2K ENGINEERING LTDCOMPANY NUMBER. 08278115NOTES TO THE ABBREVIATED ACCOUNTSFOR THE PERIOD 1 NOVEMBER 2012 TO 31 MARCH 20131 ACCOUNTING POLICIES

The financial statements have been prepared in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008). A summary of the more important accounting policies, which have been applied consistently, is set out below.

a Accounting convention

The financial statements are prepared in accordance with the historical cost convention.

b Fixed assets

The cost of fixed assets is written off in annual instalments over their expected useful lives as follows

On a straight line basis

Plant & machinery	10 % per annum
Office equipment	10 % per annum

c. Deferred taxation

Tax deferred or accelerated is accounted for in respect of all material timing differences

d Turnover

Turnover comprises the invoiced value of goods and services supplied by the company, excluding trade discounts, derived from ordinary activities

e Cash flow statement

The director is satisfied that the company meets the requirements of FRSSE, which allows him not to prepare a cash flow statement.

f. Finance and operating leases

Costs in respect of operating leases are charged on a straight line basis over the lease term. Where fixed assets are financed by leasing agreements, which transfer to the company substantially all the benefits and risks of ownership, the assets are treated as if they had been purchased outright and are included in tangible fixed assets. The capital element of the leasing commitments is shown as obligations under finance leases. The lease rentals are treated as consisting of capital and interest elements. The capital element is applied to reduce the outstanding obligations and the interest element is charged against profit on a straight line basis. Assets held under finance leases are depreciated over the shorter of the lease terms and the useful lives of equivalent owned assets.
