PART 1 – GENERAL DESCRIPTION OF THE COMPANY'S ACTIVITIES AND IMPACT

In the space provided below, please insert a general account of the company's activities in the financial year to which the report relates, including a fair and accurate description of how they have benefited the community, or section of the community, which the company is intended to serve

The company is a town centre partnership, branded as 'Go Kidsgrove', working with local businesses, residents and other local partners to make Kidsgrove a better place to live, work and visit. Some of the activities were as follows:

- "Go Kidsgrove" won a package of support from the Association of Town and City Management which included a "Healthcheck". This provided the basis for an action plan to improve specific aspects of the environment for the benefit of all users of the town centre. This also involved a number of other partners including the Town and Borough Councils.
- Partners were brought together to provide, for the first time ever, a Christmas tree in a prominent position in the town centre. This was much appreciated by businesses and shoppers alike and "Go Kidsgrove" took a much more active role in the organisation of the town's lights generally. It has been agreed that the Company will take total responsibility for the lights in December 2015 and the majority of the preparation for this has already taken place.
- A number of family friendly activities have been organised in and around the town centre including Easter and Christmas treasure hunts, heritage walks and storytelling sessions about local characters. Over 100 individuals of all ages have taken part in these, learning more about local heritage and enjoying the benefits of gentle exercise.
- 7 local craft/vintage businesses took part in an artisan market organised by Go Kidsgrove. There is now a quarterly craft/vintage market taking place in the town centre which provides opportunities for small businesses and attracts footfall to the town.
- 10 local organisations took part in a 'Community day' canal and town centre clean up, improving the environment for all users of the town centre and canal.
- The website is now fully operational and local businesses are being featured together with any special offers. It is our intention to create an enhanced listing for a small fee, available to all local businesses in order to create a much needed revenue stream. The Company also operates Facebook and Twitter accounts for similar purposes.

(If applicable, please just state "A social audit report covering these points is attached")

(Please continue on separate continuation sheet if necessary)

PART 2 – CONSULTATION WITH STAKEHOLDERS – Please indicate who the company's stakeholders are; how the stakeholders have been consulted and what action, if any, has the company taken in response to feedback from its consultations? If there has been no consultation, this should be made clear.

The stakeholders are local residents, walkers, cyclists and boaters using the canal and towpath, local businesses; local voluntary organisations including U3A, Rotary Club

Go Kidsgrove operates a Facebook and Twitter page which people use to add comments about our activities and ask/answer questions. Feedback is invited from businesses via the business newsletter. The local paper, Kidsgrove News, is also used for gauging opinions. The company AGM, held in March provides a forum for stakeholders to voice their opinions, as do the monthly theme group meetings.

One of the biggest concerns of residents and traders alike was the relative lack of Christmas lighting. Much work has been done in this area with electrical testing of lampposts organised and orders for significant quantities of new lighting equipment put in place for Christmas 2015. Should funding be available, then this programme will be rolled out in forthcoming years.

(If applicable, please just state "A social audit report covering these points is attached")
