#### Notes to the Abbreviated Accounts for the period ended 31 October 2016

#### 1 Accounting Policies

#### Basis of measurement and preparation of accounts

The accounts have been prepared under the historical cost convention, as modified by the revaluation of certain fixed assets and in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2015).

### **Turnover policy**

Turnover represents rents and similar charges exclusive of VAT.

#### Other accounting policies

In accordance with the Financial Reporting Standard for Smaller Entities (effective January 2015) no provision is made for depreciation in respect of freehold properties or leasehold properties with more than 20 years remaining as investments. This departure from the requirements of the Companies Act 2006, which requires all properties to be depreciated is, in the opinion of the directors, necessary for the accounts to show a true and fair view.
