The directors of the company are also charity trustees for the purposes of charity law and are elected at the Annual General Meeting.

Objectives and Activities

The objectives of the charity are to act as a resource for young people living in poverty up to the age of 18 living anywhere in the world by providing advice and assistance and organising programmes of physical, educational and other activities as a means of:

- I Advancing in life and helping young people by developing their skills, capacities and capabilities to enable them to participate in society as independent, mature and responsible individuals;
- II Advancing education;
- III Relieving unemployment;
- IV Advancing health and well being; and
- V Providing recreational and leisure time activity in the interests of social welfare for people living in the area of benefit who have need by reason of their youth, age, infirmity or disability, poverty or social and economic circumstances with a view to improving the conditions of life of such persons.

Achievements and Performance in the year

The global pandemic caused much disruption to our work abroad as it did for many other charities. As a result, we turned inwards looking for opportunities to play our part in supporting children in the United Kingdom that were adversely impacted by Covid-19. We supported children of asylum families forced into quarantine during lockdown supplying them with toys donated to us by our supporters. We will continue to develop our work in the UK to help children affected by poverty.

Our income streams have continued to grow steadily thanks to new fundraising activity in the year and despite the pandemic. We expanded the list of items we can now accept through our recycling scheme in response to donor feedback and demand.

In-kind support from corporate partners continued, particularly Google who's advertising grant remained our primary method of promoting our brand, programmes and fundraising activity.

Our volunteer programme has continued to flourish with volunteers supporting our marketing and communication activities.

Reserves Policy

The charity has no restricted reserves. Unrestricted reserves are being grown to a level sufficient to start implementing our charitable activities.

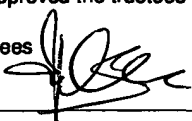

Declaration

The trustees declare that they have approved the trustees' report above.

**Independent Examiner's Report to the
Directors of Poverty Child Limited
on the Accounts for the Year Ended 30 September 2020**

Basis of independent examiner's report

We report on the accounts of Poverty Child Limited for the year ended 30 September 2020 which are set out on pages 2-9.

The trustee's (who are also the directors of the company for the purpose of company law) are responsible for the preparation of the accounts. The trustee's consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 and that an independent examination is needed.

It is our responsibility to:

- examine the accounts under section 145 of the 2011 Act;
- to follow the procedures laid down in the General Directions given by the Charity Commission under section 145 (5)(b) of the 2011 Act; and
- to state whether particular matters have come to our attention.

Basis of independent examiner's statement

Our examination was carried out in accordance with general directions for an independent examination. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statements below.

Independent examiner's statement

In connection with our examination, no matter has come to our attention:

1. which gives us reasonable cause to believe that in, any material respect, the requirements
 - to keep accounting records in accordance with section 386 of the Companies Act 2006; and
 - to prepare accounts which accord with the accounting records and comply with the accounting requirements of section 396 of the Companies Act 2006 and with the methods and principles of the Statement of Recognised Practice: Accounting and Reporting of Charitieshave not been met; or
2. to which, in our opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Voluntary income is received by way of monetary donations and donated services (valued at market rate) and are included in full in the Statement of Financial Activities when receivable.

(d) Resources Expended

Expenditure is recognised on an accrual basis and is reported as part of the expenditure to which it relates. The resources expended within direct costs include those services which have been donated and are valued at the market rate:

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Governance costs include those costs associated with meeting the constitutional and statutory requirements of the charity and include the Independent Examiner's fee.

All costs are allocated between the expenditure categories of the SoFA on a basis designed to reflect the use of the resource.
