TRUSTEES' REPORT FOR THE YEAR ENDED 31 AUGUST 2021

The Trustees present their annual report together with the financial statements and auditors' report of the charitable company for the year 1 September 2020 to 31 August 2021. The annual report serves the purposes of both a Trustees' report and a directors' report under company law.

The Trust operates an academy for pupils aged 4 to 11 in providing free Catholic education for pupils of varying abilities. It has a pupil capacity of 210 and had a roll of 206 in the school census of January 2021.

Structure, governance and management

a. Constitution

The Academy is a charitable company limited by guarantee and an exempt charity.

The charitable company's Trust deed is the primary governing document of the Academy.

The Trustees of St Teresa's Catholic Primary School Bristol are also the directors of the charitable company for the purposes of company law.

The charitable company is known as St Teresa's Catholic Primary School Bristol.

Details of the Trustees who served during the year, and to the date these accounts are approved are included in the Reference and administrative details on page 1.

b. Members' liability

Each member of the charitable company undertakes to contribute to the assets of the charitable company in the event of it being wound up while they are a member, or within one year after they cease to be a member, such amount as may be required, not exceeding £10, for the debts and liabilities contracted before they ceased to be a member.

c. Trustees' indemnities

Trustees benefit from indemnity insurance purchased at the Academy's expense to cover the liability of the Trustees which by virtue of any rule of law would otherwise attach to them in respect of any negligence, ESFA or breach of trust or breach of duty of which they may be guilty in relation to the Academy, provided that any such insurance shall not extend to any claim arising from any act or omission which the Trustees knew to be a breach of trust or breach of duty or which was committed by the Trustees in reckless disregard to whether it was a breach of trust or breach of duty or not and provided also that any such insurance shall not extend to the costs of any unsuccessful defence to a criminal prosecution brought against the Trustees in their capacity as Directors of the Academy. The limit of this indemnity is £2,000,000.

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2021

Structure, governance and management (continued)

d. Method of recruitment and appointment or election of Trustees

The Academy shall have the following Trustees as set out in the Articles of Association and funding agreement:

- The number of Trustees who are appointed by the Trustees shall be subject to a maximum of 12.
- All Trustees shall upon their appointment or election give us a written undertaking to the Trustees and the Diocesan Bishop to uphold the Object of the Academy.
- Up to 7 Foundation Trustees (of which at least 3 must be parents of a registered pupil or former pupil).
- Up to 2 staff Trustees appointed by the Board of Trustees. (The total number of Trustees who are employees of the Academy (including the Headteacher) must not exceed one third of the total number of Governors).
- 1 parent Trustee who is elected by parents of registered pupils at the Academy.
- The Headteacher who is treated for all purposes as being an ex officio Trustee.
- Any additional Trustees (if appointed as seen fit by the Secretary of State).
- The Academy may also have up to 3 co opted Trustees, providing that the number of Foundation Trustees

increases proportionately to ensure that a majority of Trustees are Foundation Trustees by at least two. In the event that a staff member is co opted, the total number of Trustees employed by the Academy including the Headteacher must not exceed one third of the total number of Trustees.

Trustees are appointed for a four year period, except that this time does not apply to the Headteacher. Subject to remaining eligible to be a particular type of Trustee, any Trustee can be re appointed or re elected.

When appointing new Trustees, the Board will give consideration to the skills and experience mix of existing Trustees in order to ensure that the Board has the necessary skills to contribute fully to the Academy's development.

e. Policies adopted for the induction and training of Trustees

The training and induction provided for new Trustees will depend upon their existing experience but would always include a tour of the Academy and a chance to meet the Chair of Trustees and the Headteacher. All Trustees are provided with copies of policies, procedures, minutes, accounts, budgets, plans and other documents that they will need to undertake their role as Trustees. As there are normally only two or three new Trustees a year, induction tends to be informal and is tailored specifically to the individual. Advantage is taken of specific courses offered by the Diocese, the Local Authority and other bodies.

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2021

Structure, governance and management (continued)

f. Organisational structure

The Board of Trustees normally meets five times a year; twice before Christmas, once in Spring and twice in Summer. The Board establishes an overall framework for the governance of the Academy and determines membership, terms of reference and procedures of Committees and other groups. It receives reports and policies from its Committees for ratification. It monitors the activities of the Committees through the minutes of their meetings. The Board may from time to time establish Working Groups to perform specific tasks which would be time limited.

There were 5 committees at the start of the year as follows:

- Admissions Committee meets at least 3 times a year to agree admissions policy and to deal with admissions.
- Curriculum and School Improvement Committee meets at least three times a year to evaluate and review Academy policy, practice and performance in relation to curriculum planning, communications, target setting, assessment and Statutory Attainment Tests. It also ensures that the Special Needs, Gifted & Talented Enrichment provision meets the needs of our pupils.
- Resources Committee this meets at least six times a year and is responsible for monitoring, evaluating and reviewing policy and performance in relation to financial management and ensuring compliance with reporting and regulatory requirements. The Committee receive reports from the Responsible Officer and from auditors and recommends appropriate actions, and drafting the annual budget which then goes to Board of Trustees for ratification, under its delegated powers and financial policy statements. It also incorporates the role of a Risk and Audit Committee to maintain an oversight of the Academy Trust's financial, governance, risk management and internal control systems to report findings termly and annually to the Trust Board and the Accounting Officer as a critical element of the trust's annual reporting requirements. The Resources Committee other remit is giving detailed consideration to the management of the Academy's estate with due regard to the School Improvement Plan and health and safety, ensuring the buildings are as ecologically efficient as possible, within resources. The committee also has a staffing remit
- Mission and Ethos Committee this deals with all matters relating to pupils' spiritual, moral, social, cultural
 and physical development. Ensuring the Health & Safety, development and well being of staff and pupils
 and promoting community cohesion and parental and community engagement. The committee sets
 priorities for improvement and monitoring and develops and reviews school policies.
- Pay and Recruitment Committee this deals with staff pay and conditions and appointment of new staff.
 This Committee meets as and when required.

The following decisions are reserved to the Members; to consider any proposals for changes to the status or constitution of the Academy and it's Committee structure; to appoint or remove the Chair and/or Vice Chair; suspension of Trustees; the appointment of the Headteacher, Deputy Headteacher and Clerk to the Trustees.

The Trustees are responsible for; setting general policy; adopting an annual School Improvement Plan and budget; approving the statutory accounts; monitoring the Academy by the use of budgets and other data; and making major decisions about the direction of the Academy and capital expenditure in line with it's policies.

Although Trustees are involved in appointing senior staff, including a Headteacher, the decision of appointment for all but the Deputy Headteacher has been delegated to the Headteacher and members of the Pay and Recruitment Committees / Resources Committee and the Senior Leadership Team (SLT).

The Trustees have devolved responsibility for day to day management of the Academy to the Headteacher and SLT. The SLT comprises the Headteacher, Deputy Headteacher, Key Stage 2 Lead and Inclusion and Pupil Support Lead. The SLT implement policies laid down by the Trustees and report back to them on performance.

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2021

Structure, governance and management (continued)

The Academy has a leadership structure which consists of the Trustees, the SLT and Subject Leaders. The leadership structure enables the devolution of appropriate responsibility and decision making at all levels.

The Headteacher and Resources Committee are responsible for the authorisation of spending within agreed budgets, a summary of which is in the scheme of delegation / Finance Policy.

The Headteacher is the Accounting Officer.

g. Arrangements for setting pay and remuneration of key management personnel

The governing body is committed to taking decisions in accordance with the principles of justice, fairness, objectivity, openness and accountability. It recognises the requirement for a fair and transparent policy to determine the pay and grading for all staff employed in the School, which takes account of the conditions of service under which staff are employed and relevant statutory requirements.

The Pay Policy has been agreed by The Pay & Recruitment Committee of the governing body following consultation with staff and the recognised trade unions. Any changes of substance will be subject to further consultation before amendment by the committee. The Pay & Recruitment Committee has full authority to take decisions on behalf of the governing body on pay matters as defined in this policy.

h. Related parties and other connected charities and organisations

There are no related parties which either control or significantly influence the decisions and operations of St Teresa's Catholic Primary School, except for the Bishop of Clifton who is the ultimate controlling party by virtue of holding the ability to appoint the majority of the Board of Trustees.

There are no sponsors or Formal Parent Teacher Association associated with the Academy.

Objectives and activities

a. Objects and aims

The object and activity of the Academy is to advance for the public benefit, and the Church, the education of young people who will shape future society.

The aims of the Academy during the year ended 31 August 2021 were to:

- Secure, preserve and promote Catholic values.
- Provide a broad and balanced curriculum, including extra curricular opportunities.
- Develop pupils as effective learners.
- Ensure that every child enjoys the same high quality education in terms of resourcing, tuition and care.
- Improve the effectiveness of the school by keeping the curriculum and organisational structure under continual review.
- Maximise the number of pupils who achieve in line with or above national expectations and ensure each one achieves his/her potential.
- Provide value for money for the taxpayer.
- Comply with all appropriate statutory and curriculum requirements.
- Maintain close links with partner schools.
- Develop the Academy's capacity to manage change.
- Conduct the Academy's business in accordance with the highest standards of integrity, probity and openness.

Objectives and activities (continued)

b. Objectives, strategies and activities

St Teresa's is a mixed Catholic Primary school that has a capacity of 210 pupils with year groups of 30 pupils each. St Teresa's serves families within the Diocese of Clifton including parts of Bristol and South Gloucestershire. Our core mission is to provide a Catholic education that inspires our school family to excellence in all our God given talents, where we let our lights shine for all to see.

We are committed to help the pupils we serve maximise their educational opportunity by using the resources at our disposal as efficiently and effectively as possible. Our school vision is 'Inspiring each other to excellence in the light of Christ'.

The school which has an improving and now excellent reputation for its academic performance was judged by Ofsted as an outstanding school and the Diocese to be an outstanding school in our Section 48 inspection.

The Board of Trustees continue to seek developments and improvements in their work on behalf of the pupils so that we remain outstanding in every area.

Applications for places annually far exceed the number available. There were 74,73, 82,118 & 76 applications for the 30 places available in September 2017 - 2021 respectively.

88% of our children are of Catholic background. There is a higher than average number of pupils who are from minority ethnic groups, 77% in 2020/2021, and 57% of our pupils have English as an Additional Language. 11% of pupils are known to be eligible for Free School Meals (Pupil Premium), which is lower than that the National average (Analyse School Performance report 2018). St Teresa's has an attendance rate of 97% with a 0.2% unauthorised absence rate in 2020/2021.

Within the school, 7.6% of our pupils with identified barriers to learning are on the Special Needs register. These range from pupils with mild learning difficulties to those with statements/Educational Health & Care Plans identifying special support requirements in order that the might more easily access mainstream curriculum provision. These pupils are supported by Learning Support Assistants, our Inclusion and Pupil Support Leader and external agencies as appropriate.

Performance across the school is good or better and by the time children leave school at the end of Year 6, their attainment in all subjects (reading, writing and maths and is 'significantly above national' (ASP Online Report 2019).

Ofsted in July 2016 judged the school to be Outstanding in all areas, the report stated, 'Pupils make outstanding progress as they move through the school. By the time they leave at the end of key stage 2, pupils are extremely well prepared for the next stage of their education.'

The report from our Diocesan Inspection in November 2017 where we were judged as 'outstanding' stated 'The school has outstanding governance and leadership, which sustains and nurtures its vibrant Catholic life and ethos ...' 'The pupils' behaviour in lessons and around the school is outstanding. They demonstrate real care and respect for each other and have an open, positive attitude to learning.' 'The pupils, particularly in the chaplaincy team, make an excellent contribution towards Catholic life and the pupils' response to the prayer life of the school is outstanding.' 'The achievement of pupils is outstanding due to good and outstanding teaching.'

The total numbers of employees, as from September 2021 is 41 including 14 teachers, 26 administration and curriculum support personnel, caretaking, cleaning staff and 1 management.

Each year in order to bring about improvements and move towards achieving our vision, staff identify key

development areas based on self review and evaluations. These become foci for attention across the school.

Key priorities for the year are contained in our School Improvement Plan which is available from the school office.

Improvement foci for this year include:

- · Oracy and communication
- Continuing to raise standards of achievement across the curriculum and school particularly focusing on developing pupil's skills, understanding and knowledge across a broad range of subjects.
- Raising the number of pupils attaining greater depth in all year groups in light of COVID-19 this
 improvement focus is on hold with a focus on ensuring children read ARE minimum by the end of the
 vear.
- Improving the quality of teaching and learning to ensure consistently good or better teaching across the school through embedding a programme of peer to peer and personal support/coaching and all teachers being responsive in planning.
- Developing leaders of learning in classrooms, middle leaders and senior leaders.
- Continue to ensure there is an outstanding provision and learning experience for children in EYFS.

c. Public benefit

In setting our objectives and planning our activities, the Trustees have carefully considered the Charity Commission's general guidance on public benefit.

The Trustees confirm that they have complied with the duty in Section 17(5) of the Charities Act 2011 to have due regard to the Charity Commission's general guidance on public benefit in exercising their powers or duties. They have referred to this guidance when reviewing the Academy's aims and objectives and in planning its future activities.

As an Academy we have a duty to support other schools. We work closely with schools within the Newman Partnership, 10 Catholic primary schools and 1 Catholic secondary school, and have a committee structure of Mission and Ethos, Standards and Quality and Resources which all report into the Newman board, made up of Senior Leaders. The Newman partnership aim is 'Working in partnership to ensure that all children in our Catholic Schools are provided with the opportunity to realise their unique gift, and are able to take their next steps knowing how and when to use that gift for the common good.'

n October 2021, St. Teresa's was approached by the diocese to support another catholic primary school in our partnership, St. Francis. An emergency bid was applied for from the DfE to enable this support to take place. The support commenced in January 2021 and continues until December 2021.

Strategic report

Achievements and performance

The Academy is just beginning its ninth year of operation and has maintained the forecast number of pupils. The total number of pupils in the year ended 31 August 2020 was 206. In the last two years the Academy has experienced a higher level of mobility with children moving back home abroad or moving out of Bristol to secure lower cost housing. There are waiting lists in most year groups, and the Academy actively seek to fill any spaces.

The Academy is heavily oversubscribed. There were 76 applications for the 30 places available in Reception in September 2021.

SATs results continue to improve. In Summer 2019, pupils at all levels achieved outstanding results. Achievement both in terms of attainment and progress is significantly above national average by the time pupils reach the end of their primary school (ASP 2019). This is a significant achievement for the school. No statutory assessments as they were cancelled by the DfE in Summer (2020) due to Covid-19.

programme of monitoring and evaluating the quality teaching, learning and assessment cycle which includes work sampling, pupil conferencing and lesson observations, which are undertaken by the SLT, Subject leaders and external consultants. There is also a clear framework of peer to peer support and sharing good practice. This also ensures that best practice within the school is known and can be emulated by others thus reducing disparity in performance across our school.

Continuing professional development for teachers has been very successful and is a significant contributor to improved outcomes.

b. Key performance indicators

The main financial performance indicator is the level of reserves held at the Balance Sheet date. In particular, the management and spending against the General Annual Grant (GAG) requires special attention to the amount of carry forward. In the year under review, £132,327 was carried forward.

As funding is based on pupil numbers this is also a key performance indicator. Aged 4 11 pupils for 2020/2021 were 206. We are pleased that the Academy has maintained the pupil numbers at this level.

Another key financial performance indicator is the staffing costs as a percentage of total income (excluding restricted fixed asset). For 2021 this was 82.5% (2020: 82.8%) which is just above the optimum level recommended by the EFSA.

c. Going concern

After making appropriate enquiries, the Board of Trustees has a reasonable expectation that the Academy has adequate resources to continue in operational existence for the foreseeable future. For this reason they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the accounting policies.

Financial review

Most of the Academy's income is obtained from the DfE via the EFSA in the form of recurrent grants, the use of which is restricted to particular purposes. The grants received from the DfE during the year ended 31 August 2021 and the associated expenditure are shown as restricted Funds in the Statement of Financial Activities.

The Academy also receives grants for fixed assets from the DfE and these are shown in the Statement of Financial Activities as restricted income in the Fixed Asset Fund. The Restricted Fixed Asset Fund balance is reduced by annual depreciation charges over the useful life of the assets concerned, as defined in the Academy's Accounting Policies.

During the year ended 31 August 2021, total expenditure of £1,320,265 (excluding pension and restricted fixed asset funds) was offset by recurrent grant funding from the DfE and other incoming resources of £1,186,105. The excess of expenditure over income for the year (excluding restricted fixed asset funds) was £134,159. This was planned non-recurring expenditure for a CIF safeguarding project, IT infrastructure and COVID recovery support. It was covered by the balance of a CIF grant received in 2019/20 and reserves.

At 31 August 2021 the net book value of fixed assets was £157,456 and movements in tangible fixed assets are showing in note 14 to the Financial Statements. The assets were used to provide education and the associated support services to the pupils of the Academy.

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2021

Strategic report (continued)

Key financial policies adopted or reviewed during the year include the Finance Policy which lays out the framework for financial management, including financial responsibilities of the Board, Headteacher and other staff, as well as delegated authority for spending.

The Trustees have agreed a programme of internal checks on financial controls. Internal Assurance checks are now undertaken by Romero and presented to the Resources Committee for review.

a. Reserves policy

The Frustees have determined that the appropriate level of reserves is two months annual expenditure, approximately £187k. The Academy's current level of available reserves (unrestricted funds plus GAG carry forward) is £231,143. 2021/22 has planned reserves expenditure for COVID recovery support and development of outdoor space.

The Academy's current level of unrestricted reserves is £98,816. The Trustees have agreed that the level of reserves appropriate for a Single Academy Trust is 2 months of income.

The defined benefit pension scheme reserve has a negative balance. The effect of the deficit position of the pension scheme is that the Academy is paying higher employers' pension contributions over a period of years. The higher employers' pension contributions will be met from the Academy's budgeted annual income. Whilst the deficit will not be immediately eliminated, there should be no actual cash flow deficit on the fund, nor any direct impact on the free reserves of the Academy.

b. Investment policy

Due to the nature of funding, the Academy may at times hold cash balances surplus to its short term requirements. The Trustees may consider the opening of additional short term bank investment accounts to take advantage of higher interest rates. No other form of investment is authorised.

(A Company Limited by Guarantee)

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2021

c. Principal risks and uncertainties

The Board of Trustees has reviewed the major risks to which the Academy is exposed together with the operating, financial and compliance controls that have been implemented to mitigate those risks.

The principal risks and uncertainties facing the Academy are as follows:

Financial – the Academy has considerable reliance on continued Government funding through the EFSA. In the last year 99% of Academy's incoming resources were ultimately Government funded and whilst this level is expected to continue, there is no assurance that Government policy or practice will remain the same or that public funding will continue at the same level or on the same terms.

Governance and/or management – the risk in this area arises from potential failure to manage effectively the Academy's finances, internal controls, compliance with regulations and legislation, statutory returns etc. The Trustees continue to review and ensure that appropriate measures are in place to mitigate these risks.

Reputational – the continuing success of the Academy is dependent on attracting applicants in sufficient numbers. To mitigate this risk Trustees ensure that pupil success and achievement are closely monitored and reviewed so that we continue to achieve the highest educational standards.

Safeguarding and Child Protection – the Trustees continue to ensure that the highest standards are maintained in the areas of selection and monitoring of staff, the operation of child protection policies and procedures, health and safety discipline.

Staffing – the success of the Academy is reliant on appointing and maintaining quality staff. Trustees monitor and review policies and procedures to ensure continued development and training of staff is a priority, so that staff feel confident in their work and feel successful. Trustees also ensure there is clear succession planning in place.

Fraud and management of funds – The Academy has appointed Romero to carry out checks on financial systems and records as required by the Academies Financial Handbook. All finance staff receive training to keep them up to date with financial practice requirements and develop their skills in this area. The Headteacher keeps an eye on the budget and is adept at seeking clarification on any fluctuations in spending.

The Academy has continued to strengthen its Risk Management process throughout the year by improving the process and ensuring staff awareness. A risk register is maintained, reviewed and updated on a regular basis.

As highlighted previously, the Academy has agreed a Risk Management Strategy and a Risk Register. These have been discussed by Trustees and include the financial risk to the Academy.

The Trustees have implemented a number of systems to assess and minimise risks, including internal controls described elsewhere. Where significant financial risk still remains they have ensured they have adequate insurance cover.

Whilst the Academy is oversubscribed, risks to revenue funding from a falling roll are small. However, the freeze on the Government's overall education budget, changing in funding arrangements for Higher Needs and increasing employment and premises costs mean that budgets will be increasingly tight in coming years.

The Trustees examine the financial health formally every term, reviewing performance against budgets and overall expenditure by means of regular update report at all Full Governor's and Resources committee meetings. Cash flow forecasts are used to ensure sufficient funds are available to cover all known and anticipated commitments, as well as contingencies.

The Board of Trustees recognises that the defined benefit scheme deficit (Local Government Pension Scheme),

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2021

which is set out in note 24 to the Financial Statements, represents a significant potential liability. However, as the Trustees consider that the Academy is able to meet its known annual contribution commitments for the foreseeable future, the risk from this liability is minimised.

COVID-19 IMPACT

January 2021 saw all schools close nationally for the second consecutive academic year, St. Teresa's opened for children of keyworkers with a rotation of staff on site and all other staff working from home. The school was also able to welcome vulnerable pupils in during lockdown due to the maximum capacity of key worker children not being met. All children accessed remote home learning throughout Term 3 and up to 8th March Term 4, with the main platform for this being Google Classroom. The school supported some families by providing Chromebooks through the government IT scheme and the school buying 6 additional Chromebooks. Throughout the year, many individual children and year groups had to self-isolate inline with government guidance. During these times, the school remote learning procedure was implemented to ensure children continued to learn.

Fundraising

The Academy Trust does not use any external fundraisers. All fundraising undertaken during the year was monitored by the Trustees.

Plans for future periods

The Academy will continue to strive to provide outstanding education and to improve the performance of its pupils and staff at all levels. The Academy will maintain it stance, that we attract high quality teachers and support staff in order to deliver its objectives.

The Academy has formally agreed to collaborate with a hub of 11 Catholic schools, 'Newman Partnership', to improve the educational opportunities for pupils in the wider community. The Academy is in the process of exploring the option of becoming a Multi Academy Trust with 3 other schools from the Newman Partnership, those schools being St Bonaventure's, St Bernard's and St Francis.

We plan to maintain class sizes of no more than 30, with a Learning Support Assistant in each class, where possible, which will reflect in academic outcomes being improved.

Disclosure of information to auditors

Insofar as the Trustees are aware:

- there is no relevant audit information of which the charitable company's auditors are unaware, and
- that Trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditors are aware of that information.

Auditors

The previous auditors, Bishop Fleming LLP, withdrew their services in March 2021 and a resolution to appoint new auditors Randall & Payne LLP was proposed and confirmed at the annual general meeting.

The auditors, Randall & Payne LLP, have indicated their willingness to continue in office. The designated Trustees will propose a motion reappointing the auditors at a meeting of the Trustees.

The Trustees' Report, incorporating a strategic report, was approved by order of the Board of Trustees, as the company directors, on 2 December 2021 and signed on its behalf by:

GOVERNANCE STATEMENT

Scope of responsibility

As Trustees, we acknowledge we have overall responsibility for ensuring that St Teresa's Catholic Primary School Bristol has an effective and appropriate system of control, financial and otherwise. However, such a system is designed to manage rather than eliminate the risk of failure to achieve business objectives, and can provide only reasonable and not absolute assurance against material misstatement or loss.

As Trustees, we have reviewed and taken account of the guidance in DfE's Governance Handbook and competency framework for governance.

The Board of Trustees has delegated the day-to-day responsibility to the Headteacher, as accounting officer, for ensuring financial controls conform with the requirements of both propriety and good financial management and in accordance with the requirements and responsibilities assigned to it in the funding agreement between St Teresa's Catholic Primary School Bristol and the Secretary of State for Education. They are also responsible for reporting to the Board of Trustees any material weaknesses or breakdowns in internal control.

Governors Self Evaluation and Review takes place annually. This takes place:

- a) as part of a continuing partnership with the Local Authority, acting as School Advisory Service.
- b) as part of the AGM with our members annually.

The Resources Committee is a sub-committee of the main Board of Trustees. Its purpose is to assist the decision making of the Board of Trustees, by enabling more detailed consideration to be given to the best means of fulfilling the Board of Trustees' responsibilities to ensure sound management of the Academy's finances and resources, including proper planning, monitoring and probity. It also incorporates the role of a Risk and Audit Committee to maintain an oversight of the Academy Trust's financial, governance, risk management and internal control systems to report findings termly and annually to the Trust Board and the Accounting Officer as a critical element of the trust's annual reporting requirements. To make appropriate comments and recommendation on such matters to the Board of Trustees on a regular basis. Major issues will be referred to the full Board of Trustees for ratification.

GOVERNANCE STATEMENT (CONTINUED)

Review of value for money

As accounting officer, the Headteacher has responsibility for ensuring that the Academy delivers good value in the use of public resources. The accounting officer understands that value for money refers to the educational and wider societal outcomes achieved in return for the taxpayer resources received.

The accounting officer considers how the Academy's use of its resources has provided good value for money during each academic year, and reports to the Board of Trustees where value for money can be improved, including the use of benchmarking data where appropriate. The accounting officer for the Academy has delivered improved value for money during the year by:

- The Resources Committee monitor, evaluate, review and challenge performance in relation to financial management and risk, to ensure effectiveness of spending and compliance with reporting, regulatory and internal financial control;
- During 2020/2021 the Academy made savings through adhering to this policy and continuing it's membership of the CPC and Church Market Place;
- The Academy monitors outgoings carefully to ensure best value in all areas of purchasing and procurement, noting that this is not necessarily the cheapest quote; and
- The Academy continues to work collaboratively with others in the Newman Partnership to reduce procurement costs.

The purpose of the system of internal control

The system of internal control is designed to manage risk to a reasonable level rather than to eliminate all risk of failure to achieve policies, aims and objectives. It can, therefore, only provide reasonable and not absolute assurance of effectiveness. The system of internal control is based on an on-going process designed to identify and prioritise the risks to the achievement of Academy policies, aims and objectives, to evaluate the likelihood of those risks being realised and the impact should they be realised, and to manage them efficiently, effectively and economically. The system of internal control has been in place in St Teresa's Catholic Primary School Bristol for the year 1 September 2020 to 31 August 2021 and up to the date of approval of the annual report and financial statements.

Capacity to handle risk

The Board of Trustees has reviewed the key risks to which the Academy is exposed together with the operating, financial and compliance controls that have been implemented to mitigate those risks. The Board of Trustees is of the view that there is a formal ongoing process for identifying, evaluating and managing the Academy's significant risks that has been in place for the year 1 September 2020 to 31 August 2021 and up to the date of approval of the annual report and financial statements. This process is regularly reviewed by the Board of Trustees.

The risk and control framework

The Academy's system of internal financial control is based on a framework of regular management information and administrative procedures including the segregation of duties and a system of delegation and accountability. In particular, it includes:

- comprehensive budgeting and monitoring systems with an annual budget and periodic financial reports which are reviewed and agreed by the Board of Trustees
- regular reviews by the Finance and General Purposes Committee of reports which indicate financial performance against the forecasts and of major purchase plans, capital works and expenditure programmes
- setting targets to measure financial and other performance.
- clearly defined purchasing (asset purchase or capital investment) guidelines

GOVERNANCE STATEMENT (CONTINUED)

The risk and control framework (continued)

identification and management of risks

The Board of Trustees has decided to buy-in an internal audit service from Romero Services

The reviewer's role includes giving advice on financial and other matters and performing a range of checks on the Academy's financial systems. In particular, the checks carried out in the current period included:

- · Review of the income system;
- Review of the payroll system:
- Review of the expenditure system;
- · Review of the fixed asset system; and
- Review of the accounting system.

On a semi-annual basis, the reviewer reports to the Board of Trustees on the operation of the systems of control and on the discharge of the Board of Trustees' financial responsibilities and annually prepares a short annual summary report to the committee outlining the areas reviewed, key findings, recommendations and conclusions to help the committee consider actions and assess year on year progress.

During the year, Romero have delivered their schedule of work as planned, and there were no material control issues as a result of the auditors' work.

Review of effectiveness

As accounting officer, the Headteacher has responsibility for reviewing the effectiveness of the system of internal control. During the year in question the review has been informed by:

- the work of the reviewer;
- the work of the external auditors:
- the work of the executive managers within the Academy who have responsibility for the development and maintenance of the internal control framework.

The accounting officer has been advised of the implications of the result of their review of the system of internal control by the Resources Committee and a plan to address weaknesses and ensure continuous improvement of the system is in place.

STATEMENT ON REGULARITY, PROPRIETY AND COMPLIANCE

As accounting officer of St Teresa's Catholic Primary School Bristol I have considered my responsibility to notify the Academy Board of Trustees and the Education and Skills Funding Agency (ESFA) of material irregularity, impropriety and non-compliance with terms and conditions of all funding received by the Academy, under the funding agreement in place between the Academy and the Secretary of State for Education. As part of my consideration I have had due regard to the requirements of the Academies Financial Handbook 2020.

I confirm that I and the Academy Board of Trustees are able to identify any material irregular or improper use of all funds by the Academy, or material non-compliance with the terms and conditions of funding under the Academy's funding agreement and the Academies Financial Handbook 2020.

I confirm that no instances of material irregularity, impropriety or funding non-compliance have been discovered to date. If any instances are identified after the date of this statement, these will be notified to the Board of Trustees and ESFA.

STATEMENT OF TRUSTEES' RESPONSIBILITIES FOR THE YEAR ENDED 31 AUGUST 2021

The Trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for preparing the Trustees' Report and the financial statements in accordance with the Academies Accounts Direction published by the Education and Skills Funding Agency, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

Company law requires the Trustees to prepare financial statements for each financial year. Under company law, the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP 2019 and the Academies Accounts Direction 2020 to 2021;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees are responsible for ensuring that in its conduct and operation the charitable company applies financial and other controls, which conform with the requirements both of propriety and of good financial management. They are also responsible for ensuring grants received from ESFA/DfE have been applied for the purposes intended.

The Trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

INDEPENDENT AUDITORS' REPORT ON THE FINANCIAL STATEMENTS TO THE MEMBERS OF ST TERESA'S CATHOLIC PRIMARY SCHOOL BRISTOL

Opinion

We have audited the financial statements of St Teresa's Catholic Primary School Bristol (the 'academy') for the year ended 31 August 2021 which comprise the Statement of Financial Activities, the Balance Sheet, the Statement of Cash Flows and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland', the Charities SORP 2019 and the Academies Accounts Direction 2020 to 2021 issued by the Education and Skills Funding Agency.

In our opinion the financial statements:

- give a true and fair view of the state of the Academy's affairs as at 31 August 2021 and of its incoming resources and application of resources, including its income and expenditure for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006, the Charities SORP 2019 and the Academies Accounts Direction 2020 to 2021 issued by the Education and Skills Funding Agency.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the Academy in accordance with the ethical requirements that are relevant to our audit of the financial statements in the United Kingdom, including the Financial Reporting Council's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the Trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Academy's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Trustees with respect to going concern are described in the relevant sections of this report.

INDEPENDENT AUDITORS' REPORT ON THE FINANCIAL STATEMENTS TO THE MEMBERS OF ST TERESA'S CATHOLIC PRIMARY SCHOOL BRISTOL (CONTINUED)

Emphasis of matter

The Governing Body of St Teresa's Catholic School Bristol made the decision during the year to consult with all stakeholders about joining The Cardinal Newman Catholic Educational Trust. The application has been approved by the Regional Schools Commissioner for the South West and the Trust is scheduled to transfer to The Cardinal Newman Catholic Educational Trust on 1 March 2022. As such, the educational activities of the Academy will transfer as a going concern, however this entity will cease to exist.

Other information

The other information comprises the information included in the Annual Report other than the financial statements and our Auditors' Report thereon. The Trustees are responsible for the other information contained within the Annual Report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinion on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Trustees' Report including the Strategic Report for the financial year for which the financial statements are prepared is consistent with the financial statements.
- the Trustees' Report and the Strategic Report have been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of our knowledge and understanding of the Academy and its environment obtained in the course of the audit, we have not identified material misstatements in the Trustees' Report including the Strategic Report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of Trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

INDEPENDENT AUDITORS' REPORT ON THE FINANCIAL STATEMENTS TO THE MEMBERS OF ST TERESA'S CATHOLIC PRIMARY SCHOOL BRISTOL (CONTINUED)

Responsibilities of trustees

As explained more fully in the Trustees' Responsibilities Statement, the Trustees (who are also the directors of the Academy for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees are responsible for assessing the Academy's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the Academy or to cease operations, or have no realistic alternative but to do so.

Auditors' responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditors' Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

We obtained an understanding of the legal and regulatory frameworks that are applicable to the Academy. These include but are not limited to compliance with the Companies Act 2006, Financial Reporting Standard applicable in the UK, the Charities SORP 2019 and the Academies Accounts Direction 2020 to 2021 issued by the Education and Skills Funding Agency;

- we agreed the financial statement disclosures to supporting documentation;
- we made enquiries of management; and
- we reviewed board minutes throughout the year.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our Auditors' Report.

Use of our report

This report is made solely to the Academy's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Academy's members those matters we are required to state to them in an Auditors' Report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Academy and its members, as a body, for our audit work, for this report, or for the opinions we have formed.

INDEPENDENT REPORTING ACCOUNTANT'S ASSURANCE REPORT ON REGULARITY TO ST TERESA'S CATHOLIC PRIMARY SCHOOL BRISTOL AND THE EDUCATION AND SKILLS FUNDING AGENCY

In accordance with the terms of our engagement letter dated 10 September 2021 and further to the requirements of the Education and Skills Funding Agency (ESFA) as included in the Academies Accounts Direction 2020 to 2021, we have carried out an engagement to obtain limited assurance about whether the expenditure disbursed and income received by St Teresa's Catholic Primary School Bristol during the year 1 September 2020 to 31 August 2021 have been applied to the purposes identified by Parliament and the financial transactions conform to the authorities which govern them.

This report is made solely to St Teresa's Catholic Primary School Bristol and ESFA in accordance with the terms of our engagement letter. Our work has been undertaken so that we might state to St Teresa's Catholic Primary School Bristol and ESFA those matters we are required to state in a report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than St Teresa's Catholic Primary School Bristol and ESFA, for our work, for this report, or for the conclusion we have formed.

Respective responsibilities of St Teresa's Catholic Primary School Bristol's accounting officer and the reporting accountant

The accounting officer is responsible, under the requirements of St Teresa's Catholic Primary School Bristol's funding agreement with the Secretary of State for Education dated 18 December 2012 and the Academies Financial Handbook, extant from 1 September 2020, for ensuring that expenditure disbursed and income received is applied for the purposes intended by Parliament and the financial transactions conform to the authorities which govern them.

Our responsibilities for this engagement are established in the United Kingdom by our profession's ethical guidance and are to obtain limited assurance and report in accordance with our engagement letter and the requirements of the Academies Accounts Direction 2020 to 2021. We report to you whether anything has come to our attention in carrying out our work which suggests that in all material respects, expenditure disbursed and income received during the year 1 September 2020 to 31 August 2021 have not been applied to purposes intended by Parliament or that the financial transactions do not conform to the authorities which govern them.

Approach

We conducted our engagement in accordance with the Framework and Guide for External Auditors and Reporting Accountant of Academy Trusts issued by ESFA. We performed a limited assurance engagement as defined in our engagement letter.

The objective of a limited assurance engagement is to perform such procedures as to obtain information and explanations in order to provide us with sufficient appropriate evidence to express a negative conclusion on regularity.

A limited assurance engagement is more limited in scope than a reasonable assurance engagement and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in a reasonable assurance engagement. Accordingly, we do not express a positive opinion.

Our engagement includes examination, on a test basis, of evidence relevant to the regularity and propriety of the Academy's income and expenditure.

INDEPENDENT REPORTING ACCOUNTANT'S ASSURANCE REPORT ON REGULARITY TO ST TERESA'S CATHOLIC PRIMARY SCHOOL BRISTOL AND THE EDUCATION & SKILLS FUNDING AGENCY (CONTINUED)

Conclusion

In the course of our work, nothing has come to our attention which suggest in all material respects the expenditure disbursed and income received during the year 1 September 2020 to 31 August 2021 has not been applied to purposes intended by Parliament and the financial transactions do not conform to the authorities which govern them.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 AUGUST 2021

1. Accounting policies

A summary of the principal accounting policies adopted (which have been applied consistently, except where noted), judgments and key sources of estimation uncertainty, is set out below.

1.1 Basis of preparation of financial statements

The financial statements of the Academy, which is a public benefit entity under FRS 102, have been prepared under the historic cost convention in accordance with the Financial Reporting Standard Applicable in the UK and Republic of Ireland (FRS 102), the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)), the Academies Accounts Direction 2020 to 2021 issued by ESFA, the Charities Act 2011 and the Companies Act 2006.

St Teresa's Catholic Primary School Bristol meets the definition of a public benefit entity under FRS 102.

1.2 Going concern

The Trustees assess whether the use of going concern is appropriate i.e. whether there are any material uncertainties related to events or conditions that may cast significant doubt on the ability of the Academy to continue as a going concern. The Trustees make this assessment in respect of a period of at least one year from the date of authorisation for issue of the financial statements and have concluded that the Academy has adequate resources to continue in operational existence for the foreseeable future and there are no material uncertainties about the Academy's ability to continue as a going concern, thus they continue to adopt the going concern basis of accounting in preparing the financial statements.

(A Company Limited by Guarantee)

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 AUGUST 2021

1. Accounting policies (continued)

1.3 Income

All incoming resources are recognised when the Academy has entitlement to the funds, the receipt is probable and the amount can be measured reliably.

- Grants

Grants are included in the Statement of Financial Activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the Balance Sheet. Where income is received in advance of meeting any performance-related conditions there is not unconditional entitlement to the income and its recognition is deferred and included in creditors as deferred income until the performance-related conditions are met. Where entitlement occurs before income is received, the income is accrued:

General Annual Grant is recognised in full in the Statement of Financial Activities in the year for which it is receivable and any abatement in respect of the year is deducted from income and recognised as a liability.

Capital grants are recognised in full when there is an unconditional entitlement to the grant. Unspent amounts of capital grants are reflected in the Balance Sheet in the restricted fixed asset fund. Capital grants are recognised when there is entitlement and are not deferred over the life of the asset on which they are expended.

Donations

Donations are recognised on a receivable basis (where there are no performance-related conditions) where the receipt is probable and the amount can be reliably measured.

Other income

Other income, including the hire of facilities, is recognised in the year it is receivable and to the extent the Academy has provided the goods or services.

1.4 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

Charitable activities

These are costs incurred on the Academy's educational operations, including support costs and costs relating to the governance of the Academy apportioned to charitable activities.

All resources expended are inclusive of irrecoverable VAT.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 AUGUST 2021

1. Accounting policies (continued)

1.5 Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the Academy; this is normally upon notification of the interest paid or payable by the institution with whom the funds are deposited.

1.6 Tangible fixed assets

Assets costing £5,000 or more are capitalised as tangible fixed assets and are carried at cost, net of depreciation and any provision for impairment.

Where tangible fixed assets have been acquired with the aid of specific grants, either from the government or from the private sector, they are included in the Balance Sheet at cost and depreciated over their expected useful economic life. Where there are specific conditions attached to the funding requiring the continued use of the asset, the related grants are credited to a restricted fixed asset fund in the Statement of Financial Activities and carried forward in the Balance Sheet. Depreciation on the relevant assets is charged directly to the restricted fixed asset fund in the Statement of Financial Activities. Where tangible fixed assets have been acquired with unrestricted funds, depreciation on such assets is charged to the unrestricted fund.

Depreciation is provided on all tangible fixed assets other than freehold land and assets under construction, at rates calculated to write off the cost of each asset on a straight-line basis over its expected useful life, as follows:

Depreciation is provided on the following bases:

Furniture and equipment Fixtures and fittings

- straight line over 7 years

- straight line over 10 years

Computer equipment

- straight line over 5 years

The Academy occupies land and buildings provided to it by the Diocesan Trustees under a license (also referred to as a Church Supplemental Agreement). Having considered the fact that the Academy occupies the land and buildings by a license that transfers to the Academy no rights or control over the site other than that of occupying it at the will of the Diocesan Trustees under the agreement, it has been concluded that the value of the land and buildings occupied by the Academy will not be recognised or valued within fixed assets.

A review for impairment of a fixed asset is carried out if events or changes in circumstances indicate that the carrying value of any fixed asset may not be recoverable. Shortfalls between the carrying value of fixed assets and their recoverable amounts are recognised as impairments. Impairment losses are recognised in the Statement of Financial Activities.

1.7 Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

1.8 Cash at bank and in hand

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 AUGUST 2021

1. Accounting policies (continued)

1.9 Liabilities

Liabilities are recognised when there is an obligation at the Balance Sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably. Liabilities are recognised at the amount that the Academy anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

1.10 Financial instruments

The Academy only holds basic financial instruments as defined in FRS 102. The financial assets and financial liabilities of the Academy and their measurement bases are as follows:

Financial assets - trade and other debtors are basic financial instruments and are debt instruments measured at amortised cost as detailed in note 15. Prepayments are not financial instruments.

Cash at bank is classified as a basic financial instrument and is measured at face value.

Financial liabilities - trade creditors, accruals and other creditors are financial instruments, and are measured at amortised cost as detailed in notes 16 and 17. Taxation and social security are not included in the financial instruments disclosure definition. Deferred income is not deemed to be a financial liability, as the cash settlement has already taken place and there is an obligation to deliver services rather than cash or another financial instrument.

1.11 Operating leases

Rentals paid under operating leases are charged to the Statement of Financial Activities on a straight line basis over the lease term.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 AUGUST 2021

1. Accounting policies (continued)

1.12 Pensions

Retirement benefits to employees of the Academy are provided by the Teachers' Pension Scheme ("TPS") and the Local Government Pension Scheme ("LGPS"). These are defined benefit schemes.

The TPS is an unfunded scheme and contributions are calculated so as to spread the cost of pensions over employees' working lives with the Academy in such a way that the pension cost is a substantially level percentage of current and future pensionable payroll. The contributions are determined by the Government Actuary on the basis of quadrennial valuations using a prospective unit credit method. TPS is an unfunded multi-employer scheme with no underlying assets to assign between employers. Consequently, the TPS is treated as a defined contribution scheme for accounting purposes and the contributions recognised in the period to which they relate.

The LGPS is a funded multi-employer scheme and the assets are held separately from those of the Academy in separate trustee administered funds. Pension scheme assets are measured at fair value and liabilities are measured on an actuarial basis using the projected unit credit method and discounted at a rate equivalent to the current rate of return on a high quality corporate bond of equivalent term and currency to the liabilities. The actuarial valuations are obtained at least triennially and are updated at each Balance Sheet date. The amounts charged to operating surplus are the current service costs and the costs of scheme introductions, benefit changes, settlements and curtailments. They are included as part of staff costs as incurred. Net interest on the net defined benefit liability/asset is also recognised in the Statement of Financial Activities and comprises the interest cost on the defined benefit obligation and interest income on the scheme assets, calculated by multiplying the fair value of the scheme assets at the beginning of the period by the rate used to discount the benefit obligations. The difference between the interest income on the scheme assets and the actual return on the scheme assets is recognised in other recognised gains and losses.

Actuarial gains and losses are recognised immediately in other recognised gains and losses.

1.13 Fund accounting

Unrestricted income funds represent those resources which may be used towards meeting any of the charitable objects of the Academy at the discretion of the Trustees.

Restricted fixed asset funds are resources which are to be applied to specific capital purposes imposed by the funders where the asset acquired or created is held for a specific purpose.

Restricted general funds comprise all other restricted funds received with restrictions imposed by the funder/donor and include grants from the Department for Education Group.

Investment income, gains and losses are allocated to the appropriate fund.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 AUGUST 2021

2. Critical accounting estimates and areas of judgment

Estimates and judgments are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Critical accounting estimates and assumptions:

The Academy makes estimates and assumptions concerning the future. The resulting accounting estimates and assumptions will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

The present value of the Local Government Pension Scheme defined benefit liability depends on a number of factors that are determined on an actuarial basis using a variety of assumptions. The assumptions used in determining the net cost or income for pensions include the discount rate. Any changes in these assumptions, which are disclosed in note 24, will impact the carrying amount of the pension liability. Furthermore a roll forward approach which projects results from the latest full actuarial valuation performed at 31 March 2019 has been used by the actuary in valuing the pensions liability at 31 August 2021. Any differences between the figures derived from the roll forward approach and a full actuarial valuation would impact on the carrying amount of the pension liability.

d. Key management personnel

The key management personnel of the Academy comprise the Trustees and the senior management team as listed on page 1. The total amount of employee benefits (including employer pension contributions and employer national insurance contributions) received by key management personnel for their services to the Academy was £224,273 (2020 - £215,032).

12. Trustees' remuneration and expenses

One or more Trustees has been paid remuneration or has received other benefits from an employment with the Academy. The principal and other staff Trustees only receive remuneration in respect of services they provide undertaking the roles of principal and staff members under their contracts of employment. NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 AUGUST 2021

13. Trustees' and Officers' insurance

The Academy has opted into the Department for Education's risk protection arrangement (RPA), an alternative to insurance where UK government funds cover losses that arise. This scheme protects Trustees and officers from claims arising from negligent acts, errors or omissions occurring whilst on academy business, and provides cover up to £10,000,000. It is not possible to quantify the Trustees and officers indemnity element from the overall cost of the RPA scheme membership.

Having considered the fact that the Academy occupies the land and buildings by a license that transfers to the Academy no rights or control over the site other than that of occupying it at the will of the Diocesan Trustees under the agreement, it has been concluded that the value of the land and buildings occupied by the Academy will not be recognised or valued within fixed assets.

24. Pension commitments

The Academy's employees belong to two principal pension schemes: the Teachers' Pension Scheme England and Wales (TPS) for academic and related staff; and the Local Government Pension Scheme (LGPS) for non-teaching staff, which is managed by Bristol City Council. Both are multi-employer defined benefit schemes.

The latest actuarial valuation of the TPS related to the period ended 31 March 2016 and of the LGPS 31 March 2019.

There were no outstanding or prepaid contributions at either the beginning or the end of the financial year.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 AUGUST 2021

24. Pension commitments (continued)

Teachers' Pension Scheme

The Teachers' Pension Scheme (TPS) is a statutory, contributory, defined benefit scheme, governed by the Teachers' Pension Scheme Regulations 2014. Membership is automatic for full-time teachers in academies. All teachers have the option to opt-out of the TPS following enrolment.

The TPS is an unfunded scheme to which both the member and employer makes contributions, as a percentage of salary - these contributions are credited to the Exchequer. Retirement and other pension benefits are paid by public funds provided by Parliament.

Valuation of the Teachers' Pension Scheme

The Government Actuary, using normal actuarial principles, conducts a formal actuarial review of the TPS in accordance with the Public Service Pensions (Valuations and Employer Cost Cap) Directions 2014 published by HM Treasury every 4 years. The aim of the review is to specify the level of future contributions. Actuarial scheme valuations are dependent on assumptions about the value of future costs, design of benefits and many other factors. The latest actuarial valuation of the TPS was carried out as at 31 March 2016. The valuation report was published by the Department for Education on 5 March 2019. The key elements of the valuation and subsequent consultation are:

- employer contribution rates set at 23.68% of pensionable pay (including a 0.08% administration levy)
- total scheme liabilities (pensions currently in payment and the estimated cost of future benefits) for service to the effective date of £218,100 million and notional assets (estimated future contributions together with the notional investments held at the valuation date) of £196,100 million, giving a notional past service deficit of £22,000 million
- the SCAPE rate, set by HMT, is used to determine the notional investment return. The current SCAPE rate is 2.4% above the rate of CPI, assumed real rate of return is 2.4% in excess of prices and 2% in excess of earnings. The rate of real earnings growth is assumed to be 2.2%. The assumed nominal rate of return including earnings growth is 4.45%.

The next valuation result is due to be implemented from 1 April 2023.

The employer's pension costs paid to TPS in the year amounted to £99,268 (2020 - £86,027).

A copy of the valuation report and supporting documentation is on the Teachers' Pensions website (https://www.teacherspensions.co.uk/news/employers/2019/04/teachers-pensions-valuation-report.aspx).

Under the definitions set out in FRS 102, the TPS is an unfunded multi-employer pension scheme. The Academy has accounted for its contributions to the scheme as if it were a defined contribution scheme. The Academy has set out above the information available on the scheme.

24. Pension commitments (continued)

Local Government Pension Scheme

The LGPS is a funded defined benefit pension scheme, with the assets held in separate trustee-administered funds. The total contribution made for the year ended 31 August 2021 was £76,000 (2020 - £66,000), of which employer's contributions totalled £60,000 (2020 - £52,000) and employees' contributions totalled £ 16,000 (2020 - £14,000). The agreed contribution rates for future years are 15.5 per cent for employers and 5.5-12.5 per cent for employees.

Parliament has agreed, at the request of the Secretary of State for Education, to a guarantee that, in the event of academy closure, outstanding Local Government Pension Scheme liabilities would be met by the Department for Education. The guarantee came into force on 18 July 2013.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 AUGUST 2021

27. Related party transactions

Owing to the nature of the Academy and the composition of the Board of Trustees being drawn from local public and private sector organisations, transactions may take place with organisations in which the trustees have an interest. All transactions involving such organisations are conducted in accordance with the requirements of the Academies Financial Handbook, including notifying the ESFA of all transactions made on or after 1 April 2019 and obtaining their approval where required, and with the Academy's financial regulations and normal procurement procedures relating to connected and related party transactions.

The following related party transactions took place in the period of account:

The Diocese of Clifton, an entity under common control, invoiced the academy £1,108 (2020: £1,115) for core services and training. At the year-end there was an outstanding balance in accruals of £844 (2020: £820).

There were no other significant transactions during the year.

28. Post balance sheet events

The Governing Body of St Teresa's Catholic School Bristol made the decision during the year to consult with all stakeholders about joining The Cardinal Newman Catholic Educational Trust. The application has been approved by the Regional Schools Commissioner for the South West and the Trust is scheduled to transfer to The Cardinal Newman Catholic Educational Trust on 1 March 2022. As such, the educational activities of the Academy will transfer as a going concern, however this entity will cease to exist.

29. Controlling party

The ultimate controlling party is the Bishop of Clifton by virtue of holding the ability to appoint the majority of the Board of Trustees.
