3 **GRANT OF SECURITY**

3.1 **Legal mortgage**

The Company hereby charges to the Chargees by way of first legal mortgage all Real Property in which the Company holds an interest.

3.2 **Fixed charges**

The Company hereby charges to the Chargees by way of first fixed charge the following assets (wherever located) now or in the future vested in or belonging to the Company or in which it from time to time has an interest:

- 3.2.1 all other Real Property not effectively mortgaged or charged by Clause 3.1, together with all licences to enter upon or use such land and the proceeds of sale of all Real Property;

3.3 **Floating charge**

The Company hereby charges to the Chargees by way of floating charge:

- 3.3.1 all the present and future undertaking, property, assets and rights of the Company (wherever located) not otherwise effectively mortgaged, charged or assigned pursuant to Clauses 3.1 and 3.2 above and Clause 3.4 below; and
- 3.3.2 all its assets situated in Scotland.

3.4 **Security assignments**

The Company hereby assigns to the Chargees by way of security all of its present and future right, title and interest in and to all insurance policies held by or in favour of the Company or in which the Company has an interest and all claims under and proceeds payable to the Company in respect of such insurance policies.

3.5 **Nature of security**

All security created pursuant to this Debenture is created in favour of the Chargees jointly with full title guarantee (in accordance with the Law of Property (Miscellaneous Provisions) Act 1994) as continuing security for the payment of the Secured Obligations.

4 **CONVERSION OF FLOATING CHARGE**

4.1 **Automatic conversion**

Notwithstanding anything express or implied in this Debenture (save as set out under Clause 4.3 below), and without prejudice to any law which may have similar effect, if:

- 4.1.1 the Company creates or attempts to create any Security (other than any Permitted Security) or any trust in favour of another person over any Floating Charge Asset;
- 4.1.2 the Company disposes or attempts to dispose of any Floating Charge Asset other than in the ordinary course of its trading; or
- 4.1.3 a receiver is appointed over all or any of the Floating Charge Assets or an administrator is appointed in respect of the Company or the Chargees receive notice of an intention to appoint such an administrator,

the floating charge created by this Debenture will automatically and immediately (without notice) be converted into a fixed charge over all the Floating Charge Assets or, in the case of Clauses 4.1.1 and 4.1.2, over the relevant Floating Charge Asset.

4.2 **Assets acquired after floating charge conversion**

Any asset acquired by the Company after any conversion into a fixed charge of the floating charge created under this Debenture which, but for such conversion, would be subject to a floating charge, shall be charged to the Chargees by way of first fixed charge.

4.3 **Moratorium**

Unless section A52(4) Insolvency Act 1986 allows, the floating charge created by this Debenture may not be converted into a fixed charge solely by reason of:

- 4.3.1 the obtaining of a moratorium; or
- 4.3.2 anything done with a view to obtaining a moratorium (including any preliminary decision or investigation),
- 4.3.3 under Part A1 Insolvency Act 1986.

5 **REPRESENTATIONS AND WARRANTIES**

The Company represents and warrants to the Chargees on the date of this Debenture as follows:

5.1 **Ownership of Charged Assets**

The Company is the sole legal and beneficial owner of all of the Charged Assets except as permitted under the terms of the Intercreditor Deed (or any other document referred to therein).

5.2 **No Security**

The Charged Assets are not subject to any Security other than Permitted Security.

5.3 **Avoidance of security**

No Security expressed to be created pursuant to this Debenture is liable to be avoided or otherwise set aside on the liquidation or administration of the Company or otherwise.

6 **COVENANTS**

6.1 **Negative Pledge**

The Company shall not except for any Permitted Security, or as permitted by the Intercreditor Deed (or any document referred to therein) or with the prior consent of the Chargees:

- 6.1.1 create or purport to create or permit to subsist any Security on or in relation to the Charged Assets;
- 6.1.2 (other than any Floating Charge Assets in the ordinary course of its trading) enter into a single transaction or a series of transactions (whether related or not) and whether voluntary or involuntary to sell, lease, transfer, surrender or otherwise

dispose of or cease to exercise control of all, or part of any interest in any Charged Assets; or

6.1.3 create or grant any interest in the Charged Assets in favour of a third party.

6.2 **Protection of Charged Assets**

6.2.1 The Company shall not without the prior written consent of the Chargees or except as permitted under the terms of the Intercreditor Deed:

- (a) do, or permit to be done, any act or thing which would or might depreciate, jeopardise or otherwise prejudice the security held by the Chargees or materially diminish the value of any of the Charged Assets or the effectiveness of the security created by this Debenture; or
- (b) enter into any onerous or restrictive obligations affecting the whole or any part of the Charged Assets or create or permit to arise any overriding interest, easement or right in or over the whole or any part of any Real Property which, in each case, would jeopardise or otherwise materially prejudice the security held by the Chargees or materially diminish the value of any of the Charged Assets or the effectiveness of the security created by this Debenture.

6.2.2 The Company shall comply in all material respects with all obligations under any law, regulation, order or instrument at any time applicable to the Charged Assets if failure to so comply would jeopardise or otherwise materially prejudice the security held by the Chargees or materially diminish the value of any of the Charged Assets or the effectiveness of the security created by this Debenture.

7 **POWER TO REMEDY**

If the Company fails to perform any of its obligations under this Debenture, the Chargees may (without the prejudice to any of its other rights under this Debenture) take any such action as it may deem appropriate to remedy such failure (including taking out or renewing insurance or effecting repairs) and may recover the expenses so incurred from the Company on demand, and the exercise of such rights by the Chargees shall not render it liable as mortgagee in possession. The Company irrevocably authorises the Chargees to do all such things (including entering the Real Property) as are necessary or desirable for that purpose.

8 **POWERS OF THE CHARGEES AND ENFORCEMENT**

8.1 **Enforcement**

8.1.1 This Debenture shall become immediately enforceable if the Buyer fails in making payment when due of any of the Secured Obligations under and in accordance with the terms of the Share Purchase Agreement.

8.1.2 When this Debenture is enforceable, the power of sale and other powers conferred by section 101 of the LPA will be immediately exercisable without the restrictions contained in the LPA as to the giving of notice or otherwise with respect to the whole or any part of the Charged Assets. After the security constituted by this Debenture has become enforceable, the Chargees may (in their absolute discretion) enforce all or any part of the security in any manner it sees fit.

8.2 Secured Obligations deemed due

For the purposes of all powers implied by statute, the Secured Obligations will be deemed to have become due and payable on the date of this Debenture, and sections 93, 103 and 109 of the LPA shall not apply.

8.3 Statutory powers

The statutory powers of leasing conferred on the Chargees will be extended so as to authorise the Chargees to lease, make agreements for leases, accept surrenders of leases, vary or reduce sums payable under leases and grant options as the Chargees may think fit and without the need to comply with sections 99 and 100 of the LPA.

8.4 Prior Security

At any time after the security constituted by this Debenture has become enforceable, or after any powers conferred by any Security having priority to this Debenture shall have become exercisable, the Chargees may:

8.4.1 redeem any prior Security, or procure its transfer to itself; and

8.4.2 settle any account of the holder of any prior Security.

The settlement of any such account shall be conclusive and binding on the Company. All principal, interest, costs, charges and expenses of and incidental to any such redemption and/or transfer shall be paid by the Company to the Chargees on demand.

8.5 Right of appropriation

To the extent that any of the Charged Assets constitute "financial collateral", and this Debenture and the obligations of the Company hereunder constitute a "security financial collateral arrangement" (in each case as defined in the Financial Collateral Arrangements (No. 2) Regulations 2003 (SI 2003 No. 3226)), the Chargees and any Receiver or Delegate shall have the right, at any time after the security constituted by this Debenture has become enforceable, to appropriate all or any of those Charged Assets in or towards the payment and/or discharge of the Secured Obligations in such order as the Chargees or any Receiver or Delegate in its absolute discretion may from time to time determine. The value of any Charged Assets appropriated in accordance with this Clause shall be the price of those Charged Assets at the time the right of appropriation is exercised as listed on any recognised market index, or determined by such other method as the Chargees or any Receiver or Delegate may reasonably select. The Company agrees that the methods of valuation provided for in this Clause are commercially reasonable.

9 ADMINISTRATOR, RECEIVER, LIABILITY**9.1 Appointment of administrator**

At any time after the security created pursuant to this Debenture has become enforceable, the Chargees shall be entitled to appoint an administrator under paragraph 14 of Schedule B1 to the Insolvency Act 1986.

9.2 Qualifying floating charge

Paragraph 14 of Schedule B1 to the Insolvency Act 1986 applies to any floating charge created by or pursuant to this Debenture (and each such floating charge is a qualifying floating charge for the purposes of the Insolvency Act 1986).

9.3 Powers of the Chargees

At any time after the security created pursuant to this Debenture has become enforceable or at the request of the Company, the Chargees may:

- 9.3.1 appoint any person or persons to be a receiver or an administrative receiver (if permissible) or a receiver and manager or receivers and managers of all or any part of the Charged Assets and/or of the income of the Charged Assets ("**Receiver**"); and
- 9.3.2 exercise any of the powers conferred on mortgagees by the LPA (as amended or extended by this Debenture) and/or any of the powers that are conferred by this Debenture on a Receiver (in each case without first appointing a Receiver or notwithstanding the appointment of any Receiver),

and for these purposes the Company authorises the Chargees to opt to charge VAT under schedule 10 paragraph 2(1) of the VAT Act on behalf of the Company in respect of the Real Property.

9.4 **Remuneration of Receiver/agent of Company**

- 9.4.1 The Chargees may from time to time determine the remuneration of the Receiver and may remove the Receiver and appoint another in his place. If at any time there is more than one Receiver of all or any part of the Charged Assets or the income of the Charged Assets, each Receiver shall have the power to act individually.
- 9.4.2 Any Receiver shall be the Company's agent and the Company alone shall be responsible for his acts and omissions and for his remuneration.
- 9.4.3 Any exercise of powers by a Receiver may be on behalf of the Company, the directors of the Company or the Receiver.

9.5 **Powers of Receiver**

Any Receiver appointed by the Chargees shall have the powers set out in the LPA and in Schedule 1 to the Insolvency Act 1986, the powers which are conferred on the Chargees under this Debenture, all powers conferred by any other law conferring powers on receivers, and the power to do each of the following matters:

- 9.5.1 to take possession of, collect and get in all or any part of the Charged Assets and/or the income thereon and for that purpose to take any proceedings in the Company's name or otherwise as he shall think fit;
- 9.5.2 to carry on or concur in carrying on the Company's business and manage the Charged Assets;
- 9.5.3 to borrow and raise money and to redeem any existing Security on the security of all or any part of the Charged Assets;
- 9.5.4 to sell, let and/or terminate or otherwise dispose of or to accept surrenders of leases or tenancies of or to grant options and licences over, all or any part of the Charged Assets, in such manner and on such terms as he thinks fit;
- 9.5.5 to take, continue or defend any proceedings and enter into any agreement, arrangement or compromise which the Chargees or he shall think fit in respect of the Charged Assets and/or the income thereon;
- 9.5.6 to make and effect all repairs, improvements and alterations to the Charged Assets and to insure such assets as he thinks fit;
- 9.5.7 to appoint such managers, officers, agents and professional advisers as he shall think fit, at such salaries as the Receiver may determine;
- 9.5.8 to sever and sell separately any fixtures or fittings from any Real Property without the consent of the Company;
- 9.5.9 to call up any of the Company's uncalled capital;
- 9.5.10 to promote the formation of a subsidiary company or companies of the Company, so that such subsidiary may purchase, lease, license or otherwise acquire interests in all or any part of the Charged Assets;

- 9.5.11 to operate any rent review clause in respect of any Real Property in relation to which he was appointed and to apply for any new or extended lease;
- 9.5.12 to give valid receipts for all monies;
- 9.5.13 to make such VAT options in relation to any Real Property as he thinks fit;
- 9.5.14 to exercise in relation to each Charged Asset all powers and rights as he would be capable of exercising if he were the absolute owner of such Charged Asset; and
- 9.5.15 to do all other acts and things which he may consider to be incidental or conducive to any of the above powers or which he considers to be necessary or desirable for the realisation of any Charged Asset, and to use the name of the Company for any of the above purposes.

9.6 **Application of proceeds**

Any moneys received under this Debenture shall be applied:

- 9.6.1 **first**, in satisfaction of all costs, charges and expenses properly incurred and payments properly made by the Chargees or the Receiver and of the remuneration of the Receiver;
- 9.6.2 **secondly**, in or towards satisfaction of the Secured Obligations; and
- 9.6.3 **thirdly**, the surplus (if any) shall be paid to the Company or to any other person or persons entitled to it.

Neither the Chargees nor any Receiver shall be bound (whether by virtue of section 109(8) of the LPA, which is varied accordingly, or otherwise) to pay or appropriate any receipt or payment first towards interest rather than principal or otherwise in any particular order between any of the Secured Obligations.

9.7 **Suspense account**

All monies received by the Chargees or any Receiver under or in connection with this Debenture (including monies received at a time when no amounts are due in respect of the Secured Obligations) may at the discretion of the Chargees or such Receiver be credited to a suspense account for so long as the Chargees or the Receiver thinks fit without the Chargees or Receiver having any obligation to apply such monies or any part of them in or towards the discharge of any of the Secured Obligations.

9.8 **No liability**

- 9.8.1 Neither the Chargees nor any Receiver shall be liable in respect of the Charged Assets or any part thereof, or for any loss or damage arising out of the exercise or the attempted or purported exercise of any of its powers or the failure to exercise any of its powers, or for any other reason whatsoever, and whether as mortgagee in possession or on any other basis.
- 9.8.2 Notwithstanding any of the provisions of this Debenture, the Company shall remain liable to perform all obligations assumed by it in relation to the Charged Assets, and neither the Chargees nor any Receiver shall be obliged to perform any such obligation or make any payment in respect thereof.

9.9 **No duty to enquire**

No purchaser or other person shall be obliged or concerned to enquire:

- 9.9.1 whether the Secured Obligations have become payable;
- 9.9.2 whether any right of the Chargees or any Receiver to exercise any of its powers has arisen or become exercisable or not;
- 9.9.3 whether any sums remain due from the Company to the Chargees;
- 9.9.4 how any money paid to the Chargees or a Receiver is to be applied, or
- 9.9.5 as to the propriety of the exercise or purported exercise of such powers.

9.10 Conclusive discharge to purchasers

The receipt of the Chargees or any Receiver shall be a conclusive discharge to a purchaser and, in making any sale or other disposal of any of the Charged Assets or in making any acquisition in the exercise of their respective powers, the Chargees and every Receiver may do so for such consideration, in such manner and on such terms as it or he thinks fit.

9.11 Moratorium

Unless section A52(4) Insolvency Act 1986 allows, the Chargees are not entitled to appoint a Receiver solely by reason of:

- 9.11.1 the obtaining of a moratorium; or
- 9.11.2 anything done with a view to obtaining a moratorium (including any preliminary decision or investigation),
- 9.11.3 under Part A1 Insolvency Act 1986.

10 FURTHER ASSURANCE

- 10.1 The Company shall, at its own expense, promptly do all acts and execute all documents as the Chargees or a Receiver may reasonably specify (and in such form as the Chargees or a Receiver may reasonably require) for:

- 10.1.1 creating, perfecting or protecting the security intended to be created by this Debenture;
- 10.1.2 facilitating the realisation of any Charged Asset; and
- 10.1.3 facilitating the exercise of any rights, powers and remedies exercisable by the Chargees or any Receiver in respect of any Charged Asset or under this Debenture.

- 10.2 The action that may be required under Clause 10.1 above includes (without limitation):

- 10.2.1 the re-execution of this Debenture;
- 10.2.2 the execution of any legal mortgage, charge, transfer, conveyance, assignment, assignation or assurance of any property; and
- 10.2.3 the giving of any notice, order or direction and the making of any filing or registration, which, in any such case, the Chargees or a Receiver may think expedient.

11 POWER OF ATTORNEY

The Company by way of security irrevocably appoints the Chargees and any Receiver jointly and severally as its attorney, with full power of substitution and delegation, for it and in its name and on its behalf and as its act and deed or otherwise at any time after the Security constituted by this Debenture has become enforceable, to execute any documents and do any acts and things which the Company is required to execute and do under this Debenture, and/or which the attorney may deem necessary in exercising any of the powers, authorities and discretions conferred on the Chargees or any Receiver. The Company ratifies and confirms whatever any attorney does or purports to do pursuant to its appointment under this Clause.

12 PAYMENTS, COSTS AND INDEMNITY**12.1 Payments without deduction**

All amounts due by the Company to the Chargees pursuant to this Debenture shall be paid in full without any set-off, abatement, cross claim, deduction or withholding of any kind other

than as required by law. If the Company is compelled by law to make any deduction or withholding from any sum payable under this Debenture the sum payable by the Company shall be increased to an amount which (after making any deduction or withholding) leaves an amount equal to the amount which would have been due if no any deduction or withholding had been required.

12.2 Indemnity

The Company shall indemnify the Chargees for all reasonable costs, charges and legal expenses (on a full indemnity basis) charged or incurred by the Chargees or by any Receiver:

12.2.1 in connection with enforcing this Debenture; or

12.2.2 in exercising any power or any of its rights under this Debenture or any other security held by the Chargees from time to time.

13 NOTICES

13.1 Communications in writing

13.1.1 Any demand, notice, consent or communication to be made or given by or to the Company or the Chargees under or in connection with this Debenture shall be made in writing and, unless otherwise stated, may be made by letter or e-mail.

13.1.2 Any demand on the Company shall be validly made whether or not it contains an accurate statement of the amount of the Secured Obligations.

13.2 Addresses

The address and e-mail address (and the department or officer, if any, for whose attention the communication is to be made) of each Party for any communication or document to be made or delivered under or in connection with this Debenture is:

13.2.1 in the case of the Company, that identified with its signature below; and

13.2.2 in the case of the Chargees, that identified opposite their names in Schedule 1, or any substitute address or e-mail address (or department or officer) as any Party may notify any other Party by not less than five Business Days' notice.

13.3 Delivery

13.3.1 Any communication or document made or delivered by one Party to another Party under or in connection with this Debenture will only be effective:

(b) if by e-mail, when actually received in readable form, and, if a particular department or officer is specified as part of its address details provided under Clause 13.2, if addressed to that department or officer.

13.3.2 Any communication or document which becomes effective, in accordance with Clause 13.3.1 above, after 5.00 p.m. in the place of receipt shall be deemed only to become effective on the following Business Day.

14 GENERAL

14.1 Continuing and independent security

This Debenture shall be:

- 14.1.1 a continuing security to the Chargees and shall extend to the ultimate balance of the Secured Obligations, notwithstanding any settlement of account or intermediate payment or discharge in whole or in part, and secures present and future advances from time to time;
- 14.1.2 without prejudice and in addition to any other security for the Secured Obligations (whether by way of mortgage, equitable charge or otherwise) which the Chargees may hold now or hereafter on all or any part of the Charged Assets;
- 14.1.3 in addition to any rights, powers and remedies at law available to the Chargees; and
- 14.1.4 enforceable against the Company without the Chargees first having recourse to any other right, remedy, guarantee or security held by or available to it.
- 14.2 **New accounts**
If the Chargees receive notice of any subsequent charge or other interest affecting any part of the Charged Assets, the Chargees may open a new account for the Company. If the Chargees do not open a new account, it shall nevertheless be treated as if it had done so at the time when it received notice, and as from that time all payments made by the Company to the Chargees shall be credited or be treated as having been credited to the new account and shall not operate to reduce the amount due from the Company to the Chargees at the time when it received notice as specified above.
- 14.3 **Delay**
No failure or delay by the Chargees in the exercise of any of their rights under this Debenture or at law shall operate or be construed as a waiver. No waiver of any of the Chargees' rights shall preclude any further or other exercise of that right or of any other right.
- 14.4 **Indulgence**
The Chargees may give time or other indulgence, or make any other arrangement, variation or release with any person in respect of the Secured Obligations, and the Company may enter into any other security or guarantee for the Secured Obligations, in each case without derogating from the Company's liabilities or the Chargees' rights under this Debenture.
- 14.5 **Liability not discharged**
The Company's liability under this Debenture in respect of the Secured Obligations shall not be discharged, prejudiced or affected by any security, guarantee, indemnity, remedy or other right held by, or available to, the Chargees that is or becomes wholly or partially illegal, void or unenforceable on any ground, or any other act or omission which but for this Clause might have discharged, or otherwise prejudiced or affected the liability of the Company.
- 14.6 **Release**
Upon the discharge of the Secured Obligations, the Chargees shall, promptly after the request and at the cost of the Company, take whatever action is necessary to release and/or re-assign (without recourse or warranty) the Charged Assets from the Security created under this Debenture and execute and deliver any other documents as the Company may reasonably require in order to give effect to this Clause 14.6.
- 14.7 **Waiver of set-off rights by Company**
The Company waives any present or future right of set-off it may have in respect of the Secured Obligations (including sums payable by the Company under this Debenture).
- 14.8 **Delegation**
The Chargees may delegate in any manner to any person, any right, power or discretion exercisable by it under this Debenture upon any terms which it may think fit. The Chargees shall not be in any way liable or responsible for any loss or liability arising from any act, default, omission or misconduct on the part of any such delegate.

14.9 Perpetuity Period

If the rule against perpetuities applies to any trust created by this Debenture, the perpetuity period shall be 125 years (as specified by section 5(1) of the Perpetuities and Accumulations Act 2009).

14.10 Certificates

Any certificate of or determination by the Chargees specifying the amount of any Secured Obligations due from the Company shall be, in the absence of manifest error, conclusive evidence against the Company of the matters to which it relates.

14.11 Trustee Act 2000

The Company and the Chargees agree that the Chargees shall not be subject to the duty of care imposed on trustees by the Trustee Act 2000.

14.12 Amendments

The provisions of this Debenture may be amended only if the Chargees and the Company so agree in writing and any breach of this Debenture may be waived only if the Chargees so agree in writing.

15 PARTIAL INVALIDITY

If, at any time, any provision of this Debenture is or becomes illegal, invalid or unenforceable in any respect under any law of any jurisdiction, neither the legality, validity or enforceability of the remaining provisions nor the legality, validity or enforceability of such provision under the law of any other jurisdiction will in any way be affected or impaired.

16 THIRD PARTY RIGHTS

No provision of this Debenture shall be enforceable pursuant to the Contracts (Rights of Third Parties) Act 1999 by any person (except any Receiver or Delegate) who is not a Party. Notwithstanding any term of this Debenture, the consent of any person who is not a Party is not required to rescind or vary this Debenture at any time.

17 ASSIGNMENT AND TRANSFER**17.1 Assignment by the Chargees**

The Chargees may assign or transfer the whole or any part of their rights and/or obligations under this Debenture to any person to whom they can assign, novate or transfer their rights and/or obligations under the Share Purchase Agreement. The Company shall promptly upon request by the Chargees enter into such documents as may be necessary or desirable to effect such assignment or transfer.

17.2 Assignment by the Company

The Company may not assign any of its rights, or transfer any of its obligations, under this Debenture or enter into any transaction which would result in any of those rights or obligations passing to another person.

18 **COUNTERPARTS**
