2 Accounting policies

Summary of significant accounting policies and key accounting estimates

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

Statement of compliance

These financial statements have been prepared in accordance with Financial Reporting Standard 102 Section 1A - 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006.

Basis of preparation

These financial statements have been prepared using the historical cost convention except for, where disclosed in these accounting policies, certain items that are shown at fair value.

The presentational currency of the financial statements is Pounds Sterling, being the functional currency of the primary economic environment in which the company operates. Monetary amounts in these financial statements are rounded to the nearest Pound.

Name of parent of group

These financial statements are consolidated in the financial statements of Optalis Holdings Limited.

The financial statements of Optalis Holdings Limited may be obtained from Companies House.

Going concern

The company relies on a contract with Wokingham Borough Council to provide certain services to the Council. A decision was made at a WBC executive meeting held on 18 February 2016 that the contract would be extended for a further 5 years from 1 July 2016. The directors maintain close contact with Wokingham Borough Council who have confirmed that they will use reasonable endeavours to support Optalis Wokingham Limited as a going concern as per existing contractural arrangements. Therefore the directors consider that it is appropriate to prepare the financial statements on a going concern basis.

Judgements and estimation uncertainty

These financial statements do not contain any significant judgements or estimation uncertainty.

Share capital

Ordinary shares are classified as equity. Equity instruments are measured at the fair value of the cash or other resources received or receivable, net of the direct costs of issuing the equity instruments. If payment is deferred and the time value of money is material, the initial measurement is on a present value basis.
