1. Progress of the liquidation

Further to my appointment as Joint Liquidators on 15 July 2019, I report on the progress of the Liquidation for the period 15 July 2021 to 14 July 2022 ("the Period") in accordance with the Insolvency Rules.

Receipts and payments account

Attached at Appendix B is a receipts and payments account detailing both transactions for the Period and also cumulatively since our appointment as Liquidators.

Payments made from the estate are fair and reasonable and proportionate to the insolvency appointment and are directly attributable to this insolvency. No payments have been made to associates of the Liquidator without the prior approval of creditors as required by SIP9.

Work undertaken during the Period and work yet to be completed

We attach at Appendix C a schedule of work undertaken during the Period together with a summary of work still to be completed.

Highlights include:

- Recovering a sundry refund in the sum of £66.
- Paying a dividend of 100p in the £ to the preferential creditors. A total of £20,737 was paid.
- Adjudicating the unsecured claims and paying a distribution to that class of creditor in due course.
- Dealing with all statutory matters as and when they fall due.

I can confirm that no work has been subcontracted to third parties.

Investigations

Part of our duties include carrying out proportionate investigations into what assets the Company has, including any potential claims that could be brought by the Company or by us in our capacity as Liquidators against any party which could result in a benefit to the estate. We have reviewed the Company's books and records and accounting information, requested further information from the directors, and invited creditors to provide information on any concerns they have concerning the way in which the Company's business has been conducted.

Further details of the conduct of our investigations are set out in the schedule of work attached. We can confirm that no further investigations or actions are required.

2. Estimated outcome for the creditors

The estimated outcome for creditors was included in correspondence previously circulated by us.

As there is no floating charge the prescribed part does not apply in this instance.

Outcome for secured creditors

There are no known secured creditors.

Preferential Creditors

The following preferential creditors’ claims have been received.

Employees	£17,778.79
The Redundancy Payments Service	£8,830.75
Pension scheme	£NIL

Claims received have been agreed and the claims of all preferential creditors were paid in full on 13 May 2022. The balance of tax and NI due to HMRC, totalling £5,872.53 will be paid in due course.

Unsecured creditors

We have received claims totalling £3,123,336 from unsecured creditors in these proceedings.

We are in the process of adjudicating the unsecured creditor claims and will look to pay a dividend shortly. At this stage, we are unable to provide an estimate of the proposed pence in the £ due to the

The Prescribed Part

In accordance with the Insolvency Act 1986, the prescribed part is an element of net realisations due to the floating charge holder which is made available for unsecured creditors (subject to the floating charge post-dating 15 September 2003).

3. Liquidators' remuneration, disbursements and expenses

FRP

Liquidators' remuneration

As advised in previous correspondence, the creditors passed a resolution that the Liquidators' remuneration should be calculated on a fixed fee basis of £30,000 plus 25% of realisations. To date, we have drawn the following:-

£30,000 plus VAT against the fixed fee resolution.

£30,000 against the 25% of realisations resolution.

No fees have been drawn in this reporting period.

Liquidators' disbursements and expenses

The Liquidators' disbursements are a recharge of actual costs incurred by them in dealing with this matter. Mileage payments made for expenses relating to the use of private vehicles for business travel, which is directly attributable to the insolvency estate, are paid by FRP Advisory Trading Limited at the HMRC approved mileage rate prevailing at the time the mileage was incurred. Details of disbursements incurred during the Period are set out in Appendix D.

Expenses of the liquidation

An estimate of the Liquidators' expenses was set out in the information previously circulated to creditors. We attach at Appendix E a statement of expenses that have been incurred during the Period. It is currently expected that the expenses incurred or anticipated to be incurred are not likely to exceed the details provided prior to the determination of the basis of the Liquidators' remuneration, other than the following:-

Storage Costs

As previously advised, our initial estimate for storage costs was exceeded due to the larger quantity of records recovered than what was initially expected. A further estimate of £1,000 to £1,500 was suggested in our previous reports and I can confirm that costs totalling £96.83 have been incurred during the Period.

Land Registry

During the Period, costs equating to £6 were incurred in respect of searches undertaken at Land Registry to identify whether the Company was party to various leases. We do not anticipate there to be any additional costs in this respect.

When instructing third parties to provide specialist advice and services, or having the specialist services provided by the firm, the Joint Liquidator is obligated to ensure that such advice or work is warranted and that the advice or work contracted reflects the best value and service for the work being undertaken. This is reviewed by the Joint Liquidator periodically throughout the duration of the assignment. The specialists chosen may regularly be used by the Joint Liquidator and usually have knowledge specific to the insolvency industry and, where relevant, to matters specific to this insolvency appointment.

Creditors have a right to request further information from the Liquidators and further have a right to challenge the Liquidators' remuneration and other expenses, which are first disclosed in this report, under the Insolvency (England and Wales) Rules. (For ease of reference these are the expenses incurred in the Period as set out in Appendix E only). Further details of these rights can be found in the Creditors' Guide to Fees which you can access using the following link <https://creditors.frpadvisor.com/info.aspx> and select the one for liquidation. Alternatively, a hard copy of the relevant guide will be sent to you on request. Please note there is a time limit for requesting information being 21 days following the receipt of this progress report. There is a time limit of 8 weeks following the receipt of this report for a Court application that the remuneration or expenses are excessive.

APPENDIX C

SCHEDULE OF WORK

The table below sets out a detailed summary of the work undertaken by the office holders to date, together with an outline of work still to complete.

Where work undertaken results in the realisation of funds (from the sale of assets or recoveries from successful actions taken against third parties), there may be a financial benefit to creditors should there be sufficient funds available to make a distribution to one or more class of creditor. In this case, work undertaken will include the scrutiny and agreement of creditor claims.

A proportion of the work undertaken by an Insolvency Practitioner is required by statute, including ensuring the appointment is valid, notifications of the appointment to third parties, regular reporting on the progress, notifying statutory bodies where required in relation to the conduct of the director, complying with relevant legislation and regulatory matters. This may not have a direct financial benefit to creditors but is substantially there to protect creditors and other stakeholders and ensuring they are kept informed of developments.

GENERAL ASSUMPTIONS IN COMPILING THIS SCHEDULE OF WORK
• The records received are complete and up to date. • There are no matters to investigate or pursue and no financial irregularities are identified. • A creditors committee is not established. • There are no exceptional queries from stakeholders. • Full co-operation of the director and other relevant parties is received as required by legislation. • There are no health and safety or environmental issues to be dealt with. • No other assets are found. • A distribution will be made to preferential/unsecured creditors, as applicable. • The case will be closed within twelve months.
