CENTURION MINING LIMITED

STATEMENT OF DIRECTORS' RESPONSIBILITIES

The Director is responsible for preparing the Annual Report and the Financial Statements in accordance with applicable law and regulations.

Company law requires the Director to prepare Financial Statements for each financial year. Under that law the Director has elected to prepare the Company Financial Statements in accordance with International Financial Reporting Standards (IFRSs) as adopted by the European Union. Under company law the Director must not approve the Financial Statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company as at the end of the financial year, and of the profit or loss of the Company for that period. In preparing these Financial Statements, the Director is required to:

- select suitable accounting policies and then apply them consistently; and
- make judgments and accounting estimates that are reasonable and prudent.

The Director is responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company, and enable them to ensure that the Financial Statements comply with the requirements of the Companies Act 2006. They are also responsible for safeguarding the assets of the Company, and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

CENTURION MINING LIMITED

NOTES TO THE FINANCIAL STATEMENTS

For the year ended 30 June 2020

1. General information

The principal activity of Centurion Mining Limited ('the Company') is that of a holding company.

The address of its registered office is Second Floor, 7-9 Swallow Street, London, W1B 4DE.

2. Summary of Significant Accounting Policies

The principal Accounting Policies applied in the preparation of these Financial Statements are set out below. These Policies have been consistently applied to all the periods presented, unless otherwise stated.

2.1. Basis of Preparation of Financial Statements

The Financial Statements have been prepared in accordance with EU-endorsed International Financial Reporting Standards (IFRSs) and International Financial Reporting Interpretations Committee (IFRIC) interpretations and the parts of the Companies Act 2006 applicable to companies reporting under IFRS. The Financial Statements have also been prepared under the historical cost convention, as modified by the revaluation of available-for-sale financial assets.

The Financial Statements are presented in Pounds Sterling rounded to the nearest pound.

The preparation of the Financial Statements in conformity with IFRSs requires the use of certain critical accounting estimates. It also requires management to exercise its judgement in the process of applying the Company's Accounting Policies. The areas involving a higher degree of judgement or complexity, or areas where assumptions and estimates are significant to the Financial Statements are disclosed in Note 4.

2.2. Changes in Accounting Policy and Disclosures

(a) New and amended standards mandatory for the first time for the financial periods beginning on or after 1 July 2019

A number of new standards and amendments to standards and interpretations are effective for the financial year beginning on or after 1 July 2019 and have been applied in preparing these Financial Statements.

Amendments to IFRS 3 (Business Combinations – Definition of a business), various (Amendments to conceptual framework), and Amendments IAS 1 & IAS8 (Definition of material). Effective 1 January 2020.

The adoption of these standards had no impact on the financial statements other than changes to disclosures.

(b) New standards, amendments and Interpretations in issue but not yet effective or not yet endorsed and not early adopted

The standards and interpretations that are issued, but not yet effective, up to the date of issuance of the Financial Statements are listed below. The Company intends to adopt these standards, if applicable, when they become effective.

CENTURION MINING LIMITED

NOTES TO THE FINANCIAL STATEMENTS

For the year ended 30 June 2020

Standard	Impact on initial application	Effective date
IFRS 17	Insurance contracts	*1 January 2021
IAS 1	Classification of Liabilities as Current or Non-Current.	1 January 2022

*Not yet endorsed by the EU.

The Company is evaluating the impact of the new and amended standards above. The Director believes that these new and amended standards are not expected to have a material impact on the Company's results or shareholders' funds.

2.3. Going Concern

The Financial Statements have been prepared on a going concern basis. Although the Company's assets are not generating revenues no operating loss has been reported as there was no expenditure.

The Company is dependent upon the ultimate controlling party for financial support and the Director has a reasonable expectation that this support will be forthcoming to continue in operational existence for the foreseeable future. Thus, he continues to adopt the going concern basis of accounting in preparing the annual Financial Statements.

2.4. Foreign Currencies

Functional and presentation currency

Items included in the Financial Statements of the Company are measured using the currency of the primary economic environment in which the entity operates (the 'functional currency'). The Financial Statements are presented in Pounds Sterling, rounded to the nearest pound, which is the Company's presentation and functional currency.

2.5. Share Capital

Ordinary shares are classified as equity. Incremental costs directly attributable to the issue of new shares or options are shown in equity as a deduction, net of tax, from the proceeds.

3. Financial Risk Management

The Company is not exposed to financial or capital risks as these are assumed by the ultimate controlling entity.

4. Critical Accounting Estimates and Judgements

The preparation of the Financial Statements in conformity with IFRSs requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amount of expenses during the year. Actual results may vary from the estimates used to produce these Financial Statements.

CENTURION MINING LIMITED

NOTES TO THE FINANCIAL STATEMENTS For the year ended 30 June 2020
