# **Harribow Solutions Limited Notes to the Abbreviated Accounts** for the year ended 31 March 2014

## **Accounting policies**

## Basis of preparation

The accounts have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

### **Turnover**

Turnover represents the value, net of value added tax and discounts, of goods provided to customers and work carried out in respect of services provided to customers.

## Depreciation

Depreciation has been provided at the following rates in order to write off the assets over their estimated useful lives.

20% straight line Plant and machinery Motor vehicles 25% straight line

#### Stocks

Stock is valued at the lower of cost and net realisable value.

## Leasing and hire purchase commitments

Assets held under finance leases and hire purchase contracts, which are those where substantially all the risks and rewards of ownership of the asset have passed to the company, are capitalised in the balance sheet and depreciated over their useful lives. The corresponding lease or hire purchase obligation is treated in the balance sheet as a liability.

The interest element of the rental obligations is charged to the profit and loss account over the period of the lease and represents a constant proportion of the balance of capital repayments outstanding.

Rentals paid under operating leases are charged to income on a straight line basis over the lease term.
