going concern is appropriate i.e. whether there are any material uncertainties related to events or conditions that may cast significant doubt on the ability of the academy to continue as a going concern. The Governors make this assessment in respect of a period of at least one year from the date of authorisation for issue of the financial statements and have concluded that the academy has adequate resources to continue in operational existence for the foreseeable future and there are no material uncertainties about the academy's ability to continue as a going concern, thus they continue to adopt the going concern basis of accounting in preparing the financial statements.

**1.3 Income**

All incoming resources are recognised when the academy has entitlement to the funds, the receipt is probable and the amount can be measured reliably.

• **Grants**

Grants are included in the statement of financial activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the balance sheet. Where income is received in advance of meeting any performance-related conditions there is not unconditional entitlement to the income and its recognition is deferred and included in creditors as deferred income until the performance-related conditions are met. Where entitlement occurs before income is received, the income is accrued.

General Annual Grant is recognised in full in the statement of financial activities in the year for which it is receivable and any abatement in respect of the year is deducted from income and recognised as a liability.

Capital grants are recognised in full when there is an unconditional entitlement to the grant. Unspent amounts of capital grants are reflected in the balance sheet in the restricted fixed asset fund. Capital grants are recognised when there is entitlement and are not deferred over the life of the asset on which they are expended.

• **Other income**

Other income, including the hire of facilities, is recognised in the year it is receivable and to the extent the academy has provided the goods or services.

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 31 AUGUST 2020**

**1. Accounting policies (continued)**

**1.4 Expenditure**

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

- **Charitable activities**

These are costs incurred on the academy's educational operations, including support costs and costs relating to the governance of the academy apportioned to charitable activities.

All resources expended are inclusive of irrecoverable VAT.

**1.5 Interest receivable**

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the academy; this is normally upon notification of the interest paid or payable by the institution with whom the funds are deposited.

**1.6 Taxation**

The academy is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes.

Accordingly, the academy is potentially exempt from taxation in respect of income or capital gains received within categories covered by Part 11, chapter 3 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

**1.7 Tangible fixed assets**

Assets costing £1,000 or more are capitalised as tangible fixed assets and are carried at cost, net of depreciation and any provision for impairment.

Where tangible fixed assets have been acquired with the aid of specific grants, either from the government or from the private sector, they are included in the balance sheet at cost and depreciated over their expected useful economic life. Where there are specific conditions attached to the funding requiring the continued use of the asset, the related grants are credited to a restricted fixed asset fund in the statement of financial activities and carried forward in the balance sheet. Depreciation on the relevant assets is charged directly to the restricted fixed asset fund in the statement of financial activities. Where tangible fixed assets have been acquired with unrestricted funds, depreciation on such assets is charged to the unrestricted fund.

Depreciation is provided on all tangible fixed assets other than freehold land and assets under construction, at rates calculated to write off the cost of each asset on a straight-line basis over its expected useful life, as follows:

**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 31 AUGUST 2020**

**1. Accounting policies (continued)**

**1.7 Tangible fixed assets (continued)**

Depreciation is provided on the following bases:

Leasehold buildings	- 50 years
Furniture and equipment	- 4 years
Computer equipment	- 4 years
Motor vehicles	- 4 years

A review for impairment of a fixed asset is carried out if events or changes in circumstances indicate that the carrying value of any fixed asset may not be recoverable. Shortfalls between the carrying value of fixed assets and their recoverable amounts are recognised as impairments. Impairment losses are recognised in the statement of financial activities.

**1.8 Investments**

Fixed asset investments are a form of financial instrument and are initially recognised at their transaction cost and subsequently measured at fair value at the balance sheet date, unless the value cannot be measured reliably in which case it is measured at cost less impairment. Investment gains and losses, whether realised or unrealised, are combined and presented as 'Gains/(Losses) on investments' in the statement of financial activities.

**1.9 Debtors**

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

**1.10 Cash at bank and in hand**

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

**1.11 Liabilities**

Liabilities are recognised when there is an obligation at the balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably. Liabilities are recognised at the amount that the academy anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

**1.12 Financial instruments**

The academy only holds basic financial instruments as defined in FRS 102. The financial assets and financial liabilities of the academy and their measurement bases are as follows:

*Financial assets* - trade and other debtors are basic financial instruments and are debt instruments measured at amortised cost as detailed in note 16. Prepayments are not financial instruments.

Cash at bank is classified as a basic financial instrument and is measured at face value.

*Financial liabilities* - trade creditors, accruals and other creditors are financial instruments, and are measured at amortised cost as detailed in notes 17 and 18. Taxation and social security are not included in the financial instruments disclosure definition. Deferred income is not deemed to be a financial liability, as the cash settlement has already taken place and there is an obligation to deliver services rather than cash or another financial instrument.

**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 31 AUGUST 2020**

**1. Accounting policies (continued)**

**1.13 Operating leases**

Rentals paid under operating leases are charged to the statement of financial activities on a straight line basis over the lease term.

**1.14 Pensions**

Retirement benefits to employees of the academy are provided by the Teachers' Pension Scheme ("TPS") and the Local Government Pension Scheme ("LGPS"). These are defined benefit schemes.

The TPS is an unfunded scheme and contributions are calculated so as to spread the cost of pensions over employees' working lives with the academy in such a way that the pension cost is a substantially level percentage of current and future pensionable payroll. The contributions are determined by the Government Actuary on the basis of quadrennial valuations using a prospective unit credit method. TPS is an unfunded multi-employer scheme with no underlying assets to assign between employers. Consequently, the TPS is treated as a defined contribution scheme for accounting purposes and the contributions recognised in the period to which they relate.

The LGPS is a funded multi-employer scheme and the assets are held separately from those of the academy in separate trustee administered funds. Pension scheme assets are measured at fair value and liabilities are measured on an actuarial basis using the projected unit credit method and discounted at a rate equivalent to the current rate of return on a high quality corporate bond of equivalent term and currency to the liabilities. The actuarial valuations are obtained at least triennially and are updated at each balance sheet date. The amounts charged to operating surplus are the current service costs and the costs of scheme introductions, benefit changes, settlements and curtailments. They are included as part of staff costs as incurred. Net interest on the net defined benefit liability/asset is also recognised in the statement of financial activities and comprises the interest cost on the defined benefit obligation and interest income on the scheme assets, calculated by multiplying the fair value of the scheme assets at the beginning of the period by the rate used to discount the benefit obligations. The difference between the interest income on the scheme assets and the actual return on the scheme assets is recognised in other recognised gains and losses.

Actuarial gains and losses are recognised immediately in other recognised gains and losses.

**1.15 Fund accounting**

Unrestricted income funds represent those resources which may be used towards meeting any of the charitable objects of the academy at the discretion of the Governors.

Restricted fixed asset funds are resources which are to be applied to specific capital purposes imposed by the funders where the asset acquired or created is held for a specific purpose.

Restricted general funds comprise all other restricted funds received with restrictions imposed by the funder/donor and include grants from the Department for Education Group.

Investment income, gains and losses are allocated to the appropriate fund.

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 31 AUGUST 2020**

**2. Critical accounting estimates and areas of judgement**

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Critical accounting estimates and assumptions:

The academy trust makes estimates and assumptions concerning the future. The resulting accounting estimates and assumptions will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

The present value of the Local Government Pension Scheme defined benefit liability depends on a number of factors that are determined on an actuarial basis using a variety of assumptions. The assumptions used in determining the net cost or income for pensions include the discount rate. Any changes in these assumptions, which are disclosed in note 26, will impact the carrying amount of the pension liability. Furthermore a roll forward approach which projects results from the latest full actuarial valuation performed at 31 March 2019 has been used by the actuary in valuing the pensions liability at 31 August 2020. Any differences between the figures derived from the roll forward approach and a full actuarial valuation would impact on the carrying amount of the pension liability.

Tangible fixed assets are depreciated over their economic useful lives taking into account residual values where appropriate. The actual lives of the assets and residual values are assessed annually and may vary depending on a number of factors.

Critical areas of judgement:

The classification of expenditure between restricted and unrestricted funds is deemed as a critical area of judgement as certain expenditure can be applied to both funds. Where this is the case and the amounts in question are considered material the expenditure is apportioned to both funding streams on an appropriate basis.

The Academy Trust obtains use of fixed assets as a lessee. The classification of such leases as operating or finance lease requires the Academy Trust to determine, based on an evaluation of the terms and conditions of the arrangements, whether it retains or acquires the significant risks and rewards of ownership of these assets and accordingly whether the lease requires an asset and liability to be recognised in the Balance Sheet.

The specific purposes for which the funds are to be applied are as follows:

Unrestricted funds comprise resources that may be used towards meeting any of the charitable objectives of the Academy Trust at the discretion of the Trustees.

The General Annual Grant funding must be used for the normal running costs of the Academy Trust in line with the Trust's charitable objects and the terms and conditions of the Trust's funding agreement.

The pupil premium funding must be used to support children from families on low income or children in care.

Other grants and income, which include other ESFA / DfE grants (including Universal Infant Free School Meal grants, Teacher Pay grants and Teachers' Pension grants), Local Authority funding, and other restricted income, are all used in accordance with the specific restrictions of the individual grants and funding provided.

The Pension reserve represents the Local Government Pension Scheme deficit.

The academy's employees belong to two principal pension schemes: the Teachers' Pension Scheme England and Wales (TPS) for academic and related staff; and the Local Government Pension Scheme (LGPS) for non-teaching staff, which is managed by West Midlands Pension Fund. Both are multi-employer defined benefit schemes.

The latest actuarial valuation of the TPS related to the period ended 31 March 2016 and of the LGPS 31 March 2019.

Contributions amounting to £26,071 were payable to the schemes at 31 August 2020 (2019 - £nil) and are included within creditors.

**Teachers' Pension Scheme**

The Teachers' Pension Scheme (TPS) is a statutory, contributory, defined benefit scheme, governed by the Teachers' Pension Scheme Regulations 2014. Membership is automatic for full-time teachers in academies. All teachers have the option to opt-out of the TPS following enrolment.

The TPS is an unfunded scheme to which both the member and employer makes contributions, as a percentage of salary - these contributions are credited to the Exchequer. Retirement and other pension benefits are paid by public funds provided by Parliament.

**Valuation of the Teachers' Pension Scheme**

The Government Actuary, using normal actuarial principles, conducts a formal actuarial review of the TPS in accordance with the Public Service Pensions (Valuations and Employer Cost Cap) Directions 2014 published by HM Treasury every 4 years. The aim of the review is to specify the level of future contributions. Actuarial scheme valuations are dependent on assumptions about the value of future costs, design of benefits and many other factors. The latest actuarial valuation of the TPS was carried out as at 31 March 2016. The valuation report was published by the Department for Education on 5 March 2019. The key elements of the valuation and subsequent consultation are:

- employer contribution rates set at 23.68% of pensionable pay (including a 0.08% administration levy)
- total scheme liabilities (pensions currently in payment and the estimated cost of future benefits) for service to the effective date of £218,100 million and notional assets (estimated future contributions together with the notional investments held at the valuation date) of £196,100 million, giving a notional past service deficit of £22,000 million
- the SCAPE rate, set by HMT, is used to determine the notional investment return. The current SCAPE rate is 2.4% above the rate of CPI, assumed real rate of return is 2.4% in excess of prices and 2% in excess of earnings. The rate of real earnings growth is assumed to be 2.2%. The assumed nominal rate of return including earnings growth is 4.45%.

The next valuation result is due to be implemented from 1 April 2023.

The employer's pension costs paid to TPS in the year amounted to £160,536 (2019 - £117,479).

A copy of the valuation report and supporting documentation is on the Teachers' Pensions website (<https://www.teacherspensions.co.uk/news/employers/2019/04/teachers-pensions-valuation-report.aspx>).

Under the definitions set out in FRS 102, the TPS is an unfunded multi-employer pension scheme. The academy has accounted for its contributions to the scheme as if it were a defined contribution scheme. The academy has set out above the information available on the scheme.

**Local Government Pension Scheme**

The LGPS is a funded defined benefit pension scheme, with the assets held in separate trustee-administered funds. The total contribution made for the year ended 31 August 2020 was £247,000 (2019 - £195,000), of which employer's contributions totalled £194,000 (2019 - £142,000) and employees' contributions totalled £53,000 (2019 - £53,000). The agreed contribution rates for future years are 18.7% for employers and between 5.5% and 12.5% for employees.

Parliament has agreed, at the request of the Secretary of State for Education, to a guarantee that, in the event of academy closure, outstanding Local Government Pension Scheme liabilities would be met by the Department for Education. The guarantee came into force on 18 July 2013.
