**1. General Information**

Ball Ainsdale Limited is a private company, limited by shares, incorporated in England & Wales, registered number 08763925 . The registered office is Unit 3, Building 2, The Colony Wilmslow, Altrincham Road, Wilmslow, Cheshire, SK9 4LY.

The company's principal place of business is Flat 12, Leinster Mansions, 1 Langland Gardens, Hampstead, London, NW3 6QB.

**2. Accounting Policies**

**2.1. Basis of Preparation of Financial Statements**

The financial statements have been prepared in accordance with Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" including the provisions of Section 1A "Small Entities" and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

**2.2. Going Concern Disclosure**

The accounts have been prepared on a going concern basis. This assumption may not be valid since at the balance sheet date the company has net liabilities of £22,386 (2022: £17,069). The validity of the going concern assumption therefore depends on the continued support of the directors, suppliers and the companies bankers and other providers of finance.

**2.3. Turnover**

Turnover is measured at the fair value of the consideration received or receivable, net of discounts and value added taxes. Turnover includes revenue earned from the sale of goods and from the rendering of services. Turnover is reduced for estimated customer returns, rebates and other similar allowances.

**Rendering of services**

Turnover from the rendering of services is recognised by reference to the stage of completion of the contract. The stage of completion of a contract is measured by comparing the costs incurred for work performed to date to the total estimated contract costs. Turnover is only recognised to the extent of recoverable expenses when the outcome of a contract cannot be estimated reliably.

**2.4. Taxation**

Taxation for the year comprises current and deferred tax. Tax is recognised in the Income Statement, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

Current or deferred taxation assets and liabilities are not discounted.

Current tax is recognised at the amount of tax payable using the rates and laws that have been enacted or substantively enacted by the balance sheet date.

**Deferred tax**

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Timing differences arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in the financial statements. Deferred tax is measured using tax rates and laws that have been enacted or substantively enacted by the year end and that are expected to apply to the reversal of the timing difference.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

**2.5. Pensions**

The company operates a defined pension contribution scheme. Contributions payable to the company's pension scheme are charged to the profit and loss account in the period to which they relate.

**3. Average Number of Employees**
