Notes to the Financial Statements

for the Period Ended 31 March 2022

1. Accounting policies

These financial statements have been prepared in accordance with the provisions of Section 1A (Small Entities) of Financial Reporting Standard 102

Turnover policy

Turnover comprises the income received during the period from the margin that the company earns on interest paid by borrowers on loans that it arranges, as well as arrangement fees and other ancillary income. Income is recognised when a loan that the company has arranged has been paid back in full. The company has committed to lenders that it will pay back any margin it has earned to lenders if lenders do not receive 100% of the capital they have invested.
