**ABBREVIATED BALANCE SHEET - continued**  
**29 February 2016**

The abbreviated accounts have been prepared in accordance with the special provisions of Part 15 of the Companies Act 2006 relating to small companies.

A Giaziri - Director

The notes form part of these abbreviated accounts

**NOTES TO THE ABBREVIATED ACCOUNTS  
for the Year Ended 29 February 2016**

**1. ACCOUNTING POLICIES**

**Accounting convention**

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2015).

**Turnover**

Turnover represents net invoiced sales of services.

**Goodwill**

Goodwill, being the amount paid in connection with the acquisition of a business in 2013, is being amortised evenly over its estimated useful life of ten years.

**Tangible fixed assets**

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Plant and machinery etc                      - 15% on reducing balance

No depreciation is provided on freehold properties. It is the company's practice to maintain these assets in a continual state of sound repair and to extend and make improvements from time to time. Accordingly the director considers that the residual values (based on prices prevailing at the time of acquisition) are so high, that their depreciation is insignificant. Any permanent diminution in the value of such properties is charged to the profit and loss account as appropriate.

The effect of this treatment on the profit and loss account is detailed in the fixed asset note.

**Stocks**

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

**Deferred tax**

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

**Hire purchase and leasing commitments**

Rentals paid under operating leases are charged to the profit and loss account on a straight line basis over the period of the lease.

**Going concern**

The director has assessed whether the company is a going concern and has considered all available information about the future and is confident of the company's ability to continue as a going concern.
