### **REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 MARCH 2022**

#### **STRUCTURE, GOVERNANCE AND MANAGEMENT**

##### Structure

The charitable company is limited by guarantee and does not have a share capital. Members of the charity guarantee to contribute an amount not exceeding £1, to the charity in the event of winding up. The charity has one wholly-owned trading subsidiary, The Blackbird Cafe (EYCT) Ltd.

##### Governing Document

The company was incorporated on 19 June 2013 under a memorandum of association, which established the objects and powers of the charitable company and it is governed under its articles of association.

##### Trustees

The Board of Trustees has generally met quarterly. In a written resolution dated 13 June 2022, the Trustees voted to reduce the number of meetings per year to three. Any key decisions or issues are brought by the Chair to Trustees' attention in between scheduled meetings, for a vote by electronic resolution if necessary. The Chair also ensures that Trustees/Directors are kept informed of any relevant developments in the now larger gap between scheduled meetings.

During the year ended 31 March 2022, some meetings were conducted virtually and some updates provided by email. The Board of Trustees has a number of sub-committees and panels which meet as required to focus on finance and resources, marketing and communications and facilities management. During the year ended 31 March 2022, additional panels were convened to focus on managing operations under Covid-19 and planning the future structure of the organisation.

Trustees may appoint a person who is willing to act as a Trustee, either to fill a vacancy or as an additional Trustee. Each year, one third of the Trustees retire and are subject to re-election by the members as set out in the Articles of Association paragraphs 24 and 25.

##### Risk Management

The trustees review the risks that are faced by the charity and have established a risk process to ensure that they are dynamically monitored and managed. New risks are evaluated when they arise, and all risks are re-evaluated before each board meeting. The order and importance of risks identified changes after most reviews, and all risks are effectively managed according to their perceived impact and the probability of their occurrence.

Our major concern is currently the effect of rapid inflation on costs and wage expectations, most of which are largely outside our control. A long-standing issue with our energy supplier has finally been resolved and we have negotiated a fixed price energy contract. This will assist in keeping overall costs down, as will the Ground Source Heat Pump in the Woodpecker building

The gap between our hire income and the cost of the services we supply continues to mean we spend significant resources on applying for alternative funding to enable us to maintain the status quo, and we are now looking at possible sponsorship to widen this approach.

## **(Company limited by guarantee and not having share capital)**

### **REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 MARCH 2022**

Previous concerns over the viability of the Cafe have now reduced, as we have continued to expand the business which is now registered for VAT. However, the long term issue of flooding (mainly caused by the gully adjacent to the original premises) remains a serious concern until agreed short, and long, term solutions are implemented

The overall risks and their impact have generally reduced over the year, a factor which may be due to the closer monitoring of situations and the enthusiasm and competence of our new team of staff.

#### **OBJECTIVES AND ACTIVITIES**

The objectives of the charity are:

- To help and educate children and young people through their leisure time activities that they may grow to full maturity as individuals and members of society and that their conditions of life may be improved; and
- To further or benefit the residents of Eastleigh and the neighbourhood, without distinction of sex, sexual orientation, race or of political, religious or other opinions by associating together the said residents and the local authorities, voluntary and other organisations in a common effort to advance education and to provide facilities in the interests of social welfare for recreation leisure time occupation with the objective of improving the conditions of life for the residents.

#### **ACHIEVEMENTS AND PERFORMANCE**

##### Public Benefit

The Pavilion on the Park and the inclusive and varied activities which take place benefit the public in many ways. The charity's key focus is on involving more local people in volunteering and more young people and local residents from all backgrounds in its activities. The Trustees have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the charity's aims and objectives and planning future activities. Although activities were more limited in the early part of the year ended 31 March 2022 due to Covid-19, the charity remained focussed on providing benefit to the public.

##### Review of the year

The Pavilion on the Park is an important hub in the local community providing community services, facility hire and a community café. Our community projects include Cycles4all, Sensory4all, Little Pixies, and the One4all project, which works to combat social isolation in the community. The dedication of staff and volunteers at Pavilion on the Park contribute overwhelmingly to the success of the charity.

The Blackbird Café operates as a trading subsidiary of Eastleigh Youth & Community Trust. It aims to provide both an important catering service to staff and service users, and also a community focal point offering clubs, activities and events.

## **(Company limited by guarantee and not having share capital)**

### **REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 MARCH 2022**

The year ended 31 March 2022 was one in which we rebuilt our services and activities as the lockdowns and restrictions arising from the Covid 19 pandemic eased and were then removed. Many of our regular hirers returned to the Pavilion and we were pleased to welcome new hirers with their varied community offerings. Ad hoc hire was slower to recover but we are pleased to see the Pavilion once again being used for parties and other gatherings.

The Café re-opened in the late summer of 2021 and Little Pixies has recently opened its doors again. Both provide refreshed offerings giving even more to the local community.

One4all project activities have developed and expanded as we emerged from lock down and now comprise a range of affordable activities for all ages and abilities with a focus on creating a safe social hub for those with additional needs. Another focus in this project is combating social isolation, so recruitment of volunteers who are facing loneliness is a high priority. These activities are enhanced by lunches and other catering provided by the Café.

Despite the success of many of our activities, we remain dependent on grant income, particularly where we are kick-starting new activities or investing in equipment.

### **FINANCIAL REVIEW**

#### Financial Review

During the year, the charity and its subsidiary made a consolidated surplus of £7,258 (2021: surplus of £1,277). To make a surplus in what continued to be challenging times was a pleasing result. Key factors were the grant income we received from a variety of sources and the maintenance of tight cost control in all areas. We enter 2022-23 with advance grant funding of £11,113 and a healthy bank balance.

Total funds at 31 March 2022 of £925,980 comprise only unrestricted funds, including the designated property capital fund of £766,377. Free reserves amounted to £146,549 at the end of the year (2021: £110,333). This is marginally above the range of 3-6 months' expenditure (excluding depreciation) which the trustees aim to achieve.

#### Post balance sheet events and future plans

Maintaining income levels and accessing the grants we need remains challenging for the charity and its subsidiary during the current financial year as we invest in new activities and seek to bring more to our local community.

Our 2022-23 budget show that under any reasonably likely scenario, we will be able to remain open and to meet our obligations as they fall due and, on that basis, these financial statements have been prepared on a going concern basis.

The impact of the current cost-of-living crisis on demand for our activities and our costs is difficult to predict and any significant pro-longed decrease in hire or activity income would be very challenging for the charity.

**EASTLEIGH YOUTH AND COMMUNITY TRUST**  
**(Company limited by guarantee and not having share capital)**

**REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 MARCH 2022**

Reserves policy

The Trustees monitor and review the level of reserves held by the charity in line with the guidance set out by the Charity Commission. The Trustees consider that the aim should be to build up the free reserves of the charity to equal approximately three to six months expenditure. As reported above, we achieved this during the year ended 31 March 2022 and expect to maintain that position in the current year.

**DIRECTORS' RESPONSIBILITIES**

The directors are responsible for preparing the report of the trustees and the financial statements in accordance with applicable law and United Kingdom Generally Accepted Accounting Practice (UK GAAP).

The directors are required to prepare the report of the trustees and financial statements for each financial period, which give a true and fair view of the state of affairs of the charitable company and of its incoming resources and application of resources, including income and expenditure for the period. In preparing those financial statements accounts, the directors are required to: -

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards and statements of recommended practice have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the accounts on the going concern basis unless it is inappropriate to presume that the company will continue in operation.

The directors are responsible for keeping adequate accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

This report has been prepared in accordance with the small companies regime under section 419(2) of the Companies Act 2006, and in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with FRS 102 (second edition - October 2019).

## **INDEPENDENT EXAMINERS REPORT TO THE TRUSTEES ON THE UNAUDITED ACCOUNTS OF EASTLEIGH YOUTH & COMMUNITY TRUST**

I report on the consolidated accounts for the year ended 31 March 2022 set out on pages 7 to 19.

### **Responsibilities and basis of report**

As the charity's trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 (the '2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

### **Independent examiner's report**

Since the company's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of the Association of Chartered Certified Accountants, which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

- (1) accounting records were not kept in respect of the company as required by section 386 of the 2006 Act; or
- (2) the accounts do not accord with those accounting records; or
- (3) the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
- (4) the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended practice for accounting and reporting by charities

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

###### **Facility Reserves and Volunteer Led Youth Activity Fund**

A legacy totalling £47,935 was received from Nigel Brown, a former Trustee with 22 years of service and treasurer for most of that period. The Nigel Brown Legacy fund is administered at the discretion of the Eastleigh Youth and Community Board of Trustees - £4,000 was designated for the part purchase of a powered bicycle; £10,000 to replace/repair essential equipment; and £10,000 to support volunteer led youth activity, reflecting Nigel's lifelong volunteering interests. The remaining amount of £23,935 was allocated to general reserves. The designated funds remaining reflect unspent amounts from the elements allocated to facilities and youth work.

###### **Transfers**
