**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 JULY 2016**

1. Statutory information

Ride of the Lions Limited is a private company, limited by shares, registered in England and Wales. The company's registered number is 08617357. The registered office is 7 & 8 Church Street, Wimborne, Dorset, BH21 1JH and business address is Pendock Cottage, Byfleet Road, Cobham, Surrey, KT11 1DS.

2. Accounting policies

Basis of preparing the financial statements

These financial statements have been prepared in accordance with the provisions of Section 1A "Small Entities" of Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

Turnover

Turnover represents amounts received for the provision of fundraising events during the year, net of value added tax.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Plant and machinery - 25% on reducing balance

Taxation

Current tax represents the amount of tax payable or receivable in respect of the taxable profit (or loss) for the current or past reporting periods. It is measured at the amount expected to be paid or recovered using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

Deferred tax represents the future tax consequences of transactions and events recognised in the financial statements of current and previous periods. It is recognised in respect of all timing differences, with certain exceptions. Timing differences are differences between taxable profits and total comprehensive income as stated in the financial statements that arise from the inclusion of income and expense in tax assessments in periods different from those in which they are recognised in the financial statements. Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

Deferred tax is measured using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date that are expected to apply to the reversal of timing differences. Deferred tax on revalued non-depreciable tangible fixed assets and investment properties is measured using the rates and allowances that apply to the sale of the asset.

Financial instruments

Basic financial instruments are initially recognised at transaction price and accounted for according to the substance of the contractual arrangement, as either financial assets, liabilities or equity instruments. An equity instrument is any contract that evidences a residual interest in the assets of the company, after deducting all liabilities.

At each balance sheet date, financial instruments are measured at amortised cost using the effective interest method. Any losses arising from impairment are recognised in the profit and loss account in the period to which they relate.

3. Employees and directors

The average number of employees during the year was 4 .
