FLOW PLUMBING & HEATING SPECIALIST LTD - IN LIQUIDATION

PROGRESS REPORT

2. STATUTORY INFORMATION

Date of appointment of the Joint Liquidators:	28 March 2017
Trading style(s) of the Company:	N/A
Registered number:	08289904
Registered office:	Stanmore House, 64-68 Blackburn Street, Manchester, M26 2JS
Changes in office holder:	Pursuant to a block transfer order made in the High Court of Justice, Business and Property Courts in Manchester John Radford replaced Kevin Lucas as Liquidator with effect from 30 November 2021.

3. PROGRESS OF THE LIQUIDATION DURING THE PERIOD

Book Debt

The last progress report disclosed that efforts to realise the sum of £5,000 had not been successful, as the director contended this sum had been paid to a third party representing the sale of the assets. The matter was referred to a collection agent, who after reviewing the position declined to take on the instruction as, in their opinion, there was uncertainty regarding the recoverability of the asset due to the available documentation.

The Liquidator will consider instructing an alternative third party agent to pursue this matter.

However, should it transpire there is no likelihood of a realisation the matter will be abandoned.

Director's Loan Account ("DLA")

As explained in the last progress report, as with the book debt above, no meaningful progress was made in attempting to collect the outstanding balance of £6,586. The matter has been referred to Direct Route Collections who have agreed to act on a fixed fee of 15% of realisations.

Creditors will be provided with an update in the next report.

Future Actions

The Liquidation will remain open until both of the above outstanding items have been fully concluded.

4. COSTS OF THE LIQUIDATION

A summary of the receipts and payments account is attached for your information, analysed to show activity in the last year and the entire period of the liquidation as appropriate.

FLOW PLUMBING & HEATING SPECIALIST LTD - IN LIQUIDATION PROGRESS REPORT

It shows actual receipts and actual payments rather than accrued and unrealised/unpaid receipts and payments.

Remuneration of the Liquidator

Owing to limited realisations to date, no steps have been taken to fix the basis of the Liquidator's remuneration and therefore no remuneration has yet been drawn in this matter. The Liquidator will contact creditors separately to seek approval of the basis of his remuneration in due course by way of a decision by correspondence.

The Liquidator's time costs for the period 28 March 2021 to 27 March 2022 are £3,862.00 and are shown in more detail at the end of this report. This represents 15.20 hours at an average hourly rate of £254.08. Time has been mainly spent Admin & Planning and Realisation of Assets; below is further guidance on the work involved for each category:

Category	Description of work undertaken
Admin & Planning	Some of the time recorded under this category relates to statutory and compliance matters of the Liquidation and does not necessarily give rise to a financial benefit to creditors. Tasks undertaken include preparation of the last progress report, statutory filing, attending to cashiering and tax formalities, strategy reviews, and all other internal aspects of the case
Investigations	Time was spent making enquiries regarding a vehicle understood to be the subject of a finance agreement, and also referring the two outstanding matters to the external collection agent.
Realisation of Assets	Work has involved corresponding with the director in relation to the DLA and book debt.

The Liquidator's total time costs to date since the commencement of the Liquidation are £14,867.00. This represents 65.40 hours at an average hourly rate of £227.32.

The Liquidator has drawn no remuneration to date.

Expenses

Expenses are payments from the insolvent estate which are neither an office holder's remuneration nor a distribution to a creditor or member (as appropriate). Expenses include disbursements, which are payments first met by the office holder, and then reimbursed to the office holder from the estate.

Expenses are split into those that do not need approval before they are charged to the estate (category 1) and those that do (category 2):

- Category 1 expenses are payments to persons providing the service to which the expense relates who are not an associate of the office holder and may be paid without prior approval.
- Category 2 expenses are payments to associates or which have an element of shared costs. Before being paid, category 2 expenses require approval in the

FLOW PLUMBING & HEATING SPECIALIST LTD - IN LIQUIDATION PROGRESS REPORT

same manner as an office holder's remuneration. Category 2 expenses require approval whether paid directly from the estate or as a disbursement.

Details of the professional advisors and sub-contractors used are listed below together with the basis of the fee arrangement with them. The organisations and/or individuals were chosen based on our perception of their experience and ability to perform this type of work, the complexity and nature of the assignment and the basis of our fee arrangement with them:

Name of Professional Adviser of Sub-contractor	Brief description of services provided	Basis of fee arrangement
Direct Route Collections	Assistance relating to recovery of the DLA.	15% of realisations

Any expenses paid during the reporting period are shown on the receipts and payments account at the end of this report.

All expenses incurred to date

As explained in the last progress report, the sum of £210.00 relating to photocopying and stationery charged in error was refunded.

The additional bond premium of £126.50 was incurred as a consequence of the change of officeholder.

A copy of 'A Creditors' Guide to Liquidators' Fees' which provides guidance on creditors' rights on how to approve and monitor a Liquidator's remuneration and on how the remuneration is set is available from the Liquidator on request at no cost.

5. PROSPECTS FOR CREDITORS

Secured Creditors

There are no secured creditors in this matter.

Preferential Creditors

There are no preferential creditors.

FLOW PLUMBING & HEATING SPECIALIST LTD - IN LIQUIDATION PROGRESS REPORT

Unsecured Creditors and Prescribed Part

Pursuant to Section 176A of the Act where a company has granted a floating charge to a creditor on or after 15 September 2003, a proportion of the net property of that company must be made available purely to unsecured creditors.

As there are no qualifying floating charges registered at Companies House, the Prescribed Part does not apply in this matter.

The SofA detailed unsecured creditors of £57,950. As at the date of this report claims have been received totalling £67,323. The increase is attributed to a claim from H M Revenue and Customs being higher than originally anticipated.

There is no prospect of a distribution to unsecured creditors as the funds already realised, as will the proceeds of any future realisations, will be used for paying the costs of the Liquidation.

Next Report to Creditors

The next report will be issued within two months of the next anniversary of the Liquidation or at its conclusion; whichever may be the sooner.

If you require any further information please contact us via help@lucasross.co.uk.

OFFICE HOLDER'S FEES AND DISBURSEMENTS POLICY

Fees based on Time Properly Given and the Estimation of Fees

Each member of staff involved with the case will time charge on an individual basis. The hourly cost of each member of staff shall be calculated in accordance with their experience and resultant grade within the practice.

Recording of Fees

Time is formally recorded in prescribed categories in units of 6 minutes. All units of time properly spent working on the relevant insolvency appointment shall be recorded on a formal time management system and retained throughout appointment, irrespective of the basis of fees.

Charge Out Rates

Hourly charge out rates from 1 January 2022 are:

Charges for usual cases	Standard work (£)	Investigation work beyond 3 months (£)
Partner/Director/Consultant	395-500	474-600
Manager/Senior Manager	300-390	360-468
Assistant Manager	260-300	312-360
Administrator/Senior Administrator	175-240	210-288
Cashier	140	140
Junior and Support Staff	110-140	132-168

Hourly charge out rates for time spent under the category of investigations persisting beyond the first 3 months of an insolvency appointment shall be charged at a rate 20% higher than those shown above to reflect the speculative nature of the work being performed. This increase will not apply to work performed in relation to the categories of Admin and Planning, Creditors or Asset Realisations. The increase will also not apply to the cashier grade of staff as it is not envisaged the cashier grade would be utilised within the investigation work.

The basis upon which the Office Holder determines the appropriate charge out rate on the complexity of the case is detailed in the respective independent creditors' guides to fees, available to download from our company website or by email from this office.

The Office Holder reserves the right to uplift both the hourly rates and category 2 disbursements periodically without further recourse to the creditors. By law, such increases must be disclosed to creditors within each statutory report. Where such increases affect the total fees incurred and take these over the totality of any fee resolution proposed previously, an additional fee resolution will be sent to creditors for their consideration.

Support Staff

In an effort to minimise costs to the case, it is necessary to use support staff to undertake certain matters. Support staff time is charged in the same manner as technical staff on the rates outlined above.

VAT

Services provided by Insolvency practitioners are subject to VAT, except when acting as Nominee or Supervisor of an estate.

Our fees will be subject to VAT at the appropriate rate.

Where the case is not registered for VAT, VAT shall be shown as an irrecoverable expense of the estate.

Expenses

Every case dealt with will incur expenses in addition to fees.

Expenses are payments from the insolvent estate which are neither an office holder's remuneration nor a distribution to a creditor or member (as appropriate). Expenses include disbursements, which are payments first met by the office holder, and then reimbursed to the office holder from the estate.

Expenses are split into those that do not need approval before they are charged to the estate (category 1) and those that do (category 2):

- Category 1 expenses are payments to persons providing the service to which the expense relates who are not an associate of the office holder and may be paid without prior approval.
- Category 2 expenses are payments to associates or which have an element of shared costs. Before being paid, category 2 expenses require approval in the same manner as an office holder's remuneration. Category 2 expenses require approval whether paid directly from the estate or as a disbursement.

Category 1 can include, but not be limited to, insolvency bonds, statutory advertising, postage costs, company searches, land registry searches, post redirection, third party postal service, external room hire, public transport, subsistence and accommodation costs incurred by staff whilst attending to the administration of the estate, bank charges, Anti Money Laundering searches.

Category 2 can include, but not be limited to, mileage, storage of books and records where each estate is not separately invoiced but a per box charge is applied and the number of boxes for the case is known, any payments to a person/provider where a reasonable and informed third party would consider there to be an association.

Any authorised category 2 expenses which have been charged shall be shown in the statutory abstract of accounts.

Lucas Ross Limited currently charge mileage at 50 pence per mile.
