The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

Turnover

Turnover represents net invoiced sales of services, excluding value added tax, except in respect of service contracts where turnover is recognised when the company obtains the right to consideration.

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Plant and machinery	- 33% on cost

Deferred tax

Deferred taxation has not been provided in these accounts as, in the opinion of the directors, there is reasonable probability that the liability will not arise in the foreseeable future.
