TO ALL MEMBERS, CREDITORS AND THE REGISTRAR OF COMPANIES

1 INTRODUCTION

- 1.1 David Moore and Lisa Ion were appointed Joint Liquidators of D P Logistics Solutions Ltd ("the Company") on 15 May 2020.
- 1.2 Mr Moore was licensed in the UK by the Institute of Chartered Accountants in England and Wales. Mr Moore is retiring from practice and has agreed to transfer the management of his insolvency caseload to other appropriate insolvency practitioners within Leonard Curtis. In accordance with Rules 12.36 and 12.37 of the Insolvency (England and Wales) Rules 2016 therefore, an application was made to Court for an Order to remove Mr Moore as Insolvency Practitioner on each of his cases and replace him with Mark Colman of Leonard Curtis. The Order was granted by the Court on 7 January 2022. Accordingly, Mr Moore ceased to act as Joint Liquidator of this case on 7 January 2022 and Mark Colman was appointed in his place.
- 1.3 Mark Colman and Lisa Ion are authorised to act as insolvency practitioners in the UK by the Institute of Chartered Accountants in England and Wales.
- 1.4 This report provides an update on the conduct of the Liquidation for the period from 15 May 2021 to 14 May 2022, as required by Section 104A(1) of the Insolvency Act 1986 (as amended) ("the Act") and Rule 18.3 of the Insolvency (England and Wales) Rules 2016 ("the Rules"). It contains details of the progress made, the expected outcome for creditors and other information that the Joint Liquidators are required to disclose and should be read in conjunction with the previous progress report dated 6 July 2021.
- 1.5 All figures are stated net of VAT, unless otherwise stated.

2 CONDUCT OF THE LIQUIDATION

- 2.1 The Company's registered office was changed to Leonard Curtis, 6th Floor, Walker House, Exchange Flags, Liverpool L2 3YL on 2 June 2020.
- 2.2 Please refer to Appendix C within this report for the work performed in the period.

Assets Realised

- 2.3 Creditors are advised to refer to the first progress report in respect of all prior asset realisations.

There have been no further assets realisations within the period of this Report.

Assets Still to be Realised

- 2.4 **Debtors: Non-Factored**

As previously advised, the Joint Liquidators have exhausted their efforts in pursuing payment from the outstanding book debts that were not subject to the factoring agreement with Hitachi Capital (UK) plc ("Hitachi"). The estimate to realise figure as per the directors estimated Statement of Affairs was shown as £10,078, however, the debts have only achieved realisation of £1,584 to date, all of which was received in the first period of the Liquidation.

The Joint Liquidators are collating all information received from the directors, which included copy invoices recently received from the directors and will be instructing a debt recovery agent to collect the outstanding book debts on behalf of the Joint Liquidators in the forthcoming period. The debt collection agent will be instructed on a 'no win, no fee' basis and fees, as this is an aged ledger, are generally agreed at 25% of any realisations.

The Joint Liquidators have continued to liaise with Hitachi as to whether there are any factored debts that have been unable to be collected and therefore to be reassigned to the Joint Liquidators. The Joint Liquidators are awaiting a formal response from Hitachi, however, any reassigned debtors will also be given to any debt recovery agent to pursue on the Joint Liquidators behalf on the above terms.

Insurance Refund

The directors estimated Statement of Affairs advised of a potential insurance refund with a book valuer of £1,000. The estimate to realise figure was shown as uncertain. The Joint Liquidators have requested full details of the potential insurance refund from the director; however, full details have not been provided.

Due to a lack on information, the Joint Liquidators have resolved that it would not be cost effective to pursue this matter any further and have closed their files on this matter. No realisations will be achieved.

Computer Equipment

As advised in the Statement of Affairs, due to the nominal value of the computer equipment the costs of uplifting the assets would outweigh any potential realisations. The equipment was therefore abandoned.

No further assets have come to light during the course of the Liquidation.

3 RECEIPTS AND PAYMENTS ACCOUNT

- 3.1 A summary of the Joint Liquidators' receipts and payments for the entire period of the Liquidation, including the period from 15 May 2021 to 14 May 2022, is attached at Appendix A.

4 OUTCOME FOR CREDITORS

Secured Creditors

- 4.1 The Company had a debtor ledger subject to a factoring agreement with Hitachi Capital (UK) Plc ("Hitachi"). Hitachi, as per the Statement of Affairs were anticipated to be paid in full on the facility. The Joint Liquidators have liaised with Hitachi throughout the Liquidation regarding the factored debts to determine whether Hitachi will be paid in full from the facility and also if there will be any reassigned debts for the Joint Liquidators to pursue.

A formal response/update on both matters above has yet to be received. The Joint Liquidators will continue to liaise with Hitachi in the forthcoming period and if debts are reassigned, the debts will be handed over to the debt recovery agent as detailed in section 2 above.

Should Hitachi have a shortfall on the agreement, there will be no funds available to pay a dividend to Hitachi from the Liquidation estate, however, it is understood the directors have personally guaranteed any shortfall due to Hitachi on the agreement.

Preferential Creditors

- 4.2 As at the date of Liquidation, there were 7 preferential creditors, with estimated claims totalling £1,256.
- 4.3 Details of any preferential claims are yet to be received from the Redundancy Payments Office, however, the funds realised, including any future realisations from the outstanding book debts have already been distributed or used or allocated for paying the expenses of the Liquidation. As a result, there will be no dividend to any preferential creditors.

Secondary Preferential Creditors

- 4.4 With respect to insolvencies commencing on or after 1 December 2020, HMRC rank ahead of floating charge holders and unsecured creditors in respect of certain unpaid taxes that the relevant company collects on behalf of HMRC. These taxes are known as Priority Taxes and include:
- VAT;
 - PAYE (including student loan repayments);
 - Construction Industry Scheme deductions; and
 - Employees' NI contributions.
- 4.5 As the date of liquidation is prior to 1 December 2020, the secondary preferential creditors status does not apply.

Prescribed Part

- 4.6 After the Joint Liquidators remuneration and disbursements have been drawn in full from any further asset realisations, it is not anticipated that surplus funds will be available to issue a dividend to the floating charge creditor and as such the Prescribed Part will not apply in this matter.

Ordinary Unsecured Creditors

- 4.7 As at the date of Liquidation, the ordinary unsecured creditors (excluding any employee claims for redundancy or compensatory notice pay), had estimated claims totalling £183,413.
- 4.8 The funds realised, including any future realisations from the outstanding book debts have already been distributed or used or allocated for paying the expenses of the Liquidation. As a result, there will be no dividend to any unsecured creditors.

5 INVESTIGATIONS

- 5.1 As previously reported, following the initial assessment, no detailed investigations were considered to be required by the Joint Liquidators. Nothing further has been brought to the attention of the Joint Liquidators during the period of this report.

6 JOINT LIQUIDATORS' REMUNERATION, EXPENSES AND DISBURSEMENTS, AND CREDITORS' RIGHTS

Remuneration

- 6.1 A fee of £6,000 plus VAT and disbursements in respect of the preparation of the statement of affairs was approved by creditors on 15 May 2020. £3,950 plus VAT and disbursements of £309.60 has been drawn to date which includes the sum of £950 plus VAT paid to Matthews Sutton & Co in the first period of the Liquidation for their assistance in preparing the statement of affairs. In the period of this report, the sum of £600 plus VAT has been drawn.
- 6.2 On 29 June 2020, creditors resolved by way of business by correspondence that the Joint Liquidators' remuneration be payable by reference to time properly given by them and their staff in attending to matters arising in the Liquidation as set out in the fees estimate dated 3 June 2020 (for an amount totalling £48,805.00). The Joint Liquidators' time costs from 15 May 2021 to 14 May 2022 are £2,807.50, which represents 7.4 hours at an average hourly rate of £379.39. Attached at Appendix B is a time analysis which provides details of the activity costs incurred by staff grade during the period from 15 May 2021 to 14 May 2022, together with a detailed description of work undertaken attributable to each category of time costs and an explanation of why it was necessary for that work to be performed. Total time costs from the commencement of the Liquidation amount to £42,393.00 which represents 186.8 hours at an average hourly rate of £226.94.

6.3 At Appendix C is a comparison of categorised time costs incurred and the estimated time costs as per the original fees estimate. The areas where significant variance has occurred are in respect of Investigations. The Joint Liquidators have incurred significantly more time in dealing with their statutory investigations, which includes a review and analysis of the Company's bank statements over a 2-year period, which had a significant number of transactions. Time has been incurred by a higher grade of staff in dealing with the statutory investigations.

6.4 To date, there have been insufficient realisations in the Liquidation with which to pay the Joint Liquidators' remuneration.

Expenses

6.5 A comparison of the Joint Liquidators' expenses from 15 May 2020 to 14 May 2022 and the Joint Liquidators' statement of likely expenses is attached at Appendix D. To assist creditors' understanding of this information, it has been separated into the following two categories:

- *Standard Expenses*: this category includes expenses payable by virtue of the nature of the liquidation process and / or payable in order to comply with legal or regulatory requirements.
- *Case Specific Expenses*: this category includes expenses likely to be payable by the Joint Liquidators in carrying out their duties in dealing with issues arising in this particular Liquidation. Included within this category are costs that are directly referable to the Liquidation but are not paid to an independent third party (and which may include an element of allocated costs). These are known as 'category 2 expenses' and they may not be drawn without creditor approval.

With effect from 1 April 2021, the Joint Liquidators are also required to disclose to those responsible for approving our remuneration whether any payments we intend to make from an insolvency estate are to associates of Leonard Curtis. Payments to associates are subject to the same level of approval as the office holder's fees and category 2 expenses. Further details are included at Appendix D and E.

6.6 On 29 June 2020, creditors resolved that the Joint Liquidators be authorised to discharge category 2 expenses.

6.7 You will note that, in general, the nature and value of expenses incurred to date fall within those anticipated within the original statement of expenses.

6.8 Attached at Appendix E is additional information in relation to the firm's policy on staffing, the use of subcontractors, disbursements and details of current charge-out rates by staff grade. Please be aware that the firm's charge out rates have been amended with effect from 1 March 2021.

6.9 Since our last report, no additional professional advisors and / or subcontractors have been instructed.

Creditors' Rights

6.10 Under Rule 18.9 of the Rules, within 21 days of receipt of this report, a secured creditor, or an unsecured creditor with either the concurrence of at least five per cent in value of the unsecured creditors (including the creditor in question), or with the permission of the court, may request in writing that the Joint Liquidators provide further information about their remuneration or expenses, which have been itemised in this report.

6.11 Under Rule 18.34 of the Rules, any secured creditor, or any unsecured creditor with either the concurrence of at least 10 per cent in value of the unsecured creditors (including that creditor) or the permission of the court, may within eight weeks of receipt of the progress report that first reports the fee basis, the charging of the remuneration or the incurring of the expenses in question, make an application to court on the grounds that, in all the circumstances, the basis fixed for the Joint Liquidators' remuneration is inappropriate and/or the remuneration charged or the expenses incurred by the Joint Liquidators, as set out in the progress report, are excessive.

- 6.12 Unless the court orders otherwise, the costs of the application shall be paid by the applicant and are not payable as an expense of the Liquidation.

7 MATTERS STILL TO BE DEALT WITH

- 7.1 Matters still to be dealt with before conclusion of the Liquidation include the following:

- The realisation of the remaining assets, as detailed in section 2;
- The unpaid remuneration and expenses will need to be paid.
- Once both matters above have been concluded, the Joint Liquidators will look to review their files with the intention of concluding the Liquidation and issuing a final report to creditors in due course.

**DETAILED NARRATIVE OF WORK PERFORMED BY THE JOINT LIQUIDATORS AND THEIR STAFF IN THE
PERIOD 15 MAY 2021 TO 14 MAY 2022**

Statutory and Review

This category of activity encompasses work undertaken for both statutory and case-management purposes. Whilst this work will not directly result in any monetary value for creditors, it will ensure that the case is managed efficiently and resourced appropriately, which will be of benefit to all creditors. The work to be carried out under this category will comprise the following:

- Case-management reviews. These will be carried out periodically throughout the life of the case. A month one review is undertaken by the firm's compliance team to ensure that all statutory and best practice matters have been dealt with appropriately. As the case progresses, further six monthly reviews are undertaken to ensure that the case is progressing as planned.

Receipts and Payments

This category of work will not result in a direct financial benefit for creditors; however, close monitoring of case bank accounts is essential to ensure that bank interest is maximised where possible, estate expenses are properly managed and kept to a minimum and amounts payable to creditors are identified and distributed promptly.

- Preparation of periodic receipts and payments accounts for inclusion in statutory reports.
- Timely completion of all post-appointment tax and VAT returns.
- Managing estate expenses.

Insurance, Bonding and Pensions

Insolvency Practitioners are obliged to comply with certain statutory requirements when conducting their cases. Some of these requirements are in place to protect Company assets (see insurance and bonding matters below), whilst requirements in respect of Company pension schemes are there to protect the pension funds of Company employees. Whilst there is no direct financial benefit to Company creditors in dealing with these, close control of case expenditure is crucial to delivering maximum returns to the appropriate class of creditor.

- Periodic review of insurance requirements over physical assets, to minimise costs to the estate.

Assets

The work set out in this category may bring a financial benefit for creditors. This may be a distribution to secured creditors of the Company only (from which a Prescribed Part fund may be set aside for the benefit of unsecured creditors) or may, depending on realisations, costs and the extent of any 3rd party security, result in a distribution to the preferential and / or unsecured creditors.

- Identification and return of third-party assets, if any. In the period the Joint Liquidators have liaised with a third party regarding the location of a trailer owned by the Company. The Joint Liquidators have also liaised with the director who advised that the trailer was returned to the third party.

Liabilities

This category of time includes both statutory and non-statutory matters and will not necessarily bring any financial benefit to creditors generally. The more employees and creditors a company has, the more time and cost is involved in dealing with those claims.

Statutory

- Preparation and submission of periodic progress reports to creditors.

General Administration

This category of work does not result in a direct financial benefit for creditors; however it is necessary for these tasks to be completed in order to ensure the smooth and efficient progression of the liquidation:

- Dealing with general correspondence and communicating with directors and shareholders.

LEONARD CURTIS POLICY REGARDING FEES, EXPENSES AND DISBURSEMENTS

The following Leonard Curtis policy information is considered to be relevant to creditors:

Staff Allocation and Charge Out Rates

We take an objective and practical approach to each assignment which includes active director involvement from the outset. Other members of staff will be assigned on the basis of experience and specific skills to match the needs of the case. Time spent by secretarial and other support staff on specific case related matters, e.g. report despatching, is not charged.

Where it has been agreed by the appropriate body of creditors that the office holders' remuneration will be calculated by reference to the time properly given by the office holders and their staff in attending to matters as set out in a fees estimate, then such remuneration will be calculated in units of 6 minutes at the standard hourly rates given below. In cases of exceptional complexity or risk, the insolvency practitioner reserves the right to request and obtain authority from the appropriate body of creditors that their remuneration on such time shall be charged at the higher complex rates given below.

The following hourly charge out rates apply to all assignments undertaken by Leonard Curtis:

	6 Jan 2014 onwards		1 Aug 2019 onwards		1 March 2021 onwards	
	Standard	Complex	Standard	Complex	Standard	Complex
	£	£	£	£	£	£

Administrator 4	150	187	165	206	175	219
Support	0	0	0	0	0	0

In respect of assignments pre-dating 1 March 2022, office holders' remuneration may include costs incurred by the firm's in-house legal team, which may be used for non-contentious matters pertaining to the insolvency appointment.

Use of Associates

We are required to disclose to those responsible for approving our remuneration whether any payments we intend to make from an insolvency estate are to Associates of Leonard Curtis (LC). The term "Associate" is defined in s435 of the Insolvency Act 1986, but we are also required to consider the substance or likely perception of any association between the appointed insolvency practitioner, their firm (LC) or an individual within the firm and the recipient of a payment. Payments to Associates are subject to the same level of approval as the office holder's fees and category 2 expenses (see table on the next page for further details).

Leonard Curtis Legal Limited (LC Legal) are part of the LCBSG group; as such they are an "Associate" of LC. Where LC Legal are instructed to assist an office-holder in a particular matter from 1 March 2022 onwards, details of their proposed costs will be provided to creditors and specific approval for payments to associates will be sought.

Additionally, whilst not meeting the legal definition of "Associate" we are aware that there is a perceived association between LC and Pelstar Limited. Pelstar Limited provides insolvency case management software and document hosting facilities to LC. LC employs an individual who is married to a director of Pelstar Limited. Pelstar Limited's costs are set out in the expenses tables below.

Use of Professional Advisors

Details of any professional advisor(s) used will be given in reports to creditors. Unless otherwise indicated the fee arrangement for each is based on hourly charge out rates, which are reviewed on a regular basis, together with the recovery of relevant disbursements.

The choice of professional advisors is based around a number of factors including, but not restricted to, their expertise in a particular field, the complexity or otherwise of the assignment and their geographic location.

Use of Subcontractors

Where we subcontract out work that could otherwise be carried out by the office holder or his/her staff, this will be drawn to the attention of creditors in any report which incorporates a request for approval of the basis upon which remuneration may be charged. An explanation of why the work has been subcontracted out will also be provided.

Categorisation of Expenses

We are required to provide creditors with an estimate of the expenses we expect to be incurred in respect of an assignment and report back to them on actual expenses incurred and paid in our periodic progress reports. There are two broad categories of expenses: standard expenses and case specific expenses. These are explained in more detail below:
