FOR THE PERIOD 14 NOVEMBER 2013 TO 31 MARCH 2015

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

At the year end the company had net liabilities of £1,485. The company is reliant on the support of a related company in not withdrawing the money owed to it and in providing adequate ongoing financial backing. The directors, who are also directors of the related company, have confirmed that they will continue to provide this support.

As a result the directors considers it is appropriate to assume that the company can continue to operate as a going concern and have consequently drawn up the financial statements on that basis.
