STRATEGIC REPORT

For the year ended 31 December 2022

The directors present their strategic report of Erudio Student Loans Limited ("the Company") for the year ended 31 December 2022 with comparatives for the year ended December 2021.

Principal activity and business activities

The Company was incorporated as Honours Trustee 2 Limited on 11 July 2013 on issuing one £1 share. This share is held by Wilmington Trust SP Services (London) Limited under a declaration of trust for discretionary charitable purposes. On 4 November 2013 the Company changed its name to Erudio Student Loans Limited.

The Company was established as a Special Purpose Vehicle to act as a Trustee for the sole purpose of acting as a conduit through which a consortium of interested parties were able to acquire a portfolio of unsecured student loans being sold by the Student Loans Company Limited in November 2013 (the "Loan Portfolio"). At that time the Loan Portfolio consisted of loans for which repayment had been deferred and loans which were in arrears. The Loan Portfolio was placed into Trust by the Company on acquisition for the benefit of Arrow Global Limited and Harrogate Holdings LP, the Beneficial Title Holders.

In December 2015 Capquest Debt Recovery Limited replaced Capita Customer Management Limited as the Primary Servicer of the Loan Portfolio with Arrow Global Limited overseeing the loans in arrears. All money collected by the Primary Servicer in relation to the Loan Portfolio is paid into the bank account of the Company. The money is paid over to the Beneficial Title Holders after deducting certain operating expenses of the Company. Short term timing differences may arise in the payments to the Beneficial Title Holders resulting in a daily balance being held in the bank account of the Company. As set out in note 2, the Loan Portfolio is not recognised in the financial statements of the Company as the economic benefits of the Loan Portfolio flows to the Beneficial Title Holders. As such the Loan Portfolio is recognised in the financial statements of the Beneficial Title Holders in proportion to their share of the Trust.

All correspondence relating to the Loan Portfolio received at the Registered Address of the Company is forwarded directly to the Primary Servicer whose details are on page 1.

Wilmington Trust SP Services (London) Limited is contracted by the parties to provide certain corporate services, which include the provision of a registered address, directors, statutory accounting and company secretarial services. These costs are paid directly by the Company. Wilmington Trust SP Services (London) Limited is not involved with the management of the Loan Portfolio which is overseen by the Beneficial Title Holders.

Wilmington Trust SP Services (London) Limited has no beneficial interest in the Company or the Loan Portfolio and purely provides corporate services. Wilmington Trust SP Services (London) Limited is not linked financially or otherwise to the Beneficial Title Holders.

Results

The unaudited financial statements for the year ended 31 December 2022 are set out on pages 4 to 10.

The Company acts as a trustee whose operating expenses are reimbursed in full each financial reporting period by the Beneficial Title Holders, meaning that it has no retained earnings.

Future activities

The Company will continue to hold the assets on Trust for the benefit of Arrow Global Limited and Harrogate Holdings LP, the Beneficial Title Holders, until such time as the Beneficial Title Holders instruct otherwise.

Statement of director's responsibilities

The directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulation.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors are required to prepare the financial statements in accordance with International Accounting Standards adopted for the use in the United Kingdom ("UK adopted IFRS") and those parts of the Companies Act 2006 that are applicable to companies which report in accordance with UK adopted IFRS. Under Company law the directors must not approve the accounts unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these financial statements, International Accounting Standard 1 requires that directors:

- properly select and apply accounting policies;
- present information, including accounting policies, in a manner that provides relevant, reliable, comparable and understandable information;
- provide additional disclosures when compliance with the specific requirements in IFRSs are insufficient to enable users to understand the impact of particular transactions, other events and conditions on the entity's financial position and financial performance; and
- make an assessment of the Company's ability to continue as a going concern.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The directors are responsible for the maintenance and integrity of the corporate and financial information included on the Company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

NOTES TO THE FINANCIAL STATEMENTS

For the year ended 31 December 2022

1. General Information

Erudio Student Loans Limited is a company incorporated and domiciled in the United Kingdom with registered number 08605918. The registered address of the Company is given on page 1. The nature of the Company's operations and its principal activities are set out in the strategic report.

The activities of the Company are entirely undertaken in the United Kingdom.

2. Accounting policies

A summary of the principal accounting policies is set out below. These have all have been applied consistently throughout the current year and the prior year.

Basis of preparation

These financial statements have been prepared and approved by the directors in accordance with International Accounting Standards adopted for the use in the United Kingdom ("UK adopted IFRS") and those parts of the Companies Act 2006 that are applicable to companies which report in accordance with UK adopted IFRS.

The financial statements have been prepared under the historical cost convention and the going concern basis.

The Company's functional currency is Pounds Sterling ("£") since this is the currency of the primary economic environment in which the Company operates and therefore the financial statements have been presented in pounds sterling rounded to the nearest pound. There are no significant uncertainties or estimates applied in the basis of preparing these financial statements.

Loan portfolio

In November 2013 the Company entered into sales and purchase agreements to acquire full legal title to the Loan Portfolio under which it would hold title to the loans in the Loan Portfolio on trust for Harrogate Holdings LP and Arrow Global Limited, the Beneficial Title Holders. Under the terms of the transaction documents the Company retains no financial interest in the performance of the Trust Property and nor does it have any control over the Loan Portfolio. The costs of servicing the Loan Portfolio are paid directly by the Beneficial Title Holders. As the risks and rewards of ownership have been transferred to the Beneficial Title Holders and the economic benefits of the Loan Portfolio will not flow to the Company, the Loan Portfolio does not meet the definition of an asset for the Company. As a result the Loan Portfolio is not recognised as an asset on the balance sheet of the Company but is recognised in the financial statements of the Beneficial Title Holders.

Cash and cash equivalents

Cash and cash equivalents represents the bank accounts in the name of the Company over which the Company retains control. This primarily relates to the bank account into which the monies collected by the Primary Servicer on the Loan Portfolio are paid. All withdrawals from the Company's bank accounts are governed by trust deeds and certain operating expenses of the Company are paid from the bank accounts before paying the remaining amounts monies to the Beneficial Title Holders. As the Company derives an economic benefit from the bank account it is recognised as an asset on the balance sheet of the Company. However, as the Company is contractually obliged to pay the balance on the bank account to the Beneficial Title Holders at a future date, the Company has also recognised a liability for the amount due to be paid.

Operating income

Operating income represents a recharge to the Beneficial Title Holders to enable the Company to meet certain expenses associated with carrying out its business.

Administrative expenses

Administrative expenses represent direct expenses of the Company which are paid directly from the bank account of the Company. They are accounted for on an accruals basis.

Taxation

Income tax payable on profits is based on applicable tax law and is calculated at rates of tax enacted or substantively enacted at the financial reporting date. Income tax payable is recognised as an expense in the period in which the profits arise.

NOTES TO THE FINANCIAL STATEMENTS (continued)

For the year ended 31 December 2022

2. Accounting policies (continued)

Other assets

Other assets represent amounts owed to the Company and are accounted for on an accruals basis less any charge for impairment. Included within other assets are amounts owed by the Beneficial Title Holders and which are due to be paid over to the Company.

Other liabilities
