1. Why this report has been prepared

- 1.1 As you will be aware Catherine Williamson, Peter Saville and Kevin Coates (the **Administrators**) were appointed on 21 June 2016.
- 1.2 In accordance with UK insolvency legislation, an administrator is required to provide a progress report covering the period of six months commencing on the date on which a company entered into administration and every subsequent period of six months. This progress report covers the period 21 December 2016 to 20 June 2017 (the **Period**) and should be read in conjunction with all previous reports.
- 1.3 This report has been prepared in accordance with rule 18.2 of the Insolvency Rules (England and Wales) 2016.
- 1.4 The purpose of this report is to provide statutory and financial information about the Companies and to provide an update on the progress of the Administrations, including details of assets realised during the Period, details regarding the Administrators' fees and the expected outcome for each class of creditor.
- 1.5 As a reminder an administrator of a company must perform their functions with a view to achieving one of the following statutory objectives:
 - Objective 1: rescuing a company as a going concern;
 - Objective 2: achieving a better result for a company's creditors as a whole than would be likely if a company were wound up (without first being in administration); or
 - Objective 3: realising property in order to make a distribution to one or more secured or preferential creditors.
- 1.6 In these cases the Administrators pursued the second statutory objective. Further details on the actions taken to achieve that objective can be found in section 3 of this report.
- 1.7 Details of the Administrators' fees and disbursements incurred are detailed at Appendices C and D.
- 1.8 More information relating to the Administration process, Administrators' fees and creditors' rights can be found on AlixPartners' creditor portal (http://www.alixpartnersinfoportal.com). Log-in details to access this information can be found within the covering letter you have received.
- 1.9 If you require a hard copy of this report or have any queries in relation to the contents of this report or the Administrations generally, please contact Conor Kelly on 0161 838 4518, by email at **creditorreports@alixpartners.com**, or write to AlixPartners' office at The Zenith Building, 26 Spring Gardens, Manchester, M2 1AB.

2. Summary of information for creditors

Estimated dividend for creditors

Description	Estimated debt £	Likely level of return £ or pence/£
Secured creditor	25.22 million	7.63 million
Unsecured creditors:		
Bidco	30.55 million	Nil
Global	4.65 million	4 pence in the pound
Software	29.50 million	Nil

Notes:

Secured creditor

The estimated sum due to Inflexion Private Equity Partners LLP (**Inflexion**) has been taken from the demand letter served on the Companies dated 16 June 2016. Please note that this letter details a total debt of USD 36.98 million which has been converted at the exchange rate prevailing on the date of the appointment of the Administrators.

The secured debt is cross-guaranteed against all three of the Companies and the return noted above is the total estimated return from all three Administrations.

Unsecured creditors

The estimated debts have been taken from the directors' Statements of Affairs (SoA). Only Global will be in a position to make a distribution to its unsecured creditors and funds available for distribution and the dividend rate are stated before taking into account the estimated costs of making the distribution. Please note that the likely levels of returns are based upon estimates and are subject to change.

All unsecured creditors of Global are therefore invited to submit a claim using the Proof of Debt form available on the creditor portal, if they have not already done so. Claim forms should be returned to AlixPartners, The Zenith Building, 26 Spring Gardens, Manchester, M2 1AB no later than 20 July 2017 or by email to **creditorreports@alixpartners.com**. Please ensure sufficient documentary evidence to support the sum claimed is also provided. Failure to provide such evidence within the specified timeframe may result in your claim being excluded from the dividend distribution.

In respect of unsecured creditors, UK insolvency legislation stipulates that creditors of the same class should be treated equally. Hence the funds available for distribution are split on a pro-rata basis amongst the unsecured creditors, regardless of the size of their claims.

For further information please refer to section 4 of this report.

3. Progress of the Administrations

3.1 Attached at Appendix B are the Administrators' Receipts and Payments Accounts for the Period, together with Cumulative Accounts for the period since appointment. All costs incurred during the Period have been discharged.

Objective

- 3.2 As detailed in section 1.6, the Administrators have pursued the second statutory objective. This has been achieved following the pre-packaged sale of the Companies' business and assets which completed on 21 June 2016, immediately after the Administrators' appointments. Realisations from the sale totalled £7.68 million and are reflected in the Receipts and Payments Accounts at Appendix B. Further details of the sale were provided in the Administrators' previous reports, and are therefore not repeated in this report. Copies of these documents are available to download from the creditors' portal, as detailed at section 1.8.
- 3.3 In addition to their statutory objective, the Administrators have duties imposed by insolvency and other legislation and their regulating professional bodies. The Administrators have set out information in respect of the progress of these duties in addition to that of the realisation of assets and distribution of available funds. The detail provided is intended to provide users of this report with information to allow them to understand how the Administrators' fees and expenses as set out at Appendix C have been incurred, as well as the sensitivities that might be applicable to the Administrators' anticipated fees and expenses over the remainder of the Administrations.
- 3.4 A number of assets were excluded from the sale and an update on the realisation of these is provided below.

Realisation of assets

VAT refund

3.5 The final pre-appointment VAT return of Global detailed a repayment due from HM Revenue & Customs (**HMRC**) totalling £134,053. This was repaid in full on 22 December 2016.

Sundry realisations

3.6 Bank interest totalling £960 has been received during the Period by the Companies.

Outstanding matters

Tax retention - Global and Software

- 3.7 As a reminder, in addition to the sales consideration detailed in section 3.2, an amount of USD 350,000 is being held in an escrow account in relation to specific tax liabilities that may crystalise in the 12 month period post completion of the pre-packaged sale. If the purchaser receives a tax assessment in respect of these specific tax liabilities relating to this Period, an amount equal to the amount due under the tax assessment will be paid from the retention account to the purchaser to settle the tax liability. Any balance held in the tax retention account following the settlement of any liabilities will be paid to Global and Software only. As this amount or any part thereof is not yet available to these entities, it is not reflected on the Receipts and Payments Accounts at Appendix B.
- 3.8 The 12 month period has now ended and the Administrators are therefore liaising with the purchaser and HM Revenue & Customs (**HMRC**) to obtain confirmation as to whether any sums are due in respect of the tax liabilities for the Period. A further update will be provided in the next report.

Other matters - Bidco

3.9 All assets of Bidco have been realised; however, there are a number of administrative tasks to complete and a significant post-appointment VAT refund to recover from HMRC prior to the closure of the case. It is anticipated that all tasks will be completed on this case within the next six weeks and the Administrators will then proceed to bring the case to closure. A final report will be issued to creditors in due course.

Administration (including statutory reporting)

- 3.10 In addition to their duties relating to realising and distributing the assets of the Companies, the Administrators must comply with certain statutory compliance matters in accordance with the Insolvency Act 1986. These include preparing bi-annual reports to creditors advising of the progress of the Administration, liaising with HMRC to determine the final position in respect of corporation tax, PAYE, VAT and other taxes that may be owed by or to the Companies, and for filing tax returns for the duration of the Administrations.
- 3.11 In order to ensure the matters of the Administrations are being progressed sufficiently, the Administrators have a duty to conduct periodic case reviews and complete case checklists. In addition, the Administrators' treasury function will also comply with cash accounting requirements including raising payments, processing journal vouchers and posting receipts, preparing bank reconciliations and statutory returns.
- 3.12 The time taken for statutory tasks is largely fixed, insofar as the cost of preparing a report to creditors or filing an annual return is similar for most cases, except where cases are very large or complex. Where the costs of statutory compliance and reporting to creditors exceeds the initial estimate, it will generally be because the duration of the case has been longer than expected, due to for example protracted realisation of assets, and therefore additional periodic reports have had to be prepared and distributed to stakeholders.

Creditors (claims and distribution)

- 3.13 Details of the estimated outcome for creditors can be found in section 4.
- 3.14 During the Period, time has been spent dealing with creditor correspondence and claims, as well as reporting to the secured creditor and processing a further distribution.
- 3.15 There will be no funds available to the unsecured creditors of Bidco or Software.
- 3.16 There are sufficient funds to enable a dividend distribution to the creditors of Global and these creditors are therefore invited to submit their claims to the Administrators. Details of the procedure for doing this can be found in section 2, together with the estimated dividend rate.

4. Estimated outcome for creditors

Secured creditor - Inflexion Private Equity Partners LLP

4.1 The Companies granted fixed and floating charges to Inflexion on 23 October 2013. At the date of appointment Inflexion was owed £25.22 million (excluding interest and charges) under its security. To date, distributions totalling £6.8 million have been paid to Inflexion and it is estimated that the total return will be approximately £7.63 million. Inflexion will therefore suffer a shortfall on its lending.

Preferential creditors

4.2 Bidco and Software had no employees therefore no preferential claims will arise. All employees of Global have transferred to the purchaser and there will be no preferential claims against this company.

Unsecured Creditors' Fund

4.3 Where there is a floating charge which was created on or after 15 September 2003, the Administrators are required to create a fund from the company's net property available for the benefit of unsecured creditors (Unsecured Creditors' Fund), commonly known as the 'Prescribed Part'.

CMO Bidco Limited and CMO Software Limited

4.4 Based on present information, the Administrators estimate the value of the net floating charge property for each company to be nil, the value of the Unsecured Creditors' Funds will therefore also be nil.

CMO Global Limited

- 4.5 Based on present information, the Administrators estimate the value of the net floating charge property for Global to be £853,000. Arising from this the value of the Unsecured Creditors' Fund is estimated to be £173,600.
- 4.6 Based on the SoA, unsecured creditors are estimated to be approximately £4.65 million, which would result in a dividend rate of four pence in the pound before costs of the distribution. This dividend rate is subject to change and will be confirmed once all claims have been agreed.

5. What happens next

Creditors' rights

- 5.1 Within 21 days of the receipt of this report, a secured creditor, or an unsecured creditor (with the agreement of at least 5% of the value of the unsecured creditors) may request in writing that the Administrators provide further information about their fees or expenses which have been itemised in this progress report.
- 5.2 Any secured creditor, or an unsecured creditor (with the agreement of at least 10% of the value of unsecured creditors) may, within eight weeks of receipt of this report, make an application to court on the grounds that the basis fixed for the Administrators' fees is inappropriate, or that the fees charged or the expenses incurred by the Administrators during the period of this report are excessive.

Next report

5.3 The Administrators are required to provide a progress report within one month of the end of the next six months of the Administrations, or earlier if the Administrations have been finalised. For details of the proposed exit route please see Appendix E.

Extension of the Administrations

Global and Software

As the Administrators were aware that the tax retention funds detailed in section 3.7 would not be released prior to the anniversary of the appointments, the Administrations of these companies have been extended for a period of 12 months with the consent of the secured creditor to enable sufficient time to deal with this matter. The Administrations will now end on or before 20 June 2018.

Bidco

The Administration has been extended for a period of six months with the consent of the secured creditor to enable the final administrative matters to be concluded. The Administration will now end on or before 20 December 2017.

Please note that in all cases it is anticipated that the Administrations will come to an end earlier than the extended timeframes detailed here and the Administrators are working to conclude matters as quickly as possible.

Appendix C. Administrators' fees and disbursements

Fees

A copy of 'A Creditors' Guide to Administrations' can be downloaded from AlixPartners' creditor portal (http://www.alixpartnersinfoportal.com). If you would prefer this to be sent to you in hard copy please contact the Administrators and they will forward a copy to you.

Approval of the Administrators' fees has been sought in accordance with insolvency legislation. On 15 July 2016 the secured creditor approved that the basis of the Administrators' fees be fixed as a set amount totalling £150,000. On 3 April 2017 the secured creditor approved an uplift in the fees to £220,000. This has been split as follows and has been drawn in full, as detailed on the Receipts and Payments Accounts at Appendix B.

Company	Original fixed fee £	Revised fixed fee £	
Bidco	40,000	58,500	
Global	70,000	96,000	
Software	40,000	65,500	
Total	150,000	220,000	

Administrators' disbursements

Category 1 disbursements of £1,512 have been drawn on account. Approval to draw category 2 disbursements has been given by the secured creditor although none have been drawn to date.

Appendix D. Additional information in relation to the Administrators' fees

Policy

Detailed below is AlixPartners' policy in relation to:

- staff allocation and the use of sub-contractors;
- · professional advisors; and
- · disbursements.

Staff allocation and the use of sub-contractors

The Administrators' general approach to resourcing their assignments is to allocate staff with the skills and experience to meet the specific requirements of the case.

The case team will usually consist of a managing director, a vice president, an associate and an analyst. The exact case team will depend on the anticipated size and complexity of the assignment and the experience requirements of the assignment. On larger, more complex cases, several staff at all grades may be allocated to meet the demands of the case.

With regard to support staff, time spent by treasury staff in relation to tasks such as recording transactions and dealing with bank accounts is charged but secretarial time is only recovered if a large block of time is incurred, eg report compilation and distribution.

The following service has been provided to Global by an external sub-contractor.

Service type	Service provider	Basis of fee arrangement	Cost to date £
Payroll processing and tax advice	Consultant – Ms Morina	Fixed fee	871

Professional advisors

On these assignments the Administrators have used the professional advisor listed below. The Administrators have also indicated the basis of their fee arrangement with them, which is subject to review on a regular basis.

Name of professional advisor	Basis of fee arrangement
Latham & Watkins LLP (legal advice)	Hourly rate and disbursements

The Administrators' choice was based on their perception of the professional advisors' experience and ability to perform this type of work, the complexity and nature of the assignment and the basis of their fee arrangement with them.

CMO Bidco Limited (**Bidco**), CMO Global Limited (**Global**) and CMO Software Limited (**Software**) All in Administration (the **Companies**)

Disbursements

Category 1 disbursements do not require approval by creditors. Category 1 disbursements may include external supplies of incidental services specifically identifiable to the case eg postage, case advertising, invoiced travel and external printing, room hire and document storage. Any properly reimbursed expenses incurred by the Administrators and their staff will also be chargeable.

Category 2 disbursements do require approval prior to being paid and will be drawn in accordance with the approval given, they may include business mileage for staff travel - charged at the rate of 45 pence per mile.

Appendix E. Exit route and discharge from liability

Dissolution of the Companies

The Companies have no property to permit a distribution to their unsecured creditors, other than by way of the Unsecured Creditors' Fund in the case of Global only. The Administrators will therefore file a notices, together with their final progress report, at court and with the Registrar of Companies for dissolution of the Companies. The Administrators will send copies of these documents to the Companies and their creditors. The appointments will end following the registration of the notices by the Registrar of Companies

Discharge from liability

The secured creditor approved on 15 July 2016 that the Administrators will be discharged from liability under paragraph 98 of schedule B1 of the Insolvency Act 1986 directly after their appointments as Administrators cease to have effect.
